10. Page 143, Item L02b, **REPLACE** model numbers with N32MBBWX

### 1.3 REQUESTS FOR INFORMATION

- A. **The following is a list of submitted questions and responses regarding furniture and procedures;**
1. Q: *Do you have an estimated project value, union requirements and a start date for the Nonnewaug High School Phase 3 Fixtures, Furnishings and Equipment project?*  
A: We don't give out our FF&E pricing estimates for various reasons. The project is to be bid as prevailing wage, per the wage rates included in the front end, unless, for some reason, that does not apply. The estimated start date of the FF&E phase 1 install (not to be confused with the FF&E being Phase 3 of the overall project) is Aug 13th.
  2. Q: *Is a Silver powder coat an acceptable leg finish for Category T?*  
A: Yes
  3. Q: *What thickness are the specified Nevins tables?*  
A: Nevins tables are 1 ¼", alternate manufacturers do not have to match thickness exactly, their standard thickness that comes closest is acceptable.
  4. Q: *Are any of the standard laminates from Groupe Lacasse acceptable for Category T?*  
A: No. None of the standard laminates offered by Groupe Lacasse are an acceptable match for the specified laminate. The specified COM laminate (Formica, Blossom Cherrywood 758) must be used and an exact matching edge band must be provided.
  5. Q: *Can Groupe Lacasse be submitted as an acceptable alternate for items in Category A?*  
A: No. Only the pre-approved manufacturers listed on the Item Data Sheets are acceptable alternated for Category A. Per Section 00 2119 Instructions to Bidders – Furniture. Item 7.2 states; **Substitutions that are not pre-approved will only be considered for items that list acceptable substitutes as “Or Equal” on the Item Data Sheet.**
  6. Q: *What hardware is to be used for the Woodtech items, AB01 and AB02?*  
A: Pulls to be Mockett, Drift and Knobs to be Mockett, Button both in Satin Nickel.
  7. Q: *Are a set of dumbbells 5lb to 75lbs needed along with the dumbbell rack G16?*  
A: No, the school will be reusing existing weights.
  8. Q: *The following rooms were listed on the Installation Phase Schedule but were not shown on the Furniture by Room document. We just want to confirm there is no furniture going into these rooms: 107, 1016, 1053A, 2011, 1056, 1063A, 2039, 2041, 2044, 2045, 2046, 2053A, 1074, 1111 and 1109 F, G, H, I.*  
A: The rooms listed do have furniture but they are the items that were purchased on State Contract so they are not included in the “BID List of Furniture By Room”. The overall furniture by room list included in the drawing set it lists all items and indicates which items are bid and which are state contract for clarification.
  9. Q: *It states the labor for the project should be priced using Prevailing Wage. Would this apply to ALL furniture or only furniture that is physically attaching to the building walls or floors??*  
A: Yes all furniture must be prevailing wage. We must abide by the Connecticut General Statute Section 31-35.

END OF ADDENDUM No. 1 – FF&E
