## **FEASIBILITY STUDY RFP - QUESTIONS AND ANSWERS**

**Q: Is a pre-registration required for the January 7<sup>th</sup> Bidder's Conference?**

A: No.

**Q: Is this a Pre-K through Grade 12 study, a Pre-K through Grade 8 study or a Pre-K through Grade 6 study?**

A: Pre-K through Grade 12 study.

**Q: Will the successful bidder provide a report of the conditions of the existing Vernon School buildings, including a capital improvements plan for all buildings?**

A: Yes, but only as they are related to the study.

**Q. When was your last Pre-K-12 student enrollment projection study completed, who prepared the information, and is the study available for review?**

A. The last enrollment study was completed by Dr. Peter Prowda on December 7<sup>th</sup>, 2011. Click on the following link for a copy of the report: [Vernon Public Schools Enrollment Projection to 2021](#)

**Q. On page 12 of 12, section 4.2 b) – can you elaborate with other examples related to efficiency? Are you looking for a complete efficiency study on the entire school operations or school enrollment and school organization assessment?**

A. We are looking for an efficiency study on school enrollment and school organization assessment.

**Q. On page 12 of 12, section 4.2 c) – does the term “occupational outcomes” relate to student assignment to schools, or to a potential change in number of employees?**

A. It relates to both.
