

UCONN HEALTH EMPLOYEES & VENDORS

SAFETY ORIENTATION PREREQUISITE CHECKLIST

PRIOR TO PROJECT SAFETY ORIENTATION, THE FOLLOWING ITEMS MUST BE COMPLETED:

- Complete Non-Laboratory Safety Training:
 - Non-Laboratory Safety Training Checklist:
<http://ehs.uconn.edu/Occupational/occutrain.php>

- Complete GHS training:
 - If you have already completed this training, provide a hardcopy of your valid certificate of training
 - Office of Research Safety Training Certification Form
<http://ors.uchc.edu/pdf/training-certification-form.pdf>
 - Classes are available both in person or online:
 - <http://www.ehs.uconn.edu/training/schedule/OccuTrainingSchedule.php#167>
 - http://ors.uchc.edu/training_sessions/index.html#GHS

- Obtain Appropriate PPE:
 - Hardhat rated ANSI Z.89.1-2009
 - Steel toe or composite toe work boots rated ASTM F2413
 - Safety glasses rated ANSI Z.87
 - Type 2 vest rated ANSI 107-2010
 - Gloves appropriate for the hazard

NOTE: ***A valid OSHA 10-hour certification dated after 01/01/2014 satisfies the GHS prerequisite above. For vendors self-performing work, bring a valid copy of OSHA 10-hour certification and GHS certification if OSHA 10-hour certified prior to 01/01/2014 with you to safety orientation at Building 18.***

- Schedule Your Project Safety Orientation Class
 - **AFTER PREREQUISITES ABOVE HAVE BEEN COMPLETED:**
 - Email Robert Paloma (paloma@uchc.edu) a minimum of 24 hrs prior to the day you are able to attend safety orientation class.
 - Bring training certificates, PPE, and completed checklist to project safety orientation.
 - **SAFETY ORIENTATION CLASS**
 - **WHEN:** 7AM, Monday through Friday
 - **WHERE:** Building 18 (Dowling Way & Main Road, by Jackson Labs)
