

ADDENDUM #4 - RFP 1651-12 SECURITY SYSTEMS, TURNKEY SOLUTION FOR MULTIPLE LOCATIONS

RFP Issued: August 31, 2012

Proposal Due Date: November 7, 2012

October 18, 2012

To all prospective bidders: The purpose of this addendum is to answer a question posed by one of the bidders concerning Enterprise Access Control.

It was previously stated in Addendum #1 that the Authority estimates the number of users of Access Control to be a minimum of 1,000. This estimation remains in place, however, more specific information was requested and our response follows:

Question: What is the total number of residents in each building and the total number of HHA employees that would need access to the buildings?

Response: Estimated Resident counts by development:

Smith Towers - 212

Betty Knox - 197

Mary Mahoney Village - 52

Kent Apartments - 38

Mary Shepard Place - 378

Estimated Employees needing access to Mary Shepard Place = max of 10

Estimated Employees/Vendors headquartered at 180 Overlook Terrace = 31 FT

Estimated Maintenance Workers requiring access to Warehouse = max of 35

All other terms and conditions of the original RFP remain unchanged. Questions concerning this RFP should be put in writing to Linda Kennedy at bids@hartfordhousing.org

Issued By:

Jeff Seeley, Systems Administrator
