SECTION 6 of 6: DEBARMENT CERTIFICATION

CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION - - LOWER TIER COVERED TRANSACTIONS

INSTRUCTIONS FOR CERTIFICATION

- 1) By signing and submitting this application, the prospective recipient of Federal assistance funds is providing the certification as set out below.
- 2) The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective recipient of Federal assistance funds knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, UCHC may pursue available remedies, including suspension and/or debarment.
- 3) The prospective recipient of Federal assistance funds shall provide immediate written notice to the person to whom this application is submitted if at any time the prospective recipient of Federal assistance funds learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
- 4) The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "application," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549.
- 5) The prospective recipient of Federal assistance funds agrees by submitting this application that, should the proposed covered transactions be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by UCHC.
- 6) The prospective recipient of Federal assistance funds further agrees by submitting this application that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
- 7) A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determined the eligibility of its principals. Each participant may, but is not required, to check the List of Parties Excluded from procurement or Non-Procurement Programs.
- 8) Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
- 9) Except for transactions authorized under Paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is debarred, suspended, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, UCHC may pursue available remedies including suspension and/or debarment.

Before signing Certification, read all the instructions which are an integral part of the Certification.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

I. Overview of the University of Connecticut Health Center

A. Introduction

The UConn Health Center is a vibrant, integrated academic medical center. In 2011, during a time of promise and growth in its clinical, research and educational realms, the Health Center is celebrating the 50th anniversary of its founding.

The UConn Health Center is at the center of Bioscience Connecticut, a bold plan introduced by Connecticut Governor Dannel P. Malloy and approved by the Connecticut General Assembly in 2011. The plan will strengthen Connecticut's position as a national and global leader for bioscience innovation and improve access to quality health care for Connecticut citizens for generations to come.

Based in Farmington, Connecticut – a popular suburb of the state's capitol of Hartford – the UConn Health Center is home to the School of Medicine, School of Dental Medicine, John Dempsey Hospital, UConn Medical Group, UConn Health Partners, University Dentists and a thriving research enterprise, which now includes the new Cell and Genome Sciences Building.

With approximately 5,000 employees, the UConn Health Center is a major economic driver in the region, generating nearly \$1 billion annually in gross state product. It is closely linked with the University of Connecticut's main campus in Storrs through multiple, cross-campus academic and administrative projects. In fact, the UConn Health Center represents half of the University: half of its budget; half of its employees and half of its research portfolio.

In all, the practice includes more than 450 physicians with expertise in more than 50 specialties.

Through Bioscience Connecticut, a new Ambulatory Care Center will be constructed on the UConn Health Center campus to house existing services and support the work of new faculty that will be joining the UConn Health Center.

B. Health Services

The university hospital, John Dempsey Hospital, has 224 beds and provides specialized and routine inpatient and outpatient services for adults. It is widely recognized for its excellence in maternal fetal medicine, cardiology programs, cancer

care and orthopaedics. In addition, the John Dempsey Hospital is home to the only full service Emergency Department in the Farmington Valley.

Through Bioscience Connecticut, construction will begin in 2013 for a new patient care tower on the Health Center campus, as well as renovations to the existing John Dempsey Hospital. The projects are expected to be completed in 2016 and 2018, respectively.

In 2010, the Connecticut General Assembly approved historic legislation that paves the way for a major renewal of the John Dempsey Hospital, including both upgrades and renovations to the existing hospital and the construction of a new patient tower. The legislation also creates a series of innovative initiatives with regional hospitals in the area, aimed at addressing a wide range of health issues.

C. Educational Programs

Dedicated to providing broad educational opportunities in the biomedical sciences, the Health Center offers degree programs in medicine (M.D.), dental medicine (D.M.D.), and biomedical sciences (Ph.D.); master's degree programs in public health and dental science (M.P.H, M.D.S.); postdoctoral fellowships; residency programs providing specialty training for newly graduated physicians and dentists; and continuing education programs for practicing health care professionals. Combined degree programs, such as the M.D./Ph.D., D.M.D./Ph.D., Dental Clinical Specialty/Ph.D. and M.D./M.P.H. are also offered.

The UConn Health Center is the only academic health center in the nation where a medical school was founded concurrently with a dental school. As the schools took shape during the 1960s, their planners took advantage of their simultaneous evolution to forge strong links between them. Most notably, medical and dental students share an essentially common curriculum during the first two years of their four-year degree programs. During this period they study the basic medical sciences together. This experience provides UConn's dental students with an especially strong foundation in the biomedical sciences that undergird the dental profession. Reflecting its close ties to medicine, the dental school awards its graduates the D.M.D. - doctor of dental medicine.

Each year in Farmington, about 352 students work toward their medical doctor's degree and 178 toward their doctor of medical dentistry degree. Another 339 students pursue graduate degrees. Admission to each school is highly competitive, but both schools offer preferential consideration to qualified Connecticut residents in their admissions policies. In the years since the Health Center graduated its first students in 1972, 1,412 men and women have received their D.M.D. degree; 2,972 their M.D. degree. About 35 percent of School of Medicine graduates are currently

Request for Proposal – UCHC 1-35483728

practicing in Connecticut and close to 50 percent of School of Dental Medicine graduates are taking care of patients in our state.

Through a variety of residency programs, the School of Medicine provides postgraduate training for more than 600 newly graduated M.D.s each year. These physicians come from all over the country to acquire advanced skills in fields such as the surgical specialties, internal medicine, and more. Some of the residency training occurs on the Health Center's main campus, but much of it takes place in community hospitals in Greater Hartford – thus extending the Health Center's influence far beyond Farmington.

