**\*\* Addendum #1 \*\***

**TOWN OF GREENWICH, CT**

**REQUEST FOR BID #7204      DEADLINE: 3/16/16 AT 3:00 P.M.**

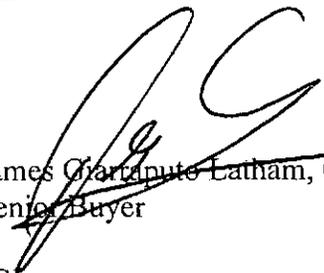

## **BOILER WATER TREATMENT SERVICE**

1. The existing chemical feed equipment currently in place at all locations is the property of the Town of Greenwich. The contractor may elect to use this equipment or replace **all** the existing equipment at all locations at the start of this contract. If the contractor elects to use the existing equipment the following conditions shall apply:

The contractor is responsible to maintain and or replace any existing chemical feed equipment and electronics that fail during the course of the contact period. The replacement equipment shall match the existing functions and chemical delivery at no additional cost to the Town. The replacement and maintenance cost shall be included in the bid prices.

2. If the contractor elects to not use the Town's existing equipment, and instead replaces all of the equipment, the cost of supplying and installing all new chemical feed equipment and corresponding electronics at all locations shall be included in the bid prices.
3. As part of the bid package, the bidder is required to indicate the brand name of each chemical being proposed for each location with a product data and SDS sheet.

**All other terms and conditions remain unchanged.**
