

The University of Connecticut
REQUEST FOR PROPOSAL
ENERGY PURCHASE AGREEMENT(s)
STORRS, CT

PROJECT NUMBER: 112911LM

Issue Date: November 29, 2011
Mandatory Pre-proposal Meeting: December 6-8, 2011
Submission Due Date: January 4, 2012

The University of Connecticut (“UCONN”) is issuing a request for proposals (“RFP”) from qualified fuel cell Providers for the provision of fuel-cell generated electricity and possibly heat, as more particularly specified herein. The selected Provider(s) will locate natural gas powered fuel cell(s) at potential sites on the Regional Campuses of the University of Connecticut. The potential Regional Campus sites include: Avery Point, Stamford, West Hartford, the Hartford Law School and the Waterbury Campus. The fuel cell(s) to be located will generate electrical power to be consumed at that specific Regional Campus. If determined feasible and/or available, supplemental heat generated by operation of the fuel cell(s) will be utilized by the UCONN regional campus building(s). The fuel cell power system and infrastructure modifications necessary for fuel cell operation and system integration will be owned and operated by the Provider. UCONN will purchase the electricity and heat generated as available from the fuel cell through a Campus specific Energy Purchase Agreement with each Provider. The University reserves the right to make multiple, single or no awards in the best interest of the University.

TO LEARN MORE ABOUT THIS SOLICITATION VISIT OUR WEBSITE, UNDER CURRENT PROJECTS: http://www.cpcu.uconn.edu/profserv/profserv_currentops.html or http://www.das.state.ct.us/purchase/Portal/Portal_Home.asp

REQUEST FOR PROPOSALS
ENERGY PURCHASE AGREEMENT

University of Connecticut

Project #112911LM

Issue date:

November 29, 2011

Qualification Submission Due Date:

January 4, 2012

**Issued By: Ms. Lisa Mieszkowicz
Capital Project and Contract Administration
31 Ledoyt Road Unit 3047
Storrs, CT 06269-3047**

**THE UNIVERSITY OF CONNECTICUT
ENERGY PURCHASE AGREEMENT
REQUEST FOR PROPOSALS
PROJECT #112911LM**

I. OBJECTIVES

The University of Connecticut (“UCONN”) is issuing a request for proposals (“RFP”) from qualified fuel cell Providers for the provision of fuel-cell generated electricity and possibly heat, as more particularly specified herein. The selected Provider(s) will locate natural gas powered fuel cell(s) at potential sites on the Regional Campuses of the University of Connecticut. The potential Regional Campus sites include: Avery Point, Stamford, West Hartford, the Hartford Law School and the Waterbury Campus. The fuel cell(s) to be located will generate electrical power to be consumed at that specific Regional Campus. If determined feasible and/or available, supplemental heat generated by operation of the fuel cell(s) will be utilized by the UCONN regional campus building(s). The fuel cell power system and infrastructure modifications necessary for fuel cell operation and system integration will be owned and operated by the Provider. UCONN will purchase the electricity and heat generated as available from the fuel cell through a Campus specific Energy Purchase Agreement with each Provider. The University reserves the right to make multiple, single or no awards in the best interest of the University.

II. PROJECT BACKGROUND

UCONN has a long-standing commitment to energy conservation and sustainability. The University is signatory to the American College and University President’s Climate Commitment and developed a Climate Action Plan to outline actions that will further its goals towards sustainability. Examples of this commitment include the purchasing of “Green Electricity” and constructing, utilizing and/or planning for modern central heat/steam generation plants, geothermal heating systems, photovoltaic solar panels, thermal glazing, increasing building insulation, LED exterior lighting, light fixture re-lamping/ballast modifications and room occupancy sensors. This commitment is best illustrated by the installation of a 24.9 MW Co-Generation facility on the Main Storrs campus. All UCONN projects that exceed \$5 Million in new construction and \$2 Million in renovation are required to comply with LEED silver certification standards and meet stringent energy performance standards. UCONN currently has one building certified to LEED Silver with four in design and three in construction.

As a current initiative UCONN has established criteria for on-site electrical generation through the installation of a natural gas-powered fuel cell(s) at the Regional Campus’s in keeping with the University’s President’s commitment to Clean Energy. The goals of this initiative include the reduction of: UCONN’s overall carbon footprint, dependency on publicly-generated electricity, and operating expenses. In addition, the location of the fuel cell(s) on the Regional Campus’s will provide UCONN an opportunity to continue to expose students to concepts associated with a sustainable community and further demonstrates the University’s commitment to clean energy efforts.

The UCONN Regional Campus' have an infrastructure as follows:

1. Avery Point: The Campus purchases its electricity from the local utility company, Groton Utilities. The Campus has a combination of buildings served by a central heating/cooling plant and independent buildings each with their own cooling and heating infrastructure, with primary metering at 13.8KV. The high voltage cables and transformers are owned by the local utility company. Electrical operating data indicates average loads in excess of 400 kW on the campus. Natural gas fuels the boilers and hot water heaters on the campus. The cooling of buildings is done on a case by case basis with the use of centralized (750 ton load) utilizing natural gas and electric driven chillers in addition to local systems. The Marine Sciences Building (MSB) has a re-heat system serving approximately 167,000 SF (MSB 137,000 and Project Oceanology 30,000 SF).
2. Stamford: The Campus purchases its electricity from CL&P and is comprised of one academic building and one parking garage. The academic building has its own cooling and heating infrastructure. Electrical operating data indicates average loads in excess of 400 kW for the campus. Natural gas fuels the boilers and hot water heaters on the campus. An electric centrifugal chiller and gas fired engine driven chiller provide cooling. There is a lab re-heat system.
3. West Hartford: The Campus purchases its electricity from CL&P and consists of five (5) independent buildings each with their own cooling and heating infrastructure. Electrical operating data indicates loads of approximately 300 kW on the campus. Natural gas fuels the boilers and hot water heaters. Cooling of buildings is done on a case by case basis with the use of local systems.
4. Waterbury: The Campus purchases its electricity from CL&P and consists of one building and a parking garage, with one combined cooling and heating infrastructure. Electrical operating data indicates loads averaging 200 - 250 kW. Natural gas fuels the boilers and hot water heaters on the campus. Cooling of the building is done using electric driven chillers.
5. Law School: The Campus purchases its electricity from CL&P and has primary metering at 13.8KV. The high voltage cables and transformers are owned by local utility company. The Campus consists of six buildings with one central heating plant and independent cooling systems throughout the campus. The electrical infrastructure consists of four separate metering points for six buildings. Electrical operating data indicates loads averaging 300 kW. Natural gas fuels the boilers. The remaining cooling needs are taken care of by standalone systems.

III. SCOPE OF PROJECT

A. Project Scope:

The Provider will supply the respective Regional Campus with electricity and heat generated, as available, by commercially available fuel cell(s). The Provider will, at its expense:

- Provide, install, operate and maintain natural gas powered fuel cell system(s) to deliver energy needs which will provide a portion of the electricity required by the

respective Regional Campus. The fuel cell system may consist of, but is not limited to, power generating modules, fuel processing modules, power conditioning devices and appropriate switching and connection equipment, heat rejection devices, circulating water pumps, heat recovery heat exchangers, adsorption chillers, control system compatible with local system, cooling towers, interconnecting piping, water processing equipment, process gas equipment, thermal insulation, combustion air systems if required, and fire alarm and sprinkler systems as required by the State Code. All above modifications must be installed without compromising the existing system operations.

- Perform or obtain all necessary engineering related to the installation and/or operation of the fuel cell power system and the provision of electricity and heat as applicable, to UCONN (all engineering calculations and design documents shall be stamped by a P.E. registered in Connecticut and approved by the University);
- Obtain all permits necessary for the installation and operation of the fuel cell (including, but not limited to utility interconnect agreements with special rate riders, and Connecticut Siting Council approvals if required), Department of Energy and Environmental Protection, University of Connecticut Department of Building and Fire Services and all applicable environmental permits. The Provider shall identify and comply with any applicable requirements; local, state and federal.
- Provider must adhere to the University's standard Division One specifications pertaining to reporting, operations and construction on campus
- Engineer, provide, install and maintain all infrastructure necessary to connect to existing electrical and heating, if applicable, systems complying with all regulatory and university policies;
- The fuel cell power system will provide electricity and heat and or cooling as available, to the Regional Campus under a Campus specific Energy Purchase Agreement with UCONN; and
 1. Quality of the electricity from the fuel cell must meet local utility standards.
 2. The Provider may provide engineering options to allow the fuel cell to provide limited or total electrical and mechanical service to the campus when we experience a power interruption from the utility company.
- If applicable, the Provider shall maximize the use of the thermal heat by optimizing the location and integration of the fuel cell. The thermal utilization strategy shall be detailed in the RFP submittal. Adsorption cooling systems (or other similar equipment) shall be included in the design.
- At the expiration or earlier termination of the Energy Purchase Agreement, the Provider must remove the fuel cell and any related improvements and restore UCONN's premises to the condition existing prior to the installation of the fuel cell. In the event of such occurrence, UCONN, will require the Provider to remove and dispose of all equipment from the University property. The scope of such removal and disposal shall also include the restoration of the site to conditions similar to the

existing conditions of the buildings as before the system was installed to the satisfaction of the University. The University reserves the right to require the Provider to restore, remediate, or otherwise repair any physical defects that remain after removal of the equipment. The removal shall also render the building systems completely functional similar in mechanical and electrical performance as if the system had not been installed.

The fuel cell power system provided must:

- Have a proven track record of reliability and availability that is quantified in this response; and
- Be covered by manufacturer guarantees on system performance, efficiency and availability that is quantified in this response; and
- Have spare parts and resources readily available to meet stated availability and efficiency.

B. Access and Location:

1. UCONN shall make available to the Provider a location upon which to install the fuel cell and related components and shall take all steps necessary to provide the Provider with access necessary to install, operate and maintain said equipment.
2. The location for the installation of the fuel cell system and auxiliary equipment shall be as defined below for each Regional Campus. Optional sites may be suggested and taken into consideration. Provider is responsible for all security, including but not limited to fencing, locks, etc.

Suggested Regional Campus Site Locations:

- Avery Point – in the area of the Marine Science Building
 - Stamford – in the area adjacent to or on the Stamford general building footprint.
 - West Hartford – in the area of the Undergraduate Building or the 1800 Asylum Avenue Building
 - Hartford Law School – in the area of the Law Library.
 - Waterbury Campus – in the area of the main campus building.
3. Provider will take into consideration when calculating the installation of new underground utility runs, the avoidance of existing trees. There shall be no new utility runs that encroach under an existing tree's canopy. All new utility runs will be calculated where possible along existing paved areas.

C. Fuel Cell System Installation:

1. The University will require a Third Party peer review (CT State Licensed P.E. registered in Connecticut and approved by the University); at the design development and construction document phases. The Provider is responsible for paying for such consulting service however the Third Party Reviewer shall be managed by the University. Allocate \$10,000 per fuel cell location.
2. The Provider shall provide a critical path method schedule (CPM) of all fuel cell system deliverables. Such schedule shall be updated as it changes to reflect progress of the fuel cell system integration design and installation.
3. The Provider will be solely responsible for: (i) all professional fees, permits costs, and material and labor expenses related to the installation of the fuel cell; and (ii) all auxiliary equipment required to provide a fully operational system that meets the requirements of this RFP.
4. The Provider shall provide an example of a commissioning plan as part of the proposal for UCONN's approval. Such Plan shall demonstrate all necessary steps associated with the planning, communication and implementation of installing the fuel cell.
5. The Provider must make available an online dash board that shows real time and historical operation graphics. Provider understands that this data will be made available to UCONN personnel and be available for the public.
6. All auxiliary equipment and/or storage shall be secured within a single footprint utility pad.
7. Installation of the fuel cell system must be complete and providing electricity (and where applicable heating/cooling) to the respective Campus no later than January 1, 2013.

D. Fuel Cell Ownership, Operation and Maintenance:

The Provider will at all times maintain ownership, operate and maintain the fuel cell power system and auxiliary components.

E. Use of the Fuel Cell:

All energy provided by the fuel cell shall be produced for, supplied to, and utilized solely by the specific UCONN Regional Campus. UCONN will purchase electrical and thermal output of the fuel cell, to the extent that UCONN can beneficially utilize the energy. The Provider shall provide monthly performance reports to UCONN, quantifying fuel cell system inputs and outputs, for the duration of the Energy Purchase Agreement. The University reserves the right to use data from the Fuel Cell for research purposes and publish said data as part of its research and promotional activities.

F. Provision of Water, Natural Gas and Electricity Used by the Fuel Cell System:

1. UCONN will purchase and arrange transportation of the natural gas necessary to operate the fuel cell. At no time will UCONN warrantee the natural gas composition or supply of the natural gas. The Provider will be responsible for coordination with the respective natural gas provider for the installation of gas lines that might be required from the existing natural gas lines to the fuel cell and any and all costs associated therewith. The Provider shall also be responsible for the cost of any improvements to existing natural gas lines necessary to operate the fuel cell. If required, the provider will install a separate meter for UCONN's tracking of natural gas usage to UCONN's systems. This tracking system would need UCONN's approval.
2. The Provider will be responsible for coordination with the respective water provider for the installation of water lines that might be required from the existing water line to the fuel cell and any and all costs associated therewith. At no time will UCONN warrantee the quality or supply of the public water system. The Provider will be responsible for the installation of any water and waste water lines that may be required from existing water lines to the fuel cell and any and all costs associated therewith. The Provider shall also be responsible for the cost of any improvements to existing water lines necessary to operate the fuel cell. If required the provider will provide and maintain a water meter between the campus water meter and the fuel cell at a location approved by both UCONN and the Provider.
3. Electricity used by the fuel cell and its auxiliary equipment (parasitic electric loads) will be metered by the Provider, verified by UCONN, and deducted from the electrical energy produced by the fuel cell when reporting electrical energy provided to UCONN.

G. Project Financing, Contract Term and Payment to Provider:

1. The Provider will be responsible for obtaining any federal and state tax credits and carbon offsets available to it, along with Renewable Portfolio Standards program credits or other programs incentives as applicable. For calculation purposes, assume minimum compliance payment and provide the value used in the calculations.
2. It is presently anticipated that the term of the Energy Purchase Agreement will be negotiated as best fits the fuel cells life expectancy and cost profiles. Long term agreements such as 10 years with potential extension provisions could be acceptable with appropriate financial pro-forma statements.
3. The Provider will be paid an agreed-upon fee by UCONN on a quarterly basis for operation of the fuel cell power system. The amount of the quarterly invoice will be stated by the Provider within the proposal response and also within the "Project Information Statement."

4. The Provider is expected and encouraged to seek any and all Distribution Generation incentive programs offered by the Federal or State government and local utilities. This may include but not limited to the On-Site Renewable Distributed Generation (OSDG) Program, Solicitation # CEFIA-RFP-002 for grant funding through the Clean Energy Finance and Investment Authority (CEFIA) The Provider may obtain information regarding OSDG grant funding by visiting the CCEF web site (www.ctcleanenergy.com) and may direct questions regarding such grant funding to:

Clean Energy Finance and Investment Authority
Attn: Rick Ross, Fuel Cell Program Manager
865 Brook Street
Rocky Hill, CT 06067-3444
Telephone: 860.257.2887
FAX: 860.563.4877
Email: rick.ross@ctcleanenergy.com.

UCONN makes no representations regarding the potential availability of OSDG funding or any other grant funding. UCONN will not provide information regarding the availability of grant funding or respond to questions asked regarding such funding. It is the Providers responsibility in obtaining any funding anticipated as a condition of award.

H. **Energy Purchase Agreement Assurances:**

The Provider guarantees fuel cell performance and efficiencies, through mutually agreed upon pro forma metrics. Any deviation from the agreed upon performance metric will result in compensation to the University.

1. UCONN will purchase natural gas to supply the fuel cell. Provider will be required to guarantee the maximum annual natural gas consumption of its fuel cell. Additionally the Provider will be required to provide monthly usage predictions for a rolling twelve month period.
2. The Provider will be required to guarantee the minimum annual quantity of electricity that will be supplied to UCONN by operation of the fuel cell. If applicable, the Provider will be required to guarantee the minimum annual quantity of supplemental BTU's that it will supply to UCONN.

IV. **INSTRUCTION TO PROPOSERS:**

The University requires proposers to review the following prior to submitting their proposal:

- The University is a signatory to the President's Climate Commitment and has prepared a Climate Action Plan (<http://www.ecohusky.uconn.edu/pcc/climateactionplan.html>) and as such recommends that proposers demonstrate a similar commitment by eliminating redundancy, non-recyclable dividers, and irrelevant materials in their submission.

- Review the RFP carefully. Respond clearly and fully to evaluative criteria listed. Scoring is based upon this criteria – be clear about how work that is presented is relevant to this RFP.
- Organize the Proposal in a manner that assists the evaluation team process to easily review based on the criteria provided.
- Organize your proposal accordingly;

1) Introduction Letter: Include size (both dollar revenue and staffing) of your company, headquarter location, which branch office (if applicable) will be responsible for managing and implementing the installation, who is the authorized agent who will be executing the agreement and identify who will be the point of contact relating to the proposal; and

2) Technical Proposal: Provide relevant fuel cell power system installations and experience with implementing and managing energy purchase agreements.

Describe the technical aspects of the associated installations, such as, size of the installation, infrastructure connections, heat reuse, etc; and

3) Form of Proposal: Provide proposed cost for each Regional Campus location that your firm has identified as being economically cost effective for the installation of a fuel cell. Provide your feasibility approach as to the viability of the installation. Provide preliminary one line electrical diagram and basic site plan with the recommended location of the fuel cell; and

4) Additional Documents: Provide the following;

- An Insurance Certificate meeting the minimum limit coverage requirements;
- A current OSHA citation report of your firms history for the past 5 years;
- A workers compensation modification rating sheet from your insurance provider;
- Copies of Company licenses / registrations / certifications from the State of Connecticut;
- A list of litigation or arbitration proceedings;
- A list of principles convicted of, or entered any plea of guilty, or nolo contendere, or otherwise have been found civilly liable;
- A list of active contact names, titles and phone numbers of existing and past clients as references.
- In a separate envelope, your companies Audited Financial Statement within the past 18 months with interims within the past 6 months.

Representatives:

- The amount of each Bid shall be deemed to include the entire cost and expense of every item of labor, material and overhead necessary to complete the work bid upon, as specified, in full detail ready for use. The risk of all such costs and expenses shall be deemed assumed by the successful Bidder. The University shall assign a University Representative to work with the successful Provider as a liaison.
- In performing its obligations under this Contract, the Provider agrees to comply with all applicable states, laws, ordinances, regulations, codes, rules or orders of, or issued by, any governmental body having jurisdiction over the work, location of the work or contract.

Bidding Documents:

- No interpretations of the meaning of the Drawings, specifications or other Contract Documents will be made orally to any Bidder. Every request for such interpretation must be made in writing to the University Office of Capital Project & Contract Administration,

and to be given consideration shall be received at the specified date outlined within the invitation to bid and/or adjusted by a bid clarification/addenda.

- Any and all such interpretations and any supplemental instructions will be in the form of written bid clarification/addenda which, if issued, will be posted on the University's Capital Projects and Contract Administration's Department website; www.cPCA.uconn.edu for all prospective Bidders to access. Failure of any Bidder to receive any such addendum or interpretation shall not release any Bidder from any obligations under his Bid as submitted, provided notice has been sent to the address furnished by such prospective Bidder for the transmittal of notices, addenda and interpretations. It shall be the Bidder's responsibility to make inquiry as to, and to obtain, the Addenda issued, if any.
- The number of days shown in the schedule may differ from the actual dates given in an Agenda for a Pre-Bid or Pre-Proposal Conference, if so, the number of days listed are, hereby, superseded by the Agenda dates, unless the Bid or Proposal is extended by Addendum, in which case the number of days will again apply unless stated differently in the Addendum.
- Bidders shall promptly notify the University of any ambiguity, inconsistency or error which they may discover upon examination of these Contract Documents.

