## GUIDE FOR COMPLETING STATE OF CONNECTICUT FORMS

### I. INTRODUCTION TO BIZNET

It is now a requirement of DAS/Procurement Services that all Companies create a Business Network (BizNet) Account and add your company profile in our BizNet system. Companies are responsible for maintaining company information as updates occur. Please Note: If you are certified through the Supplier Diversity or the Pre-Qualification Program, you have already created a BizNet account.

The BizNet login is: <https://www.biznet.ct.gov/AccountMaint/Login.aspx>

New Companies: Create an account by clicking the link above and then clicking the button on the right. Once you have created your account, Login and select CT Procurement and Company Information.

Existing Companies Needing to Update Their Information: Login to BizNet and select CT Procurement and Company Information.

Note: If you are having difficulty connecting to your account or downloading/uploading forms, please call Procurement Services at 860-713-5095.

### II. BUSINESS FRIENDLY LEGISLATION

As a result of Public Act 11-229, DAS/Procurement Services' goal is to make doing business with the State of Connecticut more business friendly. To eliminate redundancy, forms that were repetitively filled out with each Request for Proposal (RFP) are being automated in BizNet.

DAS/Procurement Services is also beginning the transition to on-line bidding by automating completion of Affidavits and Non-Discrimination forms effective October 1, 2011. Companies will submit forms electronically to their BizNet account if they haven't already done so and also on an annual basis rather than having to complete them with each RFP submittal. Contractors that have already filed forms with DAS/Procurement Services will have the ability to view, verify and update their information prior to submitting responses to RFP.

#### **Instructions for Uploading Affidavits and Non-Discrimination Forms:**

**The following Terms and Conditions govern all Request for Proposals issued by the Department of Administrative Services (“DAS”). Incorporated by reference into these Terms and Conditions are applicable provisions of the Connecticut General Statutes, including but not limited to, those in Title 4a, Chapter 58 or Title 4d, Chapter 61 and applicable provisions of the Regulations of Connecticut State Agencies, including but not limited to, those that begin with and follow Section 4a-52-1 or 4d-3-1.**

**Proposers shall comply with the statutes and regulations as they exist on the date of their proposal and as they may be modified from time to time during the term of the contract, as it may be amended.**

**Submission of Proposals**

1. Proposals must be submitted to and received and stamped as received by DAS Procurement Services on such forms as DAS may make available. Telephone or facsimile proposals will not be accepted in response to a Request for Proposals (“RFP”).

2. The time and date proposals are due is given in each RFP. Proposals received after the specified due date and time given in each RFP shall not be considered and shall be returned unopened. RFP envelopes must clearly indicate the RFP number as well as the date and time that the proposal is due. The name and address of the Proposer should appear in the upper left hand corner of the envelope.

3. Incomplete RFP forms may result in the rejection of proposals. Amendments to proposals received by DAS after the due date and time specified shall not be considered. Proposals shall be computer prepared, typewritten or handwritten in ink. Proposals submitted in pencil shall be rejected. All proposals shall be signed by a person duly authorized to sign proposals on behalf of the Proposer. Unsigned proposals may be rejected. Errors, alterations or corrections on both the original and any copies of the price schedule to be returned must be initialed by the person signing the proposal or their authorized designee. If an authorized designee initials the correction, there must be written authorization from the person signing the proposal to the person initialing the erasure, alterations, or correction. **Samples**

9. The quality of accepted samples does not supersede the specifications for quality in the RFP unless the sample is superior in quality. All deliveries shall have at least the same quality as the accepted sample.

10. Samples are furnished free of charge. Proposers must indicate if their return is desired, which DAS shall do or cause to do provided that they are returned at Proposer’s sole cost and expense, FOB Proposer’s destination, and that they have not been made useless by testing. If they are made useless by testing, the State may dispose of the samples as it deems to be appropriate. Samples may be held for comparison with deliveries.

**Award**

11. A contract will be awarded to the Proposer or Proposers whose proposals DAS deems to be the most advantageous to the State, in accordance with the criteria set forth in the RFP, always taking into account the quality of the goods or services to be supplied, their conformance with specifications, delivery terms, price, administrative costs, past performance, and financial responsibility.

12. DAS may reject the proposal of any Proposer who is in default of any prior contract or is guilty of misrepresentation or any Proposer with a member of its firm in default or guilty of misrepresentation.

13. DAS may correct inaccurate awards resulting from clerical or administrative errors.

Accordingly, pursuant to the Act, vendors are notified as follows:

(a) No state agency or quasi-public agency shall execute a contract for the purchase of goods or services, which contract has a total value to the state of fifty thousand dollars or more in any calendar or fiscal year, unless the state agency obtains the written affidavit described in subsection (b) of this section.

(b) (1) The chief official of the vendor awarded a contract described in subsection (a) of this section or the individual awarded such contract who is authorized to execute such contract, shall attest in an affidavit as to whether any consulting agreement has been entered into in connection with such contract. Such affidavit shall be required if any duties of the consultant included communications concerning business of such state agency, whether or not direct contact with a state agency, state or public official or state employee was expected or made. "Consulting agreement" means any written or oral agreement to retain the services, for a fee, of a consultant for the purposes of (A) providing counsel to a contractor, vendor, consultant or other entity seeking to conduct, or conducting, business with the State, (B) contacting, whether in writing or orally, any executive, judicial, or administrative office of the state, including any department, institution, bureau, board, commission, authority, official or employee for the purpose of solicitation, dispute resolution, introduction or requests for information or (C) any other similar activity related to such contract. "Consulting agreement" does not include any agreements entered into with a consultant who is registered under the provisions of Chapter 10 of the Connecticut General Statutes concerning the State's Codes of Ethics, as of the date such affidavit is submitted. (2) Such affidavit shall be sworn as true to the best knowledge and belief of the person signing the certification on the affidavit and shall be subject to the penalties of false statement. (3) Such affidavit shall include the name of the consultant, the consultant's firm, the basic terms of the consulting agreement, a brief description of the services provided, and an indication as to whether the consultant is a former state employee or public official. If the consultant is a former state employee or public official, such affidavit shall indicate his or her former agency and the date such employment terminated. (4) Such affidavit shall be updated no later than 30 days after the effective date of any such change contained in the most recently filed affidavit or upon submittal of any new bid or proposal, whichever is earlier.

