RFI Log for RFQ #011416AA-1 R/V Connecticut Mid-Vessel Extension

RFI No.	Company Name	Date Submitted	Question	Response Req'd From	Response
1	Blount Boats, Inc	03/14/16	What is the displacement (Lightship weight) and Draft (Lightship as well)?	UCONN	The lightship weight is approximately 130.36 long tons.
2	Blount Boats, Inc	03/14/16	Can you supply me a copy of the docking plan?	UCONN	See attachment.
3	Blount Boats, Inc	03/14/16	Can you supply an air draft as well? This conversion would be better suited indoors considering the start date.	UCONN	The Air Draft is about 50 feet (includes short antenna).
4	Blount Boats, Inc	03/14/16	We have a question regarding the requirement of a "A Current Status Letter from the State of Connecticut Department of Revenue Services". As we are a firm based in Rhode Island we are not clear if this is applicable to Blount Boats. If you could clarify if this is required for non-CT firms that would be helpful.	UCONN	For non-CT firms, please provide a Current Status Letter for the State your firm has its principal place of business.
5	Blount Boats, Inc	03/17/16	Please provide a list of potential SBE/MBE's that are certified in CT.	UCONN	Please view the following link to find certified MBE/SBE firms in CT: http://www.biznet.ct.gov/SDSearch/SDSearch.aspx
6	DonJon ShipBuilding and Repair LLC	03/15/16	Will this work be performed on the University Campus? This question is in reference to the sentence under contractor Qualifications "This project relevant experience should be in a similar environment and setting as this work will be performed in a busy and active campus	UCONN	Extension to be completed at the shipyard.