Bidding Procedures:

- Enclosed with this Request for Proposal is a Request for Information Form (RFI). All questions/clarifications must be submitted in writing on this form and before the prescribed RFI Deadline. No verbal questions will be answered. All answers to RFI's will be issued in a Bid Clarification/Addenda. The RFI form is at the end of this document.
- Form of Proposal: Enclosed with this Request for Proposal is a Form of Proposal. Bids shall be submitted on a copy of this form. Additional instructions to bidders including information on submission of bids and award and Contract appear on the Form of Proposal. All documents required by these Bid Documents must be returned with your Bid.
- Bids and Rejection of Bids: Bids shall be for the complete work as specified and shall include the names of any Subcontractors for the classes of work specified in the Form of Proposal, and for each other class of work for which the University has required a separate section and the dollar amounts of their subcontracts, and the Provider shall be selected on the basis of such general Bids. It shall be presumed that the Bidder intends to perform with its own employees all work in such four classes and such other classes, for which no Subcontractor is named. The Bidder's qualifications for performing such work shall be subject to review by the University pursuant to the Bid and the Contract Documents.
- Bids shall be submitted on the forms furnished for the specific project, which shall include a completed Form of Proposal containing all information required on the Proposal form, executed with an original signature by a duly authorized officer or representative of the Bidder, and, in the case of a Joint Venture, by duly authorized representatives of each Joint Venture. In no event will Bids or changes in Bids made by telephone or telefax be considered. Any Proposal Form omitting or adding items, altering the form, containing conditional or alternative Bids, or without the original signature of the Bidder or its authorized representative, may be rejected.
- Any Bids received after the scheduled closing time for the receipt of Bids, the Bidder will be formally notified of late delivery and will schedule a return to the Bidders unopened.
- Any Bid once deposited with the University of Connecticut may only be withdrawn by letter of request, signed by the depositing Bidder and presented to the Office of Capital Project and Contract Administration, prior to the time of opening of any Bid for the project designated or identified project.

Consideration of Bids:

- Every bid which is conditional or obscure, or which contains any addition not called for shall be invalid; and the University shall reject every such general Bid. The University shall be authorized to waive minor irregularities, which it considers in its best interest, provided the reasons for any such waiver are stated in writing by the University and made a part of the contract file. No such Bid shall be rejected because of the failure to submit prices for, or information relating to, any item or items for which no specific space is provided in the general Proposal Form furnished by the University, but this sentence shall not be applicable to any failure to furnish prices or information required to be furnished in the form provided by the University. The University also reserves the right to reject any and all bids and again advertise for bids, or to otherwise proceed as permitted under Connecticut General Statutes 10a-109a through 10a-109y.
- The Bid Price shall be the price set forth in the space provided on the Form of Proposal Form.
- Any Proposer who violates any provision of Connecticut General Statutes Section 4b-95 may be disqualified from bidding on other contracts that are subject to the provisions of Chapter 60 of the General Statutes for a period not to exceed twenty-four months, commencing from the date on which the violation is discovered, for each violation.
- The University reserves the right to accept or reject any or all Bids within 90 calendar days of the Bid opening, and the Bidder agrees that it may not modify, withdraw, or cancel its Bid and that its Bid Price will be firm for this 90 day period. This 90 day period may be extended by mutual agreement between the University and the Bidder.
- The project will be awarded to the responsible qualified Bidder submitting the lowest complete Bid in compliance with the Bid requirements and within the budget, subject to the provisions of Connecticut General Statutes 10a-109a through 10a-109y.
- The University reserves the right to elect to implement some, all or none of the Options that may be set forth in the Proposal forms, as may be in the best interest of the University. The low Bid shall be determined by taking the Base Price set forth in the Proposal form as selected by the University, plus Options selected by the University.

A. PROJECT APPROACH

The Proposer shall prepare a narrative which clearly demonstrates the firms' understanding of the specific needs of the University and respective campus, which "concisely" presents a technical, business and managerial approach to completing the proposed scope of services within the required time frame. Provide in some detail the process necessary to provide and install a fuel cell, including investigatory process, existing conditions assessments, planning and scheduling. Provide in a macro level a description of the service approach in managing and maintaining the level of service required under an Energy Purchase agreement. At a minimum address the Project Approach Information Statement at the end of this document.

B. TECHNICAL PROPOSAL:

Each Applicant shall demonstrate, to the satisfaction of the University that it possesses the financial, managerial and technical ability, and the integrity necessary to faithfully and efficiently perform the work and services for which it intends to bid, without conflict of interest. The University shall evaluate whether the Proposer is qualified based upon the Proposer's experience with projects and services similar to that for which the bid is to be submitted, the nature of the

University's experience, if any, with the Proposer on prior or ongoing University of Connecticut and State of Connecticut projects, and upon the above-stated and following objective criteria:

1. PREVIOUS EXPERIENCE

- a. The Proposer must show or be able to demonstrate to the satisfaction of the University that it possesses the ability and capacity to successfully complete the service contract through the satisfactory past performance of work of a similar nature, size, scope, and complexity to that of the subject work/service to be provided. Provide at least 3 examples within the past 5 years where your firm has been awarded similar contracts of the size and complexity such as the one you are submitting on, providing detail on what makes that contract relevant. Was the contract performed within the confines of the contract and was milestones and schedules met within the contracted time frame.
- b. The Proposer shall demonstrate to the satisfaction of the University that it has maintained a satisfactory level of performance on such similar service work continuously over a 5-year period preceding the date of the Proposal.
- c. The Proposer shall be able to furnish references from owners indicating that it has satisfactorily and timely completed work and services similar to the services being proposed.

2. FINANCIAL ABILITY CAPACITY

- a. The Proposer shall demonstrate, through the materials submitted, that it possesses sufficient financial resources and stability, and is otherwise financially responsible and able to satisfactorily perform and complete the work for which it intends to submit a bid.
- b. Financial Requirements for Firm's submitting a Proposal with The University of Connecticut are as follows:
 - i. Contract Agreements \geq (Greater Than or Equal To) \$1,000,000:
Provide the most recent Audited Financial Statements are required, which must include the Independent Auditors Report; Balance Sheets; Income Statements; Cash Flow Statements; and Notes to the Financial Statements. These statements cannot be older than 15 months as of the date of the application. In addition you must supply Interim financial statements including Balance Sheets; Income Statements; Cash Flow Statements; and Notes to the Interim Financial Statements, if any. These statements must be provided for consideration and should be no older than 6 months as of the date of application.

Most recent Audited Financial Statements are required, which must include the Independent Auditors Report; Balance Sheets; Income Statements; Cash Flow Statements; and Notes to the Financial Statements. These statements cannot be older than 15 months as of the date of the application. In addition you must supply Interim financial statements including Balance Sheets; Income Statements; Cash Flow Statements; and Notes to the Interim Financial Statements, if any. These

statements must be provided for consideration and should be no older than 6 months as of the date of application. **If Audited statements are not completed by the company, statements reviewed or compiled by an independent public accountant may be accepted for review and evaluation** (these should include balance sheets, income statements, cash flow statements and notes to the financial statements, if available—if not available see #3 below.)

ii. **If notes to the Financial Statements are not available or inadequate disclosure is provided:** When submitting a compilation, if notes are not available, you are required to disclose the following and submitted with your proposal.

1. Litigation that may result in a material adjustment to the financial statements.
2. Other liabilities or contingencies not recorded in the financial statement.
3. Financial commitments not recorded in the financial statements
4. Related parties including:

- Activities between a parent and its subsidiaries.
- Activities between affiliates of the same parent company.
- Joint ventures.
- Relationships between the company and its major owners, management, or their immediate families.
- Company and employee trusts established & managed by the company, such as a profit sharing / pension plan.

You must disclose the following with respect to these related parties:

- Terms and settlements.
- Nature and substance of relationship.
- Description of the transactions, whether or not dollar amounts are involved.
- Dollar figures for the applicable transactions.
- Balances due from or owed to the related parties at year end, including payment terms.
- Nature of the control relationship between entities under common ownership or management control.

3. MANAGERIAL ABILITY

- a. The Proposer shall have on its payroll, or must be able to prove that it customarily employs managerial and supervisory personnel of the type qualified to perform the kind of work which may be called for on any service for which it intends to submit a bid.
- b. The Proposer shall demonstrate, through the information submitted in its Proposal, that it possesses the managerial resources, capability and commitment necessary for and satisfactory to the University for the proper performance of the service for which it intends to bid.

The proposer shall indicate all sub consultants and contractors that the Proposer will deem necessary to conform to the requirements of this RFP. Such information shall

contain the identity of sub-consultants and contractors, key contacts, roles and responsibilities, profiles and resume' of such entities.

c. The Contractor shall demonstrate, through the information submitted in its Technical Proposal, that they have their own Health and Safety Plan that possesses the managerial commitment necessary for and satisfactory to the University for the proper performance of the service for which it intends to bid.

d. The Proposer must provide a copy of their workers compensation experience modification rating from their insurer. Should such rating be in excess of 1.00, the Proposer shall demonstrate to the satisfaction of the University with their submission, a letter detailing the reasons why your rating is in excess and what managerial commitment your firm is taking to reduce its rating as necessary for and satisfactory to the University for the proper performance of the service work for which it intends to bid.

4. TECHNICAL ABILITY

a. The Proposer must demonstrate cost effectiveness throughout the term of the Energy Purchase Agreement.

b. The Proposer or its principals shall own or possess rented or leased equipment of the type customarily required by vendors in the performance of contract work and that such equipment, if needed, is available for the service for which it intends to bid.

c. The Proposer shall have adequate physical facilities in which and from which the services can be performed.

d. The Proposer shall demonstrate, through the information submitted in its proposal, that it possesses the technical capacity, resources, capability, and commitment necessary for and satisfactory to the University for the proper performance of the service for which it intends to submit a proposal on.

e. The Proposer shall demonstrate to the satisfaction of the University that it has utilized on and performed services similar in nature, scope, and complexity for which this Proposer is submitted and has currently in place the capability to implement and utilize, a Quality Assurance/Quality Control/Code Compliance program and set of procedures appropriate for the work/project or projects for which this Application is submitted.

5. INTEGRITY

a. The Proposal shall have a record of harmonious, cooperative, non-adversarial and honest relationships with Owners, including the University of Connecticut and/or the State of Connecticut and its agencies if the Proposer has performed work on prior University or State properties, as well as with Architects, Engineers, Consultants, Subcontractors and Suppliers on prior State projects of similar kind.

b. The Proposal shall demonstrate that it has not been cited for three or more willful or serious violations of any OSHA, or of any standard, order or regulations promulgated pursuant to such act, during the 5-year period preceding any bid which may be submitted, which violations were cited in accordance with the provisions of any State Occupational Safety and Health Act or the Occupational Safety and Health Act of 1970 and which were not abated within the time fixed by the citation; which citations have not been set aside following appeal to the appropriate agency or court having jurisdiction.

c. The Proposal shall not have received one or more criminal convictions related to the injury or death of any employee in the 5-year period preceding any bid which may be submitted.

d. The Proposal shall not have appeared on any list published by the Connecticut State Labor Commission of persons or firms that have been found in violation of the National Labor Relations Act, 29 U.S.C. 151 et. seq., by the National Labor Relations Board and by a final decision rendered by a federal court or that have been found in contempt of court by a final decision of a federal court for failure to correct a violation of said National Labor Relations Act on three or more occasions involving different violations during the five preceding calendar years, if the first day of July following publication of said list has occurred less than three years prior to the award of any contract to the Applicant.

e. The Proposer, or any entity in which the Proposer has an interest, shall not have appeared on any list published by the Connecticut State Labor Commissioner pursuant to Connecticut General Statutes Section 31-53a(a) of persons or firms whom he or she has found to have disregarded their obligations under Connecticut General Statutes. Sec. 31-53 and 31-76c to employees and subcontractors on public works projects or to have been barred from federal government contracts in accordance with the provisions of the Davis Bacon Act, 40 U.S.C. 276a-2, if said list has been published less than three (3) years prior to the award of any contract to the Applicant.

f. The Proposer shall demonstrate that on its previous projects have a satisfactory record of compliance with the provisions of Part III of Chapter 557 and Chapter 558; (Connecticut General Statutes Sections 31-52 through 31-57e and 31-58 through 31-76l respectively) during the five calendar years immediately preceding this Application.

g. The Proposer shall demonstrate that it has a satisfactory record of compliance with Connecticut General Statutes Sections 1-79 through 1-101, pertaining to Codes of Ethics for Public Officials and Lobbyists, including but not limited to Section 1-84, listing prohibited activities including the giving of "gifts", as defined therein, to public officials and employees during the five years immediately preceding this Application.

h. The Proposer or its principals shall not have been convicted of, nor entered any plea of guilty, or nolo contendere, or otherwise have been found civilly liable for any criminal offense or civil action involving embezzlement; forgery; bribery; falsification or destruction of records; receipt of stolen property; collusion, antitrust,

conspiracy or other offenses arising out of the submission of bids or proposals on public works projects or contracts.

i. The Proposer or its subcontractors shall not be the subject of any order in effect which has been issued by the Commission of Human Rights and Opportunities, pursuant to Connecticut General Statutes 46a-56 or any regulation, prohibiting any contracting agency of the State of Connecticut from entering into contracts with the Proposer. The Proposer shall also not be listed in any current list compiled by the Commission of contractors whom it has found to be in non-compliance with anti-discrimination or contract compliance statutes, nor shall the Applicant be the subject of any unabated or unexpired Notice of Non-Compliance issued by the Commissioner.

j. The Proposer shall demonstrate, through the information submitted in its Proposal, that, by its past and present actions and conduct, and that of its principals and principal employees, it possess the integrity necessary for and satisfactory to the University for the proper performance of the work for which it intends to bid.

6. CONFLICT OF INTEREST

a. The Proposer shall disclose and identify to the University, with its Application, any relationships which may constitute a potential conflict of interest with Purchasing, Architectural & Engineering Services, Facilities Operations, Capital Project & Contract Administration or any other University organizations or departments; or any architect, engineer, consultant, or designer of the proposed projects for the purpose of determining whether a conflict of interest exists. All such disclosures require acceptance/approval action on the part of the University, which shall determine whether an impermissible conflict exists.

b. The University also reserves the right to find any Proposer to be non-responsible or non-qualified with respect to a specific project, notwithstanding the fact that it may have previously been selected for previous agreements for the University.

C. FORM OF PROPOSAL:

Cost proposal shall be on the form provided with this solicitation. This form may not be altered in any way and must be submitted fully and completely at the time specified. Please follow all instructions and answer all questions required within the Form of Proposal.

1. Instructions and Definitions on the Commission on Human Rights and Opportunities Contract Compliance Regulations:

The contract to be awarded is subject to contract compliance requirements mandated by Sections 4a-60 and 4a-60a of the Connecticut General Statutes; and, when the awarding agency is the State, Sections 46a-71(d) and 81i(d) of the Connecticut General Statutes. There are Contract Compliance Regulations codified at Section-68j-21 through 43 of the Regulations of Connecticut State Agencies, which establish a procedure for awarding all contracts covered by Sections 4a-60 and 46a-71(d) of the Connecticut General Statutes. According to Section 46a-68j-30(9) of the Contract Compliance

Regulations, every agency awarding a contract subject to the contract compliance requirements has an obligation to “aggressively solicit the participation of legitimate minority business enterprises as bidders, contractors, subcontractors and suppliers of materials.” Minority business enterprise” is defined in Section 4a-60 of the Connecticut General Statutes as a business wherein fifty-one percent or more of the capital stock, or assets belong to a person or persons: “(1) Who are active in daily affairs of the enterprise; (2) who have the power to direct the management and policies of the enterprise; and (3) who are members of a minority, as such term is defined in subsection (a) of Section 32-9n.” “Minority” groups are defined in Section 32-9n of the Connecticut General Statutes as “(1) Black Americans . . . (2) Hispanic Americans . . . (3) persons who have origins in the Iberian Peninsula . . . (4) Women . . . (5) Asian Pacific Americans and Pacific Islanders; (6) American Indians . . .” An individual with a disability is also a minority business enterprise as provided by Section 4a-60g of the Connecticut General Statutes. The above definitions apply to the contract compliance requirements by virtue of Section 46a-68j-21(11) of the Contract Compliance Regulations. The awarding agency will consider the following factors when reviewing the bidder’s qualifications under the contract compliance requirements:(a) the bidder’s success in implementing an affirmative action plan;(b) the bidder’s success in developing an apprenticeship program complying with Sections 46a-68-1 to 46a-68-17 of the Administrative Regulations of Connecticut State Agencies, inclusive;(c) the bidder’s promise to develop and implement a successful affirmative action plan;(d) the bidder’s submission of employment statistics contained in the “Employment Information Form”, indicating that the composition of its workforce is at or near parity when compared to the racial and sexual composition of the workforce in the relevant labor market area; and(e) the bidder’s promise to set aside a portion of the contract for legitimate minority business enterprises. See Section 46a-68j-30(10)(E) of the Contract Compliance Regulations.

1.1 The BIDDER CONTRACT COMPLIANCE MONITORING REPORT must be completed in full, signed, and submitted with the bid for this contract. The contract awarding agency and the Commission on Human Rights and Opportunities will use the information contained thereon to determine the bidders compliance to Sections 4a-60 and 4a-60a CONN. GEN. STAT., and Sections 46a-68j-23 of the Regulations of Connecticut State Agencies regarding equal employment opportunity, and the bidders good faith efforts to include minority business enterprises as subcontractors and suppliers for the work of the contract.

1.2 Definition of Small Contractor:

Section 4a-60g CONN. GEN. STAT. defines a small contractor as a company that has been doing business under the same management and control and has maintained its principal place of business in Connecticut for a one year period immediately prior to its application for certification under this section, had gross revenues not exceeding ten million dollars in the most recently completed fiscal year, and at least fifty-one percent of the ownership of which is held by a person or persons who are active in the daily affairs of the company, and have the power to direct the management and policies of the company, except that a nonprofit corporation shall be construed to be a small contractor if such nonprofit corporation meets the requirements of subparagraphs (A) and (B) of subdivision 4a-60g CONN. GEN. STAT.

1.3 Description of Job Categories (as used in Part IV Bidder Employment Information)

MANAGEMENT: Managers plan, organize, direct, and control the major functions of an organization through subordinates who are at the managerial or supervisory level. They make policy decisions and set objectives for the company or departments. They are not usually directly involved in production or providing services. Examples include top executives, public relations managers, managers of operations specialties (such as financial, human resources, or purchasing managers), and construction and engineering managers.

BUSINESS AND FINANCIAL OPERATIONS: These occupations include managers and professionals who work with the financial aspects of the business. These occupations include accountants and auditors, purchasing agents, management analysts, labor relations specialists, and budget, credit, and financial analysts.

COMPUTER SPECIALISTS: Professionals responsible for the computer operations within a company are grouped in this category. Examples of job titles in this category include computer programmers, software engineers, database administrators, computer scientists, systems analysts, and computer support specialists

ARCHITECTURE AND ENGINEERING: Occupations related to architecture, surveying, engineering, and drafting are included in this category. Some of the job titles in this category include electrical and electronic engineers, surveyors, architects, drafters, mechanical engineers, materials engineers, mapping technicians, and civil engineers.

OFFICE AND ADMINISTRATIVE SUPPORT: All clerical-type work is included in this category. These jobs involve the preparing, transcribing, and preserving of written communications and records; collecting accounts; gathering and distributing information; operating office machines and electronic data processing equipment; and distributing mail. Job titles listed in this category include telephone operators, payroll clerks, bill and account collectors, customer service representatives, files clerks, dispatchers, shipping clerks, secretaries and administrative assistants, computer operators, mail clerks, and stock clerks.

BUILDING AND GROUNDS CLEANING AND MAINTENANCE: This category includes occupations involving landscaping, housekeeping, and janitorial services. Job titles found in this category include supervisors of landscaping or housekeeping, janitors, maids, grounds maintenance workers, and pest control workers.

CONSTRUCTION AND EXTRACTION: This category includes construction trades and related occupations. Job titles found in this category include boilermakers, masons (all types), carpenters, construction laborers, electricians, plumbers (and related trades), roofers, sheet metal workers, elevator installers, hazardous materials removal workers, paperhangers, and painters. Paving, surfacing, and tamping equipment operators; drywall and ceiling tile installers; and carpet, floor and tile installers and finishers are also included in this category. First line supervisors, foremen, and helpers in these trades are also grouped in this category..

