- (d) Upon receipt of a written notice of termination from the University, the Contractor shall cease operations as the University directs in the notice, and take all actions that are necessary or appropriate, or that the University may reasonably direct, for the protection, and preservation of the goods and any other property. Except for any work which the University directs the Contractor to perform in the notice prior to the effective date of termination, and except as otherwise provided in the notice, the Contractor shall terminate or conclude all existing subcontracts and purchase orders and shall not enter into any further subcontracts, purchase orders or commitments.
- (e) The University shall, within forty-five (45) days of the effective date of termination, reimburse the Contractor for its performance rendered and accepted by the University in accordance with the terms of this contract, in addition to all actual and reasonable costs incurred after termination in completing those portions of the performance which the notice required the Contractor to complete. However, the Contractor is not entitled to receive and the University is not obligated to tender to the Contractor any payments for anticipated or lost profits. Upon request by the University, the Contractor shall assign to the University, or any replacement Contractor which the University designates, all subcontracts, purchase orders and other commitments, deliver to the University all records and other information pertaining to its performance, and remove

from State premises, whether leased or owned, all of Contractor's property, equipment, waste material and rubbish related to its performance, all as the University may request.

- (f) For breach or violation of any of the provisions in the section concerning representations and warranties, the University may terminate the contract in accordance with its terms and revoke any consents to assignments given as if the assignments had never been requested or consented to, without liability to the Contractor or Contractor parties or any third party.
- (g) Upon termination of the contract, all rights and obligations shall be null and void, so that no party shall have any further rights or obligations to any other party, except with respect to the sections which survive termination. All representations, warranties, agreements and rights of the parties under the contract shall survive such termination to the extent not otherwise limited in the contract and without each one of them having to be specifically mentioned in the contract.
- (h) Termination of the contract pursuant to this section shall not be deemed to be a breach of contract by the University.

#### 11.8 Indemnification:

- (a) The Contractor shall indemnify, defend and hold harmless the State and its officers, representatives, agents, servants, employees, successors and assigns from and against any and all (1) claims arising, directly or indirectly, in connection with the Contract, including the acts of commission or omission (collectively, the "Acts") of the Contractor or contractor parties; and (2) liabilities, damages, losses, costs and expenses, including but not limited to, attorneys' and other professionals' fees, arising, directly or indirectly, in connection with claims, Acts or the contract. The Contractor shall use counsel reasonably acceptable to the State in carrying out its obligations under this section. The Contractor's obligations under this section to indemnify, defend and hold harmless against claims includes claims concerning confidentiality of any part of or all of the Contractor's bid, proposal or any records, any intellectual property rights, other proprietary rights of any person or entity, copyrighted or uncopyrighted compositions, secret processes, patented or unpatented inventions, articles or appliances furnished or used in the performance.
- (b) The Contractor shall not be responsible for indemnifying or holding the State harmless from any liability arising due to the negligence of the State or any third party acting under the direct control or supervision of the State.
- (c) The Contractor shall reimburse the State for any and all damages to the real or personal property of the State caused by the Acts of the Contractor or any contractor parties. The State shall give the Contractor reasonable notice of any such claims.
- (d) The Contractor's duties under this section shall remain fully in effect and binding in accordance with the terms and conditions of the Contract, without being lessened or

- compromised in any way, even where the Contractor is alleged or is found to have merely contributed in part to the Acts giving rise to the claims and/or where the State is alleged or is found to have contributed to the Acts giving rise to the claims.
- (e) The Contractor shall carry and maintain at all times during the term of the Contract, and during the time that any provisions survive the term of the Contract, sufficient general liability insurance to satisfy its obligations under this Contract. The Contractor shall name the State as an additional insured on the policy and shall provide a copy of the policy to the University prior to the effective date of the Contract. The Contractor shall not begin performance until the delivery of the policy to the University. The University shall be entitled to recover under the insurance policy even if a body of competent jurisdiction determines that the University or the State is contributorily negligent.
  - (f) This section shall survive the termination of the contract and shall not be limited by reason of any insurance coverage.

11.9 Severability: If any one or more of the provisions contained herein shall for any reason be held to be unenforceable in any respect, such unenforceability shall not affect any other provision of this Agreement, but this Agreement shall then be construed as if such unenforceable provision or provisions had never been contained herein.

11.10 Waiver: A waiver of a breach or default under this Agreement shall not be waiver of any subsequent breach or default hereunder. Failure of either party to enforce compliance with any term or condition of this Agreement shall not constitute a waiver of such term or condition.

11.11 Excused Performance: No party shall be liable for failure to perform or delay in performing all or any part of its obligations under this Agreement (other than payment obligations) to the extent that they are unable to perform directly or indirectly due to any cause or circumstance beyond the reasonable control of such party, including without limitation an act of war, war, terrorism, strike or other labor dispute, an act of God, fire, flood, storms, earthquake, or similar event ("Force Majeure"). The party affected by an event of Force Majeure shall promptly notify the other party in writing, and shall be given additional time to perform in a period equal to the delay caused directly by such event. The party so affected shall act diligently in attempting to remedy the cause by taking reasonable steps to resume performance with the least possible delay.

11.12 Sovereign Immunity: The parties acknowledge and agree that nothing in this Contract shall be construed as a modification, compromise or waiver by the State of any rights or defenses of any immunities provided by Federal law or the laws of the State of Connecticut to the State or any of its officers and employees, which they may have had, now have or will have with respect to all matters arising out of this Contract. To the extent that this section conflicts with any other section, this section shall govern.

11.13 Entire Agreement: This written contract shall constitute the entire agreement between the parties and no other terms and conditions in any document, acceptance, or acknowledgement shall be effective or binding unless expressly agreed to in writing by the University. This contract may not be changed other than by a formal written contract amendment signed by the parties hereto and approved by the Connecticut Attorney General.

11.14 Campaign Contribution Restrictions For purposes of the Campaign Contribution Restrictions, a "State contract" is defined to mean:

### DUTY TO INFORM

State contractors and prospective state contractors are required to inform their principals of the above prohibitions, as applicable, and the possible penalties and other consequences of any violation thereof.

### PENALTIES FOR VIOLATIONS

Contributions or solicitations of contributions made in violation of the above prohibitions may result in the following civil and criminal penalties:

**Civil penalties**—Up to \$2,000 or twice the amount of the prohibited contribution, whichever is greater, against a principal or a contractor. Any state contractor or prospective state contractor which fails to make reasonable efforts to comply with the provisions requiring notice to its principals of these prohibitions and the possible consequences of their violations may also be subject to civil penalties of up to \$2,000 or twice the amount of the prohibited contributions made by their principals.

**Criminal penalties**—Any knowing and willful violation of the prohibition is a Class D felony, which may subject the violator to imprisonment of not more than 5 years, or not more than \$5,000 in fines, or both.

### CONTRACT CONSEQUENCES

In the case of a state contractor, contributions made or solicited in violation of the above prohibitions may result in the contract being voided.

In the case of a prospective state contractor, contributions made or solicited in violation of the above prohibitions shall result in the contract described in the state contract solicitation not being awarded to the prospective state contractor, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.

The State shall not award any other state contract to anyone found in violation of the above prohibitions for a period of one year after the election for which such contribution is made or solicited, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.