(c) If a vendor refuses to submit the affidavit required under subsection (b) of this section, then the state agency shall not award the Contract to such vendor and shall award the contract to the next highest ranked vendor or the next lowest responsible qualified bidder or seek new bids or proposals.

17. Section 4-252 (the "Statute") of the Connecticut General Statutes requires that the Invitation to Bid, of which these Terms and Conditions are a part, include a notice of the vendor certification requirements described in the Statute. Accordingly, pursuant to the Statute, vendors are notified as follows:

(a) The terms "gift," "quasi-public agency," "state agency," "large state contract," "principals and key personnel" and "participated substantially" as used in this section shall have the meanings set forth in the Statute.

(b) No state agency or quasi-public agency shall execute a large state contract unless the state agency or quasi-public agency obtains the written certifications described in this section. Each such certification shall be sworn as true to the best knowledge and belief of the person signing the certification, subject to the penalties of false statement.

(c) Any principal or key personnel of the person, firm or corporation submitting a bid or proposal for a large State contract shall certify on such forms as the State shall provide:

(1) That no gifts were made by (A) such person, firm, corporation, (B) any principals and key personnel of the person, firm or corporation, who participate substantially in preparing bids, proposals or negotiated State contracts, or (C) any agent of such person, firm, corporation or principals and key personnel, who participates substantially in preparing bids, proposals or negotiating state contracts, to (i) any public official or state employee of the state agency or quasi-public agency soliciting bids or proposals for state contracts, who participates substantially in the preparation of bid solicitations or requests for proposals for state contracts or the negotiation or award of state contracts, or (ii) any public official or state employee of any other state agency, who has supervisory or appointing authority over such state agency or quasi-public agency;

(2) That no such principals and key personnel of the person, firm or corporation, or agent of such person, firm or corporation or principals and key personnel, knows of any action by the person, firm or corporation to circumvent such prohibition on gifts by providing for any other principals and key personnel, official, employee or agent of the person, firm or corporation to provide a gift to any such public official or state employee; and

(3) That the person, firm or corporation is submitting bids or proposals without fraud or collusion with any person.

(d) Any bidder or proposer that does not make the certification required under this section shall be disqualified and the state agency or quasi-public agency shall award the contract to the next highest ranked proposer or the next lowest responsible qualified bidder or seek new bids or proposals.

(e) Each state agency and quasi-public agency shall include in the bid specifications or request for proposals for a large state contract a notice of the certification requirement of this section.

16. The existence of the contract shall be determined in accordance with the requirements set forth above. However, the award of the contract is not an order to ship. Contractors may not begin to perform under the awarded contract until the Contractor and the State have executed the contract and thereafter the Contractor receives a written purchase order from an appropriate State entity.

17. With regard to a State contract as defined in Section 9-612 of the Connecticut General Statutes having a value in a calendar year of \$50,000 or more or a combination or series of such agreements or contracts having a value of \$100,000 or more, the authorized signatory to this submission in response to the State's solicitation expressly acknowledges receipt of the State Elections Enforcement Commission's notice advising prospective state contractors of state campaign contribution and solicitation prohibitions, and will inform its principals of the contents of the notice. See Contract Exhibit C, SEEC Form 11.

18. Public Act 11-55 and Public Act 11-229 have amended the nondiscrimination provisions of the Connecticut General Statutes to add gender identity or expression to the existing protected classes and to require State contractors to adopt policies in support of the new statutes by means of an affidavit or resolution. Accordingly, attached as Form NDC is a form certification that the successful contractor must deliver executed at the time that it executes the Contract. The

execution and submittal of this affidavit or resolution is a condition precedent to the State's executing the Contract, unless the contractor is exempt from this statutory requirement, in which case the contractor must obtain a written waiver from the State's Commission on Human Rights and Opportunities.

## Vendor Authorization Guidelines- Page 1 of 2

**All contracts must include appropriate vendor documentation that does the following three things:**

- A. Authorizes the vendor to enter into contracts,
- B. Authorizes a particular officer to execute contracts on behalf of the vendor and
- C. Evidences that the officer signing in fact holds his/her office.

**CORPORATIONS** - Appropriate vendor documentation usually involves a certificate from the Secretary or other appropriate officer setting forth a copy of a board resolution. Sometimes this is not possible, in which case the vendor should observe the following:

- 1) In lieu of the secretary's certificate, the vendors must submit:
  - a) a current certified copy of the applicable section of the corporation's bylaws which authorizes the execution of contracts by the signing person and
  - b) a current certification that the officer signing the assignment agreement in fact holds that office.
- 2) In lieu of the certified resolution or bylaws, the vendor must include a certified copy of the corporate minutes of their respective boards of directors, which must specifically authorize the person signing the assignment agreement to execute it.

NOTE: If the bylaws or resolutions cannot be found, a formal legal opinion must be obtained attesting to:

- a. the authority of the company and
- b. the officer's ability to bind the company

to enter into a contract.

