REQUEST FOR PROPOSAL 2016-32
Dining Services Operations
Addendum #15 Dated May 26, 2016

Contents of Addendum 15 –

- 1. Clarification of Attachment B Annual Retail/Concessions Sales by Year 2011-4/30/16**
 - 2. Clarification on the daily meal rate listed in Section 2.3 Dining Services Overview on page 26 in the RFP**
 - 3. Replace Attachment Y in order to provide additional clarification.**
1. In Attachment B, we have the Total Retail Sales and Concessions on a State Fiscal Year Basis. Please note that in this past contract year of 7/1 – 4/30/16 only, the Commuter Meal Sales were not included in the Retail Sales figure used for the end of year reconciliation. Instead, they were treated the same as residential meal plans. The resultant contract of this process reverts to the previous practice as treating the purchase of the block of meals by the student as a retail variable sale.
 2. On page 26 of the RFP the language related to the daily meal rate is changed as follows:

Both residential dining facilities allow for the purchase of a daily meal. The new Contractor will have the opportunity to set the purchase of a daily meal rate effective for the Spring 2017 semester.

The current rates for the academic Fall 2015, Spring 2016 and Fall 2016 are as follows:

Breakfast \$7.50
Lunch \$8.50
Dinner \$9.50

3. Attachment Y Financial Template is replaced to provide additional clarification to the bidders as well as to clarify the amortization schedule to the Major Renovation Fund. The bidders should note that by completing the template it will satisfy all answers to questions in section 3.3.2 of the RFP titled Financial Proposal.

All other terms, conditions and specifications in the RFP remain the same.
