Additional Questions and Answers
Bid #10ITZ0106

1. Q. Will the State of Connecticut need one instance of our application (with roll-up and total visibility across all business entities) or will the state need multiple instances of our application – where financial information is housed in separate applications and cannot be viewed in totality?

A. One instance of the application will be required.
2. Q. How many A/P and GL systems are there other than Core-CT that are utilized across the 60-100 individual entities?

A. Only Core-CT.
3. Q. Are there other HR systems other than PeopleSoft utilized by any of the entities?

A. There are no other HR systems other than PeopleSoft.