**LIMITED LIABILITY COMPANIES (LLC'S)** – LLC's that do not have boards of directors, must submit the following:

- 1) a document indicating unanimous consent from all members or managers or
- 2) a certified copy of all of those relevant portions of their management agreement or operations agreement that identify which members or managers have the authority to bind the LLC in contracts. The certification must also show that the signing party is in fact a manager/member or that a manager/member has duly (in accordance with the management agreement or operations agreement) delegated signatory authority to the signing person.

If the company can't find the management agreement or operations agreement, a formal legal opinion must be obtained attesting to:

- a. the authority of the company and
- b. the signing party's ability to bind the company

to enter into a contract.

## Vendor Authorization Guidelines- Page 2 of 2

**PARTNERSHIPS** – Partnerships, like LLC’s, do not have boards of directors. Generally, any general partner can bind the partnership. However, it is prudent to make every effort to obtain a partnership authorization that includes some evidence of a partner's authority to bind the partnership. This can include partnership resolutions that read very much like a corporation’s resolutions or a copy of the partnership agreement (or all relevant sections) that address the authority of partners to bind the partnership, again taking into account any limitations, or a consent from the appropriate partners. The partnership agreement governs in the same way as the LLC’s management or operations agreement.

**SOLE PROPRIETORS** - Sole Proprietors do not need to submit any documentation with regards to vendor authorization or certification. Sole Proprietors must submit a letter on company letterhead stating:

- 1) that the company holds Sole Proprietor status,
- 2) the name(s) of those authorized to execute contracts on behalf of the company and
- 3) the signature of Sole Proprietor.

## On-Site and Off-Site Shredding Services

### Overview

This RFP covers the requirements for All Using State Agencies, Political Subdivisions and Not-for-profit organizations requesting on-site and off-site shredding services. The Department of Administrative Services intends to establish an all-inclusive contract from which shredding services can be acquired while minimizing cost for contract customers.

This Request for Proposal is to be submitted by Connecticut Certified Small Businesses specializing in document shredding services to be utilized by All Using State Agencies, Political Sub-Divisions of the State which includes Municipalities, Cities, Towns, Schools and Not-For-Profit Organizations.

## Scope of Services

The contractor shall provide document or magnetic media shredding on-site and/or off-site for all using state agencies, political subdivisions and not-for-profit organizations (hereinafter referred to as the “agency”), in accordance with the provisions and requirements stated herein. For purpose of this document, the term “record(s)” shall be used to define any item(s) to be shredded.

Contractor shall be able to shred or disintegrate any type of paper items (white and/or NCR/color paper), microfilm, microfiche, x-rays, computer disks, computer tape, CD's, VHS tapes, audiocassettes, and other storage media.

Cost for on-site and off-site shredding will be as outlined in Exhibit B Price Schedule. If the console/receptacle/bin (hereinafter referred to as the “container”) is less than  $\frac{3}{4}$  full the contractor shall not take this bin for shredding. If a contractor takes bins less than  $\frac{3}{4}$  full, the agency will only pay the contractor half the cost of the per container charge. Contractor's prices must fall within the pricing structure listed in Exhibit B Price Schedule, no alternative pricing is allowed.

## Product and/or Service Specifications

### **On-Site Shredding:**

The contractor will collect all containers and shred materials on-site, as requested by the agency. The shredding is to be completed in a totally self-contained truck to handle the agency's most secure material. Agency personnel can witness the whole shredding process, if requested. After the material is shredded, the contractor must bring all the material to a recycling facility.

Contractor providing on-site shredding shall only use **Cross Cut** (fine particle cut) or **Hammermill Process** (or similar process that meets or exceeds the shredding requirements) for shredding records. These two shredding procedures have a higher level of security than the strip cut.

### **Off-Site Shredding:**

Contractor will pick up the agency's records at the agency's site, and return the records to the contractor's facility for the shredding of all records. Off-site shredding provides a more economical approach for shredding material that is considered not confidential. Agency personnel can witness the whole shredding process, if requested.

Contractor providing off-site shredding shall use cross cut (fine particle cut) or Hammermill Process (or similar process that meets or exceeds the shredding requirements) for shredding all records.

### **CONTRACTOR RESPONSIBILITY:**

The contractor shall furnish all material, labor, vehicles, equipment, and supplies necessary to perform the services required herein.

Contractors will allow either schedule or on-call service or on an as needed basis. Agencies will specify whether they prefer schedule or on-call service on their purchase order. Those agencies that only need service on an as needed basis will notify the contractor when service is needed. Agencies using the schedule plan should note what type of service plan they require on their purchase order. Agencies have the option to change their options at any time during the contract.

The user agency will provide to the contractor a purchase order along with detailed specifications of the services they require. Since each agency has different needs, the contractor must pay particular attention and comply with all information provided by the agency. If the contractor is not clear with the agency purchase order and/or specifications, the contractor should contact the agency for clarification. The agency may contact the awarded contractor to discuss the service required by their agency.

The contractor shall coordinate and work in good faith with each agency and designee in seeking and obtaining the arrangements and methods of collection.

If requested by the agency, the contractor shall allow an agency representative to witness the shredding process.

Contractor must be Certified by the National Association for Information Destruction (NAID) or ISO Certification and provide a copy of the NAID or ISO certification with their proposal. The NAID or ISO certified companies operate under a strict code of ethics and the NAID and ISO conduct frequent paper and other media confidential destruction service audits to ensure that certified members are in compliance with the privacy, security and compliance issues involved in conducting business in today's environment. Contractor providing services for information destruction will provide a Certificate of Destruction after the shredding process has been completed.