D. Research Programs

Since the Health Center's inception, its administration and faculty have been committed to maintaining high-quality research programs as part of the institution's fabric. This commitment has enabled the Health Center to recruit distinguished researchers with expertise in neuroscience, vascular biology, molecular biology, molecular pharmacology, biochemistry, cell physiology and cancer immunology, among other fields.

Through Bioscience Connecticut, the original research building on the UConn Health Center campus will be renovated and modernized, including space for start-up bioscience businesses.

In addition, Bioscience Connecticut is bringing about a new collaboration between the state, UConn, UConn Health Center, Yale University, and the prestigious Jackson Laboratory. The project will enable Connecticut to assume a position of global leadership in genomics and personalized medicine by developing new medical treatments tailored to each patient's unique genetic makeup. The Jackson project will be housed in a new building on the UConn Health Center campus.

These developments follow the addition in 2010 of the University's Cell and Genome Sciences Building that houses the Stem Cell Institute as well as cutting edge cell biology and genetics research, and technology transfer in the areas of stem cell biology, advanced microscopy and imaging, computational biology, and genetics. They unite in a cross-disciplinary, collaborative setting to enhance Connecticut's role as a leader in stem cell research and accelerate discoveries that ultimately could lead to therapies treating a broad range of diseases and disorders.

The UConn Health Center is also home to a robust clinical trials program that intersects with many clinical specialists. And all intellectual endeavors are supported by the Lyman Maynard Stowe Library.

E. Our Campus

Construction of the Health Center's main campus began in 1966. The main complex occupies a prominent hilltop near I-84 and the Farmington-West Hartford line. The massive, circular building originally contained about 1.2 million square feet, seven miles of corridors, and 2,000 rooms. Its first major addition, the Andrew J. Canzonetti, M.D. Building, was dedicated in 1994. It added 94,000 square feet next to John Dempsey Hospital. The Health Center's Academic Research Building opened in 1999. The impressive 11-story structure provides 173,647 square feet of state-of-the-art laboratory space.

The Medical Arts and Research Building (MARB), which opened in 2005, added to the campus a four-story, 103,663 square-foot, facility for care and research related to conditions affecting bones, joints and connective tissue. The MARB houses an open MRI, physical therapy and rehabilitation services, as well as, clinical services including orthopaedics, rheumatology and neurosurgery. It also is home to the Farmington Surgery Center, a multispecialty outpatient surgery center.

In 2010, the Cell and Genome Sciences building added another 118,844 square feet to the Health Center's research enterprise. It houses research laboratories, offices, a 100-seat auditorium, cafeteria, and incubator space for businesses eager to commercialize stem cell science.

In all, the UConn Health Center campus in 2011 consists of 37 buildings totaling over 2.1 million square feet.

By 2018, Bioscience Connecticut will have transformed the UConn Health Center campus through the construction of a new patient care tower; renovations to the original research building, including a significant increase in incubator space; the construction of an outpatient patient care building; and renovations to the existing John Dempsey Hospital.

NOTIFICATION TO BIDDERS**

(Revised 09/17/07)

The contract to be awarded is subject to contract compliance requirements mandated by Sections 4a-60 and 4a-60a of the Connecticut General Statutes; and, when the awarding agency is the State, Sections 46a-71(d) and 46a-81i(d) of the Connecticut General Statutes. There are Contract Compliance Regulations codified at Section 46a-68j-21 through 43 of the Regulations of Connecticut State Agencies, which establish a procedure for awarding all contracts covered by Sections 4a-60 and 46a-71(d) of the Connecticut General Statutes.

According to Section 46a-68j-30(9) of the Contract Compliance Regulations, every agency awarding a contract subject to the contract compliance requirements has an obligation to “aggressively solicit the participation of legitimate minority business enterprises as bidders, contractors, subcontractors and suppliers of materials.” “Minority business enterprise” is defined in Section 4a-60 of the Connecticut General Statutes as a business wherein fifty-one percent or more of the capital stock, or assets belong to a person or persons: “(1) Who are active in daily affairs of the enterprise; (2) who have the power to direct the management and policies of the enterprise; and (3) who are members of a minority, as such term is defined in subsection (a) of Section 32-9n.” “Minority” groups are defined in Section 32-9n of the Connecticut General Statutes as “(1) Black Americans . . . (2) Hispanic Americans . . . (3) persons who have origins in the Iberian Peninsula . . . (4) Women . . . (5) Asian Pacific Americans and Pacific Islanders; (6) American Indians . . .” An individual with a disability is also a minority business enterprise as provided by Section 4a-60g of the Connecticut General Statutes. The above definitions apply to the contract compliance requirements by virtue of Section 46a-68j-21(11) of the Contract Compliance Regulations.

The awarding agency will consider the following factors when reviewing the bidder’s qualifications under the contract compliance requirements:

- (a) the bidder’s success in implementing an affirmative action plan;
- (b) the bidder’s success in developing an apprenticeship program complying with Sections 46a-68-1 to 46a-68-17 of the Administrative Regulations of Connecticut State Agencies, inclusive;
- (c) the bidder’s promise to develop and implement a successful affirmative action plan;
- (d) the bidder’s submission of employment statistics contained in the “Employment Information Form”, indicating that the composition of its workforce is at or near parity when compared to the racial and sexual composition of the workforce in the relevant labor market area; and
- (e) the bidder’s promise to set aside a portion of the contract for legitimate minority business enterprises. See Section 46a-68j-30(10)(E) of the Contract Compliance Regulations.

