Please submit all questions through this portal . All Questions and answers will be managed through this portal. Question and answers are incorporated into the Sourcing Event and may be incorporated along with the Sourcing Event into any resulting contract. 1.1.1	Provide a summary to include what is being proposed, the important points of the proposal and key benefits of being selected as the Contractor.	★
<b>Group 1.2:</b>	<b>Form of Proposal</b>	
1.2.1	Proposer understands that the University reserves the right to reject any and all proposals, waive irregularities or technicalities in any offer, and accept any offer in whole or in part which it deems to be in its best interest.	★
1.2.2	Proposer hereby certifies: (a) that this proposal is genuine and is not made in the interest of or on behalf of any undisclosed person, firm or corporation; (b) that the proposer has not directly or indirectly induced or solicited any other proposer to put in a false or sham bid; (c) that the proposer has not solicited or induced any person, firm or corporation to refrain from bidding; and (d) that the proposer has not sought by collusion to obtain any advantage over any other proposer or over the University.	★
1.2.3	Proposer agrees that the response to this proposal is a legal and binding offer and the authority to make the offer is vested in the signer. Minor differences and informalities will be resolved by negotiation prior to acceptance of the offer.	★
1.2.4	Is proposer currently a State of Connecticut Small Business Enterprise and certified with the State of CT Department of Administrative Services?	★
1.2.5	Please acknowledge by entering "Agree" for payment terms of 2% 15 days, Net 45 days or provide alternate payment terms.	★
1.2.6	Sales Representative Contact Information - please include name, telephone #, email address and attach resume.	★
1.2.7	Confidential Information: The University treats Proposals as confidential until after the award is issued. At that time they become subject to disclosure under the Freedom of Information Act. If a bidder wishes to supply any information, which it believes is exempt from disclosure under the act, said bidder should summarize such information in a separate file, upload here and mark as Confidential. However, any such information is provided entirely at the bidder's own risk and the University assumes no liability for any loss or damage which may result from the University's disclosure at any time of any information provided by the bidder in connection with its proposal.	★
1.2.8	Freedom of Information: The University is subject to the CT Freedom of Information Act, found in Chapter 14 of the CT General Statutes. Two exceptions may apply are as follows: (1) Conn. Gen. Stat. sec. 1-210(b)(24) permits the University to withhold records related to the procurement process while bidding and contract negotiations are underway (this moratorium is temporary and lasts only until the contract has been executed or negotiations are abandoned); and Conn. Gen. Stat. sec. 1-20(b)(5) permits the University to withhold records in its possession in the event they contain trade secrets (or really any intellectual property). In the event that the University determines that Conn. Gen. Stat. sec. 1-210(b)(5) may apply to a given request for the records in questions, the responsibility to substantiate claims that said would reveal trade secrets and meet the exemption requirements would need to be borne by the owner of said trade secrets, not the University.	★
1.2.9	Conflict of Interest: The bidder shall disclose and identify to the University, with its proposal, any relationships, which may constitute a potential conflict of interest with the University of Connecticut Procurement Services Department, or any other University organizations or departments for the purpose of determining whether a conflict of interest exists. As a provider of goods and/or services to the University, you are hereby required to notify your employees, as well as any subcontractors, who are involved in the implementation of this contract, of this reporting mechanism. Any person who is aware of unethical practices, fraud, violation of state laws or regulations, or other concerns relating to University policies and procedures can report such matters anonymously using the information provided on their website at <a href="https://compliance.uconn.edu">https://compliance.uconn.edu</a>	★
1.2.11	Communications: All formal communications in regards to this solicitation must be in writing in the portal. Until the time when the University posts notification of intent to award; all communications in regards to this solicitation must be sent to the Procurement representative via email. Failure to adhere to this provision may result in a proposer being declared ineligible, proposal rejection, or solicitation cancellation.	★

