

Connecticut Libraries Fiber Consortium

**Recommendation for Contract Award
In Response to the
REQUEST FOR PROPOSALS FOR
Leased Lit Fiber, Internet Access: ISP Service Only, or Internet Access and Transport
Bundled**

The Connecticut State Library, on behalf of the Connecticut Libraries Fiber Consortium, recommends these as the most cost-effective options for the consortium members. Member Libraries are responsible for contracting directly with these vendors if they choose to.

1. For libraries using fiber-based broadband that want ISP Service Only:
Connecticut Education Network (CEN)

Contact Information:
Wendy Rego, Member Relations Brand Representative
