To: Interested Construction and Engineering Firms

Subject: Request for Statement of Qualifications
Rehabilitation of Bridge Nos. 02366, 02367 and 02369 in East Hartford
and Bridge No. 00847 in Willington
State Project No. 0171-0431, East Hartford and Willington

The Connecticut Department of Transportation (Department) is seeking to engage Construction Contractors and Design Engineers to execute a Design-Build contract for the final design and construction of the subject project.

The project includes but is not limited to:

- Design and Construction of four (4) superstructure replacements (11 spans total)
- Related substructure repairs and rehabilitation
- Roadway construction
- Maintenance and Protection of Traffic
- Utility Coordination
- Coordination with stakeholders in conjunction with the Department

All interested parties must comply with the document entitled "Design-Build Procurement Request for Statements of Qualifications (RFQ)" for State Project Number 171-431, Superstructure Replacements and Related Work. The RFQ provides details and requirements of the first stage of the selection process. This document can be found at the following link for The Department of Administrative Services, State Contracting Portal for Department of Transportation projects: [ConnDOT Bids and RFPs \(State Contracting Portal-Transportation, Department of\)](#).

This solicitation is open to all Contractors prequalified in Work Classification No. 9 (Intermediate Bridges). Contractors that are not prequalified may apply for prequalification as outlined in the RFQ document attached. Design Engineering firms are required as part of the Construction Contractors Team. Qualifications of the Design firms shall be demonstrated through the information submitted in response to this solicitation.

Circumstances may require rescheduling or cancellation of projects and, should such action be necessary, the Department would be under no obligation to provide supplementary work for the team selected for this project. The Department reserves the right to award subsequent phases of an assignment to other qualified teams.

All inquiries regarding the RFQ must be directed to the Department contact person identified in said document.

Very truly yours,
