Terms and Conditions

Bidders shall familiarize themselves with all provisions of the specifications and shall not at any time after submitting bid, dispute any of the specifications or assert that there was any misunderstanding in regard to the furnishing and delivering of the items called for in the proposal.

The Town of Greenwich reserves the right to issue addenda as needed on bids/proposals.

The Town of Greenwich reserves the right to reject any and all bids not deemed to be in the best interest of the Town of Greenwich, or to accept that bid which appears to be in the best interest of the Town of Greenwich. The Town of Greenwich reserves the right to waive any informalities in or reject any or all bids, or any part of any bid.

References to a particular trade name or manufacturer's catalog or model number are made for descriptive purposes to guide the bidder in interpreting the requirements of the Town of Greenwich. They should not be construed as, nor are they intended to exclude proposals on other types of materials, equipment and supplies. However, the bidder, if awarded a contract will be required to furnish the particular item referred to in the specification or description unless a departure or substitution is clearly noted and described in the proposal.

Respondents shall provide one proposal and bidders one bid price for each specified required line item with no more than one total lump sum bid, unless allowed to do otherwise by the solicitation. Respondents shall provide no more than one bid reply unless allowed by the solicitation. Bidders shall not include in their prices any Federal or State taxes from which the Town of Greenwich is exempt.

The successful bidder/s shall indemnify the Town of Greenwich against all losses, claims, actions and judgments brought or recovered against the contractor or the Town of Greenwich.

No proposal shall be received from, or contract awarded to, any person, firm or corporation who is in default or in debt to the Town of Greenwich for non-performance of any contract, or who is a defaulter as surety or otherwise from any obligation to the Town of Greenwich.

Bids must be signed in ink by the vendor. No bids shall be made in pencil. Any bids showing any erasures or alterations must be initialed by the bidder in ink. Failure to sign and give all information requested in the proposal may result in the bid being rejected.

Quantities as listed on the bid sheets are estimated for bidding purposes only. Award of contract shall be for the quantities actually ordered as needed during the contract period. However, the Town of Greenwich reserves the right to increase or decrease the quantities by 10%.

Unit prices quoted shall be net exclusive of all taxes, and must include all transportation, delivery and unloading costs; fully prepaid F.O.B. destination in place inside delivery. Debris, if any, removed.

The Town of Greenwich reserves the right to make awards on an item by item, total or lump sum basis. Where an award is made on an item by item basis, the unit price prevails. The Town reserves the right to make award in best interest of its own operation. All awards are contingent upon certification by the Town Comptroller that funds are available in appropriate accounts.

It is understood that prices shall hold firm and prevail for the actual quantities required or ordered as needed during the life of the contract whether more or less than estimated quantities. Unit prices shall not be subject to any increase during the life of the contract.

All deliveries are to be made within the time period specified in the bid proposal upon receipt of written purchase order or authorized verbal requests except as may be otherwise arranged by Supplier and Purchaser. Receipt of contract is not authority to ship. Emergency deliveries are to be made within twenty-four (24) hours from receipt of a telephone request from the Director of Purchasing and Supply. All deliveries are to be made on business weekdays between the hours of 9:00 A.M. and 4:00 P.M. except as may be otherwise arranged by the Supplier and Purchaser.

In the event deliveries are not made as specified to a Town delivery point, the Director of Purchasing and Supply shall reserve the right to purchase any such bid item on the open market and to charge any increase in price paid over the current contract price to the account of the vendor.

All bids will be awarded or rejected within sixty (60) days of bid opening date or for the stated period of validity, if different. Therefore, bidder agrees that prices will remain firm for acceptance for that period.

The contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex or national origin. The contractor, however, will take affirmative action to insure that minority group members are employed and are not discriminated against during employment. Such actions shall include, but not be limited to the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection of training, including apprenticeship.

The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, religion, color, sex or national origin. The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract of understanding, a notice advising the labor union or worker's representative of the contractors' commitments under this specification and under rules, regulations and orders promulgated by the State.

"Affirmative Action" means procedures which establish hiring and employment goals, timetables, and practices to be implemented, with good faith efforts, for minority group members.

"Minority Group Members" as identified in EEO-4 reports shall mean Black, Hispanic, Asian or Pacific Islanders, American Indian, and Alaskan Natives.