The contractor shall perform all services to the sole satisfaction of the agency as specified herein. The contractor shall understand that the agency or designee may, at any time throughout the contract, accompany the contractor during the collection, hauling and shredding being conducted by the contractor. The contractor shall not restrict in any way or limit the agency's right or ability to oversee any and all services provided by the contractor.

The contractor shall perform all services during normal hours that are typically 8:00 a.m. – 5:00 p.m., Monday through Friday, excluding official state holidays.

The contractor shall handle and transport all records in covered containers to insure that no records are lost or mislaid.

The contractor shall load and unload all records without the assistance from any agency personnel.

The contractor's personnel must, at all times, wear a photo identification badge and uniform, which reflects the contractor's company name.

The contractor will allow the agency to make scheduled or unscheduled visits of their facility at any time during business hours.

**AGENCY RESPONSIBILITY:**

The user agency will provide to the contractor a purchase order along with detailed specifications of the services they require. The agency may contact the awarded contractor to discuss the service required by their agency.

The agency may wish to establish scheduled pick-up and/or delivery services with the contractor. The agency may wish to establish their schedule at the time of the purchase order or any time thereafter.

If requested by the agency, the contractor shall allow an agency representative to witness the shredding process.

Agency may visit the contractor's facility prior to making a decision on what contractor they choose to use for shredding services.

The agency may make scheduled or unscheduled visits of the contractor's facility at any time during business hours.

**CONSOLES/RECEPTACLES/BINS:**

Contractor will supply the requesting agency with security container(s) as needed at no cost to the agency. The contractor shall place each container in the location requested by the agency, provided the placement is in accordance with applicable fire codes. Agency will have the option to choose the type and size of container they wish. Containers must have either a top slot or side slot near the top designed to prevent theft of materials by reaching in. Containers must also have a tamper evident locking system and be made of a fire resistant material. The vendor will supply an agency representative a key to all containers. If an agency loses their key, the vendor will supply a new key at no additional charge to the agency.

All containers in a hospital facility should be according to the "Fire Marshal's" regulations. Contractors must be aware of these regulations and supply the agency with the appropriate containers.

The contractor shall retain ownership of the containers. The contractor shall agree that the agency shall not be responsible for any liability incurred by the contractor or the contractor's personnel arising out of the possession, use, maintenance, delivery, return, and/or collection from containers provided by the contractor.

Proposers must submit detailed material regarding the containers they will be using with this contract.

**CONFIDENTIALITY:**

Confidentiality of all information and material is required. Based on the confidential nature of some of the records, the contractor shall maintain the confidentiality of such records until destruction. Contractor shall maintain the confidentiality in accordance to industry standards and in compliance at the federal level with the Health Insurance Portability and Accountability Act (HIPAA) of 1996, where Contractors are expected to adhere to the same standards as the state agency/covered entity as to Protected Health Information (PHI) and the Financial Modernization Act of 1999, also known as the Gramm-Leach-Bliley Act or GLB Act, includes provisions to protect personal financial information. The contractor and the contractor's personnel shall be prohibited from reading or copying any material at any time. Therefore, as the need for confidentiality dictates, the contractor shall agree and understand that either of the following may be required, however the determination of what is required shall rest solely on the agency's designee.

- a. The agency designee may witness the destruction of the confidential records.
- b. The contractor shall submit a letter to the applicable agency office guaranteeing that the confidentiality of all such records were maintained from the time of collection until the records were destroyed and that none of the records were read or copied by the contractor or contractor's personnel prior to such destruction.

The contractor's personnel shall be required to undergo a Federal and a State security background check and sign a statement of confidentiality guaranteeing non-disclosure of information prior to performing any work on this contract. A copy of both background checks and statement of confidentiality must be placed in the employee's personnel file and made available to any requesting agency for review. The confidentiality statement shall be designed, implemented and maintained by the contractor.

**SECURITY:**

Contractor must adhere to established security and/or property entrance policies and procedures established for each requesting entity. It is the responsibility of each contractor to understand and adhere to those policies and procedures prior to any attempt to enter the premises.

The State retains the right to request any additional information pertaining to the ability, qualifications, and procedures used to accomplish all work under this contract, as it deems necessary to ensure that services are provided in a satisfactory manner.

This RFP is not a contract and, alone, shall not be interpreted as such. Rather, this RFP only serves as the instrument through which proposals are solicited. The state will pursue negotiations with the highest scoring proposal. If, for some reason, DAS and the initial proposer fail to reach consensus on the issues relative to a contract, then DAS may commence contract negotiations with other proposers. DAS may decide at any time to start the RFP process again.

Thereafter, Proposers will be required to sign a formal contract as identified in "Contract". The contract may include a liquidated damages clause at the discretion of the State.

The Contractor shall remove the Rejected Goods and the Contractor Property in accordance with the terms and conditions of the written notice. Failure to remove the Rejected Goods or the Contractor Property in accordance with the terms and conditions of the written notice shall mean, for itself and all Contractor Parties and Proposer Parties, that:
- (1) they have voluntarily, intentionally, unconditionally, unequivocally and absolutely abandoned and left unclaimed the Rejected Goods and Contractor Property and relinquished all ownership, title, licenses, rights, possession and interest of, in and to (collectively, “Title”) the Rejected Goods and Contractor Property with the specific and express intent of (A) terminating all of their Title to the Rejected Goods and Contractor Property, (B) vesting Title to the Rejected Goods and Contractor Property in the State of Connecticut and (C) not ever reclaiming Title or any future rights of any type in and to the Rejected Goods and Contractor Property;

  - (4) if the State incurs any costs or expenses in connection with disposing of the Rejected Goods and Contractor Property, including, but not limited to, advertising, moving or storing the Rejected Goods and Contractor Property, auction and other activities, the State shall invoice the Contractor for all such cost and expenses and the Contractor shall reimburse the State no later than thirty (30) days after the date of invoice; and

RFP Contract Rev. 12/2011 – Prev. Rev. 10/2011

6. Order and Delivery. The Contract shall bind the Contractor to furnish and deliver the Goods or Services in accordance with Exhibit A and at the prices set forth in Exhibit B. Subject to the sections in this Contract concerning Force Majeure, Termination, Cancellation Expiration and Open Market Purchases, the Contract shall bind the Client Agency to order the Goods or Services from the Contractor, and to pay for the accepted Goods or Services in accordance with Exhibit B.

