QUESTIONS AND ANSWERS 2

1. Is a Respondent that is awarded a contract based on this Request for Proposal, or is listed as a Consultant in the Proposal, allowed to later submit a Proposal for a project designed through that contract?

No. A Respondent awarded a contract under this RFP, or listed as a Consultant, cannot submit a Proposal for a subsequent design project that was based on this awarded contract. A Respondent cannot be both part of the design development under this contract and the awarded Contractor for the completion of the designed project.
