

**Project 1130 CVH:WFI:GYM:New Roof 8/1/2014**

**Addendum # 1 Questions, Answers, to yesterday's walk-thru on 7/31/2014.**

**Pictures and walk-thru Sign In Sheet attached also.**

**Question:** What should be done with the large lights at the west side corners of the roof?

**Answer:** These lights need to be reinstalled, contractors are required to provide all labor and materials to perform this work. Contractors shall provide walk-way pads for the cinder blocks to rest on.

**Question:** What should the contractors do with the copper flashings?

**Answer:** Copper and other metal flashings are the property of the state and should be turned over to the facility. Contractors shall remove existing flashings and turn them over to facility for proper disposal/ recycling.

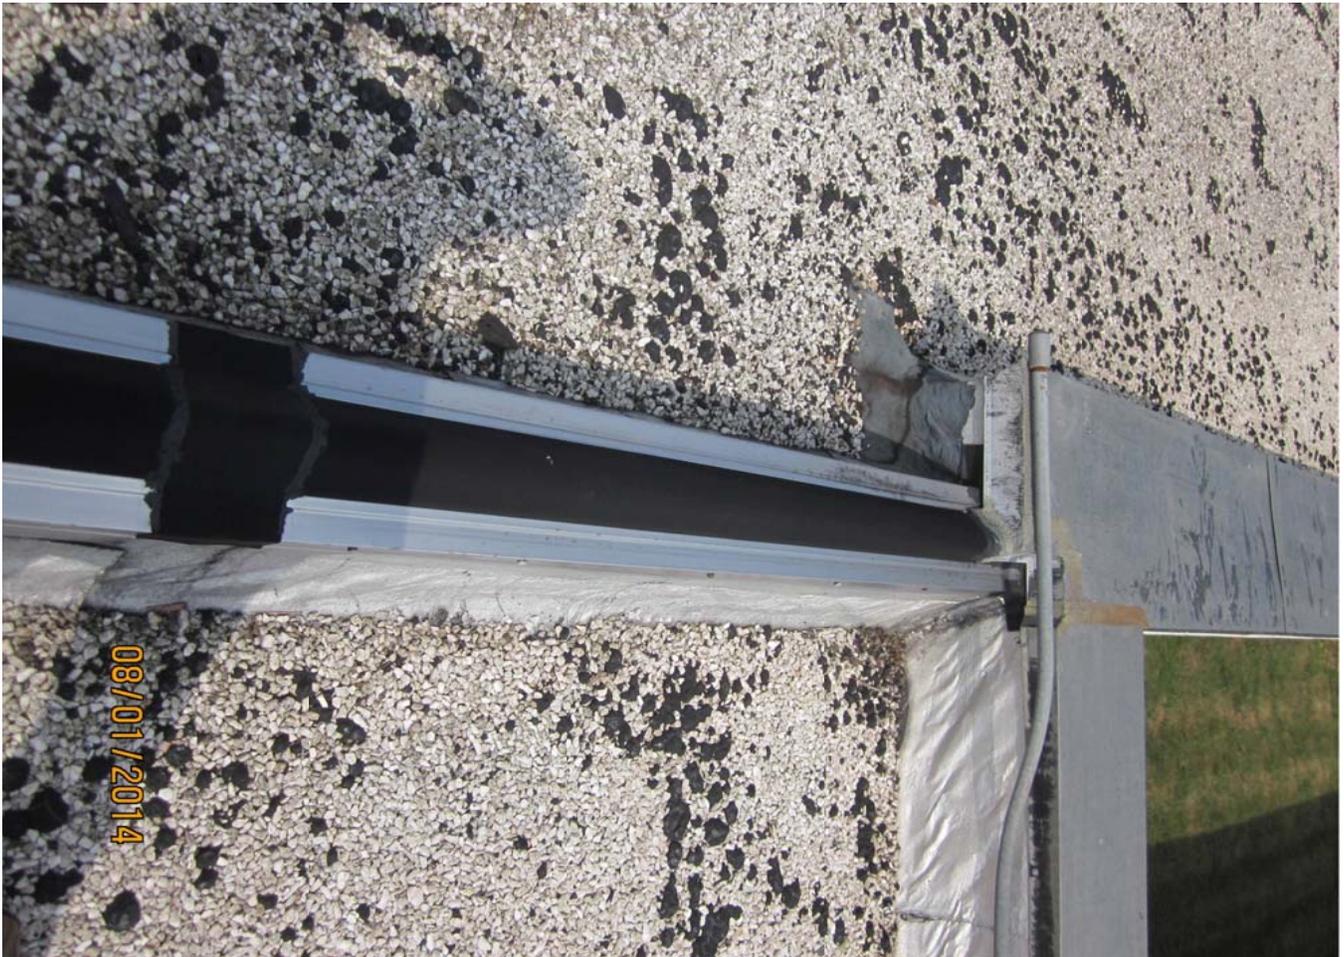

**BID OPENING SIGN IN SHEET**  
**BID # 1130 CVH:WFI:GYM:New Roof**

DATE: 7/31/2014

TIME: 10:00AM