Except for extensions made in accordance with the section in this Contract concerning Term of Contract; Effective Date, no amendment to or modification or other alteration of the Contract shall be valid or binding upon the State unless made in writing, signed by both parties and, if applicable, approved by the Connecticut Attorney General.
8. Assignment. The Contractor shall not assign any of its rights or obligations under the Contract, voluntarily or otherwise, in any manner without the prior written consent of DAS. DAS may void any purported assignment in violation of this section and declare the Contractor in breach of Contract. Any Cancellation by DAS for a breach is without prejudice to DAS's or the State's rights or possible Claims.
9. Termination.
  - (a) Notwithstanding any provisions in this Contract, the Agency, through a duly authorized employee, may Terminate the Contract whenever the Agency makes a written determination that such Termination is in the best interests of the State. The Agency shall notify the Contractor in writing of Termination pursuant to this section, which notice shall specify the effective date of Termination and the extent to which the Contractor must complete its Performance under the Contract prior to such date.
  - (b) Notwithstanding any provisions in this Contract, the Agency, through a duly authorized employee, may, after making a written determination that the Contractor has breached the Contract, Terminate the Contract in accordance with the provisions in the Breach section of this Contract.
  - (c) The Agency shall send the notice of Termination via certified mail, return receipt requested, to the Contractor at the most current address which the Contractor has furnished to the Agency for purposes of correspondence, or by hand delivery. Upon receiving the notice from the Agency, the Contractor shall immediately discontinue all services affected in accordance with the notice, undertake all commercially reasonable efforts to mitigate any losses or damages, and deliver to the Agency all Records. The Records are deemed to be the property of the Agency and the Contractor shall deliver them to the Agency no later than thirty (30) days after the Termination of the Contract or fifteen (15) days after the Contractor receives a written request from the Agency for the Records. The Contractor shall deliver those Records that exist in electronic, magnetic or other intangible form in a non-proprietary format, such as, but not limited to, ASCII or .TXT.
  - (d) Upon receipt of a written notice of Termination from the Agency, the Contractor shall cease operations as the Agency directs in the notice, and take all actions that are necessary or appropriate, or that the Agency may reasonably direct, for the protection, and preservation of the Goods and any other property. Except for any work which the Agency directs the Contractor to Perform in the notice prior to the effective date of Termination, and except as otherwise provided in the notice, the Contractor shall terminate or conclude all existing subcontracts and purchase orders and shall not enter into any further subcontracts, purchase orders or commitments.

**Contract # 11PSX0318**

RFP Contract Rev. 12/2011 – Prev. Rev. 10/2011

- (e) The Agency shall, within forty-five (45) days of the effective date of Termination, reimburse the Contractor for its Performance rendered and accepted by the Agency in accordance with Exhibit A, in addition to all actual and reasonable costs incurred after Termination in completing those portions of the Performance which the notice required the Contractor to complete. However, the Contractor is not entitled to receive and the Agency is not obligated to tender to the Contractor any payments for anticipated or lost profits. Upon request by the Agency, the Contractor shall assign to the Agency, or any replacement contractor which the Agency designates, all subcontracts, purchase orders and other commitments, deliver to the Agency all Records and other information pertaining to its Performance, and remove from State premises, whether leased or owned, all of Contractor's property, equipment, waste material and rubbish related to its Performance, all as the Agency may request.
  - (f) For breach or violation of any of the provisions in the section concerning Representations and Warranties, the Agency may Terminate the Contract in accordance with its terms and revoke any consents to assignments given as if the assignments had never been requested or consented to, without liability to the Contractor or Contractor Parties or any third party.
  - (g) Upon Termination of the Contract, all rights and obligations shall be null and void, so that no party shall have any further rights or obligations to any other party, except with respect to the sections which survive Termination. All representations, warranties, agreements and rights of the parties under the Contract shall survive such Termination to the extent not otherwise limited in the Contract and without each one of them having to be specifically mentioned in the Contract.
  - (h) Termination of the Contract pursuant to this section shall not be deemed to be a breach of contract by the Agency.
10. Cost Modifications. The parties may agree to a reduction in the cost of the Contract at any time during which the Contract is in effect. Without intending to impose a limitation on the nature of the reduction, the reduction may be to hourly, staffing or unit costs, the total cost of the Contract or the reduction may take such other form as the State deems to be necessary or appropriate.
11. Breach. If either party breaches the Contract in any respect, the non-breaching party shall provide written notice of such breach to the breaching party and afford the breaching party an opportunity to cure the breach within ten (10) days from the date that the breaching party receives such notice. Any other time provided for in the notice shall trump such ten (10) days. Such right to cure period shall be extended if the non-breaching party is satisfied that the breaching party is making a good faith effort to cure but the nature of the breach is such that it cannot be cured within the right to cure period. The notice may include an effective Contract Cancellation date if the breach is not cured by the stated date and, unless otherwise modified by the non-breaching party in writing prior to the Cancellation date, no further action shall be required of any party to effect the Cancellation as of the stated date. If the notice does not set forth an effective Contract Cancellation date, then the non-breaching party may Cancel the Contract by giving the breaching party no less than twenty four (24) hours' prior written notice. If DAS believes that the Contractor has not performed according to the Contract, the Client Agency may withhold payment in whole or in part pending resolution of the Performance issue, provided that DAS notifies the Contractor in writing prior to the date that the payment would have been due in accordance with Exhibit B.
12. Waiver.
- (a) No waiver of any breach of the Contract shall be interpreted or deemed to be a waiver of any other or subsequent breach. All remedies afforded in the Contract shall be taken and

**Contract # 11PSX0318**

RFP Contract Rev. 12/2011 – Prev. Rev. 10/2011

construed as cumulative, that is, in addition to every other remedy provided in the Contract or at law or in equity.

