

Exhibit B Price Schedule Summary

Exhibit B Price Schedule has a total of nine pricing tabs that will need to be complete, if applicable.

They are as follows:

- Carpet Products
- Vinyl Tile Products
- Sheet Vinyl Products
- Other Resilient Flooring Products
- Hardwood Products
- Wall Base Products
- Adhesive Products
- Installation Rates
- Service Provider Information

Note: All Manufacturers will need to verify that all of their designated Authorized Service Providers have a current BizNet account and that all company information listed on the BizNet Account is correct. If they do not have a current BizNet account, it is the Manufacturer's responsibility to instruct them to create an account in BizNet in order for them to be an approved Authorized Service Provider.
