REQUEST FOR APPLICATIONS (RFA) FOR THE ADVANCED MEDICAL HOME PROGRAM
SECOND Addendum

Release Date: 12/13/2016

1. If a practice is designated as PCMH through NCQA standards, is the practice eligible to apply for the AMH Program?
Response: Please refer to Section III.B. Eligible Applicants, to determine if your practice is eligible to participate in the AMH Program.
2. If an Advance Network has a participating practice that is designated as PCMH through NCQA standards, would this preclude the Advance Network from applying for the AMH Program for the remaining primary care practices that are not already NCQA PCMH Recognized?
Response: Please refer to Section III.B. Eligible Applicants, to determine if your practice is eligible to participate in the AMH Program.
3. In regards to questions 1 and 2 above, should the Advance Network submit an application for each practice separately or combine the applications under the Advance Network group application, but excluding the already designated PCMH practice?
Response: The Advanced Network group application should include only those practices that are eligible for the AMH program, and should not include ineligible practices. Please refer to Section IV.A. Application Contents for more information.