INSTRUCTIONS AND OTHER INFORMATION

The following BIDDER CONTRACT COMPLIANCE MONITORING REPORT must be completed in full, signed, and submitted with the bid for this contract. The contract awarding agency and the Commission on Human Rights and Opportunities will use the information contained thereon to determine the bidders compliance to Sections 4a-60 and 4a-60a CONN. GEN. STAT., and Sections 46a-68j-23 of the Regulations of Connecticut State Agencies regarding equal employment opportunity, and the bidder’s □□good faith efforts to include minority business enterprises as subcontractors and suppliers for the work of the contract.

Conformity and Completeness of Proposals

11. To be considered acceptable, proposals must be complete and conform to all RFP instructions and conditions. UCHC, at its discretion, may reject in whole or in part any proposal if in its judgment the best interests of UCHC will be served by doing so.

 - b. Unless otherwise required by law, the costs quoted have not been knowingly disclosed by the proposer on a prior basis directly or indirectly to any other.

13. Any price offerings from proposers must be valid for a period of 180 days from the due date of the proposal at UCHC's sole discretion.

21. Samples shall be furnished free of charge. Proposers must indicate if return of any sample is desired. UCHC shall comply with such request provided samples are returned at proposer's sole cost and expense, DAP proposer's destination, and that they have not been made useless by testing. 28. UCHC reserves the right to correct inaccurate awards. This may include, in extreme circumstances, revoking the award of a contract already made to a proposer and subsequently awarding the contract to another proposer. Such action on the part of UCHC shall not constitute a breach of contract on the part of UCHC since the contract with the initial proposer is deemed to be void and of no effect as if no contract ever existed between UCHC and such proposer.

29. The award will be contingent upon the successful proposer's acceptance of all of the required terms and conditions in UCHC's standard contract and execution of the applicable required State of Connecticut certifications and affidavits. A sample standard contract and samples of the required forms are attached hereto.

The successful proposer must provide the majority of services described in the specifications.
38. A contract award or contract resulting from the RFP solicitation may not be assigned by the proposer without the express written permission of UCHC.

Freedom of Information

39. Due regard will be given for the protection of proprietary or confidential information contained in all proposals received. However, proposers should be aware that all materials associated with the procurement are subject to the terms of the Connecticut Freedom of Information Act (FOIA) and all rules, regulations and interpretations resulting there from. It will not be sufficient for proposers to merely state generally that the proposal is proprietary or confidential in nature and not, therefore, subject to release to third parties. Those particular sentences, paragraphs, pages or sections which a proposer believes to be exempt from disclosure under the FOIA must be specifically identified as such. Convincing explanation and rationale sufficient to justify each exemption consistent with Section 1-210 of the FOIA must accompany the proposal. The rationale and explanation must be stated in terms of the prospective harm to the competitive position of the Proposer that would result if the identified material were to be released and the reasons why the materials are legally exempt from release pursuant to the above-cited statute. In no event shall UCHC have any liability for the disclosure of any documents or information in its possession which UCHC believes are required to be disclosed pursuant to FOIA or other requirements of law.

Execution of Contract and Required State of Connecticut Forms

40. This RFP is not a contract and, alone, shall not be interpreted as such. Rather, this RFP serves as the instrument through which proposals are solicited. Once the evaluation of the proposals is complete and a proposer(s) is selected, the elected proposal(s) and this RFP may then serve as the basis for a contract that will be negotiated and executed between UCHC and the selected proposer(s). This RFP and the proposal may be attached to the contract as exhibits. If for some reason, UCHC and the initial proposer selected fail to reach consensus on the issues relative to the contract, UCHC may commence contract negotiations with other proposers. UCHC may decide at any time to start the RFP process again.
41. A sample of UCHC's standard contract and samples of the required State of Connecticut certifications and affidavits are attached to this RFP. By submitting a proposal, the proposer acknowledges that it has read all of the attached documents, and that it understands that the successful proposer(s) will be expected to sign the standard contract and all of the applicable required forms. Refusal to do so may result in the contract being awarded to the next proposer or proposers whose proposal(s) UCHC deems to be the most advantageous to the State, in accordance with the criteria set forth in the RFP.
42. Section 4a-81 of the Connecticut General Statutes (the "Act") requires that this solicitation include a notice of the consulting affidavit requirements described in the Act. Accordingly, pursuant to the Act, Suppliers are notified as follows: (a) No state agency shall execute a contract for the purchase of goods or services, which contract has a total value to the state of fifty thousand dollars or more in any calendar or fiscal year, unless the state agency obtains the written affidavit described in subsection (b) of this section. (b) (1) The chief official of the Supplier awarded a contract described in subsection (a) of this section or the individual awarded such contract who is authorized to execute such contract, shall attest in an affidavit as to whether any consulting agreement has been entered into in connection with such contract. Such affidavit shall be required if any duties of the consultant included communications concerning business of such state agency, whether or not direct contact with a state agency, state or public official or state employee was expected or made. "Consulting agreement" does not include any agreements entered into with a consultant who is registered under the provisions of Chapter 10 of the Connecticut General Statutes concerning the State's Codes of Ethics, as of the date such affidavit is submitted. (2) Such affidavit shall be sworn as true to the best knowledge and belief of the person signing the certification on the affidavit and shall be subject to the penalties of false statement. (3) Such affidavit shall include the name of the consultant, the consultant's firm, the basic terms of the consulting agreement, a brief description of the services provided, and an indication as to whether the consultant is a former state employee or public official. If the consultant is a former state employee or public official, such affidavit shall indicate his or her former agency and the date such employment terminated. (4) Such affidavit shall be amended whenever the Supplier awarded the contract enters into any new consulting agreement during the term of the contract. (c) If a Supplier refuses to submit the affidavit required under subsection (b) of this section, then the state agency shall not award the Contract to such Supplier and shall award the contract to the next highest ranked Supplier or the next lowest responsible qualified bidder or seek new bids or proposals.

