**\*\* ADDENDUM #2 \*\***

**TOWN OF GREENWICH**

**REQUEST FOR BID #7066 DEADLINE: 05/01/14 AT 3:00 P.M.**

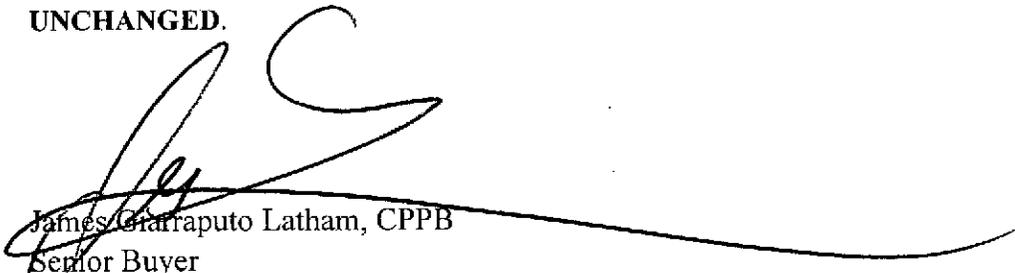

**DEMOLITION of TOWN BUILDINGS**

1. Building 2 is the stand alone restroom building behind the Old Greenwich Civic Center at 90 Harding Road. The building is separated from the main civic center property by a narrow water course. An asphalt roadway passes over the culvert to gain access to the building.

The following will be included in the base bid price:

- a. The Contractor will install and maintain a temporary barricade, traffic horses, at the entrance of the culvert bridge. Include signage that the area around the building is a construction zone.
- b. The Contractor to install erosion control fencing around the entire building prior to commencement of demolition. This will include a separate erosion fence along the water course starting at the culvert and running south for 50'. The Contractor will maintain the fence in good condition during the demolition.
- c. The Contractor will remove all surrounding concrete and asphalt walk ways surrounding the building. All areas will be restored per the general conditions of the specification.
- d. The Contractor will remove all erosion control fencing at the end of demolition except the fencing along the water course.

**ALL OTHER SPECIFICATIONS, TERMS AND CONDITIONS OF THIS RFB REMAIN UNCHANGED.**