INSTALLATION, MAINTENANCE AND REPAIR: Occupations involving the installation, maintenance, and repair of equipment are included in this group. Examples of job titles found here are heating, ac, and refrigeration mechanics and installers; telecommunication line installers and repairers; heavy vehicle and mobile equipment service technicians and mechanics; small engine mechanics; security and fire alarm systems installers; electric/electronic repair, industrial, utility and transportation

equipment; millwrights; riggers; and manufactured building and mobile home installers. First line supervisors, foremen, and helpers for these jobs are also included in the category.

MATERIAL MOVING WORKERS: The job titles included in this group are Crane and tower operators; dredge, excavating, and lading machine operators; hoist and winch operators; industrial truck and tractor operators; cleaners of vehicles and equipment; laborers and freight, stock, and material movers, hand; machine feeders and off bearers; packers and packagers, hand; pumping station operators; refuse and recyclable material collectors; and miscellaneous material moving workers.

1.4 Definition of Racial and Ethnic Terms (as used in Part IV Bidder Employment Information):

White (not of Hispanic Origin)- All persons having origins in any of the original peoples of Europe, North Africa, or the Middle East.

Black (not of Hispanic Origin)- All persons having origins in any of the Black racial groups of Africa.

Hispanic- All persons of Mexican, Puerto Rican, Cuban, Central or South American, or other Spanish culture or origin, regardless of race.

Asian or Pacific Islander- All persons having origins in any of the original peoples of the Far East, Southeast Asia, the Indian subcontinent, or the Pacific Islands. This area includes China, India, Japan, Korea, the Philippine Islands, and Samoa.

American Indian or Alaskan Native- All persons having origins in any of the original peoples of North America, and who maintain cultural identification through tribal affiliation or community recognition

V. **EVALUATION OF TECHNICAL AND COST PROPOSALS**

Thirty (30%) of the evaluation of submitted technical proposals will concern the strength of the financial commitment demonstrated by the technical proposal. Factors demonstrating the strength of the financial commitment include, but are not limited to the following criteria:

- Examples of similar projects that include cost details, operating performance data and owner contract information;
- Strength of funding and financial commitment (funding commitment sources are to be identified);
- Project readiness and scheduling (a shorter timeline for project implementation is preferred); and
- Project approach outline, and product information.
- Information provided in the Form of proposal and statutory requirements.

Seventy percent (70%) of the evaluation of submitted cost proposals will concern the cost-effectiveness of the project throughout the term of the Energy Purchase Agreement. Factors demonstrating cost-effectiveness include, but are not limited to:

- Maximum monthly natural gas usage of each month for twelve consecutive months;

- Minimum monthly BTU's of supplemental heat to be provided to UCONN each month for twelve consecutive months;
- Minimum monthly kilowatt-hours of fuel cell electricity to be provided to UCONN each month for twelve consecutive months; and
- Generation cost per each kilowatt-hour of electricity. Identify the assumed energy costs used in developing this rate.

The University may choose to interview firms as part of the selection process. However, the proposer should not assume that this will be done. The technical proposal shall be evaluated independent from the cost proposal however both shall be considered jointly for overall selection. The University reserves the right to award, reject or suspend the project based on the proposals submitted or what best serves the needs of the University.

VI. PROPOSAL SUBMISSION REQUIRMENTS

1. Communication:

NOTICE: There will be a mandatory pre-bid meeting at each Regional Campus site as identified in the table below. Each potential proposer must attend the meeting and sign the attendance sheet in order to have its proposal opened and considered for award by UCONN. Failure of a proposer to attend and sign in at the mandatory pre-bid meeting will result in its bid package being deemed non-responsive and ineligible for award by UCONN.

December 6, 2011 from 9:15AM to 11:45PM located in the Library Building, Auditorium, West Hartford Campus, West Hartford, CT

December 6, 2011 from 1:00PM to 3:30PM located in the Hosmer Building, Conference room 1, Hartford Law School, Hartford, CT

December 7, 2011 from 9:00AM to 11:30PM located in the Main building, Facility Operations Conference Room, Stamford, CT

December 7, 2011 from 1:30PM to 4:00PM located in the Room 131, Waterbury Campus, Waterbury, CT

December 8, 2011 from 1:00PM to 3:30PM located in the Facilities Operations, Building 7, Avery Point Campus, Avery Point, CT

All inquiries relative to the conditions and specifications listed herein as well as clarification of any information contained in this RFQ must be made to:

Ms. Lisa Mieszkowicz
Capital Project and Contract Administration
31 Ledoyt Road Unit 3047
Storrs, CT 06269-3047
 Fax: (860) 486-1953
lisa.mieszkowicz@uconn.edu

All requests for clarification must be in writing and received **no later than 2:00pm; December 14, 2011** and submitted on the request for clarification form attached. Subsequently, the University's response to any request for clarification will be posted on the University Office of Capital Projects and Contract Administration website: http://www.cpcu.uconn.edu/profserv/profserv_currentops.html; as well as the DAS website; http://www.das.state.ct.us/Purchase/Portal/Portal_Home.asp.

It is the responsibility of the interested firm's submitting to obtain any and all clarifications posted to the specified websites. Under no circumstances may any applicant or its representative contact any employee or representative of the University regarding the RFP prior to the closing date, other than as provided in this section. Any violation of this condition will result in the applicant being considered non-compliant and deemed disqualified. Strict adherence to this procedure is required.

a. Informal Communications:

From the date of receipt of this RFQ by each applicant, until a binding contractual agreement exists with the selected Firm or Firms and all other applicants have been notified or when the University rejects all SOQs, **informal communications regarding this procurement shall cease.** Informal communications shall include, but are not limited to:

1. Requests from the applicants written or verbal to any department(s) at the University other than the University's Department of Capital Project's and Contract Administration, for information, comments, speculation, etc; and
2. Requests from any department at the University or any employee of the University or Health Center for information, comments, speculations, etc.

b. Formal Communications:

From the date of receipt of this RFP by each applicant until a binding contractual agreement exists, as noted above, communications between the University of Connecticut, Capital Projects and Contract Administration and the applicants will be formal. Formal communications shall be written format by fax or email utilizing the RFI form provided. No phone calls please. Responses will be posted on the University's website below the RFP posting. **It is the respondent's responsibility to retrieve any addenda/clarifications from the website location specific to this solicitation. Failure to do so, does not give the respondent the right to modify their proposal in any way.**

Requests for clarification by the University:

The University may request that any applicant to clarify or supplement any information contained in the RFP. Applicants are required to provide a written response by the date specified no exceptions.

2. Submission Format/Receipt of Proposals:

One (1) original (clearly marked) and eight (8) copies of the Technical Proposal and one (1) original and one (1) original and one (1) copy of the Form of Proposal and one (1) original and one (1) copy Audited Financial Statement with interims. All submissions **must be in a sealed envelope / box and received on or before 2 p.m. Eastern Standard Time; Wednesday January 4, 2012, addressed to:**

**Ms. Lisa Mieszkowicz
Capital Project and Contract Administration
31 Ledoyt Road Unit 3047
Storrs, CT 06269-3047
Phone: (860) 486-8054
Fax: (860) 486-1953**

At the specified time stated above, all Proposals are to have been received as stipulated. All information will be confidential until after review and action by the Evaluation Committee and an award is made. E-mail or electronic attachments are not acceptable means of submitting a proposal and will be rejected as non-conforming. If you intend to use an express delivery service, it is recommended that you stress the need to deliver your package to the building and office designated above. Packages delivered by

express mail to other locations might not be re-directed to the appropriate address in time to be considered. It is the responsibility of the submitting firm to assure delivery of their submission at the designed office by the time and date noted above.

3. Critical Timetable for Award and Completion:

Milestones:

Mandatory Pre-Bid Meeting
 Closing Date for Questions –
 Submission of Proposals due –
 Review of Proposals

Anticipated Schedule

see table below
 December 14, 2011; 2pm
 January 4, 2012; 2pm
 Week of January 16, 2012

December 6, 2011 from 9:15AM to 11:45PM located in the Library Building, Auditorium, West Hartford Campus, West Hartford, CT

December 6, 2011 from 1:00PM to 3:30PM located in the Hosmer Building, Conference room 1, Hartford Law School, Hartford, CT

December 7, 2011 from 9:00AM to 11:30PM located in the Main building, Facility Operations Conference Room, Stamford, CT

December 7, 2011 from 1:30PM to 4:00PM located in the Room 131, Waterbury Campus, Waterbury, CT

December 8, 2011 from 1:00PM to 3:30PM located in the Facilities Operations, Building 7, Avery Point Campus, Avery Point, CT

This timetable is tentative and subject to change. Any questions or concerns about the timetable should be communicated in writing immediately upon receipt of this RFP through the RFI process.

A. Definition of Terms

“RFP”	Request for Proposal
“Purchaser”, “UConn” “University of Connecticut”, or “University”	The University of Connecticut
“Bidder”, “Proposer”, “Vendor” “Seller”, “Providers” or “Firm(s)”	Person, firm or corporation submitting a Proposal to this RFP
“Coordinator”, “Buyer”,	Lisa Mieszkowicz

VII CONTRACT AND INSURANCE

A draft of the contract is provided with this Request for Proposal. The University reserves the right to modify the contract or waive any informality as it deems to be in the best interest of the University.

Note: It is advised that interested parties have the contract reviewed prior to submitting an application. By submitting a proposal, the submitting Firm acknowledges and agrees to accept and execute any and all statutory and regulatory requirements pertaining to doing business and signing contracts with the State of Connecticut. Further the Proposer agrees to accept the contract and any modifications that the University deems necessary to it without exception. Exceptions to the contract by the submitting Firm at any time will not be considered.

The Provider shall demonstrate and provide evidence of insurance to protect the interests of the University and the State of Connecticut. The Provider must obtain statutory workers' compensation and employers' liability insurance, comprehensive automobile liability insurance, commercial general liability insurance, builders risk insurance and umbrella liability, in limits to be determined by the University prior to bid submission due date.

VIII. AFFIDAVITS / ETHICS AFFIRMATIONS

Affidavits/Ethics Affirmations to be completed in accordance with the instructions provided on the Office of Policy and Management (OPM) website for each Affidavits/Ethics Affirmations.

Form 5. Consulting Agreement Affidavit

Form 6. Affirmation of Receipt of State Ethics Laws Summary

With regard to a State contract as defined in P.A. 07-1 having a value in a calendar year of \$50,000 or more or a combination of series of such agreements or contracts having a value of \$100,000 or more, the authorized signatory to this submission in response to the State's solicitation expressly state contractors of state campaign contribution and solicitation prohibitions, and will inform its principals of the contents of the notice. See attached **SEEC Form 11.**

OPM has posted the approved Forms on the OPM Web site -
http://www.ct.gov/opm/cwp/view.asp?a=2982&q=386038&opmNav_GID=1806

IX. ATTACHMENTS:

**STATE OF CONNECTICUT
STATE ELECTIONS ENFORCEMENT COMMISSION
20 Trinity Street Hartford, Connecticut 06106—1628**

SEEC FORM 11

**NOTICE TO EXECUTIVE BRANCH STATE CONTRACTORS AND PROSPECTIVE STATE CONTRACTORS OF
CAMPAIGN CONTRIBUTION AND SOLICITATION BAN**

This notice is provided under the authority of Connecticut General Statutes 9-612(g)(2), as amended by P.A. 07-1, and is for the purpose of informing state contractors and prospective state contractors of the following law (italicized words are defined below):

Campaign Contribution and Solicitation Ban

No state contractor, prospective state contractor, principal of a state contractor or principal of a prospective state contractor, with regard to a state contract or state contract solicitation with or from a state agency in the executive branch or a quasi-public agency or a holder, or principal of a holder of a valid prequalification certificate, shall make a contribution to, or solicit contributions on behalf of (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of Governor, Lieutenant Governor, Attorney General, State Comptroller, Secretary of the State or State Treasurer, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee;

In addition, no holder or principal of a holder of a valid prequalification certificate, shall make a contribution to, or solicit contributions on behalf of (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of State senator or State representative, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee.

Duty to Inform

State contractors and prospective state contractors are required to inform their principals of the above prohibitions, as applicable, and the possible penalties and other consequences of any violation thereof.

Penalties for Violations

Contributions or solicitations of contributions made in violation of the above prohibitions may result in the following civil and criminal penalties:

Civil penalties—\$2000 or twice the amount of the prohibited contribution, whichever is greater, against a principal or a contractor. Any state contractor or prospective state contractor which fails to make reasonable efforts to comply with the provisions requiring notice to its principals of these prohibitions and the possible consequences of their violations may also be subject to civil penalties of \$2000 or twice the amount of the prohibited contributions made by their principals.

Criminal penalties—Any knowing and willful violation of the prohibition is a Class D felony, which may subject the violator to imprisonment of not more than 5 years, or \$5000 in fines, or both.

Contract Consequences

Contributions made or solicited in violation of the above prohibitions may result, in the case of a state contractor, in the contract being voided.

Contributions made or solicited in violation of the above prohibitions, in the case of a prospective state contractor, shall result in the contract described in the state contract solicitation not being awarded to the prospective state contractor, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.

The State will not award any other state contract to anyone found in violation of the above prohibitions for a period of one year after the election for which such contribution is made or solicited, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.

Additional information and the entire text of P.A 07-1 may be found on the website of the State Elections Enforcement Commission, www.ct.gov/seec. Click on the link to "State Contractor Contribution Ban."

Definitions:

"State contractor" means a person, business entity or nonprofit organization that enters into a state contract. Such person, business entity or nonprofit organization shall be deemed to be a state contractor until December thirty-first of the year in which such contract terminates. "State contractor" does not include a municipality or any other political subdivision of the state, including any entities or associations duly created by the municipality or political subdivision exclusively amongst themselves to further any purpose authorized by statute or charter, or an employee in the executive or legislative branch of state government or a quasi-public agency, whether in the classified or unclassified service and full or part-time, and only in such person's capacity as a state or quasi-public agency employee.

"Prospective state contractor" means a person, business entity or nonprofit organization that (i) submits a response to a state contract solicitation by the state, a state agency or a quasi-public agency, or a proposal in response to a request for proposals by the state, a state agency or a quasi-public agency, until the contract has been entered into, or (ii) holds a valid prequalification certificate issued by the Commissioner of Administrative Services under section 4a-100. "Prospective state contractor" does not include a municipality or any other political subdivision of the state, including any entities or associations duly created by the municipality or political subdivision exclusively amongst themselves to further any purpose authorized by statute or charter, or an employee in the executive or legislative branch of state government or a quasi-public agency, whether in the classified or unclassified service and full or part-time, and only in such person's capacity as a state or quasi-public agency employee.

"Principal of a state contractor or prospective state contractor" means (i) any individual who is a member of the board of directors of, or has an ownership interest of five per cent or more in, a state contractor or prospective state contractor, which is a business entity, except for an individual who is a member of the board of directors of a nonprofit organization, (ii) an individual who is employed by a state contractor or prospective state contractor, which is a business entity, as president, treasurer or executive vice president, (iii) an individual who is the chief executive officer of a state contractor or prospective state contractor, which is not a business entity, or if a state contractor or prospective state contractor has no such officer, then the officer who duly possesses comparable powers and duties, (iv) an officer or an employee of any state contractor or prospective state contractor who has *managerial or discretionary responsibilities with respect to a state contract*, (v) the spouse or a *dependent child* who is eighteen years of age or older of an individual described in this subparagraph, or (vi) a political committee established or controlled by an individual described in this subparagraph or the business entity or nonprofit organization that is the state contractor or prospective state contractor.

"State contract" means an agreement or contract with the state or any state agency or any quasi-public agency, let through a procurement process or otherwise, having a value of fifty thousand dollars or more, or a combination or series of such agreements or contracts having a value of one hundred thousand dollars or more in a calendar year, for (i) the rendition of services, (ii) the furnishing of any goods, material, supplies, equipment

or any items of any kind, (iii) the construction, alteration or repair of any public building or public work, (iv) the acquisition, sale or lease of any land or building, (v) a licensing arrangement, or (vi) a grant, loan or loan guarantee. "State contract" does not include any agreement or contract with the state, any state agency or any quasi-public agency that is exclusively federally funded, an education loan or a loan to an individual for other than commercial purposes.

"State contract solicitation" means a request by a state agency or quasi-public agency, in whatever form issued, including, but not limited to, an invitation to bid, request for proposals, request for information or request for quotes, inviting bids, quotes or other types of submittals, through a competitive procurement process or another process authorized by law waiving competitive procurement.

"Managerial or discretionary responsibilities with respect to a state contract" means having direct, extensive and substantive responsibilities with respect to the negotiation of the state contract and not peripheral, clerical or ministerial responsibilities.

"Dependent child" means a child residing in an individual's household who may legally be claimed as a dependent on the federal income tax of such individual.

"Solicit" means (A) requesting that a contribution be made, (B) participating in any fund-raising activities for a candidate committee, exploratory committee, political committee or party committee, including, but not limited to, forwarding tickets to potential contributors, receiving contributions for transmission to any such committee or bundling contributions, (C) serving as chairperson, treasurer or deputy treasurer of any such committee, or (D) establishing a political committee for the sole purpose of soliciting or receiving contributions for any committee. Solicit does not include: (i) making a contribution that is otherwise permitted by Chapter 155 of the Connecticut General Statutes; (ii) informing any person of a position taken by a candidate for public office or a public official, (iii) notifying the person of any activities of, or contact information for, any candidate for public office; or (iv) serving as a member in any party committee or as an officer of such committee that is not otherwise prohibited in this section.

End of SEEC Form 11

End of Form of Proposal

Form of Proposal

A duly authorized representative of the company must completely and accurately fill out, execute and submit with this Form of Proposal the following supporting documents:

- Attach Company’s Recent Audited Financial Statement (including recent 6 month interims.**
- Copies of your Connecticut Workers Compensation Insurance, General Liability and Automobile Liability Certificates (attached).**
- Attach copy of the firms National Council on Compensation Insurance (NCCI) Experience Modification Sheet (attached).**
- Attach Relevant project experience with similar projects, within the past 5 years.**
- Attach References.**
- Attach copies of your company’s licenses, registrations, and/or certifications from the State of Connecticut.**
- Attach list, if any, of litigation or arbitration proceedings including out of court settlements initiated by your firm or against your firm within the past 5 years including all pending cases.**
- Attach list, if any, of the Proposer or have its principals ever been convictions of, or entered any plea of guilty, or nolo contendere, or otherwise have been found civilly liable for any criminal offense or civil action involving embezzlement; forgery; bribery; falsification or destruction of records; receipt of stolen property; collusion, antitrust, conspiracy or other offenses arising out of the submission of bids or proposals on contracts within the past 5 years including all pending cases.**
- Attach list, if any, of OSHA citations within the past (5) years under present business name or any past business name.**
- Attach list, if any, of Connecticut State Labor Department violations against your company within the past 5 years.**
- Form of Proposal – Completely filled out and executed.**
- Preliminary one line electrical diagram and basic site plan identifying the proposed site location of the fuel cell for each Regional Campuses proposal being submitted.**
- ETHICS FORMS - A duly authorized representative of the company must sign these forms**
 - **These forms must be notarized and clearly show notary seal or acknowledged by a Commissioner of the Superior Court.**

If it is determined by the University of Connecticut and/or State of Connecticut that any information requested was not disclosed with this bid/proposal/RFQ, then such determination will be just cause for disqualification of the bid/proposal/RFQ.

Form of Proposal

University of Connecticut
Lisa Mieszkowicz
Purchasing Agent II
Capital Project & Contract Administration
3 North Hillside Road, Unit 6047
Storrs, Connecticut 06269-6047

Dear Ms. Mieszkowicz:

1. In accordance with Connecticut General Statutes Sections 10a-109a through 10a-109y and pursuant to, and in compliance with your Request for Proposal, I (we) propose to furnish the labor and/or materials installed as required for the project named and numbered on the FORM OF PROPOSAL of this proposal to the extent of the Proposal submitted herein, furnishing all necessary equipment, materials, machinery, tools, labor and other means of construction, and at the time prescribed strictly in accordance with the provisions of the Agreement including all addenda issued and received prior to the scheduled closing time for the receipt of the bids, and in conformity with requirements of the University of Connecticut and any laws or departmental regulations of the State of Connecticut or of the United States which may affect the same, for and in consideration of the price(s) stated on the said FORM OF PROPOSAL, hereof.