43. Section 4-252 of the Connecticut General Statutes (the "Statute") requires that the RFP, of which these terms and conditions are a part, include a notice of the Supplier certification requirements described in the Statute. Accordingly, pursuant to the Statute, Suppliers are notified as follows: (a) The terms "gift," "quasi-public agency," "state agency," "large state contract," "principals and key personnel" and "participated substantially" as used in this section shall have the meanings set forth in the Statute. (b) No state agency or quasi-public agency shall execute a large state contract unless the state agency or quasi-public agency obtains the written certifications described in this section. Each such certification shall be sworn as true to the best knowledge and belief of the person signing the certification, subject to the penalties of false statement. (c) The official of the person, firm or corporation awarded the contract, who is authorized to execute the

contract, shall certify on such forms as the State shall provide: (1) That no gifts were made between the date that the state agency or quasi-public agency began planning the project, services, procurement, and lease or licensing arrangement covered by the contract and the date of execution of the contract, by (A) such person, firm, corporation, (B) any principals and key personnel of the person, firm or corporation, who participated substantially in preparing the bid or proposal or the negotiation of the contract, or (C) any agent of such person, firm, corporation or principals and key personnel, who participated substantially in preparing the bid or proposal or the negotiation of the contract, to (i) any public official or state employee of the state agency or quasi-public agency soliciting bids or proposals for the contract, who participated substantially in the preparation of the bid solicitation or request for proposals for the contract or the negotiation or award of the contract, or (ii) any public official or state employee of any other state agency, who has supervisory or appointing authority over such state agency or quasi-public agency; (2) That no such principals and key personnel of the person, firm or corporation, or agent of such person, firm or corporation or principals and key personnel, knows of any action by the person, firm or corporation to circumvent such prohibition on gifts by providing for any other principals and key personnel, official, employee or agent of the person, firm or corporation to provide a gift to any such public official or state employee; and (3) That the person, firm or corporation made the bid or proposal without fraud or collusion with any person. (d) Any bidder or Proposer that does not make the certifications required under subsection (c) of this section shall be disqualified and the state agency or quasi-public agency shall award the contract to the next highest ranked Proposer or the next lowest responsible qualified bidder or seek new bids or proposals. (e) The date that the state agency or quasi-public agency began planning the project, services procurement, lease or licensing arrangement to be covered by the contract is defined as the RFP release date.

44. With regard to a State contract as defined in Public Act 10-1 having a value in a calendar year of \$50,000 or more or a combination or series of such agreements or contracts having a value of \$100,000 or more, the authorized signatory to this submission in response to the State's solicitation expressly acknowledges receipt of RFP-05 Form, which is the State Elections Enforcement Commission's notice advising prospective state contractors of state campaign contribution and

solicitation prohibitions, and will inform its principals of the contents of the notice.

45. Sections 46a-60 and 46a-81c of the Connecticut General Statutes prohibit discrimination in employment based on an individual's race, color, religious creed, age, sex, marital status, civil union status, sexual orientation, national origin, ancestry, present or past history of mental disability, mental retardation, learning disability or physical disability, including, but not limited to, blindness. Sections 4a-60 and 4a-60a of the Connecticut General Statutes require State contractors to adopt policies in support of Connecticut's non-discrimination laws by means of a resolution of the board of directors, shareholders, managers, members or other governing body of such contractor. Attached to this RFP is a sample Non-Discrimination Certification form. The proposer's submission in response to this RFP is an acknowledgment that the successful proposer will be required to execute and return the Non-Discrimination Certification at the time that the contract is executed. The execution and submittal of this Non-Discrimination Certification is a condition precedent to the State's execution of the contract, unless the contractor is exempt from this statutory requirement, in which case the contractor must obtain a written waiver from the State's Commission on Human Rights and Opportunities.

46. The existence of the contract shall be determined in accordance with the requirements set forth above. However, the award of the contract is not an order to ship. Contractors may not begin to perform under the awarded contract until the Contractor and the State have executed the contract and thereafter the Contractor receives a written purchase order from an appropriate State entity.

Payments under a Contract Award

47. Under no circumstances shall the successful proposer begin to perform under the contract prior to the effective date of the contract. All payments shall adhere to the payment terms negotiated in the contract award.

Evaluation of Performance

48. During or after the term of any contract or other agreement that results from this process, UCHC may conduct evaluations of the winning proposer's performance including, but not limited to clinical equipment, supplies and services. The winning proposer may be requested to provide a quality performance metrics and shall cooperate with UCHC in any such evaluations and work with UCHC to correct any deficiencies noted.

5. PURCHASE ORDERS.

5.1 This Contract itself is not an authorization for the Contractor to ship Goods or begin performance of Services in any way. The Contractor may not ship Goods or begin performance of Services until it has received a duly issued purchase order against this Contract for same.

5.2 UCHC shall issue a purchase order against this Contract directly to the Contractor.

5.3 All purchase orders shall be in written or electronic form, bear this Contract number (if any) and comply with all other State procurement requirements. Purchase orders issued in compliance with such requirements shall be deemed to be duly issued.