The contractor or subcontractor offers and agrees to assign to the public purchasing body all right, title and interest in and to all causes of action it may have under Section 4 of the Clayton Act, 15 U.S.C. Section 15, or under Chapter 624 of the General Statutes of Connecticut, arising out of the purchase of services, property or intangibles of any kind pursuant to a public purchase contract or subcontract. This assignment shall be made and become effective at the time the public purchasing body awards or accepts such contract, without further acknowledgment by the parties.

The Contract number (provided to the awarded Contractor), project name and a brief description must be inserted in the "Description of Operations" field. It must be confirmed on the Acord Form that the Town of Greenwich is endorsed as an additional insured by having the appropriate box checked off and stating such in the "Description of Operations" field.

A letter from the awarded vendor's agent/broker certifying that the Town of Greenwich has been endorsed onto the general liability policy as an additional insured is also mandatory. Both the certificate of insurance and the letter must be signed with original ink "wet" signatures.** If the insurance coverage required is provided on more than one Acord certificate of insurance, then additional agent/broker letters are also required. Contract development will begin upon receipt of complete, correct insurance documentation.

The Contractor shall be responsible for maintaining the above insurance coverages in force to secure all of the Contractor's obligations under the Contract with an insurance company or companies with an AM Best Rating of B+:VII or better, licensed to write such insurance in Connecticut and acceptable to the Risk Manager, Town of Greenwich. For excess liability only, non-admitted insurers are acceptable, provided they are permitted to do business through Connecticut excess line brokers per listing on the current list of Licensed Insurance Companies, Approved Reinsurers, Surplus Lines Insurers and Risk Retention Groups issued by the State of Connecticut Insurance Department.

The vendor should submit with the proposal the signed, original "**Insurance Procedure**" form, **page 12**, which states that the vendor agrees to provide the specified insurance coverage for this proposal at no additional charge above any insurance charge declared in the bid.

Contract Format

The Town of Greenwich has included as part of the proposal, **Exhibit C**, the Personal Service Contract format to be used for this service. In order to be considered by the Town, any exceptions to the language included in the Town's contract format must be declared in the Exceptions area of the Reply Sheets.

Price Guarantee

Proposals will remain in effect for a minimum period of sixty (60) days from the deadline for submission of the proposal.

The Town reserves the right to waive any and all formalities or reject any or all proposals or any part of any proposal.

Cancellation of Award/Contract

3. Any conflict between this Contract and any invitation to bid, request for proposal, bid or response to request for proposal shall be resolved in favor of this Contract, with the exception that any provision of an invitation to bid, request for proposal, bid or response to request for proposal, that is attached as an Exhibit to this Contract, which Exhibit provides for a higher standard of obligation or service by Contractor, shall control as to the standard of obligation and service required of the Contractor and shall thereby supplement this Contract.

4. The Town may at any time, and for any reason, direct the discontinuance of the services and work contemplated under this Contract for a period of time. Such direction shall be in writing and shall specify the period during which the work shall be discontinued. The work shall be resumed on the dates specified in such direction, or upon such other date as the Town may thereafter specify in writing. The period during which such work shall have been discontinued shall be deemed added to the time for performance. Stoppage of work under this article shall not give rise to any claim against the Town.

5. The service and work contemplated under this Contract shall be completed in full on or before .

6. The Town may at any time and for any reason terminate this Contract by written notice specifying the termination date, which shall be not less than seven (7) days from the date such notice is given. In the event of such termination, services shall be paid for in such amount as shall compensate for the portion of the work satisfactorily performed prior to termination. Such amount shall be fixed by the Town after consultation with the Contractor and shall be subject to audit by the Town Comptroller. Termination under this section shall not give rise to any claim against the Town for damages for compensation in addition to that provided hereunder.

7. It is the intent of this Contract to secure the personal services of the Contractor or a duly authorized and competent representative(s) of the Contractor acceptable to the Town. Failure of the Contractor for any reason to make the personal service of such a person available to the Town to the extent necessary to perform the services required skillfully and promptly shall be cause for termination of this Contract.

8. The Contractor shall not assign this Contract without prior consent of the Town in writing.

9. In the event of death or disability of the principal of the Contractor, any qualified partner or associate of the Contractor may be authorized, at the option of the Town, to continue to perform and complete all the terms, covenants and provisions contained in this Contract.