2. PROVIDERS INSURANCE REQUIRED:
 - a. I (We) agree to the minimum limits of liability and coverage as set forth in Article 21 of the Energy Purchase Agreement included with this RFP.

3. STATEMENT OF BIDDERS' QUALIFICATIONS AND INTENTION OF OBJECTIVE CRITERIA:
 - a. We (I) the Bidder; shall complete and submit with this FORM OF PROPOSAL the Contractor's Technical Proposal in support of its Qualifications to perform the Work and Service of this project, and to demonstrate its compliance with the University's Objective Criteria regarding Qualifications.

 - b. If we (I) have submitted a financial statement of a "parent" or affiliated entity, then: we (I) will attach, and return, along with its Bid Documents, the "Guarantee", executed by a duly authorized officer or representative of the affiliated entity, that the affiliated entity will "guarantee" to the satisfaction of the University, the financial capability and stability of the bidder, and that the assets of the affiliated entity will be available to respond to any default or failure to comply with the Contract Documents by the Bidder.

4. NONDISCRIMINATION & LABOR RECRUITMENT:

I (We) agree that the Contract awarded for this project shall be subject to the Executive Orders No. Three and Seventeen, promulgated June 16, 1971 and February 15, 1973 respectively and to the Guidelines and Rules of the State Labor Department implementing Executive Order No. Three and further agree to submit reports of Compliance Staffing on Labor Department Form E.O.3-1, when and as requested.

Form of Proposal

5. FEDERAL & STATE WAGE DETERMINATIONS AND PRICING CONSIDERATION:

I (We) agree that for the purposes of providing and installing proposed fuel cell(s) and their system(s), the work performed will be prevailing wage.

- a. Each contractor who is awarded a contract on or after October 1, 2002 shall be subject to provisions of the Connecticut General Statutes, Section 31-53 as amended by Public Act 02-69, "An Act Concerning Annual Adjustments to Prevailing Wages".
- b. In determining bid price, consideration should be given to Section 31-53 of the General Statutes of Connecticut as amended by Public Act 02-69, "An Act Concerning Annual Adjustments to Prevailing Wages". Such prevailing wage adjustment will not be considered a basis for an annual contract adjustment.
- c. The State of Connecticut Labor Department Wage Schedule where required, shall be provided with these documents, typically with the Bidders' Convenience Package, or will be incorporated in the Contract Documents as an Addendum. At the time of bidding, the bidder agrees to accept the current prevailing wage scale, as well as any annual adjustment to the prevailing wage scale, as provided by the Connecticut Department of Labor. Wage Rates will be posted each July 1st on the Department of Labor website: www.ctdol.state.ct.us. Such prevailing wage adjustment will not be considered a basis for an annual contract amendment.

6. CERTIFICATION OF BIDDER REGARDING EQUAL EMPLOYMENT OPPORTUNITY & NON-SEGREGATED FACILITIES:

I (We) acknowledge that I (we) and our subcontractors are obligated to fill out the forms provided by the University of Connecticut Office of Procurement Services and to agree to certify to the compliance of non-segregated facilities.

7. NOTICE TO EXECUTIVE BRANCH STATE CONTRACTORS AND PROSPECTIVE STATE CONTRACTORS OR CAMPAIGN CONTRIBUTION AND SOLICITATION BAN.

With regard to a State contract as defined in P.A. 07-1 having a value in a contract year of \$50,000 or more or a combination or series of such agreements or contracts having a value of \$100,000 or more, the authorized signatory to this submission in response to the State's solicitation expressly acknowledges receipt of the State Elections Enforcement Commission's notice advertising prospective principals of the contents of the notice. See Attachment SEEC Form 11.

8. I (We), the undersigned, hereby declare that I am (we are) the only person(s) interested in the proposal and that it is without any connection with any other person making any bid for the same work. No person acting for, or employed by, the State of Connecticut is directly interested in this proposal, or in any contract which may be made under it, or in expected profits to arise therefrom. This proposal is made without directly or indirectly influencing or attempting to influence any other person or corporation to bid or refrain from bidding or to influence the amount of the bid of any other person or corporation. This proposal is made in good faith without collusion or connection with any other person bidding for the same work and this proposal is made with distinct reference and relation to the plans and specifications prepared for this Contract. I (We) further declare that in regard to the conditions affecting the work to be done and the labor and materials needed, this proposal is based solely on my (our) investigation and research and not in reliance upon any representations of any employee, officer or agent of the State.

Form of Proposal

9. I (We), the undersigned agrees that, if selected as a Provider, we shall, within ninety calendar (90) days, execute a contract in accordance with the terms of this general bid.

10. I (We), further agree and warrants that I (we) have made good faith efforts to employ minority business enterprises as subcontractors and suppliers of materials under such contract and shall provide the Commission on Human Rights and Opportunities with such information as is requested by the Commission concerning our employment practices and procedures as they relate to the provisions of the Connecticut General Statutes governing contract requirements.

11. I (We), the undersigned agrees by submitting a proposal, I (we) acknowledges and agrees to accept and execute any and all statutory and regulatory requirements pertaining to doing business and signing contracts with the State of Connecticut. Further the Proposer agrees to accept the provided draft contract and any modifications that the University deems necessary to it without exception.

By submitting these proposal(s), the Provider is attesting to the review, reading, understanding, and acceptance of the information and requirements of the Energy Purchase Agreement contained within the RFP documents without exception. By submitting a proposal(s), the Provider represents that they have examined the site, and accept the conditions under which the agreement will be structured and work will be performed and we have read, evaluated, understand, and accepted all the RFP Documents and their content in their entirety and have included all provisions necessary to accomplish all work according to the information and requirements prescribed therein without exception.

Form of Proposal

I (We) acknowledge receipt of the following Proposal Clarification(s) issued during the bidding period and have included all changes therein in the base bid amount(s).

Clarifications/Addenda # _____, Dated _____
Clarifications/Addenda # _____, Dated _____
Clarifications/Addenda # _____, Dated _____

PROPOSED BASE CONTRACT PRICE(S):

Having carefully examined the RFP Documents for the above reference agreement, and having visited the project sites and examined all conditions affecting the work, the undersigned, upon written notice of award of contract, agrees to provide all labor, supervision, materials, tools, construction equipment, services, safety, insurance, and to pay all applicable taxes, and other costs necessary or required to complete the Work and provide services of this Bid in full accordance with the RFP for a identified number of years service agreement and the required timeframe as indicated by the proposed schedule for the Lump Sum Bid(s) of:

Regional Campus – Avery Point

_____ US Dollars for _____ years

(\$ _____) which incorporates all allowances as may be listed in the plans and specifications.

(Show the amount in both words and figures. In case of discrepancy, amount shown in words will govern. If not proposing, note N/A in both areas where proposal amount would be shown and leave the matrix blank and questions blank with the exception of the Feasibility Approach)

Feasibility Approach:

Whether you are choosing to propose on this location or not, in order to help the University understand the feasibility and logistics involved, please provide a brief narrative as to the advantages and/or disadvantages taken into consideration when determining the economic and logistical viability for this campus. Specifically address items such as proposed fuel cell system location, use of its heat to offset heating and cooling costs and integration and use of the electricity from the fuel cell. Attach separate page if necessary.

Form of Proposal

Annual cost to UCONN:

1. The Provider shall issue quarterly invoices to UCONN for all energy supplied to UCONN’s infrastructure by the fuel cell system. No other payments will be made to the Provider. Respondent shall fill in the matrix boxes provided in the table below for the total annual cost that will be invoiced to UCONN during each year of the base term contract. It is requested that the quarterly payments within each contract year consist of four equal payments.
2. The proposer shall fill in the matrix boxes in the table below for the total annual cost that will be invoiced to UCONN during each year of “Contract Extension 1” and “Contract Extension 2” (if Contract Extension 2 applies to the submission). It is requested that the quarterly payments within each contract year consist of four equal payments.

(Base and extension length of contract term may be modified to meet the life expectancy of the proposed fuel cell(s).)

3. Provide a brief description of the technology proposed to be used (e.g. Phosphoric Acid Fuel Cell, Molten Carbonate Fuel Cell etc.), and value to UCONN of that technology.
4. Discuss how and to what extent your proposal will technically (carbon reduction, pollutant reduction, energy efficiency etc.) benefit UCONN.

Form of Proposal

5. Discuss how and to what degree your proposal will economically benefit UCONN.
6. Describe maintenance needs and projected down time required for servicing the fuel cell. Distinguish between schedule and unscheduled downtime in this discussion.
7. What is the service life of the proposed fuel cell system? In this response include information regarding design life of the system as well as actual life based on prior experience with operational units.
8. What is the anticipated stack life and restacking time for the stack? In this response include information regarding design life of the stack as well as actual life based on experience with operational units.
9. What is the system's rated electrical power output? Provide this information for the duration of the life expectancy of the stack/system. Describe the quality of the electrical output.
10. How does the system operate in the presence or absence of the power grid?
11. What is the reliability record of the system based on prior experience?
12. What is the system start-up time? In this response include discussion of how this period varies depending on ambient conditions. In addition, describe if auxiliary power is required to get the fuel cell back in operation and what the source of this power will be.
13. What is the fuel cell system shut-down time? Include in this response a discussion of both a controlled and uncontrolled shut-down time.
14. The Provider will guarantee: a) _____ % net AC efficiency of the system, b) _____% combined heat and power efficiency at nominal operating conditions. Provide the calculation methodology for both responses. (Assumes no natural gas or water supply interruptions)

Form of Proposal

15. The Provider will guarantee _____% (time /yr) availability of the fuel cell system.
16. What is the acceptable or safe operational band for satisfactory operation of the fuel cell without compromising its life expectancy?
17. Please provide a kWh aggregate over each year of operation throughout the 10 year period. (Assumes no natural gas or water supply interruptions)
18. The fuel cell system supplied by the Provider will be capable of producing _____btu/hour of steam at the rated electrical output. Please estimate what fraction of the total amount of this will be usable within UCONN location and include calculation for the host thermal requirement. Provide options for improving the utilization.
19. The fuel cell provided by the Provider will produce no less than _____btu/hour of _____ psig of saturated steam on a monthly basis at the rated output. (assumes no natural gas or water supply interruptions).
20. The fuel cell maximum annual natural gas consumption will be _____ccf. Describe how this fuel consumption varies over the design life of the fuel cell.
21. The fuel cell maximum annual water consumption will be _____ccf.
22. The Provider should include a preliminary electrical one line diagram which shows clearly the major system components, identified as to make and model number and the interconnections between them.
23. The Provider should include a preliminary Project Site Plan that includes a detailed drawing of the proposed project site and its surroundings. The drawing must clearly identify the specific location of the equipment installation and the expected point of electric connection.
24. The Provider shall evaluate and calculate the environmental impact including air emissions, greenhouse gas emissions, waste generators, chemical storage and disposal and/or disposal of any other regulated materials including but not limited to flammables, gases, solvents, refrigerants, tanks, batteries, etc..
25. Avoided Annual Electrical Costs – Please provide annual avoided electricity costs for the ESA duration that reflect the costs that the university will not incur due to the operation of the fuel costs. In addition to the annual costs please provide a sample calculation and include a list of assumptions for review. (see table below)
26. Avoided Annual Heating Costs due to reduced Fuel Consumption – Please provide annual avoided fuel costs for the ESA duration that reflects the costs that the university will not incur due to the

Form of Proposal

operation of the fuel cell and associated heat recovery. In addition to the annual costs please provide a sample calculation and include the list of assumptions for review. (see table below)

27. **Avoided Annual Cooling Costs** – Please provide annual avoided fuel costs for the ESA duration that reflects the costs that the university will not incur due to the operation of the fuel cell and associated heat recovery. In addition to the annual costs please provide a sample calculation and include the list of assumptions for review. (see table below)

Avoided Cost Summary Table Below – please adjust the duration as appropriate for the lifetime expectancy of the fuel cell and/or duration of the base ESA period.

26. **Avoided Annual Heating Costs due to reduced Fuel Consumption** – Please provide annual avoided fuel costs for the ESA duration that reflects the costs that the university will not incur due to the operation of the fuel cell and associated heat recovery. In addition to the annual costs please provide a sample calculation and include the list of assumptions for review.

27. **Avoided Annual Cooling Costs** – Please provide annual avoided fuel costs for the ESA duration that reflects the costs that the university will not incur due to the operation of the fuel cell and associated heat recovery. In addition to the annual costs please provide a sample calculation and include the list of assumptions for review.

Avoided Cost Summary Table Below – please adjust the duration as appropriate for the lifetime expectancy of the fuel cell.

Avoided Cost Table	Year One	Year Two	Year Three	Year Four	Year Five	Year Six	Year Seven	Year Eight	Year Nine	Year Ten

3. Provide a brief description of the technology proposed to be used (e.g. Phosphoric Acid Fuel Cell, Molten Carbonate Fuel Cell etc.), and value to UCONN of that technology.

4. Discuss how and to what extent your proposal will technically (carbon reduction, pollutant reduction, energy efficiency etc.) benefit UCONN.

5. Discuss how and to what degree your proposal will economically benefit UCONN.

6. Describe maintenance needs and projected down time required for servicing the fuel cell. Distinguish between schedule and unscheduled downtime in this discussion.

7. What is the service life of the proposed fuel cell system? In this response include information regarding design life of the system as well as actual life based on prior experience with operational units.

8. What is the anticipated stack life and restacking time for the stack? In this response include information regarding design life of the stack as well as actual life based on experience with operational units.

Form of Proposal

9. What is the system's rated electrical power output? Provide this information for the duration of the life expectancy of the stack/system. Describe the quality of the electrical output.

10. How does the system operate in the presence or absence of the power grid?

11. What is the reliability record of the system based on prior experience?

12. What is the system start-up time? In this response include discussion of how this period varies depending on ambient conditions. In addition, describe if auxiliary power is required to get the fuel cell back in operation and what the source of this power will be.

13. What is the fuel cell system shut-down time? Include in this response a discussion of both a controlled and uncontrolled shut-down time.

14. The Provider will guarantee: a) _____ % net AC efficiency of the system, b) % combined heat and power efficiency at nominal operating conditions. Provide the calculation methodology for both responses. (Assumes no natural gas or water supply interruptions)

15. The Provider will guarantee _____% (time /yr) availability of the fuel cell system.

16. What is the acceptable or safe operational band for satisfactory operation of the fuel cell without compromising its life expectancy?

17. Please provide a kWh aggregate over each year of operation throughout the 10 year period. (Assumes no natural gas or water supply interruptions)

18. The fuel cell system supplied by the Provider will be capable of producing _____btu/hour of steam at the rated electrical output. Please estimate what fraction of the total amount of this will be usable within UCONN location and include calculation for the host thermal requirement. Provide options for improving the utilization.

19. The fuel cell provided by the Provider will produce no less than _____btu/hour of _____ psig of saturated steam on a monthly basis at the rated output. (assumes no natural gas or water supply interruptions).

20. The fuel cell maximum annual natural gas consumption will be _____ccf. Describe how this fuel consumption varies over the design life of the fuel cell.

Form of Proposal

21. The fuel cell maximum annual water consumption will be _____ccf.

22. The Provider should include a preliminary electrical one line diagram which shows clearly the major system components, identified as to make and model number and the interconnections between them.

23. The Provider should include a preliminary Project Site Plan that includes a detailed drawing of the proposed project site and its surroundings. The drawing must clearly identify the specific location of the equipment installation and the expected point of electric connection.

24. The Provider shall evaluate and calculate the environmental impact including air emissions, greenhouse gas emissions, waste generators, chemical storage and disposal and/or disposal of any other regulated materials including but not limited to flammables, gases, solvents, refrigerants, tanks, batteries, etc..

25. **Avoided Annual Electrical Costs** – Please provide annual avoided electricity costs for the ESA duration that reflect the costs that the university will not incur due to the operation of the fuel costs. In addition to the annual costs please provide a sample calculation and include a list of assumptions for review.

26. **Avoided Annual Heating Costs due to reduced Fuel Consumption** – Please provide annual avoided fuel costs for the ESA duration that reflects the costs that the university will not incur due to the operation of the fuel cell and associated heat recovery. In addition to the annual costs please provide a sample calculation and include the list of assumptions for review.

27. **Avoided Annual Cooling Costs** – Please provide annual avoided fuel costs for the ESA duration that reflects the costs that the university will not incur due to the operation of the fuel cell and associated heat recovery. In addition to the annual costs please provide a sample calculation and include the list of assumptions for review.

Avoided Cost Summary Table Below – please adjust the duration as appropriate for the lifetime expectancy of the fuel cell.

BIDDER CONTRACT COMPLIANCE MONITORING REPORT

PART I - Bidder Information

Company Name Street Address City & State Chief Executive	Bidder Federal Employer Identification Number _____ Or Social Security Number _____
Major Business Activity (brief description)	Bidder Identification (response optional/definitions in Instruction to Bidders page 18) -Bidder is a small contractor. Yes__ No__ -Bidder is a minority business enterprise Yes__ No__ (If yes, check ownership category) Black__ Hispanic__ Asian American__ American Indian/Alaskan Native ____ Iberian Peninsula__ Individual(s) with a Physical Disability__ Female__
Bidder Parent Company(If any)	-Bidder is certified as above by State of CT Yes__ No__
Other Locations in Ct. (If any)	DAS Certification #: _____

Form of Proposal

PART II - Bidder Nondiscrimination Policies and Procedures

<p>1. Does your company have a written Affirmative Action/Equal Employment Opportunity statement posted on company bulletin boards?</p> <p>Yes___ No___</p>	<p>7. Do all of your company contracts and purchase orders contain non-discrimination statement as required by Sections 4a-60 & 4a-60a CGS?</p> <p>Yes___ No___</p>
<p>2. Does your company have the state-mandated sexual harassment prevention in the workplace policy posted on company bulletin boards?</p> <p>Yes___ No___</p>	<p>8. Does your company, upon request, provide reasonable accommodation to employees, or applicants for employment, who have physical or mental disability?</p> <p>Yes___ No___</p>
<p>3. Do you notify all recruitment sources in writing of your company's Affirmative Action/Equal Employment Opportunity employment policy?</p> <p>Yes___ No___</p>	<p>9. Does your company have a mandatory retirement age for all employees?</p> <p>Yes___ No___</p>
<p>4. Does your company advertisements contain a written statement that you are an Affirmative Action/Equal Opportunity Employer?</p> <p>Yes___ No___</p>	<p>10. If your company has 50 or more employees, have you provided at least two (2) hours of sexual harassment training to all of your supervisors?</p> <p>Yes___ No___ NA___</p>
<p>5. Do you notify the Ct. State Employment Service of all employment openings with your company?</p> <p>Yes___ No___</p>	<p>11. If your company has apprenticeship programs, do they meet the Affirmative Action/Equal Employment Opportunity requirements of the apprenticeship standards of the Ct. Dept. of Labor?</p> <p>Yes___ No___ NA___</p>
<p>6. Does your company have a collective bargaining agreement with workers? Yes___ No___</p> <p>6a. If yes, do the collective bargaining agreements contain non-discrimination clauses covering all workers? Yes___ No___</p> <p>6b. Have you notified each union in writing of your commitments under the nondiscrimination requirements of contracts with the state of Ct? Yes___ No___</p>	<p>12. Does your company have a written affirmative action Plan? If no, please explain.</p> <p>Yes___ No___</p> <p>13. Is there a person in your company who is responsible for equal employment opportunity? Yes___ No___ If yes, give name and phone number. _____ _____</p>

Part III - Bidder Subcontracting Practices

1. Will the work of this contract include subcontractors or suppliers? Yes__ No__

1a. If yes, please list all subcontractors and suppliers and report if they are a small contractor and/or a minority business enterprise as defined on page 1 / use additional sheet if necessary)

1b. Will the work of this contract require additional subcontractors or suppliers other than those identified in 1a? Yes__ No__

Part IV – Bidder Employment Information

Form of Proposal

OPM Ethics Form 5
Rev. 10-01-11

**STATE OF CONNECTICUT
CONSULTING AGREEMENT AFFIDAVIT**

Affidavit to accompany a bid or proposal for the purchase of goods and services with a value of \$50,000 or more in a calendar or fiscal year, pursuant to Connecticut General Statutes §§ 4a-81(a) and 4a-81(b). For sole source or no bid contracts the form is submitted at time of contract execution.