The receiving personnel are not required to assist in this process. The burden of proof of proper receipt of the order shall rest with the Contractor.

6.2 Time is of the essence in this Contract. In order for the time of delivery to be extended, the Contractor must request an extension in writing from the time specified in this Contract, such extension applying only to the particular item or shipment from an authorized representative of UCHC's Purchasing Department.

6.3 Goods shall be securely and properly packed for shipment, according to accepted standard commercial practice, without extra charge for packing cases, baling or sacks. The containers shall remain the property of UCHC unless otherwise stated in this Contract.

6.5 At the sole option of UCHC, Goods may be subject to re-weighing on State sealed scales.

7. GOODS: INSPECTION. UCHC shall determine the manner and prescribe the inspection of all Goods and the tests of all samples submitted to determine whether they comply with all of the specifications in this Contract. If any Goods fail in any way to meet the specifications in this Contract, UCHC may, in its sole discretion, either reject them and owe nothing or accept them and pay for them on an adjusted price basis, as agreed to by the Parties depending on the degree to which the Goods meet the specifications. Any decision pertaining to any such failure or rejection shall be final and binding.

The Contractor shall remove the Rejected Goods and the Contractor Property in accordance with the terms and conditions of the written notice. Failure to remove the Rejected Goods or the Contractor Property in accordance with the

terms and conditions of the written notice shall mean, for itself and all Contractor Parties and Proposer Parties, that:

- 9.1 They have voluntarily, intentionally, unconditionally, unequivocally and absolutely abandoned and left unclaimed the Rejected Goods and Contractor Property and relinquished all Title to the Rejected Goods and Contractor Property with the specific and express intent of: i) terminating all of their Title to the Rejected Goods and Contractor Property, ii) vesting Title to the Rejected Goods and Contractor Property in the State, and iii) not ever reclaiming Title or any future rights of any type in and to the Rejected Goods and Contractor Property;
- 9.2 There is no ignorance, inadvertence or unawareness to mitigate against the intent to abandon the Rejected Goods or Contractor Property;
- 9.3 They vest authority, without any further act required on their part or UCHC's part, to use or dispose of the Rejected Goods and Contractor Property, in UCHC's sole discretion, as if the Rejected Goods and Contractor Property were UCHC's own property and in accordance with law, without incurring any liability or obligation to this Contract, the Contractor or any other party;
- 9.4 If UCHC incurs any costs or expenses in connection with disposing of the Rejected Goods and Contractor Property, including, but not limited to, advertising, moving or storing the Rejected Goods and Contractor Property, auction and other activities, UCHC shall invoice the Contractor for all such cost and expenses and the Contractor shall reimburse UCHC no later than thirty (30) Calendar Days after the date of invoice or, at UCHC's election, setoff such costs and expenses against any amount due and payable to the Contractor by UCHC; and
- 9.5 They do remise, release and forever discharge all State employees, departments, commissions, boards, bureaus, agencies, instrumentalities or political subdivisions and their respective successors, heirs, executors and assigns (collectively, the "State and Its Agents") of and from all Claims which they and their respective successors or assigns, jointly or severally, ever had, now have or will have against the State and Its Agents arising from the use or disposition of the Rejected Goods and Contractor Property.
- 10. CONTRACTOR QUALIFICATIONS AND STATUS.** The Contractor represents, for itself and any Contractor Parties, that they are fully experienced and properly qualified to provide the Goods and/or perform the Services contracted for herein, and that they are properly licensed, equipped, organized and financed to do so, at its/their own expense. At UCHC's request, the Contractor shall deliver copies of the current license(s) and registration(s) relevant to this Contract as evidence that such are in full force and effect. The Contractor shall act as an independent contractor in performing this Contract, maintaining complete control over its employees and all of its subcontractors. The Contractor shall furnish fully qualified personnel to perform its obligations under this Contract. The Contractor shall provide all Goods and perform all Services in accordance with its methods, subject to compliance with this Contract and all applicable laws and regulations. It is acknowledged that Goods provided and/or Services performed do not in any way conflict with other contractual commitments with or by the Contractor.
- 11. CONTRACTOR GUARANTIES.** The Contractor shall:
 - 11.1 Be responsible for the entire performance under this Contract, regardless of whether the Contractor itself performs;
 - 11.2 Be the sole point of contact concerning the management of this Contract, including performance and payment issues;
 - 11.3 Be solely and completely responsible for adherence by the Contractor Parties to all applicable provisions of this Contract;
 - 11.4 Guarantee the Goods and/or Services against defective material or workmanship and agree to repair any damage or marring to Goods occasioned in transit or, at UCHC's option, replace them;
 - 11.5 Exercise all reasonable care to avoid damage to the State's property or to property being made ready for the State's use, and to all property adjacent to any work site. The Contractor shall promptly report any damage, regardless of cause, to UCHC;
 - 11.6 Adhere to all contractual provisions regarding the confidentiality of records to which the Contractor has access; and
 - 11.7 Neither disclaim, exclude, nor modify the implied warranties of fitness for a particular purpose or of merchantability.

