**** ADDENDUM #1 ****

TOWN OF GREENWICH, CT

REQUEST FOR PROPOSAL (RFP) #7159 DEADLINE: 8/11/15 AT 3:00 PM

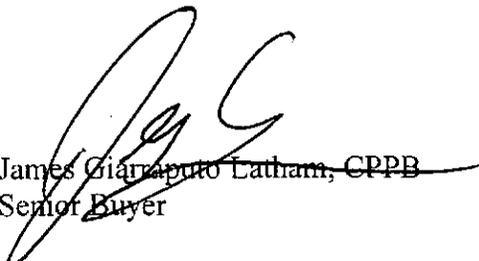

WEB SITE DESIGN AND BUILD/DEVELOPMENT FOR NATHANIEL WITHERELL

Question: On page 9 of the RFP, (Proposal Format and Submission Requirements), question number 8 reads; "Provide at least two (2) options for home page design and site navigation." Are you requesting design concept be included as part of the submission? In other words, if we were to bid, are we developing two creative concepts and including the design ideas in our response to this RFP?

Answer: Question number 8 is now removed from the questionnaire section of this RFP. The selected vendor shall provide a minimum of two design options for the web page. Respondents need not submit actual designs as part of their proposals, but they should recognize that, if they're selected, the Town will require a minimum of two designs.

Once work begins, the Town will want a couple of options to choose from. Respondents should submit their proposals recognizing that they must plan their design time accordingly, recognizing that just one idea is not sufficient.

All other terms and conditions remain unchanged.