INSTRUCTIONS:

If the bidder or vendor has entered into a consulting agreement, as defined by Connecticut General Statutes § 4a-81(b)(1): Complete all sections of the form. If the bidder or contractor has entered into more than one such consulting agreement, use a separate form for each agreement. Sign and date the form in the presence of a Commissioner of the Superior Court or Notary Public. **If the bidder or contractor has not entered into a consulting agreement, as defined by Connecticut General Statutes § 4a-81(b)(1):** Complete only the shaded section of the form. Sign and date the form in the presence of a Commissioner of the Superior Court or Notary Public.

Submit completed form to the awarding State agency with bid or proposal. For a sole source award, submit completed form to the awarding State agency at the time of contract execution.

This affidavit must be amended if there is any change in the information contained in the most recently filed affidavit not later than (i) thirty days after the effective date of any such change or (ii) upon the submittal of any new bid or proposal, whichever is earlier.

AFFIDAVIT: [Number of Affidavits Sworn and Subscribed On This Day: ____]

I, the undersigned, hereby swear that I am a principal or key personnel of the bidder or contractor awarded a contract, as described in Connecticut General Statutes § 4a-81(b), or that I am the individual awarded such a contract who is authorized to execute such contract. I further swear that I have not entered into any consulting agreement in connection with such contract, **except for the agreement listed below:**

Consultant's Name and Title

Name of Firm (if applicable)

Start Date

End Date

Cost

Description of Services Provided: _____

Is the consultant a former State employee or former public official? YES NO

If YES: _____
Name of Former State Agency

Termination Date of Employment

Form of Proposal

OPM Ethics Form 6
Rev. 10-01-11

STATE OF CONNECTICUT
AFFIRMATION OF RECEIPT OF STATE ETHICS LAWS SUMMARY

Written or electronic affirmation to accompany a large State construction or procurement contract, having a cost of more than \$500,000, pursuant to Connecticut General Statutes §§ 1-101mm and 1-101qq

INSTRUCTIONS:

Complete all sections of the form. Submit completed form to the awarding State agency or contractor, as directed below.

CHECK ONE:

- I am a person seeking a large State construction or procurement contract. I am submitting this affirmation to the awarding State agency with my bid or proposal. [Check this box if the contract will be awarded through a competitive process.]
- I am a contractor who has been awarded a large State construction or procurement contract. I am submitting this affirmation to the awarding State agency at the time of contract execution. [Check this box if the contract was a sole source award.]
- I am a subcontractor or consultant of a contractor who has been awarded a large State construction or procurement contract. I am submitting this affirmation to the contractor.
- I am a contractor who has already filed an affirmation, but I am updating such affirmation either (i) no later than thirty (30) days after the effective date of any such change or (ii) upon the submittal of any new bid or proposal, whichever is earlier.

IMPORTANT NOTE:

Within fifteen (15) days after the request of such agency, institution or quasi-public agency for such affirmation contractors shall submit the affirmations of their subcontractors and consultants to the awarding State agency. Failure to submit such affirmations in a timely manner shall be cause for termination of the large State construction or procurement contract.

AFFIRMATION:

I, the undersigned person, contractor, subcontractor, consultant, or the duly authorized representative thereof, affirm (1) receipt of the summary of State ethics laws* developed by the Office of State Ethics pursuant to Connecticut General Statutes § 1-81b and (2) that key employees of such person, contractor, subcontractor, or consultant have read and understand the summary and agree to comply with its provisions.

* The summary of State ethics laws is available on the State of Connecticut's Office of State Ethics website.

STATE OF CONNECTICUT

THE UNIVERSITY OF CONNECTICUT

ENERGY PURCHASE AGREEMENT AND LICENSE
PROJECT NO. _____

This Energy Purchase Agreement (hereinafter the "Agreement"), is entered into by and between the **University of Connecticut** (hereinafter called the "University"), acting herein by its Vice President and Chief Operating Officer under the provisions of Sections 10a-104 and 10a-108, inclusive of the Connecticut General Statutes, as revised, with principal offices located at 3 North Hillside Road, Storrs, CT 06269, and _____, a _____ corporation, with principal offices located at _____ (hereinafter called "_____"). The University and _____ shall hereinafter be collectively referred to as the "Parties"

RECITALS

The University is the owner of the real property located at _____ (the "Real Property"), and is the owner and operator of the University located at such Real Property (the "Facility").

_____ desires to design, install, own, operate and maintain the equipment described in Section 5 (hereinafter referred to as the "System" or the "Equipment"), pursuant to the terms herein, at the Facility for the production of electricity and thermal energy (collectively, "Energy") and the University desires to use the System at the Facility for the production of Energy in accordance with the terms of this Agreement.

NOW, THEREFORE, in consideration of the mutual promises set forth in this Agreement, the Parties agree as follows:

1. Term. The Term ("Term") of this Agreement will commence on the Effective Date as defined in Section 50 and terminate on the last day of the one hundred twentieth (120th) month following the Commercial Operation Date of the System (hereinafter referred to as the "Commercial Operation Date"). The Commercial Operation Date shall be defined as the date upon which _____ determines that the System has achieved commercial operation and shall be in accordance with the policies and procedures of the University's building officials. Such agreement by the University shall be reasonably provided and shall be in writing. _____ further agrees that the System shall be fully installed and secure as outlined in Section 4.4.1 before the Commercial Operation Date. The Parties may agree to extend this Agreement for two (2) additional five (5) year extensions upon mutually satisfactory terms and conditions. Such extensions will be effective when an Amendment to this Agreement is executed by the Parties and approved by the Office of the Attorney General prior to the expiration of this Agreement or the expiration of a previous extension.
2. Payment; Receipt of Grant.
 - 2.1 Payment. _____ will submit quarterly invoices to the University for the Energy produced by the System. Subject to the provisions of Section 12.1 herein, the amount of each quarterly invoice shall be _____ and 00/100 Dollars (\$_____) (the "Quarterly Payment"). Quarterly Payments due hereunder will commence on the first day following the Commercial Operation Date and each three (3) month period thereafter. In no event shall the total amount payable to _____ over the term of this Agreement exceed _____ Dollars (\$_____).

2.2 Receipt of Grant. This Agreement shall be subject to _____ receiving an award for grant funds in the amount of _____ Dollars (\$ _____) from _____ prior to the commencement of installation of the System. Should grant funds not be awarded or received by _____, this Agreement shall be terminated.

3. Payment Terms. The University will pay _____'s invoices in full within thirty (30) days of the date of the University's receipt of the invoice ("Due Date"). Payment shall be made as directed on the invoice (including by means of electronic funds transfer). If payment is made by check, the University shall send the check to: _____ (regular mail) or _____ (overnight mail). If payment is made by wire transfer, the University shall transfer funds to _____'s account at: _____, Acct # _____, ABA Routing # _____ (including the following originator to beneficiary information: payee name, invoice number). Any portion of the payment not in dispute and not received by _____ by the Due Date will bear interest from the Due Date at the lesser of (i) one and one half percent (1.5%) per quarter, or (ii) the maximum rate permitted by law ("Interest"). If the University disputes any part of the invoice, the University shall nevertheless make payment, excluding all disputed amounts, and shall use best efforts to provide _____ a written notice of the dispute no later than the Due Date. The University shall provide _____ a further written explanation setting forth the basis for the dispute, including any reasonable request for additional documentation relating to the charges covered by the invoice within thirty (30) days of the initial notification. If any amount disputed by the University is determined to be due to _____, either by agreement between the Parties or pursuant to Section 26 below, such amount shall be paid to _____ within ten (10) business days of such determination, together with interest from the due date applicable to the disputed invoice.

4. Space and Access. The University will provide the area described in Section 4.1 on the Real Property for _____ to install, own, operate and maintain the System, including the space required for equipment placement, which the parties agree is comprised of the various equipment slabs and appurtenances thereto (hereinafter referred to as the "Space" or the "Location"). The University shall grant a non-exclusive license to _____ for use of the Space to accommodate installation, operation and maintenance of the System ("License"). _____ shall have no real property interests or rights as a tenant, in or to the Space. _____ warrants that, to its actual knowledge, the Space is suitable for these purposes and meets all environmental specifications for the System to be installed on the Real Property in or near the Facility. The University and _____ shall adhere in all material respects to all OSHA and other legal requirements at the Facility and the Real Property (including the Space). The University will be solely responsible for all real estate taxes, if any, related to the Space. The University will provide _____ with an Easement for continuous access across the Real Property to the Space and to the Facility for _____ to install, own, operate and maintain the System.

4.1 Location. The System will be installed on the _____ at the University of Connecticut, _____ Campus, as more particularly described in Schedule A attached hereto and made a part hereof.

4.2 Term. The Term of the License shall run concurrently with this Energy Purchase Agreement. At the expiration or termination of the Energy Purchase Agreement, the License shall expire or terminate contemporaneously.

4.3 Use and Maintenance.

4.3.1 _____ shall: use the Space solely for the installation, ownership, operation and maintenance of the System; maintain the space inside the perimeter of the fence surrounding the Space, including snow removal; be solely responsible for maintenance to the System.

4.3.2 The University shall: provide access for ingress and egress from the Space, including snow removal for such access;

4.4 Security/Access.

4.4.1 _____ shall: be responsible for the installation and maintenance of a fence surrounding the System; provide a lock for the fence; provide the University with one key for access to said lock, which key will be kept in the Office _____.

4.4.2 The University shall: access the area inside the fence only in the event of an emergency.

4.5 No Assignment. _____ shall not, either voluntarily or by operation of law, assign, encumber, or otherwise transfer this License or any interest herein, or permit the Space to be occupied by any other person.

5. System. Under this Agreement, _____ reserves the right, with proper Notice to the University in accordance with Section 30, to change or supersede components or parts of any equipment to be provided with components or parts of equal or greater performance. The fuel cell power system provided will: (i) have a proven track record of reliability and availability; (ii) be covered by manufacturer warranties/guarantees on system performance, efficiency and availability; (iii) have spare parts and resources readily available to meet stated availability and efficiency; and (iv) be manufactured in the United States of America. Description of the System to be installed at the Space is as follows:

Equipment	Part #	QNTY
Ancillary Equipment		

6. Installation of the System. _____ will install within the Space the System, including all electrical switchgear, panels and interconnection equipment, and all rigging, hoisting and assembly, and all civil, mechanical, electrical, plumbing or related consulting engineering services in accordance with the Statement of Work in Section 7 and all applicable laws, rules, regulations and ordinances for the installation and operation of the System, and, if applicable to the Equipment, fire alarm and sprinkler systems as required by the State Code. All engineering calculations and design documents shall be stamped by a P.E. registered in Connecticut.

7. Statement of Work and Responsibilities.

7.1 **Site Design and Permits**

_____ shall provide a critical path method schedule (CPM) of all fuel cell system deliverables.
 _____ construction activities shall adhere to the schedule set forth below:

Contract Award/Notice to Proceed: _____
 Commercial Operation Date: _____

7.1.1 Construction Drawings. _____ will provide the following site-specific stamped construction drawings:

- 7.1.1.1 Site Plan
- 7.1.1.2 Structural Plan, Sections and Details
- 7.1.1.3 Mechanical Flow Diagram
- 7.1.1.4 Mechanical Layouts, Sections and Details
- 7.1.1.5 Mechanical Specifications, Schedules and Sequence of Operations
- 7.1.1.6 Electrical One Line Diagram
- 7.1.1.7 Electrical Three Line Diagrams

- 7.1.1.8 Electrical Layouts, Sections and Details
- 7.1.1.9 Electrical Specifications, Schedules and Sequence of Operations

7.1.2 **Permits.** _____ will obtain all permits necessary and typical for the installation and operation of the fuel cell (including, but not limited to CL&P interconnect agreements and Connecticut Siting Council approvals), Department of Environmental Protection, University of Connecticut Department of Building and Fire Services and all applicable environmental permits. _____ shall identify and comply with any applicable requirements; local, state and federal, prepare documentation, and file and pay for all required permits typically required for the installation of the fuel cell, including:

- 7.1.2.1 Local construction permits
- 7.1.2.2 Air permits
- 7.1.2.3 Connecticut Siting Council permits
- 7.1.2.4 Zoning permits

7.2 **Prevailing Wage.** All individuals performing work on the System must be paid prevailing wage for the appropriate mechanic, laborer, or worker classification. _____ will provide a copy of the Contractor's Wage Certification Form to the Labor Department and shall adhere to all requirements under the law.

7.3 **Utility Interconnect Application.** _____ will prepare technical documentation and provide a witness test plan for the Utility Interconnect Application. _____ will support the interconnect witness test. _____ will file for the Utility Interconnect Application and obtain Utility Interconnect approval, as required by the local utility. _____ will reimburse the University the \$_____ Interconnection Application Fee paid by the University.

7.4 **Equipment Delivery and Rigging**

- 7.4.1 Ship, rig, and set _____supplied equipment (identified in Section 5).
- 7.4.2 Ship, rig, and set all other required equipment per project plans and specifications for a complete installation.

7.5 **Construction.** _____ must adhere to the University's revised standard Division One specifications dated _____ pertaining to reporting, operations and construction on campus, which Division One is attached hereto as Schedule B. _____ will be responsible for the following:

- 7.5.1 **Construction Management.** Provide complete construction management services including sub-contractor selection, management, co-ordination of trades, project scheduling, and progress reporting.
- 7.5.2 **Site Work.** Prepare site for equipment pad and fuel cell connections per project-specific requirements, including a precast retaining wall.
- 7.5.3 **Equipment Pad.** Construct a concrete pad for the fuel cell and ancillary equipment.
- 7.5.4 **Site Enclosure.** Construct an eight foot (8') tall security fence around the fuel cell with suitable access for service. The enclosure will be secured by lock.
- 7.5.5 **Cooling Module.** Supply and install a fuel cell cooling module and associated piping and wiring.
- 7.5.6 **Natural Gas System.** Furnish and install natural gas meters, regulator, and piping.
- 7.5.7 **Nitrogen System.** Furnish and install nitrogen supply manifold, bottle racks, and piping.
- 7.5.8 **Heat Recovery Systems.**
 - 7.5.8.1 **Absorption chiller and cooling tower.** Furnish and install one (1) absorption chiller and cooling towers adjacent to the fuel cell, including piping, chilled water pumps, condenser water pumps, and controls. Chilled water will be piped to new coils in _____.
 - 7.5.8.2 **High-grade system.** Furnish and install high-grade heat recovery system to interface with hot water side of all _____ heat exchangers for the steam system in the main mechanical room at the _____ building ("_____"). Piping, pumps, valves, expansion tanks, and controls are included.
 - 7.5.8.3 **Low-grade system.** Furnish and install low-grade heat recovery system to interface with existing heating system, including new coils for _____ (____) existing gas-fired roof-top units at the _____, interconnect heat exchangers, piping, pumps, valves, expansion tanks, and controls.

- 7.5.9 Make-up Water System. Furnish and install make-up water system to the fuel cell from the University supply, if necessary.
- 7.5.10 Electrical Grid-Connect System. Furnish and install electrical system for supplying grid-connect electrical power to building distribution panel including wire, conduit and circuit breaker.
- 7.5.11 Electrical Utility Interface and Metering. Furnish and install required protection equipment and metering for utility interconnection.
- 7.5.12 Remote Monitoring System (RMS). Furnish and install RMS and associated power and communications wiring.
- 7.5.13 Heat Recovery Monitoring (HRM) System. Furnish and install HRM system and associated power and communications wiring.

7.6 Utilities

- 7.6.1 _____ is responsible to work with CNG to ensure that the gas composition supplied to the fuel cell meets design requirements. _____ will be responsible for the coordination and installation with CNG of gas lines from the existing natural gas lines to the fuel cell and any and all costs associated therewith. _____ shall also be responsible for the cost of any improvements to existing natural gas lines necessary to operate the fuel cell. The University requires _____, prior to the ordering of the fuel cell, to test a fuel sample to ensure that the chemical composition of the fuel is compatible with the System.
- 7.6.2 _____ will be responsible for the installation of any new water lines, which will connect to the existing water lines. Any waste water from the fuel cell will be directed from a new waste water line connecting to the existing sanitary lines. _____ will be responsible for any and all costs associated therewith, including, but not limited to, the cost of any improvements to the existing water lines and water quality necessary to operate the fuel cell.

7.7 Equipment Start-Up

- 7.7.1 Flush and fill heat recovery and cooling module fluid systems.
- 7.7.2 Complete Cell Stack Assembly (CSA) dry out and integrated low-temperature shift converter (ILS) reduction.
- 7.7.3 Complete standard fuel cell Start-Up Checklist.

7.8 Inspections and Witness Testing

- 7.8.1 Coordinate, provide and pay for trade contractor costs associated with inspections.
- 7.8.2 Coordinate, provide and pay for trade contractor charges associated with utility interconnection witness testing.
- 7.8.3 Coordinate schedule with University Facilities Operations to minimize impact on University services.

7.9 Miscellaneous

- 7.9.1 _____. Manage process for securing and receiving State authority funding including all forms and milestone reporting.
- 7.9.2 _____ will make available to University personnel access to an online dashboard that shows real time and historical operation graphics and Excel format downloadable data tables.

7.10 Documentation

- 7.10.1 Final as-built drawings.
- 7.10.2 _____ Model ____ Installation Manual.
- 7.10.3 _____ Model ____ Owner's Manual.
- 7.10.4 _____ Model ____ Installation and Start-up Checklist.
- 7.10.5 _____ Model ____ Factory Test Report.
- 7.10.6 Documents to be provided both electronically and single hard copy with all calculations delineated.

7.11 Exceptions and Expectations

- 7.11.1 Working Hours. All work is to be performed during core business hours (7 am to 5 pm), no overtime, weekends or holidays, except for the main electrical tie-in which will be performed during non-business hours to minimize disruption to normal building operations.

- 7.11.2 The University is responsible for maintaining the performance of all existing building systems to which the fuel cell system interfaces.
- 7.11.3 _____ will not be responsible for fees for studies including, but not limited to, fault current, advisory boards, air quality studies, and utility required studies.
- 7.11.4 _____ will not be responsible for costs for work related to unknown existing site conditions including, but not limited to, soil remediation, underground objects, ledge and asbestos removal.
- 7.11.5 _____ will not be responsible for sound mitigation.
- 7.11.6 _____ will not be responsible for controls work to integrate with existing Building (or Energy) Management System.
- 7.11.7 _____ agrees that the existing facility drawings and specifications as provided by the University are deemed sufficient for the work.

7.12 _____ will be solely responsible for: (i) all professional fees, permits costs, and material and labor expenses related to the installation of the fuel cell; and (ii) all auxiliary equipment required to provide a fully operational system in conformance with the requirements of this Agreement.

7.13 _____ shall provide a commissioning plan for the University's approval.

8. University Responsibilities

8.1 **Third Party Peer Review**

The University will provide a Third Party peer review (CT State Licensed P.E. registered in Connecticut and approved by the University) at the design development and construction document phases. _____ will pay all costs associated with the Third Party peer review not to exceed _____ Dollars (\$_____).

8.2 **Construction**

8.2.1 Construction Electrical and Gas Supply. The University will pay all charges for electricity and natural gas used during construction, installation, and start-up.

8.2.2 The University will purchase and arrange transportation of the natural gas necessary to operate the fuel cell. At no time will the University warrantee the natural gas composition or supply of the natural gas. The University will provide and maintain a gas meter between the campus gas meter and the fuel cell at a location approved by both the University and _____.

8.2.3 The University will provide water required to operate the fuel cell. At no time will the University warrantee the quality or supply of the public water supply. The University will provide and maintain a water meter between the campus water meter and the fuel cell at a location approved by both the University and _____.

9. Ownership, Operation, and Maintenance of the System.

9.1 Ownership. The System will be owned, operated and maintained by _____ (or an entity controlled by or controlling _____), and at no time shall the University have any right, title or interest in the System nor shall any creditor of the University, whether secured or unsecured, have any claim to any interest in the System. _____ will also own all plans and specifications related to the System. The University will execute all documents requested by _____ to evidence _____'s ownership of the System.

9.2 Operation, Maintenance and Monitoring. _____ shall perform all operation, maintenance and monitoring services with respect to the System ("O&M Services") throughout the Term in accordance with prudent industry practices and as generally described in Section 9.2.1.

