

**EXHIBIT A**

**DESCRIPTION OF GOODS AND SERVICES**

---

**SCOPE:**

The resultant Contract shall cover ConnDOT's requirements for Polyethylene Corrugated Tubing and Pipe.

**FORM 816:**

FORM 816 is ConnDOT's specification guide entitled Standard Specifications for Roads, Bridges and Incidental Construction. Materials purchased under Contract shall conform to FORM 816, Section M.08.01.25, Corrugated Polyethylene Drainage Pipe.

**MATERIALS CERTIFICATE REQUIREMENTS:**

A notarized Materials Certificate certifying that all materials furnished conform to all required specifications shall be included with each shipment. Each notarized Material Certificate shall be signed by an authorized agent of Contractor.

**PRICING:**

Pricing shall be as requested on Exhibit B, Price Schedule.

All pricing shall include all packing, packages and include transportation charges fully prepaid by Contractor, Freight on Board (F.O.B.) destination.

**DELIVERY:**

Contractor shall make all deliveries in the quantities requested, to the location and within the timeframe specified on each purchase order.

All delivery locations shall be within the State of Connecticut.

All deliveries shall be made within seven (7) days after receipt of order (ARO).

Contractor shall provide at least twenty-four (24) hour advance notice of intended delivery to the contact person referenced on purchase order.

Each delivery shall be accompanied by a packing slip that references the purchase order number, identifies the material being delivered and the individual quantities.

ConnDOT may elect to pick up items at Contractor's place of business to meet immediate requirements.
