The contract goal for DBE participation equaling the percent (indicated above) of the total Contract value has been established for this Contract. Compliance with this provision may be fulfilled when a DBE or any combination of DBEs perform work under the contract in accordance with 49 CFR Part 26 Subpart C Section 26.55, as revised.

The Department of Transportation hereby notifies all bidders that it will affirmatively insure that in any contract entered into pursuant to this advertisement, qualified Disadvantaged Business Enterprises or Small Contractor or Small Contractor Minority Business Enterprises will be afforded full opportunity to submit bids in response to this invitation and that they will not be discriminated against on the grounds of race, color, national origin, sex, sexual orientation, mental retardation or physical disability including but not limited to blindness, in consideration for an award.

Prospective bidders must be prequalified with the Department of Transportation and have on file a sworn Statement (Form CON 16). In order to help ensure that they may become prequalified in time for the bid opening for a given contract, contractors should be certain to return the form with all necessary information, signatures and notarizations to the Manager at least thirty (30) calendar days before requesting a bid proposal form for that contract. All prospective bidders wishing to obtain Proposal Forms must also submit a completed Qualification Affidavit (Part "C") when requesting a bid proposal.

If the Qualification Affidavit and the Contractor's Statement are found satisfactory, the proposal could be picked up or mailed to the contractor after three working days from the date of submittal.

NOTE: Prequalification status is confirmed every time a contractor applies for a proposal. All Proposals must be on the form furnished by the Department of Transportation and must be requested for the above named project(s). Bid Proposals are not included in the Plans and Specifications and are non-transferable.

The minimum rates to be paid labor of the various classifications shall be in accordance with current schedule of wages established by the State Labor Commissioner as provided in the General Statutes of Connecticut, as revised. The Contract Wage Certification Form is to be submitted to the Labor Commissioner before the award of the contract.

It is Department Policy that Payment and Performance Bonds and Contracts must be signed by the Bonding Companies and Contractors in the Office of the Department's Contract Section located in Room 2410, 2800 Berlin Turnpike, Newington, Connecticut.

All bidders are required to inform themselves fully of the conditions relating to the construction and labor under which the work will be or is now being performed and the contractor shall employ, as far as possible, such methods and means in the carrying out of this work as will not cause interruption or interference with any other contractor.

NOTE: Any Contractor or Subcontractor engaged in surface preparation and/or coating application must be certified by the Steel Structures Painting Council.

NOTE: Except when otherwise specified in the bid documents, no proposal will be considered unless; (a) it is accompanied by a proposal guaranty in the form of a bond from a surety company, satisfactory to the Commissioner, on the form furnished by the Department, in an amount equal to at least one-third of the amount of the bid; or (b) the bidder has on file in the Contract Section a current annual bid bond, satisfactory to the Commissioner, on the form provided by the Department for an amount equal to at least one-third of the aggregate amount of all current bids by the bidder for the Department's construction contracts.

At the time of the bid opening, the surety must be a corporate surety licensed by the Insurance Commissioner of the State of Connecticut and must hold a Certificate of Authority as an acceptable Surety and/or Reinsuring Company acceptable to the Federal Department of Treasury. The surety's underwriting limitation must not be less than the full amount required by the bond, itself.

CONTRACTORS that find discrepancies and/or errors in or between plans, specifications, quantities and other matters must immediately notify the Manager of Contracts in writing not less than twenty-eight (28) days before the scheduled bid opening.

The Department, prior to the awarding of any contract, may require further financial and other information from any applicant who becomes the low bidder for that contract. The Commissioner of Transportation reserves the right to reject any and all bids.
