****ADDENDUM #2****

TOWN OF GREENWICH

RFP #7047 DEADLINE: 3/19/14 AT 3:00 PM

PURCHASE, INSTALLATION AND MAINTENANCE OF A VoIP PBX/UCC AND VOICE MESSAGING SYSTEM AND ASSOCIATED INFRASTRUCTURE

Question: Will the slide show as well as the RFP in Word and specification documents in Excel be provided to potential bidders?

Answer: The slide show, the RFP in Word and two specification documents have been posted to the Town's website located at www.greenwichct.org/bids.

Question: The Town of Greenwich facilities has 200+ fax machines. Can the vendor propose a fax server solution to replace the paper based faxing. Inbound and outbound faxing can be done electronically. You can still have some paper based fax machines but I believe the majority of users would benefit from receiving electronic faxes.

Answer: A fax server has been put into the specification documents as optional.

Question: Will copies of the local and long distance service agreements be provided?

Answer: Yes, these have been posted to the Town's website.

ALL OTHER SPECIFICATIONS, TERMS AND CONDITIONS OF THE RFP REMAIN THE SAME.
