ADDENDUM #1 BID #2020-05 Musical Instrument Repair Services

5th August, 2019 – It is intended that this Addendum incorporating the following corrections, revisions, additions, deletions and clarifications become part of the Contract Documents, including pricing as submitted.

1. We had previously submitted a bid for repairs for Fairfield Schools, and just received notification that the bid exceeded allowable budget. Are you able to provide a pricing limit as a guideline for bidders?

Some of the bids received for these services were higher than we expected. So rather than consider a partial award, the Town elected to reject all of the bid submissions and re-bid all of these services. Since the previous bid submissions were rejected, to be considered for these services, all companies will need to re-submit a new bid submission for these services.

Concerning the pricing limit matter; see the bid results from the previous bid solicitation, 28 August, 2014.

Bid #2015-21 was awarded to Atelier Constantin Popescu, LLC for String instrument repairs and Goldie & Libro Music for Brass / Woodwind / Percussion instrument repairs.
