All Invitations For Bids issued by the Department of Administrative Services, Procurement Services will bind Bidders to the terms and conditions listed below, unless specified otherwise in any individual Invitation For Bids.

Incorporated by reference into this contract are applicable provisions of the Connecticut General Statutes including but not limited to Sections 4a-50 through 4a-80 and applicable provisions of the Regulations of Connecticut State Agencies including but not limited to Sections 4a-52-1 through 4a-52-22.

The contractor agrees to comply with the statutes and regulations as they exist on the date of this contract and as they may be adopted or amended from time to time during the term of this contract and any amendments thereto.

Submission of Bids

1. Bids must be submitted on forms supplied by Procurement Services. Telephone or facsimile bids will not be accepted in response to an Invitation For Bids.
2. The time and date bids are to be opened is given in each bid issued. Bids received after the specified time and date of bid opening given in each bid proposal shall not be considered. Bid envelopes must clearly indicate the bid number as well as the date and time of the opening of the bid. The name and address of the Bidder should appear in the upper left hand corner of the envelope.
3. Incomplete bid forms may result in the rejection of the bid. Amendments to bids received by Procurement Services after the time specified for opening of bids, shall not be considered. An original and one copy of the proposal schedule shall be returned to Procurement Services. Bids shall be computer prepared, typewritten or handwritten in ink. Bids submitted in pencil shall be rejected. All bids shall be signed by a person duly authorized to sign bids on behalf of the bidder. Unsigned bids shall be rejected. Errors, alterations or corrections on both the original and copy of the proposal schedule to be returned must be initialed by the person signing the bid proposal or their authorized designee. In the event an authorized designee initials the correction, there must be written authorization from the person signing the bid proposal to the person initialing the erasure, alterations, or correction. Failure to do so shall result in rejection of bid for those items erased, altered or corrected and not initialed.
4. Conditional bids are subject to rejection in whole or in part. A conditional bid is defined as one which limits, modifies, expands or supplements any of the terms and conditions and/or specifications of the invitation for bids.

15. Procurement Services may reject any bidder in default of any prior contract or guilty of misrepresentation or any bidder with a member of its firm in default or guilty of misrepresentation.

16. Procurement Services may correct inaccurate awards resulting from clerical or administrative errors.

20. Failure of a Contractor to deliver commodities or perform services as specified will constitute authority for Procurement Services to purchase these commodities or services on the open market. The Contractor agrees to promptly reimburse the State for excess cost of these purchases. The purchases will be deducted from the contracted quantities.

21. Rejected commodities must be removed by the Contractor from State premises within 48 hours. Immediate removal may be required when safety or health issues are present.

23. Notwithstanding any provision or language in this contract to the contrary, the Commissioner may terminate this contract whenever he/she determines in his/her sole discretion that such termination is in the best interests of the State. Any such termination shall be effected by delivery to the Contractor of a written notice of termination. The notice of termination shall be sent by registered mail to the Contractor address furnished to the State for purposes of correspondence or by hand delivery. Upon receipt of such notice, the Contractor shall both immediately discontinue all services affected (unless the notice directs otherwise) and deliver to the State all data, drawings, specifications, reports, estimates, summaries, and such other information and materials as may have been accumulated by the Contractor in performing his duties under this contract, whether completed or in progress. All such documents, information, and materials shall become the property of the State. In the event of such termination, the Contractor shall be entitled to reasonable compensation as determined by the Commissioner of the Department of Administrative Services, however, no compensation for lost profits shall be allowed.

Tangible Personal Property

29. (a) For any contract for provision of tangible personal property to the state entered into on or after the effective date of this section, each department head, as defined in section 4-5 of the general statutes, shall enter into an agreement with the contractor pursuant to which such contractor shall agree, on its own behalf and on behalf of each affiliate, as defined in subsection (d) of this section, of such contractor, for the term of the state contract, to collect and remit to the state on behalf of its customers any use tax due to the state under the provisions of chapter 219 of the general statutes for items of tangible personal property sold by the contractor or by any of its affiliates in the same manner as if the contractor and its affiliates were engaged in the business of selling tangible personal property for use in this state and had sufficient nexus with this state to be required to collect use tax due to the state.

(b) The following provisions shall apply to and be made part of any agreement entered into pursuant to subsection (a) of this section: (1) The contractor and its affiliates are not liable for use tax not paid to them by a customer; (2) A customer's payment of a use tax to the contractor or its affiliates relieves the customer of liability for the use tax; (3) The contractor and its affiliates shall remit all use taxes they collect from customers on or before the due date specified in the agreement, which may not be later than the last day of the month next succeeding the end of a calendar quarter or other tax collection period during which the tax was collected; and (4) Any contractor or affiliate who fails to remit use taxes collected on behalf of its customers by the due date specified in the agreement shall be subject to the interest and penalties provided for persons required to collect sales tax under chapter 219 of the general statutes. (c) Any agreement entered into under subsection (a) of this section may provide that the contractor and its affiliates shall collect the use tax only on items that are subject to the six per cent rate of tax. (d) For purposes of this section, "affiliate" means any person, as defined in section 12-1 of the general statutes, that controls, is controlled by, or is under common control with another person. A person controls another person if the person owns, directly or indirectly, more than ten per cent of the voting securities of the other person. For purposes of this subsection, "voting security" means a security that confers upon the holder the right to vote for the election of members of the board of directors or similar governing body of the business, or that is convertible into, or entitles the holder to receive, upon its exercise, a security that confers such a right to vote. "Voting security" includes a general partnership interest. (PA 03-01 Sec.105)

33. The Contractor assigns to the State all rights title and interests in and to all causes of action it may have under Section 4 of the Clayton Act, 15 USC 15, or under Chapter 624 of the general statutes. This assignment occurs when the Contractor is awarded the contract.

