Pupil Transportation

Amendment No 1

Conversion of School District Operations
November 5, 2015

Addendum 1.

Conversion of School District Operations

1. **Vehicles** No. 8 page 16 . The number of cameras on STV vans should read “*three (3)*” instead of two.
2. **Fuel** No. 1 page 17 Add the sentence, “*The district is also willing to pay for gasoline purchases for STV vans and deduct the same from monthly invoices provided that the Contractor is able to make all suitable arrangements.*”
3. **Vehicle Age Requirement** Page 14. Add the sentence, “*The Type II wheelchair lift model year 2005 is an exception. This should be replaced for Year 3 of the contract.*”
4. **Human Resources** Page 12. Add the clause, “ *provided, however, that the Contractor is under no obligation to employ any more personnel than there are routes to cover.*”
5. **Instructions to Proposers** No. 3 Page 3. Add the sentence, “*Financial information can be submitted in a separately sealed envelope and will be maintained as proprietary. Proposers will be notified beforehand if they are being seriously considered for the award and that the financial information will be examined. Those proposers who are not being considered will have their sealed envelopes returned unopened.*”
6. **Errata** No. 5 Page 23 The number 5 was included in error and can be removed. The content remains unchanged.
7. **Page 29.** Add the sentence, “*This page is intentionally left blank.*”