12. CONTRACTOR CHANGES.

- 12.1 The Contractor shall notify UCHC in writing no later than ten (10) Calendar Days from the effective date of any change in:
 - 12.1.1 its certificate of incorporation or other organizational document;
 - 12.1.2 more than a controlling interest in the ownership of the Contractor;
 - 12.1.3 the individual(s) in charge of the performance of the responsibilities of the Contractor; or
 - 12.1.4 licensure, whether by revocation, suspension or other restriction, or expiration.
- 12.2 Any such change(s) shall not relieve the Contractor of responsibility for the accuracy and completeness of performance. UCHC, after receiving written notice by the Contractor of any such change, may require:
 - 12.2.1 the execution of agreements, releases and other instruments evidencing, to UCHC's satisfaction, that any individuals retiring or otherwise separating from the Contractor have been compensated in full or that provision has been made for compensation in full, for all work performed under terms of this Contract; and/or
 - 12.2.2 a financial statement showing that solvency of the Contractor is maintained. The Contractor shall deliver such documents to UCHC in accordance with the terms of UCHC's written request.
- 12.3 The death of any Contractor Party shall not release the Contractor from the obligation to perform under this Contract; the surviving Contractor Parties must continue to perform under this Contract until performance is fully completed.

13. LABOR AND PERSONNEL.

- 13.1 At all times, the Contractor shall utilize approved, qualified personnel necessary to provide Goods and/or perform Services under this Contract. The Contractor agrees not to subcontract any Services to be provided under this Contract without the prior written permission of UCHC. The Contractor shall advise UCHC promptly, in writing, of any actual or anticipated labor dispute or other labor-related occurrence known to the Contractor involving the Contractor's employees or subcontractors, which may reasonably be expected to affect the Contractor's obligations under this Contract. UCHC may then, at its option, ask the Contractor to arrange for temporary employees or subcontractors satisfactory to UCHC to provide Goods and/or perform Services otherwise to be delivered or performed by the Contractor hereunder. The Contractor shall assume full financial responsibility for any economic harm caused to UCHC by such subcontract arrangement.
- 13.2 The Contractor shall be responsible for maintaining a tranquil working relationship between the Contractor's and Contractor Parties' work force, State employees, and any other contractors present at the work site. The Contractor shall quickly resolve all labor disputes which result from the Contractor Parties' presence at the work site, or other action under its control. Labor disputes shall not be deemed to be sufficient cause to allow the Contractor to make any claim for additional compensation for cost, expenses or any other loss or damage, nor shall those disputes be deemed to be sufficient reason to relieve the Contractor from any of its obligations under this Contract.
- 13.3 Upon UCHC's request, the Contractor shall reassign from this Contract any employee or representative whom UCHC, in its sole discretion, determines is incompetent, dishonest or uncooperative. In requesting the reassignment of an employee under this paragraph, UCHC shall give ten (10) Work Days notice to the Contractor of UCHC's desire for such reassignment. The Contractor will then have five (5) Work Days to investigate the situation and attempt, if it so desires, to satisfy UCHC that the employee should not be reassigned; however, UCHC's decision, in its sole discretion, after such five (5) Work Day period shall be final. Should UCHC still desire reassignment, then no longer than five (5) Work Days thereafter, or ten (10) Work Days from the date of the notice of reassignment, the employee shall be reassigned from this Contract. Notwithstanding the foregoing, UCHC reserves the right to require the immediate removal of any employee or representative whom UCHC reasonably believes, in its sole discretion, represents an immediate risk to the health, safety and/or reputation of UCHC and its community.

- 14. **BACKGROUND CHECKS AND CERTIFICATIONS.** All Contractor Parties shall comply with applicable UCHC Policies and procedures regarding checking in upon arrival at the work site, wearing identification badges, and completion of any background checks and/or certifications required by UCHC. In accordance with UCHC Policy No. 2001-3 and applicable federal and State laws, UCHC Public Safety Department ("Public Safety") shall conduct security background investigations and federal sanctions checks on all Contractor Parties before they begin work at UCHC Premises. Accordingly, all Contractor Parties who will be working at UCHC Premises under this Contract shall submit a completed UCHC Background Information Sheet and pay the related fee to Public Safety at least two (2) weeks before their first

scheduled date of work. UCHC may also, in its sole discretion, require other Contractor Parties to undergo background and sanctions checks and/or complete a credentialing/registration process and pay related fees. If Public Safety determines that the results of a Contractor Party's background check are unfavorable, UCHC may require the Contractor Party to immediately cease performance under this Contract, without penalty to UCHC.

15. TERMINATION.

- 15.1 Notwithstanding any other provisions in this Contract, UCHC may terminate this Contract whenever UCHC, in its sole discretion, determines that Termination is in the best interests of UCHC or the State.
- 15.2 UCHC shall notify the Contractor in writing of Termination pursuant to this section. The Notice of Termination ("Notice") shall specify the effective date of termination and the extent to which the Contractor must complete its obligations under this Contract prior to such date.
- 15.3 Upon receiving the Notice from UCHC, the Contractor shall:
- 15.3.1 Immediately discontinue all Services affected in accordance with the Notice, undertake all commercially reasonable efforts to mitigate any losses or damages, and deliver to UCHC all Records relating to the Contractor's discharge of responsibilities under this Contract. Said Records are deemed to be the property of UCHC, and the Contractor shall deliver them to UCHC in electronic, magnetic or other intangible form in a non-proprietary format (such as ASCII or .TXT) or other, mutually agreed format, no later than thirty (30) Calendar Days after the Termination of this Contract or fifteen (15) Calendar Days after the Contractor receives a written request from UCHC for the Records.
- 15.3.2 Cease operations as directed by UCHC in the Notice, and take all actions that are necessary or appropriate, or that UCHC may reasonably direct, for the protection and preservation of the Goods and any other property. Except for any work which UCHC directs the Contractor to perform in the Notice, the Contractor shall terminate or conclude all existing subcontracts and purchase orders and shall not enter into any further subcontracts, purchase orders or commitments.
- 15.4 Upon Termination of this Contract, UCHC shall, within forty-five (45) Calendar Days of the effective date of Termination, reimburse the Contractor for work properly performed in accordance with Section 2.1 Contractor's Responsibilities and accepted by UCHC, in addition to all actual and reasonable costs incurred after Termination in completing any work required by the Notice. However, the Contractor is not entitled to receive and UCHC is not obligated to tender to the Contractor any payments for anticipated or lost profits. Upon UCHC's request, the Contractor shall: (a) assign to UCHC or any replacement contractor designated by UCHC, all subcontracts, purchase orders and other commitments, and (b) remove from UCHC Premises all such equipment, waste material and rubbish related to its performance of Contract obligations.
- 15.5 Upon Termination of this Contract, all rights and obligations shall be null and void, so that neither Party shall have any further rights or obligations to the other Party, except with respect to the sections which survive the Termination of this Contract. All representations, warranties, agreements and rights of the Parties under this Contract shall survive such Termination to the extent not otherwise limited in this Contract and without each one of them having to be specifically mentioned herein.
- 15.6 Termination of this Contract pursuant to this section shall not be deemed to be a Breach of the Contract by UCHC.