33. Contractor agrees that it is in compliance with all applicable federal, state and local laws and regulations, including but not limited to Connecticut General Statutes Sections 4a-60 and 4a-60a. The Contractor also agrees that it will hold the State harmless and indemnify the State from any action which may arise out of any act by the contractor concerning lack of compliance with these laws and regulations.

No request to inspect or copy such records or files shall be valid unless the request is made to the public agency in accordance with the Freedom of Information Act. **Health Insurance Portability and Accountability Act
(HIPAA)**

37. Under the Health Insurance Portability and Accountability Act (HIPAA) of 1996, Bidders are expected to adhere to the same standards as the state agency/covered entity as to Protected Health Information (PHI), to maintain compliance with Title 45 CFR Part 164.504, Uses and Disclosures: Organizational Requirements, Bidder Contracts. Protected Health Information (PHI) includes information related to claims, health services, federal and state tax information, financials, criminal/court related information and other personally identifiable records. Bidder agrees that

it shall be prohibited from using or disclosing the PHI provided or made available by the state agency/covered entity or viewed while on the premises for any purpose other than as expressly permitted or required by this Contract. These uses and disclosures must be within the scope of the Bidder's services provided to the state agency/covered entity. Bidders shall establish and maintain reasonable safeguards to prevent any use or disclosure of the PHI, other than as specified in this Contract or required by law. Bidder agrees that anytime PHI is provided or made available to any subcontractors or agents, Bidder must enter into a subcontract, which contains the same terms, conditions and restrictions on the use and disclosure of PHI as contained in this Contract. Bidder agrees to make available and provide a right of access to PHI by the individual for whom the information was created and disclosed. Bidder agrees to make information available as required to provide an accounting of disclosures. Bidder agrees to make its internal practices, books, and records relating to the use or disclosure of PHI received from, or created or received by Bidder on behalf of the state agency/covered entity, available to the Secretary of Health and Human Services (HHS) for purposes of determining compliance with the HHS Privacy Regulations. At termination of this Contract, Bidder agrees to return or destroy all PHI received from, or created by the state agency/covered entity. If not feasible, extend the protections of this agreement to the PHI and limit further uses and disclosures. Bidder will have procedures in place for mitigating any harmful effects from the use or disclosure of PHI in a manner contrary to this Contract or the HHS Privacy Regulations. Bidder must develop and implement a system of sanctions for any employee, subcontractor or agent who violates this Contract or the HHS Privacy Regulations. The PHI shall be and remain the resources of the state agency/covered entity. Bidder agrees that it acquires no title or rights to the information, including any de-identified information, as a result of this Contract. Bidder agrees that the state agency/covered entity has the right to immediately terminate this Contract if the state agency/covered entity determines that Bidder has violated a material term of this HIPAA Compliance Agreement above.

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and
3. I am a U.S. person (including a U.S. resident alien).

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the Certification, but you must provide your correct TIN. (See the instructions on page 4.)

Purpose of Form

A person who is required to file an information return with the IRS, must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

U.S. person. Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee.

Note: If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Foreign person. If you are a foreign person, use the appropriate Form W-8 (see Pub. 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the recipient has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Dear Colleague:

I am pleased to provide your agency with a Connecticut State Agency Tax Exemption Number. This certificate issued by the Department of Revenue Services (DRS) will serve as evidence that your agency is exempt from Connecticut sales and use taxes on the purchase or lease of tangible personal property and services, except for meals and lodging. Qualifying state agencies still must get advance DRS approval for sales and use tax exemptions for meals and lodging.

Tax Exemption Numbers are issued only to Connecticut state agencies. DRS does not assign tax exempt numbers to agencies of the United States government or to municipalities or their agencies.

DRS issues Tax Exemption Numbers to state government agencies to verify the agency's tax-exempt status when making purchases. Use your Tax Exemption Number when completing CERT-134, *Exempt Purchases by Qualifying Governmental Agencies*.

For information on the Tax Exemption Number policy, please see Policy Statement 2006(4), *Tax Exemption Purchases by Connecticut State Agencies*, on the DRS web site at www.ct.gov/DRS or call the DRS Taxpayer Services Division at 860-297-5962. As always, I welcome your comments and suggestions. Feel free to e-mail DRS at drs@po.state.ct.us

Sincerely,

Pam Law, Commissioner