- (b) A party's failure to insist on strict performance of any provision of the Contract shall only be deemed to be a waiver of rights and remedies concerning that specific instance of Performance and shall not be deemed to be a waiver of any subsequent rights, remedies or breach.

13. Open Market Purchases. Except to the extent that the Contractor is performing within a right to cure period, failure of the Contractor to Perform within the time specified in the Contract, or failure to replace rejected or substandard Goods or fulfill unperformed Services when so requested and as the Contract provides or allows, constitutes a breach of the Contract and as a remedy for such breach, such failure shall constitute authority for DAS, if it deems it to be necessary or appropriate in its sole discretion, to Cancel the Contract and/or to purchase on the open market, Goods or Services to replace those which have been rejected, not delivered, or not performed. The Client Agency shall invoice the Contractor for all such purchases to the extent that they exceed the costs and expenses in Exhibit B and the Contractor shall pay the Client Agency's invoice immediately after receiving the invoice. If DAS does not Cancel the Contract, the Client Agency will deduct such open market purchases from the Contract quantities. However, if the Client Agency deems it to be in the best interest of the State, the Client Agency may accept and use the Goods or Services delivered which are substandard in quality, subject to an adjustment in price to be determined by the Client Agency.

14. Purchase Orders.

- (a) The Contract itself is not an authorization for the Contractor to ship Goods or begin Performance in any way. The Contractor may begin Performance only after it has received a duly issued purchase order against the Contract for Performance.
- (b) The Client Agency shall issue a purchase order against the Contract directly to the Contractor and to no other party.
- (c) All purchase orders shall be in written or electronic form, bear the Contract number (if any) and comply with all other State and Client Agency requirements, particularly the Client Agency's requirements concerning procurement. Purchase orders issued in compliance with such requirements shall be deemed to be duly issued.
- (d) A Contractor making delivery without a duly issued purchase order in accordance with this section does so at the Contractor's own risk.
- (e) The Client Agency may, in its sole discretion, deliver to the Contractor any or all duly issued purchase orders via electronic means only, such that the Client Agency shall not have any additional obligation to deliver to the Contractor a "hard copy" of the purchase order or a copy bearing any hand-written signature or other "original" marking.

15. Indemnification.

- (a) The Contractor shall indemnify, defend and hold harmless the State and its officers, representatives, agents, servants, employees, successors and assigns from and against any and all (1) Claims arising, directly or indirectly, in connection with the Contract, including the acts of commission or omission (collectively, the "Acts") of the Contractor or Contractor Parties; and (2) liabilities, damages, losses, costs and expenses, including but not limited to, attorneys' and other professionals' fees, arising, directly or indirectly, in connection with Claims, Acts or the Contract. The Contractor shall use counsel reasonably acceptable to the State in carrying out its obligations under this section. The Contractor's obligations under this section to

**Contract # 11PSX0318**

RFP Contract Rev. 12/2011 – Prev. Rev. 10/2011

indemnify, defend and hold harmless against Claims includes Claims concerning confidentiality of any part of or all of the Contractor's bid, proposal or any Records, any intellectual property rights, other proprietary rights of any person or entity, copyrighted or uncopyrighted compositions, secret processes, patented or unpatented inventions, articles or appliances furnished or used in the Performance.

- (b) The Contractor shall not be responsible for indemnifying or holding the State harmless from any liability arising due to the negligence of the State or any other person or entity acting under the direct control or supervision of the State.
- (c) The Contractor shall reimburse the State for any and all damages to the real or personal property of the State caused by the Acts of the Contractor or any Contractor Parties. The State shall give the Contractor reasonable notice of any such Claims.
- (d) The Contractor's duties under this section shall remain fully in effect and binding in accordance with the terms and conditions of the Contract, without being lessened or compromised in any way, even where the Contractor is alleged or is found to have merely contributed in part to the Acts giving rise to the Claims and/or where the State is alleged or is found to have contributed to the Acts giving rise to the Claims.
- (e) The Contractor shall carry and maintain at all times during the term of the Contract, and during the time that any provisions survive the term of the Contract, sufficient general liability insurance to satisfy its obligations under this Contract. The Contractor shall name the State as an additional insured on the policy and shall provide a copy of the policy to the Agency prior to the effective date of the Contract. The Contractor shall not begin Performance until the delivery of the policy to the Agency. The Agency shall be entitled to recover under the insurance policy even if a body of competent jurisdiction determines that the Agency or the State is contributorily negligent.
- (f) The rights provided in this section for the benefit of the State shall encompass the recovery of attorneys' and other professionals' fees expended in pursuing a Claim against a third party.
- (g) This section shall survive the Termination of the Contract and shall not be limited by reason of any insurance coverage.