16. BREACH.

- 16.1 If either Party Breaches this Contract in any respect, the non-breaching Party shall provide written notice of such Breach to the breaching Party and afford the breaching Party an opportunity to cure the Breach within ten (10) Work Days from the date that the breaching Party receives such notice. Such right to cure period shall be extended if the non-breaching Party is satisfied that the breaching Party is making a good faith effort to cure, but the nature of the Breach is such that it cannot be cured within the right to cure period. The notice may include an effective Contract Cancellation date if the Breach is not cured by the stated date and, unless otherwise modified by the non-breaching Party in writing prior to the Cancellation date, no further action shall be required of any Party to effect the Cancellation as of the stated date. If the notice does not set forth an effective Cancellation date, then the non-breaching Party may cancel this Contract by giving the breaching Party no less than twenty-four (24) hours prior written notice.
- 16.2 If UCHC believes the Contractor has not performed according to the terms of this Contract, it may withhold payment in whole or in part pending resolution of the Breach, provided that UCHC notifies the Contractor in writing prior to the date that the payment would have been due in accordance with Section 4, Cost and

Schedule of Payments. In addition, if the Contractor fails to deliver Goods or perform Services as specified in the Contract, UCHC may purchase such Goods or Services on the open market. The Contractor agrees to promptly reimburse UCHC for any excess cost associated with such purchases. If UCHC does not cancel the Contract, any open market purchases will be deducted from the Contract quantities.

- 16.3 Nothing herein shall be deemed to waive UCHC's right to terminate the Contract pursuant to Section 15.
17. **NO WAIVER.** No waiver of any Breach of this Contract shall be interpreted or deemed to be a waiver of any other or subsequent Breach. All remedies afforded in this Contract shall be taken and construed as cumulative, that is, in addition to, every other remedy provided in this Contract or at law or in equity. A Party's failure to insist on strict performance of any provision of this Contract shall only be deemed to be a waiver of rights and remedies concerning that specific instance of performance and shall not be deemed to be a waiver of any subsequent rights, remedies or Breach.
18. **CONTINUED PERFORMANCE.** The Contractor and Contractor Parties shall continue to perform their obligations under this Contract while any dispute concerning this Contract is being resolved.
19. **INTELLECTUAL PROPERTY.** UCHC's Data Ownership Policy is incorporated herein by reference and may be viewed in its entirety on UCHC's website at www.policies.uchc.edu/policies/policy_2003_42.PDF. All intellectual property, including, but not limited to, patentable inventions, patentable plants, novel plant varieties, copyrightable works, mask works, trademarks, service marks and trade secrets invented, developed, created or discovered in performance of this Contract shall be the property of UCHC. Title and copyright in and to any copyrightable work, including, but not limited to, copy, art, negatives, photographs, designs, text, software, documentation or printed material created as part of the Contractor's performance of this project shall vest in UCHC, and the Contractor shall not copyright any such work. Works of authorship and contributions to works of authorship created by the Contractor's performance of the project are hereby agreed to be "works made for hire" as outlined in the U.S. Copyright Office's Copyright Law of the United States of America, Title 17, Circular 92, Chapter 1. However, if UCHC is not able to obtain copyright ownership under the statutory provisions for "works made for hire," then the Contractor hereby assigns to UCHC all right, title and interest in such works and contributions. The Contractor further agrees to provide UCHC with any and all reasonable assistance which UCHC may require to file patent applications, to obtain copyright registrations, or to perfect its title in any such inventions of works, including the execution of any documents submitted by UCHC.
20. **TANGIBLE PERSONAL PROPERTY.**
- 20.1 If this Contract involves the Contractor's provision of tangible personal property to the State, the Contractor on its behalf and on behalf of its Affiliates shall comply with the provisions of Conn. Gen. Stat. §12-411b, as follows:
- 20.1.1 For the term of this Contract, the Contractor and its Affiliates shall collect and remit to the State Department of Revenue Services, any Connecticut use tax due under the provisions of Chapter 219 of the Connecticut General Statutes for items of tangible personal property sold by the Contractor or by any of its Affiliates in the same manner as if the Contractor and such Affiliates were engaged in the business of selling tangible personal property for use in Connecticut and had sufficient nexus under the provisions of Chapter 219 to be required to collect Connecticut use tax.
- 20.1.2 A customer's payment of a use tax to the Contractor or its Affiliates relieves the customer of liability for the use tax.
- 20.1.3 The Contractor and its Affiliates shall remit all use taxes they collect from customers on or before the last Calendar Day of the month next succeeding the end of a calendar quarter or other tax collection period during which the tax was collected.
- 20.1.4 The Contractor and its Affiliates are not liable for use tax billed by them but not paid to them by a customer.
- 20.1.5 Any Contractor or Affiliate who fails to remit use taxes collected on behalf of its customers pursuant to this section shall be subject to the interest and penalties provided for persons required to collect sales tax under Chapter 219 of the Connecticut General Statutes.
- 20.2 The Contractor represents and warrants that each of its Affiliates has vested in the Contractor plenary authority to so bind the Affiliates in any agreement with the State. The Contractor on its own behalf and on behalf of its Affiliates shall also provide, no later than thirty (30) Calendar Days after receiving a request by the State, such information required to ensure, in the State's sole determination, compliance with the provisions of the Sales and Use Taxes Act (Chapter 219 of the Connecticut General Statutes).

