Re: **Request for a Product Schedule Update ("PSU") to Master Agreement B-00-015 (OBTS) and Master Agreement 07ITZ00134MA (CIDRIS) (collectively, the "Agreements")**

Dear Jean,

Sierra-Cedar, Inc. (f/k/a Sierra Systems) requests a PSU to both Master Agreement B-00-015 (OBTS) and Master Agreement 07ITZ00134MA (CIDRIS) in which Sierra-Cedar will continue to assign 1.5 FTE concurrent resources to provide Application Development and Production Support Services (Design, Development, Testing and break/fix support for production) for the Agreements. The State of Connecticut CJIS (Criminal Justice Information Systems) Project Manager shall be empowered to assign priorities and work assignments to Sierra-Cedar resources at anytime between the Agreements.

The monthly fee for service for the period of ~~January 1~~ FEBRUARY 05, 2016 to December 31, 2016 is $27,000. These services will continue to be offered on a month-to-month basis while the transition of OBTS and CIDRIS to the new Statewide Integrated Justice Solution is being finalized. The State will provide Sierra-Cedar with a minimum notice of 30 days for any requests to change the terms described herein. While there is no anticipated travel, if travel is required, actual reasonable costs will be reimbursed at the State Manager's rate as provided in the Agreements.

The purpose of this PSU is to replace the PSU effective July 1, 2015 and to allow the CJIS Project Manager to assign the Sierra-Cedar resources as needed to either or both of the OBTS or CIDRIS agreements for the monthly fee stated above.

The Sierra-Cedar resources currently assigned to provide support are:

Buck Grimes (US based)
Michael Jardine (Canada based)

The resources may be changed only with the consent of the State, such consent not to be unreasonably withheld.

If you have any questions or require further clarification of this request, please contact Joe Siegel at 310-743-8252.

Sincerely,