9.2.1 Maintenance Services.

9.2.1.1 Water treatment system media requirements shall be performed as required.

9.2.1.2 Annual preventative maintenance requires System shut-down for approximately 2-3 days.

- 9.2.1.3 Systems repairs to be performed as required and typically require System shut-down (typically 24-48 hours).
- 9.2.1.4 Major components repairs or replacements will be scheduled in advance and require System shut-down (typically 5-7 days).

10. Use of System and Energy Capability.

10.1 Use of System. Commencing on the Commercial Operation Date and continuing thereafter throughout the Term, the University guarantees use of one hundred percent (100%) of the Energy produced, either as projected in the Guaranteed Minimum Output (“GMO”) as defined in Section 12.1 or such amount of Energy produced that may be less than the GMO. If it is determined that the fuel cell produces less than the GMO as outlined through no fault of the University, than _____ shall provide an adjustment for such credit, which will be made in the next quarterly invoice. _____ shall monitor and provide a review of Energy usage to the University in the form of an Annual Usage Report at the end of each calendar year. _____ shall provide the University with such Annual Usage Report by the 30th day of the last month of each calendar year during the term.

10.2 Energy Capability. The Energy Capability shall be in substantial conformity with the respective specifications set forth in Section 10.2.1.

10.2.1 Specification.

_____ Model _____ Specification:

Electrical Power Output: _____
 Useful Thermal Output: _____

10.3 Risk of Loss. Title to and risk of loss to all Energy produced by the System shall transfer to and vest in the University at the output terminals of the installed Equipment. The University assumes all risk of loss of, and all responsibility for effects on itself, the University and its Facility and Real Property, and on third parties, of the Energy.

11. Facility and Real Property Ownership. The University: (i) owns the Real Property and the Facility, and (ii) has the right to provide _____ with full access to and use of both. Except as this Agreement otherwise provides and so long as the System is located on the Real Property, the University shall keep the System free and clear of all material liens, charges, pledges, options, mortgages, deeds of trust, security interests, claims, restrictions, and other encumbrances of every type and description, whether imposed by law, agreement, understanding or otherwise (collectively, “Encumbrances”), except for those Encumbrances that are imposed due to the acts of, or failure to act by, _____. The University shall take all action necessary to promptly remove any and all Encumbrances imposed on the System that are not imposed due to the acts of, or failure to act by, _____.

12. Operation and Maintenance of the Real Property and Facility. The University will maintain the Real Property and the Facility in a manner reasonably designed to permit _____ to install, own, operate and maintain the System within the Space in accordance with this Agreement, and the University will pay all utilities and other charges associated with the Real Property and the Facility. The University will not undertake any alterations or repairs to the Facility which may materially adversely affect the operation and maintenance of the System (i) without giving prior written notice to _____, setting forth the work to be undertaken (except in the event of emergency repairs to the Real Property or the Facility, in which event notices may be given by telephone), and (ii) without offering _____ the opportunity to advise the University in conducting the work in a manner that will not result in damage to, or adversely affect, the operation of the System. Notwithstanding any advice _____ provides concerning the work to be undertaken, the University will be responsible for all damages to the System resulting from such work, and _____ will have no liability or responsibility whatsoever except to the extent of any negligence or willful misconduct by _____. _____ reserves the right to shut down the System for routine and emergency maintenance and overhaul subject to the terms of Section 9.2.1. _____ shall provide the University at least two (2) days’ advance written notice of any scheduled shutdown of the System for routine maintenance and overhaul and will provide the University as much notice as is reasonably practicable of any unscheduled shutdown of the System. The University shall, at all times during the Term and at its expense (except as provided in the uptime Guarantee specified in this Section), be

responsible to provide any Energy required to meet the University’s needs, and those of the System, during periods when the System is partially or wholly shut down.

12.1 Output Guarantee.

During the ten (10) year Term of this Agreement for the _____ Model _____ (each, a “Power Plant”), _____ separately guarantees for the Power Plant the capability to deliver an average annual power output (“Guaranteed Minimum Output” or “GMO”) in accordance with the following table.

Annual Period	1	2	3	4	5	6	7	8	9	10
GMO (MWh)										

Should the output of the Power Plant at the end of the twelfth month commencing on the Commercial Operation Date and each subsequent twelve month period thereafter (the “Annual Period”) during the term of the Agreement be less than the GMO, _____ agrees to provide the University a credit equal to 1% of the annual ESA payment for each 1% shortfall or portion thereof from the GMO. The dollar amount of any credit due to the University shall be calculated once at the end of each Annual Period and credited to the University within thirty (30) days of _____’s confirmation of the amount due.

Should the output of the Power Plant in the twelfth month commencing on the Commercial Operation Date and each subsequent Annual Period during the Term be greater than the GMO, the University agrees to pay _____ an additional payment equal to 1% of the annual ESA payment for each 1% increase above the GMO. The additional dollar amount due to _____ shall be calculated once at the end of each Annual Period and paid to _____ within thirty (30) days of _____’s confirmation of the amount due. Notwithstanding anything herein to the contrary, payments hereunder shall be in addition to the Quarterly Payments.

So long as the Power Plant is capable of providing power to the University, the output shall be calculated as if the Power Plant was operating at full capacity for the purposes of this guarantee.

12.1.1 Correlation to Calendar Year:

In the event the first Annual Period does not correspond with a full calendar year, the Parties agree: (1) to prorate the GMO for the first year based on the timeframe beginning with the Commercial Operation Date and ending December 31st of the year in which the Commercial Operation Date occurs; 2) the Annual Period shall correspond with a calendar year for the next nine Annual Periods and the GMO shall be as provided above for Annual Periods 2 – 9; and (3) the GMO for the portion of the calendar year at the end of the Term shall be prorated based on the number of days remaining in the Term and the GMO in the tenth Annual Period above.

The following example is included in this Agreement for the sole purpose of providing clarity to the immediately preceding paragraph.

Commercial Operation Date occurs on April 30, 2012.

The GMO for April – December of 2012 shall be 2116 MWh, which is calculated as the product of the ratio of 245 (days remaining in 2012) and 365 total annual days and the GMO for the first Annual Period.

The GMO for years 2013 – 2021 shall be in accordance with Annual Periods 2 – 9 above, respectively.

The GMO for the period of January 1, 2022 through April 29, 2022, i.e., the balance of the Term, shall be 977 MWh, which is calculated as product of the ratio of 120 days (365 days – 245 days) and 365 and the GMO for the tenth Annual Period.

12.2 Natural Gas Guarantee.

During the ten (10) year Term of this Agreement for the Power Plant, _____ separately

guarantees for the Power Plant a maximum annual natural gas consumption of forty-four million (44 million) cubic feet (ft³) of natural gas (“Guaranteed Maximum Fuel Consumption” or “GMFC”).

Should the natural gas consumption of the System, and each subsequent Annual Period thereafter during the term of this Agreement, be greater than the GMFC, _____ agrees to provide the University a pro rata reduction in the quarterly fee based on the University’s incremental cost to purchase the quantity of natural gas consumed in the Power Plant in excess of the GMFC.

In the event the first Annual Period does not correspond with a full calendar year, the Parties agree to calculate the GMFC and any remedies thereon in a manner consistent with paragraph 12.1.1 above.

12.3 General Conditions of Guarantees.

Because technical expertise is critical in meeting the guarantees in Sections 12.1 and 12.2 above (“collectively the “Guarantees”), these Guarantees are conditioned upon maintenance, service and repairs to the Power Plant being provided exclusively by _____ (directly or through a _____ authorized service provider) in accordance with _____’s maintenance, scope of work and terms and conditions as described in this Agreement. In the event that this Agreement is terminated, the Guarantees shall terminate and be of no further force or effect. The University must provide a dedicated Broadband/DSL connection with static IP for _____’s monitoring system in order to enforce the Guarantees. _____ holds the University harmless for any problems or failures associated with the University providing the dedicated Broadband/DSL connection. The first Annual Period under these Guarantees shall commence upon the date _____ determines that the System has achieved the Commercial Operation Date and as further provided above.

_____ will not be responsible for any periods during which the Power Plant is not operating due to (a) site issues not related to the System, including but not limited to issues related to electrical load or building system design or malfunction; (b) System or Power Plant issues arising from improper installation (if not installed by _____); (c) University elected shutdowns of the Power Plant or the System; or (d) any other cause beyond _____’s direct control. Any such periods shall not be included in the determination of compliance with the Guarantees.

These Guarantees and the remedies expressly provided above (i) are exclusive and in lieu of all other uptime, availability or performance warranties or guarantees of any kind, whether statutory, written, oral, express or implied, and (ii) are the University’s sole and exclusive remedy and _____’s sole and exclusive obligation with respect to uptime, availability or performance of the System. _____ shall not be responsible under any warranty, guarantee or other obligation for rebates, credits, repairs, replacements or responsibility due to acts of terrorism or war, lightening, earthquake, flood, storm, or other acts of God, neglect, modifications, materials or services not executed or provided by _____ or its subcontractors, employees or agents, use in a physical environment other than the site proposed in this Agreement, or installation or use of the System not in accordance with the intended use of the System. No rights under these Guarantees shall be assignable or transferable to any third-party, except on the written consent of _____.

13. **Permits and Approvals.** _____ will begin engineering and procurement of equipment for the System promptly after the execution of this Agreement. _____ will exercise commercially reasonable efforts to obtain all necessary approvals, consents and permits and to make all filings (including but not limited to grant applications) regarding the installation, ownership, operation and maintenance of the System (“Approvals”) at its own cost from and with (i) the utilities providing electric service to the Facility, and (ii) governmental entities and agencies, to the extent the same may be required for the installation, ownership, operation and maintenance of the System described in this Agreement, in each case at or before the time they are required. _____ will begin installation of the System after all Approvals have been obtained. The University will provide information needed for such Approvals to _____ and cooperate with and assist _____ in obtaining all such Approvals.

Specifically, with respect to any waste generated as a result of operation of the System, (including RCRA- defined Hazardous Waste, CT State regulated wastes, and non-hazardous waste), _____ shall be responsible for the preparation of the waste removal manifest or shipping papers, and cost of removal of the waste pursuant to such manifest, and final disposal of the wastes. _____, as the owner and operator of the System, shall be deemed the

Generator and shall be responsible for executing such manifests, in the unlikely event of a situation which generates RCRA-defined hazardous waste.

_____ recognizes that the University operates as a Small Quantity Generator at the _____ Campus, and activities generating wastes from activities unrelated to the _____ System will neither impact the _____ project, nor be impacted by the _____ project with regards to EPA ID numbers, and manifesting.

14. Accuracy of Information. The University will provide _____ all information reasonably available to the University and requested by _____ that is reasonably necessary for _____ to carry out its obligations under this Agreement related to (i) obtaining the Approvals, (ii) installing, operating, and maintaining the System, (iii) the Real Property, (iv) the Facility or its physical configuration, related utilities, estimated energy requirements, and other facts, estimates and assumptions, (v) Hazardous Substances (as hereinafter defined) on or near the Real Property or Facility, and (vi) all other information reasonably requested by _____ in connection with this Agreement. All information the University provides to _____ in connection with this Agreement will be, to the best of the University's knowledge, accurate and complete after reasonable inquiry. The University will update _____ with new information in the event information the University earlier provided to _____ changes to the University's knowledge. For the purposes of this agreement, the term "hazardous waste" means a solid waste, or combination of solid wastes, which because of its quantity, concentration, or physical, chemical, or infectious characteristics may
- a. cause, or significantly contribute to an increase in mortality or an increase in serious irreversible, or incapacitating reversible, illness; or
 - b. pose a substantial present or potential hazard to human health or the environment when improperly treated, stored, transported, or disposed of, or otherwise managed.

15. Taxes.

15.1 For tax purposes, _____ is the owner of the System. The University shall be responsible for real estate taxes, if any, related to the Space. In addition, _____ shall be responsible for taxes that are or become due with respect to the Energy or other services or products provided pursuant to this Agreement, including any related to the System, its construction, installation or other assembly, ownership, repair, maintenance or operation, and the provision of products or services hereunder. The University agrees it will reimburse _____ for any property taxes assessed to _____, if applicable.

_____ shall be responsible for and pay or cause to be paid the following taxes arising from or in connection with this Agreement; any taxes imposed on _____'s net income or gross receipts; any social security or other employer taxes pertaining to _____'s employees, trade union charges or fees pertaining to _____'s employees; and any business license and registration fees of _____.

As the term "taxes" is used in this section it shall mean any and all federal, state, or local sales, use, consumption, gross receipt, utility, real or personal property, franchise, unemployment, workers compensation, social security or other taxes, assessments, charges or fees imposed by any taxing or other government authority on any aspect of this Agreement or the services or products provided hereunder. If any taxes are charged to or asserted against a party that is not obligated to pay same, the other party shall immediately reimburse the amount of such taxes (including any applicable interest, penalties and attorney fees to the extent arising from or related to the actions or inactions of such other party. Taxes shall not include building permit fees, application or similar fees for any permits or approvals required for the System or sales or use taxes on the System (all of which shall be included in the total project cost and paid for by _____). The University shall not, under any circumstances, be responsible for payment of any taxes due to the recapture of, or disallowance of any tax credit, except as may be expressly provided elsewhere in this Agreement.

15.2 Connecticut Sales and Use Tax. The University is a tax-exempt institution. _____ will be familiar with the current regulations of the Department of Revenue Services. A Sales Tax Certificate will be provided by the University's Purchasing Department.

16. Attributes and Adverse Regulation.

16.1 Attributes. Following delivery of the Equipment, the Parties agree that any “Attributes”, as defined in the following sentence, shall accrue without any further action by the Parties to the University or the University’s appointed agent identified in writing, if any, and to the extent necessary, all right, title and interest in and to and possession of the Attributes shall be transferred by _____ to the University or University’s appointed agent. “Attributes” shall mean for purposes of this Agreement any and all (1) renewable energy allowances, certificates or credits, (2) emissions allowances, certificates or credits, (3) alternative fuel or energy tax credits, (4) payments or credits by any third party for capacity, ancillary services, or any other payments or credits except for energy, and (5) other economic or environmental attributes, arising at any time from the purchase, ownership, installation, use or operation of the Equipment or otherwise associated with the Equipment. Where necessary or advisable in order to accomplish the purposes of this paragraph, _____ shall, at the request of the University or University’s appointed agent from time to time, (i) execute and deliver to the University or University’s appointed agent such instruments, regulatory filings and similar documents that are provided to _____ by the University or University’s appointed agent, (ii) transfer the Attributes to the University or University’s appointed agent in any regional or other settlement, accounting or tracking system and (iii) make the Equipment available for inspection, auditing, metering and remote monitoring. In the event that the University transfers any right, title or interest in the Equipment to a third party, including any affiliate or successor in interest (collectively, a “Future Owner”), _____ covenants that upon request of the University, _____ will ensure such Future Owner has the benefits of this paragraph.

16.2 Agent and Attributes Payments. The University hereby appoints _____ as its agent for the purposes of selling any and all Attributes arising from the use of the Equipment. The University shall execute all documents reasonably requested by _____ to enable _____ to sell any Attributes. _____ shall retain as a fee for the services of selling such Attributes an amount equal to ____% of the gross sales price of such Attributes. The remaining amount, after deductions for taxes, fees and other expenses necessary for the sale of the Attributes shall be paid to the University on a quarterly basis during the Term. Prior to any sale of Attributes, the University must approve the value of the sale. All sales of Attributes by _____ on behalf of the University shall be for earned Attributes only. _____ shall not engage customers for the sale of Attributes based on future earnings.

16.3 Adverse Regulation. If, due to decisions, interpretations, no-action or similar letters, rulemakings or orders of a court or agency of competent jurisdiction, or due to federal or state laws, regulations or rules, (i) either party reasonably believes its ownership of the System or its operation, maintenance, control or use of the System, or the production of Energy, may cause such party or any of such party’s parent, subsidiaries, affiliates, or any officer, director, stockholder, partner, agent, member, owner or creditor of any of the foregoing, to become subject to regulation by any state or the federal government as a public utility, public service corporation, electric utility, steam utility, public utility holding company or similar entity; or (ii) either party’s performance under this Agreement (including the University’s use of the System and production of Energy), or _____’s ownership, operation, maintenance or control of the System, may be prohibited or unlawful (collectively, “Adverse Regulation”), such party shall have the right at its sole discretion to take any action it deems appropriate to eliminate or mitigate such event of Adverse Regulation, including without limitation ceasing System operation and use, ceasing the production of Energy, or terminating this Agreement, without cost or liability to the other party (except for payment obligations for use of the System through the date that operation and use of the System ceases).

17. Default and Termination.

17.1 University’s Termination. The University may terminate this Agreement upon _____’s default of a material obligation hereunder, provided such termination may not occur until the University has provided _____ written notice of such default in accordance with Section 30 and _____ has failed to cure such default to the University’s reasonable satisfaction within thirty (30) days after receipt of such notice. If the University terminates this Agreement under this Section 17.1, the University shall promptly pay _____ for use of the System prior to the termination effective date and _____ shall promptly pay the University any amounts owed the University under this Agreement, if any.

17.2 _____'s Termination. _____ may terminate this Agreement (i) upon the University's payment default of thirty (30) days beyond the payment due date after notice from _____ of such payment default; or (ii) upon the University's default of a material non-payment obligation hereunder, provided such termination may not occur until _____ has provided the University written notice of such default in accordance with Section 30 and the University has failed to cure such default to _____'s reasonable satisfaction within thirty (30) days after receipt of such notice. If _____ terminates this Agreement under this Subsection 17.2, the University shall pay to _____ (a) the net present value of all remaining Quarterly Payments due after the termination date, calculated using an annual discount rate equal to the then-current LIBOR rate, provided that in no event shall the discount rate be less than three percent (3%) or greater than seven percent (7%) (the "NPV Value"); and (b) all other amounts owed _____ under this Agreement.

17.3 Termination by Either Party. In the event this Agreement is terminated by either party for any reason, _____ will cease System operations on the termination effective date and promptly remove the System and any equipment or other personal property _____ may have stored on the Real Property. _____ will remove the concrete pad and properly cap and terminate all pipes and wires connecting the System to the Facility (in the case of a termination pursuant to Section 17.1, such removal will be at _____'s cost, and in the case of a termination pursuant to Section 17.2, such removal will be at the University's cost). In the event of a termination of this Agreement not due to the fault of either party pursuant to Section 17, the cost of the removal shall be shared equally by the Parties.

18. Use of Subcontractors. _____ has the right to use subcontractors to perform its obligations under this Agreement so long as all such subcontractors are fully licensed, insured and _____ verifies that each firm is in good standing with the State. However, _____ will be responsible to the University for the work performed by its subcontractors.

19. Operation Requirements. At all times after the Commercial Operation Date, _____ will keep, or cause to be kept, in full force and effect all Approvals which are necessary for the performance of its obligations under this Agreement. _____ will operate the System in material compliance with all applicable laws, including applicable laws regarding the handling and disposal of Hazardous Substances brought to the Real Property by _____ and/or generated by the operation or maintenance of the System.

20. Material Changed Conditions/Force Majeure.

20.1 Material Changed Condition. In the event that a "Material Changed Condition" is discovered or occurs during the Term of this Agreement, the Parties will meet and confer to discuss such Material Changed Condition and determine the equitable adjustment to the Quarterly Payment and/or the time for _____'s performance to which _____ shall be entitled. The following shall constitute a "Material Changed Condition" provided that such condition or event materially interferes with _____'s construction, operation or maintenance of the System: (i) inadequate access to the Space which has not been remedied despite notice to the University of such, (ii) a risk (not created by _____ or its subcontractors) that continuing with the work might jeopardize the safety of any person or property, including the Facility or the System, (iii) improper environmental controls (e.g., air emissions, waste water blow-down) by parties other than _____ or its subcontractors, (iv) installation, operation, maintenance or alteration of the System by anyone other than _____ or _____'s subcontractors, except for monitoring activities as set forth and in compliance with Section 9.2 above, (v) damage to or loss of the System caused by anyone other than _____ or _____'s subcontractors, (vi) reasonably unforeseeable delays or difficulties in installing, operating or maintaining the System caused by parties other than _____ or its subcontractors or due to conditions on the Real Property or the Space, or at the Facility, (vii) delays or difficulties due to the inaccuracy of any information provided by the University, (viii) the discovery of previously undisclosed Hazardous Substances on the Real Property, the Space, or the Facility, unless brought there by _____ or its subcontractors, or (ix) changes or modifications to the System requested or required by parties other than _____.

