Section 2 Scope of Services

Background

The City of Hartford owns and operates Dillon Stadium, located in the Coltsville section of the Sheldon-Charter Oak neighborhood, and is easily accessible from Interstates 84 and 91. Dillon Stadium's location makes it a local, regional and statewide magnet for sporting events. This facility serves as the premier field for many city programs, including athletic practices and events sponsored by Hartford Public Schools, professional, semiprofessional and amateur teams and organizations. From July 1st 2013 to September 30th 2013 the stadium was reserved 32 times, including 8 times for Hartford Public Schools. Although the field is typically used for soccer and football, the City is interested in bringing more activity to this valuable asset. Revenue for 2012 was \$6,290.

Scope of Services

The City of Hartford is seeking proposals from interested firms or joint-ventures to manage the facilities at Dillon Stadium, work closely with the city's project management team and vendors during its redevelopment, and secure a professional or semi-professional soccer franchise. Strong preference will be given to candidates who exhibit an ability and willingness to secure a team through North American Soccer League (NASL).

Developing Dillon Stadium into a premier sports venue will require renovations to existing facilities, including upgrades to the playing field and concession building, improvements to on-site and adjacent parking, bleacher replacement and enhancements to ensure safety and ADA compliance, new site entrance, locker building improvements, repairs to lighting and sound systems, and new VIP/sky boxes, and press box. The City has contracted with a landscape architect to engineer these improvements. The successful respondent will work closely with the city's vendor and facilitate correspondence between NASL and the city's architects, when necessary.

Additionally, the City seeks to increase the number and type of events that occur at Dillon Stadium, as well as increase attendance at all events. In order to accomplish this objective, interested firms or joint-ventures must develop agreements with semiprofessional, professional, and/or collegiate sports venues that will utilize Dillon Stadium as their premier game location.

The selected respondent will manage all Dillon Stadium events and will be responsible for all operations required at the field, site, parking and buildings, as well as maintenance and capital improvements.

Respondents shall submit a plan that discusses equitable sharing of all revenue generated from activities.

Form of Response

All interested firms or joint-ventures must provide the following:

1. Formal letter of interest on firm's letterhead
2. Firm Resume/Brochure informing review panelists of firm history and qualifications to undertake the proposed project
3. Demonstrated experience of at least five years managing similar projects, including a list of comparable projects completed within last five years, including the following detailed information for each:
 - a. Client name and contact
 - b. Project particulars, such as schedule, stadium capacity, etc.
 - c. Description of events, teams, attendance, etc.
4. Outline of services to be rendered, including a list of key personnel, citing their roles, responsibilities and qualifications
5. List of all sub consultants and firms, including their roles responsibilities and qualifications
6. Detailed budget, including:
 - a. Investments by interested firm or joint-venture and other fundraising opportunities

- b. Projected revenue
- c. Capital improvements
- d. Proposed revenue sharing

The city reserves the right to waive some or all minimum requirements if a respondent submits a proposal that otherwise meet the needs expressed by the city.

Selection Criteria

All interested firm submissions will be reviewed based on the following:

1. Respondent experience and technical competence of key personnel
2. Capacity to perform the work
3. Rating of comparable projects