16. Forum and Choice of Law. The parties deem the Contract to have been made in the City of Hartford, State of Connecticut. Both parties agree that it is fair and reasonable for the validity and construction of the Contract to be, and it shall be, governed by the laws and court decisions of the State of Connecticut, without giving effect to its principles of conflicts of laws. To the extent that any immunities provided by Federal law or the laws of the State of Connecticut do not bar an action against the State, and to the extent that these courts are courts of competent jurisdiction, for the purpose of venue, the complaint shall be made returnable to the Judicial District of Hartford only or shall be brought in the United States District Court for the District of Connecticut only, and shall not be transferred to any other court, provided, however, that nothing here constitutes a waiver or compromise of the sovereign immunity of the State of Connecticut. The Contractor waives any objection which it may now have or will have to the laying of venue of any Claims in any forum and further irrevocably submits to such jurisdiction in any suit, action or proceeding.

17. Contractor Guaranties. Contractor shall:

- (a) Perform fully under the Contract;
- (b) Guarantee the Goods or Services against defective material or workmanship and to repair any damage or marring occasioned in transit or, at the Client Agency's option, replace them;

**Contract # 11PSX0318**

RFP Contract Rev. 12/2011 – Prev. Rev. 10/2011

- (c) Furnish adequate protection from damage for all work and to repair damage of any kind, for which its workers are responsible, to the premises, Goods, the Contractor's work or that of Contractor Parties;
- (d) With respect to the provision of Services, pay for all permits, licenses and fees and give all required or appropriate notices;
- (e) Adhere to all Contractual provisions ensuring the confidentiality of Records that the Contractor has access to and are exempt from disclosure under the State's Freedom of Information Act or other applicable law; and
- (f) Neither disclaim, exclude nor modify the implied warranties of fitness for a particular purpose or of merchantability.

18. Implied Warranties. DAS does not disclaim, exclude or modify the implied warranty of fitness for a particular purpose or the warranty of merchantability.

19. Goods, Standards and Appurtenances. Any Goods delivered must be standard new Goods, latest model, except as otherwise specifically stated in the Contract. Remanufactured, refurbished or reconditioned equipment may be accepted but only to the extent allowed under the Contract. Where the Contract does not specifically list or describe any part or nominal appurtenances of equipment for the Goods, it shall be understood that the Contractor shall deliver such parts and appurtenances as are usually provided with the manufacturer's stock model.

20. Delivery.

- (a) Delivery shall be made as ordered and in accordance with the Contract. Unless otherwise specified in the Contract, delivery shall be to a loading dock or receiving platform. The Contractor or Contractor's shipping designee shall be responsible for removal of Goods from the carrier and placement on the Client Agency loading dock or receiving platform. The receiving personnel of the Client Agency are not required to assist in this process. The decision of DAS as to reasonable compliance with delivery terms shall be final and binding. The burden of proof of proper receipt of the order shall rest with the Contractor.
- (b) In order for the time of delivery to be extended, the Client Agency must first approve a request for extension from the time specified in the Contract, such extension applying only to the particular item or shipment.
- (c) Goods shall be securely and properly packed for shipment, according to accepted standard commercial practice, without extra charge for packing cases, baling or sacks. The containers shall remain the property of the Client Agency unless otherwise stated in the Proposal.
- (d) All risk of loss and damage to the Goods transfers to the Client Agency upon Title vesting in the Client Agency.

21. Goods Inspection. The Client Agency shall determine the manner and prescribe the inspection of all Goods and the tests of all samples submitted to determine whether they comply with all of the specifications in the Contract. If any Goods fail in any way to meet the specifications in the Contract, the Client Agency may, in its sole discretion, either reject it and owe nothing or accept it and pay for it on an adjusted price basis, depending on the degree to which the Goods meet the specifications. Any decision pertaining to any such failure or rejection shall be final and binding.

**Contract # 11PSX0318**

RFP Contract Rev. 12/2011 – Prev. Rev. 10/2011

22. **Setoff.** In addition to all other remedies that DAS may have, the State, in its sole discretion, may setoff (1) any costs or expenses that the State incurs resulting from the Contractor's unexcused nonperformance under the Contract and under any other agreement or arrangement that the Contractor has with the State and (2) any other amounts that are due or may become due from the State to the Contractor, against amounts otherwise due or that may become due to the Contractor under the Contract, or under any other agreement or arrangement that the Contractor has with the State. The State's right of setoff shall not be deemed to be the State's exclusive remedy for the Contractor's or Contractor Parties' breach of the Contract, all of which shall survive any setoffs by the State.
23. **Force Majeure.** The State and the Contractor shall not be excused from their obligation to Perform in accordance with the Contract except in the case of Force Majeure events and as otherwise provided for in the Contract. In the case of any such exception, the nonperforming party shall give immediate written notice to the other, explaining the cause and probable duration of any such nonperformance.

If the State suspects fraud or other abuse, or in the event of an emergency, the State is not obligated to provide any prior notice.
  - (d) All audits and inspections shall be at the State's expense.
  - (e) The Contractor shall keep and preserve or cause to be kept and preserved all of its and Contractor Parties' Records until three (3) years after the latter of (i) final payment under this Agreement, or (ii) the expiration or earlier termination of this Agreement, as the same may be modified for any reason.   - (f) The Contractor shall cooperate fully with the State and its agents in connection with an audit or inspection. Following any audit or inspection, the State may conduct and the Contractor shall cooperate with an exit conference.
  - (g) The Contractor shall incorporate this entire Section verbatim into any contract or other agreement that it enters into with any Contractor Party.
43. Background Checks. The State may require that the Contractor and Contractor Parties undergo criminal background checks as provided for in the State of Connecticut Department of Public Safety Administration and Operations Manual or such other State document as governs procedures for background checks. The Contractor and Contractor Parties shall cooperate fully as necessary or reasonably requested with the State and its agents in connection with such background checks.
44. Continued Performance. The Contractor and Contractor Parties shall continue to Perform their obligations under the Contract while any dispute concerning the Contract is being resolved.