20.2 The following shall constitute an event of "Force Majeure" entitling the Parties to the rights set forth below: (i) any cause or occurrence beyond the control of the affected party which by the exercise of due diligence such party could not reasonably have been expected to avoid such event and prevents performance or makes

performance materially more onerous (including, but not limited to, fire, flood, earthquake, storm, act of God, terrorist acts, civil disobedience, labor disputes, labor or material shortages, reasonably unforeseeable delay in manufacturing and deliveries of equipment, sabotage, restraint by court order or public authority (whether valid or invalid), or (ii) Adverse Regulation. Upon the occurrence of an event of Force Majeure, the affected party will have the right to (a) suspend performance under this Agreement, and/or (b) equitably adjust the time for such party's performance, including, at such party's option, by means of extending the Term by a period equal to the duration of the Force Majeure event; provided however, that in no event shall any and all such extensions be longer than six (6) months total and such extension to be effectuated in accordance with Section 43. Neither party shall be relieved of its obligation to perform if such failure is due to causes arising out of its own negligence or due to removable or remediable causes which it fails to remove or remedy within a reasonable time period. Upon the occurrence of any such event of Force Majeure on or after the Commercial Operation Date, the University shall not be obligated to continue to pay _____ the Quarterly Payments while the Force Majeure condition is being addressed (in addition to any other payments required or owing hereunder). The party affected by the Force Majeure event shall promptly notify the other party of the specific nature, extent and expected duration of such event of Force Majeure, and shall use reasonable efforts and due diligence to remedy its inability to perform arising out of any event of Force Majeure, and shall promptly resume performance thereafter. If an event of Force Majeure lasts longer than nine (9) months, either party shall have the right to terminate this Agreement and the provisions of Subsection 17.3 shall apply. Notwithstanding anything to the contrary set forth herein, in no event shall the University's obligation to pay amounts due and owing hereunder prior to the Force Majeure event be suspended.

21. Insurance.

21.1 _____ agrees to maintain the following insurance during the term of the Agreement with the following limits:

Commercial General Liability: \$1,000,000 per occurrence and \$2,000,000 general aggregate for bodily injury, personal injury and property damage. Coverage shall include Premises and Operations, Independent Contractors, Products and Completed Operations, Contractual Liability and Broad Form Property Damage coverage.

Automobile Liability: \$1,000,000 combined single limit per accident for bodily injury. Coverage extends to owned, hired and non-owned automobiles. If the vendor/contractor does not own an automobile, but one is used in the execution of the contract, then only hired and non-owned coverage is required. If a vehicle is not used in the execution of the contract, then automobile coverage is not required.

Workers' Compensation and Employer's Liability: Statutory coverage in compliance with the statutory Compensation laws of the State of Connecticut. Coverage shall include Employer's Liability with limits of \$100,000 each accident; \$500,000 Disease - Policy Limit: \$100,000 each employee.

Umbrella Liability: \$5,000,000 per occurrence/aggregate limit following form coverage.

Builder's Risk Insurance for Fire and Extended Coverage: ("All Risk" with Replacement Cost Coverage) shall be maintained by the Contractor upon the entire system on which the work of the contract is to be done in one hundred (100%) percent of the insurable value of the Contract amount during the construction phase. The insurance shall include the interests of the University, contractor, subcontractors and shall insure against the perils of fire and extended coverage, and shall include "all risk" insurance against physical damage.

Property Coverage: ("All Risk" with Replacement Cost Coverage) shall be maintained by the Contractor upon the entire permanent structure for one hundred (100%) percent of the insurable value of the structure. The insurance shall include any interests of the University and Contractor and shall include business income and extra expense coverage to permit contractor to resume its business operations as quickly as possible.

21.2 The University of Connecticut shall be named as Additional Insured under the Commercial General Liability, Automobile Liability and Umbrella policies only with respect to liability arising out of bodily injury or property damage and only to the extent resulting from the negligent acts or omissions of _____ or its willful misconduct arising out of the performance of its obligations under the contract.

21.3 Contractor shall assume any and all deductibles in the described insurance policies.

21.4 The contractor's insurer shall have no right of recovery or subrogation against the State and the described insurance shall be primary coverage.

21.5 Any failure to comply with the claim reporting provisions of the policy shall not affect coverage provided to the State.

21.6 Each required insurance policy shall not be suspended, voided, cancelled or reduced except after 30 days prior written notice by certified mail has been given to the State

21.7 _____ will be responsible for and pay the costs of any insurance required under the Interconnection Agreement Application.

22. Warranty. THE WARRANTIES SET FORTH IN THIS AGREEMENT ARE EXCLUSIVE, AND NO OTHER WARRANTY, WHETHER STATUTORY, WRITTEN, ORAL, EXPRESS, OR IMPLIED, INCLUDING WITHOUT LIMITATION WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, OR WARRANTIES ARISING FROM COURSE OF DEALING OR USAGE OF TRADE WILL APPLY. The remedies set forth in this Agreement will be Customer's sole and exclusive remedies for any claim or liability arising out of or in connection with this Agreement, whether arising in contract, tort (including negligence), strict liability or otherwise.

23. Indemnification. To the maximum extent allowed by law, _____ will indemnify and hold harmless the University and the State of Connecticut, their employees and agents, from any and all claims, liabilities, demands, damages, costs or expenses (including all reasonable attorneys' fees) to the extent caused by or resulting from any negligent act or omission of, willful misconduct, breach of this Agreement or breach of warranty by, or fault of, _____ or anyone for whom _____ is responsible in the performance of this Agreement. This indemnification will survive the expiration or termination of this Agreement to the maximum extent allowed by law. Nothing in this paragraph will be construed as obligating _____ to indemnify or hold harmless any of the parties indemnified hereunder against liability for damage arising out of bodily injury to persons or damage to property caused by or resulting from the negligence of such indemnified party, or such party's agents or employees.

24. Environmental Indemnification. Separate and apart from the Indemnification provisions in Section 23 above, _____ agrees to indemnify, defend and hold harmless, the University from and against any and all Losses arising out of or related to the release at the Real Property of any Hazardous Substances by _____ or any of its contractors or agents.

25. Limitations of Liability. Except as expressly provided for in this Agreement, under no circumstances will either party, its employees, agents, subcontractors or suppliers, be liable to the other for any indirect, special, incidental, exemplary, punitive or consequential loss or damage of any nature or kind arising out of its or their performance or non-performance hereunder, however caused and on any theory of liability (including contract, tort, negligence, strict liability or otherwise). Except as set forth in Section 17, the maximum liability of either party under this Agreement for any reason shall be equal to _____ dollars (\$_____).

26. Representations and Warranties. _____ hereby represents and warrants that, as of the Effective Date:

26.1 Standing and Qualifications. Such party is duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization, is in good standing and is qualified to do business in Connecticut and in all other jurisdictions in which the nature of the business conducted by it makes such qualification necessary and where failure so to qualify would have a material adverse effect on its financial condition, operations, prospects or business.

26.2 No Violation of Law; Litigation. Such party (to its best knowledge) is not in violation of any applicable law promulgated, or judgment entered by any federal, state, local or other governmental authority which violations, individually or in the aggregate, would adversely affect its performance of any obligations under this Agreement. To the best of its knowledge, there are no legal or arbitration proceedings or any proceeding by or before any governmental or regulatory authority or agency, now pending or (to its best knowledge) threatened

against it which, if adversely determined, could have a material adverse effect upon its financial condition, operations, prospects or business, as a whole, or its ability to perform under this Agreement.

- 26.3 No Conflict or Breach. To its best knowledge the execution, delivery and performance by such party of this Agreement, the compliance with the terms and provisions hereof, and the carrying out of the transactions contemplated hereby, does not conflict or will not conflict with or result in a breach or violation of any of the terms, conditions or provisions of any agreement or contractual obligation to which such party is bound, any law, governmental rule or regulation or the charter documents, as amended, or bylaws, as amended, of such party or any order, writ, injunction, judgment or decree of any court or governmental authority against such party.
- 26.4 Authority. Such party has all necessary power and authority to execute, deliver and perform this Agreement, other Agreements ancillary hereto, if any, and its obligations hereunder and thereunder; the execution, delivery and performance of this Agreement has been duly authorized by all necessary action on its part; it has duly and validly executed and delivered this Agreement; and the Agreement constitutes a legal, valid and binding obligation of such party enforceable against such party in accordance with the terms hereof, except as the enforceability thereof may be limited by bankruptcy, insolvency, reorganization or moratorium or other similar laws relating to the enforcement of creditors' rights generally and by general equitable principles.
- 26.5 Qualification and Experience. Such party has the necessary qualifications and experience to perform its obligations hereunder in accordance with industry standards and prudent construction and operating practices.
- 26.6 _____ represents to the University that all the work performed by _____ will be performed in a workmanlike and timely manner and will meet specifications.

27. Dispute Resolution.

27.1 Meeting of the Parties. In the event a dispute arises between the Parties hereunder, the complaining party shall notify the other party regarding the existence of the dispute ("Dispute Notice"). Within ten (10) days of a party's receipt of a Dispute Notice, the Parties shall meet to resolve such dispute, represented by their chief operational officers or their designees (for technical and operations-related matters) or their chief financial officers or their designees (for all other matters). If such persons are unable to resolve such dispute or if such dispute has not otherwise been resolved within thirty (30) days of the party's receipt of the Dispute Notice, the Parties agree to submit the disputes to non-binding mediation in accordance with the Construction Industry Mediation Rules of the American Arbitration Association. If the parties are not successful in resolving the dispute through mediation within thirty days of the submittal to mediation, then the parties may pursue such other legal remedies as are available to them under Connecticut law or statutes. The selected mediation service will be agreed upon by the Parties and the selected mediation service's rules and procedures will be followed. If the Parties are unable to resolve dispute through non-binding mediation within thirty days of the submittal to mediation, or if the dispute has not been otherwise resolved within sixty (60) days of the party's receipt of the Dispute Notice, then the Parties may pursue such other legal remedies as are available to them under Connecticut law or statutes.

27.2 Should the University have a claim against _____ which has not been resolved by mediation, the Parties agree that the University shall have the option of either prosecuting the claim against _____ in an appropriate court of general jurisdiction, or by arbitrating the claim by filing a demand for arbitration pursuant to the Construction Industry Arbitration Rules of the American Arbitration Association.

27.3 Should _____ have a claim against the University which has not been resolved by mediation, _____'s sole and exclusive remedy for the presentation of any claim against the University or the State of Connecticut arising from this Agreement shall be in accordance with Chapter 53 of the Connecticut General Statutes (Claims against the State), and _____ agrees not to initiate legal proceedings except as authorized by that Chapter in any State or Federal Court in addition to or in lieu of said Chapter 53 proceedings.

28. Assignment. This Agreement may not be assigned by either party in whole or in part without the prior written consent of the other party, which consent may not be unreasonably withheld or delayed; provided however, that either party

may assign this Agreement and all related agreements with the consent of the other party, such consent not to be unreasonably withheld to (i) an affiliate, (ii) a successor entity pursuant to a merger or sale of substantially all the assets of the assigning party (or, in the case of the University, pursuant to a sale of the Facility), and (iii) in the case of _____, a special purpose entity which is an affiliate of or is controlled by, controls, or is under common control with _____; provided that in each such case, the assignee is of at least equivalent financial capability as the assigning party (taking into consideration any guarantees provided hereunder), and the assigning party provides written notice of such assignment and evidence of the financial capability of the assignee to the non-assigning party. This Agreement will be binding on, enforceable by, and inure to the benefit of, the Parties hereto and their respective successors and permitted assigns. Any assignment made in contravention of this clause shall be void and unenforceable.

29. Governing Law. This Agreement and the performance of all obligations hereunder will be governed by the laws of the State of Connecticut.
30. Notices. Notices and invoices will be given by (i) U.S. first class mail, (ii) certified mail, return receipt requested, postage paid, (iii) delivery services such as Federal Express or similar service, or (iv) by facsimile. Notices and invoices sent by first class mail shall be deemed received three (3) business days after the postmark date. All notices not given by mail will be deemed received upon actual receipt to the person to whom the notice is directed or by the corporate mailroom, or in the case of a facsimile notice, when the sender receives confirmation of delivery. Any reports required by this Agreement shall be given as set forth in this provision. Notices will be addressed as follows:

If to the University*: Capital Project and Contract Administration, University of Connecticut, 3 North Hillside Road, Storrs, Connecticut 06269-6047.

If to _____*: _____.

[Note: *Any party may change its Notice information by giving written notice in accordance with this Section.]

31. Integration and Modification. This Agreement represents the entire agreement and understanding that Notices will be addressed as indicated in Section 30 above. This Agreement supersedes in its entirety all prior or contemporary oral or written agreements. This Agreement may be amended only by writing signed by the Parties hereto. In the event an inconsistency is discovered between the terms herein or the "Contract Documents" listed in Section 49, the terms herein shall govern.
32. Confidentiality.
- 32.1 Terms of the Agreement. Neither party shall disclose the terms of this Agreement to a third party (other than such party's and its affiliates' employees, lenders, counsel, accountants or consultants) except in order to comply with any applicable law, order, regulation or rule; provided, however, that each party shall give prior notice to the other party of any proceeding of which it is aware that may result in such disclosure and the party subject to such proceeding shall use reasonable efforts to prevent or limit the disclosure; and further provided that (i) each party is deemed to have consented to such disclosure of the terms of this Agreement as is necessary to comply with applicable regulatory reporting and filing requirements and (ii) the party that is subject to such requirements shall give prior notice to the other party of such disclosure, except where not permitted or legally required by the Freedom of Information Act..
- 32.2 Confidential Information. Each party shall hold in confidence and shall not directly or indirectly use or disclose to any person or entity, notwithstanding any other state agencies, except as permitted herein or as required under the Connecticut Freedom of Information Act, either during the term of this Agreement or at any time thereafter, any Confidential Information of the other party. "Confidential Information" shall mean information, including a formula, pattern, compilation, program device, method, technique, or process, that: (i) derives independent economic value, actual or potential, from not being generally known to, and not being readily ascertainable by proper means by, other persons who can obtain economic value from its disclosure or use, and (ii) is the subject of efforts that are reasonable under the circumstances to maintain its secrecy. Notwithstanding the foregoing, however, "Confidential Information" does not include information that: (i) is or becomes generally available to the public through no wrongful act of the recipient of such information or its representatives; or (ii) was developed independently by the recipient prior to it being furnished to the recipient and without the utilization of

any Confidential Information theretofore furnished to it; or (iii) is or becomes available to the recipient on a non-confidential basis from a source other than the other party or its representatives; provided that such source is not known by the recipient to be subject to any other confidentiality obligation to the other party. Each party shall use the other party's Confidential Information only for the purpose carrying out its obligations under this Agreement, and for no other purpose whatsoever. Each party shall limit the use and circulation of the Confidential Information to its representatives having an actual and legitimate need to know and only to the extent reasonably necessary to assist such party in its use of the Confidential Information as permitted herein, and who are informed of the confidential nature of the Confidential Information and are required to keep it confidential in accordance with this Section 32.

32.3 Remedies. The Parties shall be entitled to all remedies available at law or in equity to enforce, or seek relief in connection with, this confidentiality obligation; provided, however, that all monetary damages shall be limited to actual direct damages and a breach of Section 32.1 shall not give rise to the right to suspend or terminate the Agreement.

33. Patent Infringement. _____ shall conduct, at its own expense, the entire defense of any claim alleging that, without further combination, the University's use or reuse of the System directly infringes any patents of the United States of America, but only on the conditions that: (a) _____ receives prompt written notice of such claim and the full opportunity and authority to conduct the sole defense thereof, including settlement and appeals, and all information available to the University and other defendants for such defense; (b) such System is made according to a specification or design furnished by _____ or, if a process patent is involved, the process at issue is a process that was developed by _____; and (c) the claim is brought against the University or a person expressly indemnified by the University. Provided all the foregoing conditions have been met, _____ shall either settle such claim, or pay all court awarded damages, excluding indirect, incidental, special, consequential and punitive damages. If the use or resale of the System is finally enjoined, _____ shall at its option; (i) procure for the defendant the right to use or resell such System; (ii) replace such goods with equivalent non-infringing System; (iii) modify such System so it becomes non-infringing but equivalent; or (iv) remove such System and refund the purchase price. _____ grants no protection under patents of any nation other than as specified above, nor with respect to any goods manufactured according to a specification or design of anyone other than _____.

34. Representations.

34.1 Representations. _____ will have no right to use, and will not use, in any manner, the name of the University, its officials or employees, or the Seal of the University: (1) in any advertising, publicity, promotion, or (2) to express or to imply any endorsement of _____'s work product or services, unless specifically authorized, in writing, by the University's Vice President of Administration and Operations Services, on a case by case basis..

35. Waiver. No failure by the University or _____ to insist upon the strict performance of any agreement, term covenant or condition of this Agreement or to exercise any right or remedy upon a breach of any of them, and no acceptance of full or partial performance during the continuation of any breach, shall constitute a waiver of the breach of this Agreement, term, covenant or condition. No waiver of any breach shall affect or alter this Agreement, and each and every agreement, term, covenant and condition of this Agreement shall continue in full force and effect with respect to any other existing or subsequent breach.

36. Relationship of the Parties. The Parties do not intend by this Agreement to form a partnership, corporation or an entity taxable as a corporation, association, trust, joint venture or other entity for the conduct of any business for profit.

37. No Conflicting Agreements. The University represents to _____ that it has not entered into, and will not during the Term hereof enter into, any agreements in conflict with the University's obligations under this Agreement.

38. Consents and Approvals. Unless this Agreement expressly provides that an approval, consent, waiver, acceptance, concurrence or permission may be given or withheld in the "sole discretion" of a party (or words of similar import), then such party may not unreasonably withhold, delay or condition any approvals, consents, waiver, acceptances,

concurrences and permissions required to be given or made by any party hereunder taking into account relevant business and economic factors.

39. NONDISCRIMINATION AND AFFIRMATIVE ACTION PROVISIONS, NONDISCRIMINATION PROVISIONS REGARDING SEXUAL ORIENTATION, EXECUTIVE ORDERS:

39.1 Non-discrimination. References in this section to "Contract" shall mean this Agreement and references to "Contractor" shall mean _____.

(a) For purposes of this Section, the following terms are defined as follows: (i) "Commission" means the Commission on Human Rights and Opportunities; (ii) "Contract" and "contract" include any extension or modification of the Contract or contract; (iii) "Contractor" and "contractor" include any successors or assigns of the Contractor or contractor; (iv) "Gender identity or expression" means a person's gender-related identity, appearance or behavior, whether or not that gender-related identity, appearance or behavior is different from that traditionally associated with the person's physiology or assigned sex at birth, which gender-related identity can be shown by providing evidence including, but not limited to, medical history, care or treatment of the gender-related identity, consistent and uniform assertion of the gender-related identity or any other evidence that the gender-related identity is sincerely held, part of a person's core identity or not being asserted for an improper purpose; (v) "good faith" means that degree of diligence which a reasonable person would exercise in the performance of legal duties and obligations; (vi) "good faith efforts" shall include, but not be limited to, those reasonable initial efforts necessary to comply with statutory or regulatory requirements and additional or substituted efforts when it is determined that such initial efforts will not be sufficient to comply with such requirements; (vii) "marital status" means being single, married as recognized by the State of Connecticut, widowed, separated or divorced; (viii) "mental disability" means one or more mental disorders, as defined in the most recent edition of the American Psychiatric Association's "Diagnostic and Statistical Manual of Mental Disorders", or a record of or regarding a person as having one or more such disorders; (ix) "minority business enterprise" means any small contractor or supplier of materials fifty-one percent or more of the capital stock, if any, or assets of which is owned by a person or persons: (1) who are active in the daily affairs of the enterprise, (2) who have the power to direct the management and policies of the enterprise, and (3) who are members of a minority, as such term is defined in subsection (a) of Connecticut General Statutes § 32-9n; and (x) "public works contract" means any agreement between any individual, firm or corporation and the State or any political subdivision of the State other than a municipality for construction, rehabilitation, conversion, extension, demolition or repair of a public building, highway or other changes or improvements in real property, or which is financed in whole or in part by the State, including, but not limited to, matching expenditures, grants, loans, insurance or guarantees.

