Invitation to Bid (ITB)

GUIDE RAILING PARTS

Guide to Electronic Bid Submissions

1. Introduction To BizNet

It is now a requirement of Department of Administrative Services (“DAS”)/Procurement Services that all companies create a Business Network (BizNet) account and add their company profiles to the State of Connecticut BizNet system. Companies are responsible for maintaining and updating company information in their BizNet accounts as updates occur. Companies that have been certified through the Supplier Diversity or the Pre-Qualification Program, have already created a BizNet account.

The BizNet login is: <https://www.biznet.ct.gov/AccountMaint/Login.aspx>

New Companies: Create an account by clicking the BizNet login link above and then the button on the right labeled “Create New Account”. Login and select “Doing Business with the State and Company Information”. Please be sure to complete information in all tabs (Company Information, Accounts, Address, etc.....).

Existing Companies Needing to Update Their Information: Login to BizNet and select “Doing Business with the State and Company Information”.

Anyone having difficulty connecting to their account or downloading or uploading forms should call DAS/Procurement Services at 860-713-5095.

2. Business Friendly Legislation

As a result of Public Act 11-229, DAS/Procurement Services’ goal is to make doing business with the State of Connecticut more business friendly. To eliminate redundancy, forms that were repetitively filled out with each ITB are being automated in BizNet.

DAS/Procurement Services began the transition to on-line bidding by automating the submission of Affidavits and Non-Discrimination forms on October 1, 2011. Companies must submit forms electronically to their BizNet account if they haven’t already done so. These forms must be updated on an annual basis, no later than thirty (30) days after the effective date of any material change. Rather than completing them with each bid submittal, companies that have already filed these forms have the ability to view, verify and update their information prior to submitting a bid response.

Instructions for Uploading Affidavits and Non-Discrimination Forms:

Click on the following link for instructions on how to upload Affidavits and Non-Discrimination forms:

Bid Requirements

1. Contract Separately/Additional Savings Opportunities

After Contract award, DAS reserves the right to either seek additional discounts from Contractor or to contract separately for a single purchase, if in the judgement of DAS, the quantity required is sufficiently large, to enable the State to realize a cost savings, over and above the prices set forth in Exhibit B, Price Schedule, whether or not a savings actually occurs.

2. Mandatory Extension to State Entities

Bidder shall offer and extend Contract (including pricing, terms and conditions) to political sub-divisions of the State (towns and municipalities), schools, and not-for-profit organizations.

3. Quantities and/or Usages

If applicable, any quantities set forth in this ITB are estimated quantities and/or usages only and in no way represent a commitment and/or intent to purchase any particular amount. Actual quantities may vary and will be identified on individual purchase orders issued by the Client Agency.

4. Brand Name Specifications and/or References

The use of the name of a manufacturer or of any particular make, model or brand in describing an item does not restrict Bidder to that manufacturer or specific article unless limited by the term "no substitute". However, the article being offered must be of such character and quality so that it will serve the purpose for which it is to be used equally as well as that specified, and Bidder shall warrant to the State that it is fit for that purpose. Bids on comparable items must clearly state the exact article being offered including any and all applicable options and Bidder shall furnish such other information concerning the article being offered as will be helpful in evaluating its acceptability for the purpose intended. If Bidder does not indicate that the article offered is other than as specified, it will be understood that Bidder is offering the article exactly as specified. Bidder must submit complete documentation on the specifications and quality levels of the proposed products. Bids submitted that do not contain this documentation are subject to rejection.

5. Lowest Responsible Qualified Bidder; Micro Business Preference

The contract resulting from this ITB shall be awarded to the lowest responsible qualified Bidder. The qualities of articles to be supplied, their conformity with the needed specifications, their suitability to the requirements of the state government and the delivery terms will be taken into consideration, and the life-cycle costs and trade-in or resale value of the articles may be considered where it appears to be in the best interest of the state. In determining the lowest responsible qualified Bidder, a price preference of up to ten percent (10%) may be given for the purchase of the goods or services from micro businesses. Micro business means a business with gross revenues not exceeding three million dollars (\$3,000,000) in the most recently completed fiscal year. To be considered for this ten percent (10%) price preference, Bidder shall provide, with their bid, a copy of their Federal Internal Revenue tax return form for the most recent fiscal year, confirming the amount of their gross revenues for that fiscal year. Failure to provide such tax return with the bid shall deny Bidder consideration for price preference. For companies who have not yet filed their tax return for the most recently completed fiscal year, in lieu of a tax return, a letter from a Certified Public

Accountant attesting to the company's gross estimated revenues for the most recently completed fiscal year will be accepted.

6. Stability of Bid Prices

Any price offerings from Bidder must be valid for a period of sixty (60) days from the due date of the bid.

7. Amendment or Cancellation of the ITB

DAS reserves the right to cancel, amend, modify or otherwise change this ITB at any time if it deems it to be in the best interest of the State to do so.

8. Bid Modifications

No additions or changes to any bid will be allowed after the bid due date, unless such modification is specifically requested by DAS. DAS, at its option, may seek Bidder retraction and/or clarification of any discrepancy or contradiction found during its review of bids.

9. Bidder Presentation of Supporting Evidence

Bidder must be prepared to provide any evidence of experience, performance, ability, and/or financial surety that DAS deems to be necessary or appropriate to fully establish the performance capabilities represented in their bids.

10. Bidder Demonstration of Services and/or Products

At the discretion of DAS, Bidder must be able to confirm their ability to provide all services bid. Any required confirmation must be provided at a site approved by DAS.

11. Erroneous Awards

DAS reserves the right to correct inaccurate awards.

12. Bid Expenses

Bidder is responsible for all costs and expenses incurred in the preparation of bids and for any subsequent work on the bid that is required by DAS.

13. Ownership of Bids

All bids shall become the sole property of the State and will not be returned.

14. Ownership of Subsequent Products

Any product, whether acceptable or unacceptable, developed under a contract awarded as a result of this ITB shall be the sole property of the State unless otherwise stated in the contract.

15. Oral Agreement or Arrangements

Any alleged oral agreements or arrangements made by Bidder with any State agency or employee will be disregarded in any State bid evaluation or associated award.

Award Criteria

Pursuant to CGS 4a-59 and DAS Procurement Regulations 4a-52-8 and 4a-52-18, the award shall be made to the lowest, responsible qualified Bidder. The following factors, in descending order of relative importance, will be considered in the evaluation to determine the lowest, responsible qualified Bidder:

- (a) Pricing
- (b) The conformity of the supplies, materials, equipment or contractual services to the specifications
- (c) Delivery Terms
- (d) Contractor's past performance
- (e) Contractor's financial responsibility
- (f) The administrative costs of the State
- (g) Life-cycle costs, trade-in or resale value of the supplies, materials or equipment

DAS may award by individual item, group of items, or the entirety of all items. DAS may also reject any and all bids in whole or in part, and waive minor irregularities and omissions if, in the judgment of DAS, the best interest of the state will be served.