The Contractor shall quickly resolve all labor disputes which result from the Contractor's or Contractor Parties' presence at the work site, or other action under their control. Labor disputes shall not be deemed to be sufficient cause to allow the Contractor to make any claim for additional compensation for cost, expenses or any other loss or damage, nor shall those disputes be deemed to be sufficient reason to relieve the Contractor from any of its obligations under the Contract.

46. Contractor Responsibility.

- (a) The Contractor shall be responsible for the entire Performance under the Contract regardless of whether the Contractor itself performs. The Contractor shall be the sole point of contact concerning the management of the Contract, including Performance and payment issues. If any term or provision of the Contract or its application to any person, entity or circumstance shall, to any extent, be held to be invalid or unenforceable, the remainder of the Contract or the application of such term or provision shall not be affected as to persons, entities or circumstances other than those as to whom or to which it is held to be invalid or unenforceable. Each remaining term and provision of the Contract shall be valid and enforced to the fullest extent possible by law.

48. Confidential Information. The State will afford due regard to the Proposer's and Contractor's request for the protection of proprietary or confidential information which the State receives. However, all materials associated with the Proposal and the Contract are subject to the terms of the Connecticut Freedom of Information Act ("FOIA") and all corresponding rules, regulations and interpretations. In making such a request, the Proposer or Contractor may not merely state generally that the materials are proprietary or confidential in nature and not, therefore, subject to release to third parties. Those particular sentences, paragraphs, pages or sections that the vendor believes are exempt from disclosure under the FOIA must be specifically identified as such. Convincing explanation and rationale sufficient to justify each exemption consistent with the FOIA must accompany the request. The rationale and explanation must be stated in terms of the prospective harm to the competitive position of the Proposer or Contractor that would result if the identified material were to be released and the reasons why the materials are legally exempt from release pursuant to the FOIA. To the extent that any other provision or part of the Contract, especially including the Proposal, the Records and the specifications, conflicts or is in any way inconsistent with this section, this section controls and shall apply and the conflicting provision or part shall not be given effect. If the Proposer or Contractor indicates that certain documentation is submitted in confidence, by specifically and clearly marking said documentation as CONFIDENTIAL, DAS will endeavor to keep said information confidential to the extent permitted by law. DAS, however, has no obligation to initiate, prosecute or defend any legal proceeding or to seek a protective order or other similar relief to prevent disclosure of any information that is sought pursuant to a FOIA request. The Contractor shall have the burden of establishing the availability of any FOIA exemption in any proceeding where it is an issue. In no event shall DAS or the State have any liability for the disclosure of any documents or information in its possession which the State or DAS believes are required to be disclosed pursuant to the FOIA or other requirements of law.

49. Interpretation. The Contract contains numerous references to statutes and regulations. For purposes of interpretation, conflict resolution and otherwise, the content of those statutes and regulations shall govern over the content of the reference in the Contract to those statutes and regulations.

50. Cross-Default.

- (a) If the Contractor or Contractor Parties breach, default or in any way fail to Perform satisfactorily under the Contract, then DAS may, in its sole discretion, without more and without any action whatsoever required of the State, treat any such event as a breach, default or failure to perform under any or all other agreements or arrangements (“Other Agreements”) that the Contractor or Contractor Parties have with DAS. Accordingly, DAS may then exercise at its sole option any and all of its rights or remedies provided for in the Contract or Other Agreements, either selectively or collectively and without such election being deemed to prejudice any rights or remedies of DAS, as if the Contractor or Contractor Parties had suffered a breach, default or failure to perform under the Other Agreements.
- (b) If the Contractor or Contractor Parties breach, default or in any way fail to perform satisfactorily under any or all Other Agreements with DAS or the State, then DAS may, in its sole discretion, without more and without any action whatsoever required of the State, treat any such event as a breach, default or failure to Perform under the Contract. Accordingly, the State may then exercise at its sole option any and all of its rights or remedies provided for in the Other Agreements or the Contract, either selectively or collectively and without such election being deemed to prejudice any rights or remedies of DAS or the State, as if the Contractor or Contractor Parties had suffered a breach, default or failure to Perform under the Contract.

No request to inspect or copy such records or files shall be valid unless the request is made to the public agency in accordance with FOIA. Any complaint by a person who is denied the right to inspect or copy such records or files shall be brought to the Freedom of Information Commission in accordance with the provisions of sections 1-205 and 1-206 of the Connecticut General Statutes.

52. Summary of State Ethics Laws. Pursuant to the requirements of section 1-101qq of the Connecticut General Statutes, the summary of State ethics laws developed by the State Ethics Commission pursuant to section 1-81b of the Connecticut General Statutes is incorporated by reference into and made a part of the Contract as if the summary had been fully set forth in the Contract.

53. Sovereign Immunity. The parties acknowledge and agree that nothing in the Request for Proposals or the Contract shall be construed as a modification, compromise or waiver by the State of any rights or defenses of any immunities provided by Federal law or the laws of the State of Connecticut to the State or any of its officers and employees, which they may have had, now have or will have with respect to all matters arising out of the Contract. To the extent that this section conflicts with any other section, this section shall govern.

54. Time of the Essence. Time is of the essence with respect to all provisions of this Agreement that specify a time for performance; provided, however, that this provision shall not be construed to limit or deprive a party of the benefits of any grace or use period allowed in this Agreement.

55. Certification as SC or MBE. The Contractor shall be in breach of this Contract if the Contractor is certified as a “small contractor” or a “minority business enterprise” under Conn. Gen. Stat. § 4a-60g and that certification lapses during the term of this Contract.