For purposes of this Section, the terms "Contract" and "contract" do not include a contract where each contractor is (1) a political subdivision of the state, including, but not limited to, a municipality, (2) a quasi-public agency, as defined in Conn. Gen. Stat. Section 1-120, (3) any other state, including but not limited to any federally recognized Indian tribal governments, as defined in Conn. Gen. Stat. Section 1-267, (4) the federal government, (5) a foreign government, or (6) an agency of a subdivision, agency, state or government described in the immediately preceding enumerated items (1), (2), (3), (4) or (5).

(b) (1) The Contractor agrees and warrants that in the performance of the Contract such Contractor will not discriminate or permit discrimination against any person or group of persons on the grounds of race, color, religious creed, age, marital status, national origin, ancestry, sex, gender identity or expression, mental retardation, mental disability or physical disability, including, but not limited to, blindness, unless it is shown by such Contractor that such disability prevents performance of the work involved, in any manner prohibited by the laws of the United States or of the State of Connecticut; and the Contractor further agrees to take affirmative action to insure that applicants with job-related qualifications are employed and that employees are treated when employed without regard to their race, color, religious creed, age, marital status, national origin, ancestry, sex, gender identity or expression, mental retardation, mental disability or physical disability, including, but not limited to, blindness, unless it is shown by the Contractor that such disability prevents performance of the work involved; (2) the Contractor agrees, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, to state that it is an "affirmative action-equal opportunity employer" in accordance with regulations adopted by the Commission; (3) the Contractor agrees to provide each labor union or representative of workers with which the Contractor has a collective bargaining Agreement or other contract or understanding and each vendor with which the Contractor has a contract or understanding, a notice to be provided by the Commission, advising the labor union or workers' representative of the Contractor's commitments under this section and to post copies of the notice in conspicuous places available to

employees and applicants for employment; (4) the Contractor agrees to comply with each provision of this Section and Connecticut General Statutes §§ 46a-68e and 46a-68f and with each regulation or relevant order issued by said Commission pursuant to Connecticut General Statutes §§ 46a-56, 46a-68e and 46a-68f; and (5) the Contractor agrees to provide the Commission on Human Rights and Opportunities with such information requested by the Commission, and permit access to pertinent books, records and accounts, concerning the employment practices and procedures of the Contractor as relate to the provisions of this Section and Connecticut General Statutes § 46a-56. If the contract is a public works contract, the Contractor agrees and warrants that he will make good faith efforts to employ minority business enterprises as subcontractors and suppliers of materials on such public works projects.

(c) Determination of the Contractor's good faith efforts shall include, but shall not be limited to, the following factors: The Contractor's employment and subcontracting policies, patterns and practices; affirmative advertising, recruitment and training; technical assistance activities and such other reasonable activities or efforts as the Commission may prescribe that are designed to ensure the participation of minority business enterprises in public works projects.

(d) The Contractor shall develop and maintain adequate documentation, in a manner prescribed by the Commission, of its good faith efforts.

(e) The Contractor shall include the provisions of subsection (b) of this Section in every subcontract or purchase order entered into in order to fulfill any obligation of a contract with the State and such provisions shall be binding on a subcontractor, vendor or manufacturer unless exempted by regulations or orders of the Commission. The Contractor shall take such action with respect to any such subcontract or purchase order as the Commission may direct as a means of enforcing such provisions including sanctions for noncompliance in accordance with Connecticut General Statutes §46a-56; provided if such Contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the Commission, the Contractor may request the State of Connecticut to enter into any such litigation or negotiation prior thereto to protect the interests of the State and the State may so enter.

(f) The Contractor agrees to comply with the regulations referred to in this Section as they exist on the date of this Contract and as they may be adopted or amended from time to time during the term of this Contract and any amendments thereto.

(g) (1) The Contractor agrees and warrants that in the performance of the Contract such Contractor will not discriminate or permit discrimination against any person or group of persons on the grounds of sexual orientation, in any manner prohibited by the laws of the United States or the State of Connecticut, and that employees are treated when employed without regard to their sexual orientation; (2) the Contractor agrees to provide each labor union or representative of workers with which such Contractor has a collective bargaining Agreement or other contract or understanding and each vendor with which such Contractor has a contract or understanding, a notice to be provided by the Commission on Human Rights and Opportunities advising the labor union or workers' representative of the Contractor's commitments under this section, and to post copies of the notice in conspicuous places available to employees and applicants for employment; (3) the Contractor agrees to comply with each provision of this section and with each regulation or relevant order issued by said Commission pursuant to Connecticut General Statutes § 46a-56; and (4) the Contractor agrees to provide the Commission on Human Rights and Opportunities with such information requested by the Commission, and permit access to pertinent books, records and accounts, concerning the employment practices and procedures of the Contractor which relate to the provisions of this Section and Connecticut General Statutes § 46a-56.

(h) The Contractor shall include the provisions of the foregoing paragraph in every subcontract or purchase order entered into in order to fulfill any obligation of a contract with the State and such provisions shall be binding on a subcontractor, vendor or manufacturer unless exempted by regulations or orders of the Commission. The Contractor shall take such action with respect to any such subcontract or purchase order as the Commission may direct as a means of enforcing such provisions including sanctions for noncompliance in accordance with Connecticut General Statutes § 46a-56; provided, if such Contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the Commission, the Contractor may request the State of Connecticut to enter into any such litigation or negotiation prior thereto to protect the interests of the State and the State may so enter.

39.2 This Agreement is subject to the provisions of Executive Order No. Three of Governor Thomas J. Meskill, promulgated June 16, 1971, concerning labor employment practices, Executive Order No. Seventeen of Governor Thomas J. Meskill, promulgated February 15, 1973, concerning the listing of openings and Executive Order No. Sixteen of Governor John G. Rowland promulgated August 4, 1999, concerning violence in the workplace, all of which are incorporated into and are made a part of this Agreement as if they had been fully set forth in it. At UTC Power's request, the University shall provide a copy of these orders to UTC Power. This Agreement may also be subject to Executive Order No. 7C of Governor M. Jodi Rell, promulgated July 13, 2006, concerning contracting reforms and Executive Order No. 14 of Governor M. Jodi Rell, promulgated April 17, 2006, concerning procurement of cleaning products and services, in accordance with their respective terms and conditions.

40. Ethics and Compliance Hotline.

In accordance with the University's compliance program, the University has in place an anonymous ethics and compliance reporting hotline service – 1-888-685-2637. Any person who is aware of unethical practices, fraud, violation of state laws or regulations or other concerns relating to University policies and procedures can report such matters anonymously. Such persons may also directly contact the University's compliance office at: Office of Audit, Compliance, and Ethics, 9 Walters Avenue, Unit 5084, Storrs, CT 06269-5084; Phone 860-486-4526; Fax 860-486-4527. As a provider of goods and/or services to the University, you are hereby required to notify your employees, as well as any subcontractors, who are involved in the implementation of this Agreement, of this reporting mechanism.

41. Campaign Contribution Restrictions.

For all State contracts as defined in P.A. 10-1 having a value in a calendar year of \$50,000 or more or a combination or series of such agreements or contracts having a value of \$100,000 or more, the authorized signatory to this Agreement expressly acknowledges receipt of the State Elections Enforcement Commission's notice advising state contractors of state campaign contribution and solicitation prohibitions, and will inform its principals of the contents of the notice (SEEC Form 11) attached as Exhibit A.

42. Large State Government Contracts.

If _____ is a large state contractor, _____ will comply with the provisions of Section 4-61dd of the Connecticut General Statutes, as may be revised.

- A. "Large state contract" and "Large state contractor" will have the same meanings as set forth in Section 4-61dd(g) of the Connecticut General Statutes, as may be revised.
- B. Each contract between a state of quasi-public agency and a large state contractor will provide that, if an officer, employee, or appointing authority of a large state contractor takes or threatens to take any personnel action against any employee of the contractor in retaliation for such employee's disclosure of information to the Auditors of Public Accounts or the Attorney General under the provisions of subsection (a) of Section 4-61dd of the Connecticut General Statutes, the contractor will be liable for a civil penalty of not more than five thousand dollars (\$5,000.00) for each offense, up to a maximum of twenty per cent (20%) of the value of the contract. Each violation will be a separate and distinct offense and in the case of a continuing violation each calendar day's continuance of the violation will be deemed to be a separate and distinct offense. The executive head of the state or quasi-public agency may request the Attorney General to bring a civil action in the Superior Court for the judicial district of Hartford to seek imposition and recovery of such civil penalty.
- C. Each large state contractor will post a notice of the provisions of Section 4-61dd relating to large state contractors in a conspicuous place that is readily available for viewing by the employees of the contractor.

43. Amendments to the Agreement. Any changes to this Agreement must be made by a written Amendment executed by both parties and approved by the Office of the Attorney General, to the extent required.

44. Conflicts/Inconsistencies. In the event of inconsistencies within or between any parts or provisions of this Agreement, any Contract Document referred to in Section 49 or Exhibit to this contract or any applicable standards, codes and

ordinances, _____ will: (1) provide the better quality or greater quantity of services, or (2) comply with the more stringent requirement; either or both in accordance with the University's interpretation.

- 45. Severability. If this Agreement contains any unlawful provisions not an essential part of the Agreement, which appear not to have been a controlling or material inducement to the making hereof, the same will be deemed to be of no effect, and will, upon the application of either party, be stricken from this Agreement without affecting the binding force of the Agreement as it will remain after omitting such provisions.
- 46. Gender Neutral Provisions. The language of the Agreement is intended to be gender neutral. Thus whenever the terms "he", "she", "his", "her", "it", or similar term is used such terms will be considered to mean "he", "she" or "it", "his", "her", or "its" or other such gender neutral phraseology.
- 47. The University, as an agency of the State of Connecticut, requires that notarized Gift and Campaign Contribution Certificates (Office of Policy and Management "OPM" Form 1); Consulting Agreement Affidavits (OPM Form 5) and Affirmation of Receipt of State Ethics Laws Summary (OPM Form 6) accompany all State contracts/agreements. (Form 1 is also used with a multi-year contract to update the initial certification on an annual basis.)
- 48. An executed Nondiscrimination Certification Form C must also be provided by _____ at the time of execution of this Agreement. The Certification requires the signer to disclose his/her title and certify that _____ has in place a properly adopted policy, which supports the nondiscrimination requirements of Connecticut law.
- 49. Contract Documents. _____ shall fully perform the services described in, and in accordance with this Agreement, including the following Contract Documents:
 - 49.1 University of Connecticut's Revised Division One dated _____ attached hereto as Schedule B.
 - 49.2 Commissioning Plan provided by _____ prior to Commercial Operation Date.
- 50. Effective Date of the Contract. This Agreement will become effective on the date that it is executed by the Vice President and Chief Operating Officer for the University and the Associate Attorney General, whichever is later.
- 51. Entire Agreement. This Agreement and any provisions, exhibits, or attachments incorporated therein constitute the entire agreement of the parties and supersede all prior agreements and understandings with respect to the subject matter of this Agreement. Contractor further certifies that the terms of this agreement are legally binding and its duly authorized representative has signed this agreement after having carefully read and understood the same. This Agreement may only be amended by a written document duly executed by all parties and if applicable, approved by the Office of the Attorney General.

IN WITNESS WHEREOF, the Parties hereto have executed this Energy Purchase Agreement as of the date set forth below their signature.

SEEC FORM 11
CONNECTICUT STATE ELECTIONS ENFORCEMENT COMMISSION
Rev. 1/11

**NOTICE TO EXECUTIVE BRANCH STATE CONTRACTORS AND
PROSPECTIVE STATE CONTRACTORS OF CAMPAIGN CONTRIBUTION
AND SOLICITATION LIMITATIONS**

This notice is provided under the authority of Connecticut General Statutes §9-612(g)(2), as amended by P.A. 10-1, and is for the purpose of informing state contractors and prospective state contractors of the following law (*italicized words are defined on the reverse side of this page*).

CAMPAIGN CONTRIBUTION AND SOLICITATION LIMITATIONS

No *state contractor, prospective state contractor, principal of a state contractor or principal of a prospective state contractor*, with regard to a *state contract or state contract solicitation* with or from a state agency in the executive branch or a quasi-public agency or a holder, or principal of a holder of a valid prequalification certificate, shall make a contribution to (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of Governor, Lieutenant Governor, Attorney General, State Comptroller, Secretary of the State or State Treasurer, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee (which includes town committees).

In addition, no holder or principal of a holder of a valid prequalification certificate, shall make a contribution to (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of State senator or State representative, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee.

On and after January 1, 2011, no state contractor, prospective state contractor, principal of a state contractor or principal of a prospective state contractor, with regard to a state contract or state contract solicitation with or from a state agency in the executive branch or a

quasi-public agency or a holder, or principal of a holder of a valid prequalification certificate, shall **knowingly solicit** contributions from the state contractor's or prospective state contractor's employees or from a *subcontractor or principals of the subcontractor* on behalf of (i)

an exploratory committee or candidate committee established by a candidate for nomination or election to the office of Governor,

Lieutenant Governor, Attorney General, State Comptroller, Secretary of the State or State Treasurer, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee.

DUTY TO INFORM

State contractors and prospective state contractors are required to inform their principals of the above prohibitions, as applicable, and the possible penalties and other consequences of any violation thereof.

PENALTIES FOR VIOLATIONS

Contributions or solicitations of contributions made in violation of the above prohibitions may result in the following civil and criminal penalties:

Civil penalties—Up to \$2,000 or twice the amount of the prohibited contribution, whichever is greater, against a principal or a contractor. Any state contractor or prospective state contractor which fails to make reasonable efforts to comply with the provisions requiring notice to its principals of these prohibitions and the possible consequences of their violations may also be subject to civil penalties of up to \$2,000 or twice the amount of the prohibited contributions made by their principals.

Criminal penalties—Any knowing and willful violation of the prohibition is a Class D felony, which may subject the violator to imprisonment of not more than 5 years, or not more than \$5,000 in fines, or both.

CONTRACT CONSEQUENCES

In the case of a state contractor, contributions made or solicited in violation of the above prohibitions may result in the contract being voided.

In the case of a prospective state contractor, contributions made or solicited in violation of the above prohibitions shall result in the contract described in the state contract solicitation not being awarded to the prospective state contractor, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.

The State shall not award any other state contract to anyone found in violation of the above prohibitions for a period of one year after the election for which such contribution is made or solicited, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.

Additional information may be found on the website of the State Elections Enforcement Commission, www.ct.gov/seec. Click on the link to “Lobbyist/Contractor Limitations.”

DEFINITIONS

“State contractor” means a person, business entity or nonprofit organization that enters into a state contract. Such person, business entity or nonprofit organization shall be deemed to be a state contractor until December thirty-first of the year in which such contract terminates. “State contractor” does not include a municipality or any other political subdivision of the state, including any entities or associations duly created by the municipality or political subdivision exclusively amongst themselves to further any purpose authorized by statute or charter, or an employee in the executive or legislative branch of state government or a quasi-public agency, whether in the classified or unclassified service and full or part-time, and only in such person's capacity as a state or quasi-public agency employee.

“Prospective state contractor” means a person, business entity or nonprofit organization that (i) submits a response to a state contract solicitation by the state, a state agency or a quasi-public agency, or a proposal in response to a request for proposals by the state, a state agency or a quasi-public agency, until the contract has been entered into, or (ii) holds a valid prequalification certificate issued by the Commissioner of Administrative Services under section 4a-100. “Prospective state contractor” does not include a municipality or any other political subdivision of the state, including any entities or associations duly created by the municipality or political subdivision exclusively amongst themselves to further any purpose authorized by statute or charter, or an employee in the executive or legislative branch of state government or a quasi-public agency, whether in the classified or unclassified service and full or part-time, and only in such person's capacity as a state or quasi-public agency employee.

“Principal of a state contractor or prospective state contractor” means (i) any individual who is a member of the board of directors of, or has an ownership interest of five per cent or more in, a state contractor or prospective state contractor, which is a business entity, except for an individual who is a member of the board of directors of a nonprofit organization, (ii) an individual who is employed by a state contractor or prospective state contractor, which is a business entity, as president, treasurer or executive vice president, (iii) an individual who is the chief executive officer of a state contractor or prospective state contractor, which is not a business entity, or if a state contractor or prospective state contractor has no such officer, then the officer who duly possesses comparable powers and duties, (iv) an officer or an employee of any state contractor or prospective state contractor who has *managerial or discretionary responsibilities with respect to a state contract*, (v) the spouse or a *dependent child* who is eighteen years of age or older of an individual described in this subparagraph, or (vi) a political committee established or controlled by an individual described in this subparagraph or the business entity or nonprofit organization that is the state contractor or prospective state contractor.

“State contract” means an agreement or contract with the state or any state agency or any quasi-public agency, let through a procurement process or otherwise, having a value of fifty thousand dollars or more, or a combination or series of such agreements or contracts having a value of one hundred thousand dollars or more in a calendar year, for (i) the rendition of services, (ii) the furnishing of any goods, material, supplies, equipment or any items of any kind, (iii) the construction, alteration or repair of any public building or public work, (iv) the acquisition, sale or lease of any land or building, (v) a licensing arrangement, or (vi) a grant,

loan or loan guarantee. "State contract" does not include any agreement or contract with the state, any state agency or any quasi-public agency that is exclusively federally funded, an education loan, a loan to an individual for other than commercial purposes or any agreement or contract between the state or any state agency and the United States Department of the Navy or the United States Department of Defense.

"State contract solicitation" means a request by a state agency or quasi-public agency, in whatever form issued, including, but not limited to, an invitation to bid, request for proposals, request for information or request for quotes, inviting bids, quotes or other types of submittals, through a competitive procurement process or another process authorized by law waiving competitive procurement.

"Managerial or discretionary responsibilities with respect to a state contract" means having direct, extensive and substantive responsibilities with respect to the negotiation of the state contract and not peripheral, clerical or ministerial responsibilities.

"Dependent child" means a child residing in an individual's household who may legally be claimed as a dependent on the federal income tax of such individual.

"Solicit" means (A) requesting that a contribution be made, (B) participating in any fund-raising activities for a candidate committee, exploratory committee, political committee or party committee, including, but not limited to, forwarding tickets to potential contributors, receiving contributions for transmission to any such committee or bundling contributions, (C) serving as chairperson, treasurer or deputy treasurer of any such committee, or (D) establishing a political committee for the sole purpose of soliciting or receiving contributions for any committee. Solicit does not include: (i) making a contribution that is otherwise permitted by Chapter 155 of the Connecticut General Statutes; (ii) informing any person of a position taken by a candidate for public office or a public official, (iii) notifying the person of any activities of, or contact information for, any candidate for public office; or (iv) serving as a member in any party committee or as an officer of such committee that is not otherwise prohibited in this section.

"Subcontractor" means any person, business entity or nonprofit organization that contracts to perform part or all of the obligations of a state contractor's state contract. Such person, business entity or nonprofit organization shall be deemed to be a subcontractor until December thirty first of the year in which the subcontract terminates. "Subcontractor" does not include (i) a municipality or any other political subdivision of the state, including any entities or associations duly created by the municipality or political subdivision exclusively amongst themselves to further any purpose authorized by statute or charter, or (ii) an employee in the executive or legislative branch of state government or a quasi-public agency, whether in the classified or unclassified service and full or part-time, and only in such person's capacity as a state or quasi-public agency employee.

"Principal of a subcontractor" means (i) any individual who is a member of the board of directors of, or has an ownership interest of five per cent or more in, a subcontractor, which is a business entity, except for an individual who is a member of the board of directors of a nonprofit organization, (ii) an individual who is employed by a subcontractor, which is a business entity, as president, treasurer or executive vice president, (iii) an individual who is the chief executive officer of a subcontractor, which is not a business entity, or if a subcontractor has no such officer, then the officer who duly possesses comparable powers and duties, (iv) an officer or an employee of any subcontractor who has managerial or discretionary responsibilities with respect to a subcontract with a state contractor, (v) the spouse or a dependent child who is eighteen years of age or older of an individual described in this subparagraph, or (vi) a political committee established or controlled by an individual described in this subparagraph or the business entity or nonprofit organization that is the subcontractor.