10. If the Contractor has been delayed and as a result will be unable, in the opinion of the Town, to complete performance fully and satisfactorily within the time allowed therefor, the Contractor, upon submission of evidence of the cause of the delay, satisfactory to the Town, shall at the discretion of the Town, be granted an extension of time for performance equal to the period that the Contractor was actually and necessarily delayed.

11. When the Town shall have reasonable grounds for believing that a) the Contractor will be unable to perform this Contract fully and satisfactorily within the time fixed for performance, or b) a meritorious claim exists or will exist against the Contractor or the Town arising out of the negligence of the Contractor or the Contractor's breach of any provision of this Contract, then the Town may withhold payment of any amount otherwise due and payable to the Contractor hereunder. Any amount so withheld may be retained by the Town for such period as it may deem advisable to protect the Town against any loss and may, after written notice to the Contractor, be applied in satisfaction of any claim herein described. This provision is intended solely for the benefit of the Town. No person shall have any right against the Town or claim against the Town by reason of the Town's failure or refusal to withhold monies. No interest shall be payable by the Town on any amounts withheld under this provision. This provision is not intended to limit or in any way prejudice any other right of the Town.

12. The acceptance by the Contractor, his successors or assigns, of any payment made on the final requisition under this Contract, or of any final payment due on termination of this Contract, shall constitute a full and complete release of the Town from any and all claims, demands and causes of action whatsoever which the Contractor, his successors or assigns, have or may have against the Town under the provisions of this Contract.

13. The Contractor shall not assert any claim arising out of any supervisory act or omission by any agent, officer or employee of the Town in the execution or performance of this Contract against any such agent, officer or employee. The Contractor shall require each person supplying labor or materials to the Contractor to agree in writing to the Contractor not to make any claim against the Town, its officers, agents or employees by reason of such labor or materials, or by reason of any acts or omissions of the Contractor.

14. The Contractor shall indemnify and save harmless the Town and its officers, agents, servants and employees, from and against any and all claims, demands, suits, proceedings, liabilities, judgments, awards, losses, damages, costs and expenses, including attorneys' fees, on account of bodily injury, sickness, disease, death or other damages sustained by any person or persons injury or damage to or destruction of any property, directly or indirectly arising out of, relating to, or in connection with the work called for in the Contract, whether or not due or claimed to be due in whole or in part to the active, passive or concurrent negligence, fault, or contractual default of the Contractor, its officers, agents, servants or employees, any of its subcontractors, the Town, any of its respective officers, agents, servants, or employees and/or any other person or persons, and whether or not such claims, demands, suits or proceedings are just, unjust, groundless, false, or fraudulent, and the Contractor shall and does hereby assume and agrees to pay for the defense of all such claims, demands, suits and proceedings, provided, however, that the Contractor shall not be required to indemnify the Town, its officers, agents, servants, or employees, against any such damages occasioned solely by acts or omissions of the Town, its officers, agents, servants or employees, other than supervisory acts or omissions of the Town, its officers, agents, servants, or employees, in connection with the work called for in the Contract.

15. The Contractor shall take out and maintain during the life of this Contract the types and amounts of insurance as are set forth in the attached Exhibit A. Before commencing the work called for in this Contract, the Contractor shall furnish the Town with a completed certificate of insurance on the Acord form that is referenced in the attached Exhibit A evidencing such coverage.

16. Contractor agrees to comply in every respect with applicable State and Town laws, regulations and ordinances.

17. Contractor shall at all times be deemed to be an independent contractor and shall be wholly responsible for the manner in which it performs the services required of it by the terms of this Contract. Nothing herein contained shall be construed as creating the relationship of employer and employee or principal and agent, between the Town, its agencies, employees, agents and Contractor, its employees and agents. Contractor assumes exclusively the responsibility for the acts of its employees and agents as they relate to the services to be provided during the course and scope of their employment. Contractor, its agents and employees shall not be entitled to any rights and privileges of Town employees and shall not be considered in any manner to be Town employees.

18. The laws of the State of Connecticut shall govern this Contract and any and all litigation related to this Contract. In the event of litigation related to this Contract, the exclusive forum shall be the State of Connecticut and the exclusive venue for such litigation shall be the Judicial District for Stamford/Norwalk at Stamford.