21. LAWS AND REGULATIONS.

- 21.1 Governing Law. This Contract and any and all disputes arising out of or in connection therewith shall in all respects be governed by the laws of the State of Connecticut, without giving effect to its conflicts of laws principles.
- 21.2 Interpretation. This Contract contains numerous references to statutes and regulations. For purposes of interpretation, conflict resolution and otherwise, the content of those statutes and regulations shall govern over the content of the reference in this Contract to those statutes and regulations.
- 21.3 Time Is of the Essence. Time is of the essence with respect to all provisions of this Contract that specify a time for performance; provided, however, that this provision shall not be construed to limit or deprive a Party of the benefits of any grace or use period allowed in this Contract.
- 21.4 Indemnification/Hold Harmless.
- 21.4.1 The Contractor shall indemnify, defend and hold harmless the State and its officers, representatives, agents, servants, employees, successors and assigns from and against any and all:
 - 22.4.1.1 claims arising directly or indirectly, in connection with the Contract, including the acts of commission or omission (collectively, the "Acts") of the Contractor or Contractor Parties; and
 - 22.4.1.2 liabilities, damages, losses, costs and expenses, including, but not limited to, attorneys' and other professionals' fees, arising, directly or indirectly, in connection with Claims, Acts or the Contract. The Contractor shall use counsel reasonably acceptable to the State in carrying out its obligations under this Contract.
 - 21.4.2 The Contractor's obligations under this section to indemnify, defend and hold the State harmless against Claims includes Claims concerning confidentiality of any part of the Solicitation, Proposal or Records; intellectual property rights; other proprietary rights of any person or entity; copyrighted or uncopyrighted compositions; secret processes; and patented or unpatented inventions, articles or appliances furnished or used in the performance of the Contract.
 - 21.4.3 The Contractor shall reimburse the State for any and all damage to the State's real or personal property, and shall pay for or repair damage to its own work or the work of other contractors, caused by the Acts of the Contractor or any Contractor Parties. The State shall give the Contractor reasonable notice of any such claims.
 - 21.4.4 The Contractor's duties under this section shall remain fully in effect and binding in accordance with the terms and conditions of the Contract, without being lessened or compromised in any way, even where the Contractor is alleged or is found to have merely contributed in part to the Acts giving rise to the Claims or where the State is alleged or is found to have contributed to the Acts giving rise to the Claims.
 - 21.4.5 The Contractor shall carry and maintain at all times during the term of the Contract, and during the time that any provisions survive the term of the Contract, sufficient general liability insurance to satisfy its obligations under this Contract. The Contractor shall name "The University of Connecticut Health Center, the State of Connecticut, and their officers, officials, employees, agents, boards and commissions" as additional insureds on the policy and shall provide a certificate of insurance reflecting same to UCHC prior to the effective date of the Contract. The Contractor shall not begin performance until the certificate of insurance has been delivered to UCHC.
 - 21.4.6 The rights provided in this section for the benefit of the State shall encompass the recovery of attorneys' and other professionals' fees expended in pursuing a Claim against a third party.
 - 21.4.7 This section shall survive the termination, cancellation or expiration of the Contract and shall not be limited by reason of any insurance coverage.
- 21.5 Sovereign Immunity. The Parties acknowledge and agree that nothing in the Solicitation or this Contract shall be construed as a modification, compromise or waiver by the State of any rights or defenses of any immunities provided by federal law or the laws of the State of Connecticut to the State or any of its officers or employees, which they may have had, now have or will have with respect to all matters arising out of this Contract. To the extent that this section conflicts with any other section, this section shall govern.
- 21.6 Claims Against the State. The Contractor agrees that the sole and exclusive means for the presentation of any Claim against the State arising from this Contract shall be in accordance with Chapter 53 of the

Connecticut General Statutes (Claims Against the State) and the Contractor further agrees not to initiate legal proceedings in any state or federal court in addition to, or in lieu of, said Chapter 53 proceedings. Notwithstanding and without waiving the foregoing, and without waiving or compromising the State's sovereign immunity or immunity provided under the Eleventh Amendment of the Constitution in any way, to the extent that any immunities provided by State or federal law do not bar an action against the State, and to the extent that these courts are courts of competent jurisdiction, for the purpose of venue, any permitted action against the State shall be brought only in the Judicial District of Hartford or the United States District Court for the District of Connecticut, and shall not be transferred to any other court.