- Unless specifically authorized in writing by the University's Communications Department on a case by case basis, the Contractor shall have no right to use, and shall not use, the name of the University of Connecticut, its officials or employees, or the Seal of the University, a) in any advertising, publicity, promotion; nor b) to express or imply any endorsement of Contractor's products or services; nor c) to use the name of the state, its officials or employees or the University seal in any manner (whether or not similar to uses prohibited by subparagraphs (a) and (b) above) except only to manufacture and deliver in accordance with this agreement such items as are hereby contracted by the University. ★
- 1.2.12
- The proposing vendor must certify that no elected or appointed official or employee or student of the University has benefited, or will benefit financially or materially from the proposed services. The University may terminate any contract resulting from this bid, if it is determined that gratuities of any kind were either offered to, or received by, any University officer or employee contract to this policy. The authorized signatory of a submitted proposal automatically attests this to be true. (See also Attachment of Governor Rell's Memo to Vendors Conducting Business with the State of Connecticut). The laws of the State of Connecticut provide it is a felony to offer, promise or give anything of value or benefit to a State employee with intent to influence that employee's acts, opinion, judgment or exercise of discretion with respect to that employee's duty. Evidence of violation of this statute will be turned over to the proper prosecuting attorney. See Code of Ethics in CT ★
- 1.2.13
- Group 1.3: Standard Contract Terms and Conditions**
- The following terms and conditions will govern in the submission and evaluation of proposals and the award of a contract. Bidders are requested to carefully review the terms and conditions, as they will become part of any subsequent agreement and award process.
- 1.3.1 Contract Status: The response to this solicitation will be considered an offer to contract. Final negotiations on the highest evaluated offer will be conducted to resolve any differences and informalities. After final negotiations, the University will issue an acceptance of the proposal offer. ★
- 1.3.2 Contract Modification: All changes to the contract must be agreed to, in writing, by both parties prior to executing any change. ★

- 1.3.5 Contract Commencement: The contract will commence upon execution and final approval by the Office of the Attorney General. - 1.3.8 Samples: Samples shall be furnished free of charge. Bidders must indicate if return of any sample is desired. The University shall comply with such request provided samples are returned at bidder's sole cost and expense, FOB Bidder's destination, and that they have not been made useless by testing. If they are useless by testing, the State may dispose of the samples as it deems to be appropriate. Samples may be held for comparison with deliveries. ★

If the vendor continues to be in default, Procurement will have the right to procure the correct goods from another source and charge the difference between the contracted price and the market price to the defaulting vendor. ★
- 1.3.10 Unless otherwise noted, prices shall include delivery and transportation charges fully prepaid F.O.B. DESTINATION. No extra charges for packing or packages will be allowed. ★
- 1.3.11 The University of Connecticut has, in this Request for Proposal and otherwise, provided proposers with information relating to the University, its current operations and initiative described herein. The University assumes no responsibility or liability for the adequacy or accuracy of any information provided by the University, its agents, employees or representatives. The proposer agrees to waive any claim or defense to any claim relating to the adequacy or sufficiency of any information provided prior to the execution of the anticipated contract. Subject to these limitations, this Request for Proposal contains information describing University communities, operations and planned programs. ★

- 1.3.12 If the University and selected Proposer(s) are unable to reach a mutually agreeable contract, the University reserves the right to abandon negotiations and commence negotiations with the second highest ranked Proposer. The University will be the sole judge of the suitability of the proposed Agreement(s). ★
- 1.3.13 Notwithstanding any other provision of this RFP or any ensuing contract, if funds anticipated for the continued fulfillment of the contract are at any time not forthcoming or insufficient, either through the failure of the Connecticut Legislature to provide funds or alteration of the program under which funds were provided, then the University shall have the right to terminate the contract without penalty by giving not less than thirty (30) days advance written notice documenting the lack of funding. Unless otherwise agreed to, the contract shall become null and void on the last day of the fiscal year for which appropriations were received; except that if an appropriation to cover the costs of this contract becomes available within sixty (60) days subsequent to termination under this clause, the University agrees to re-establish a contract with the firm whose contract was terminated under the same provisions, terms and conditions of the original contract. ★

- 1.3.15 The Proposer shall pay all royalties, license fees, and patent to invention rights, or copyrights or trade and service marks and defend all suits or claims for the infringement of any patent or invention right or copyrights or trade and service marks involved in the items furnished in any contract resulting from this RFP. ★
- 1.3.16 The Proposer will hold and save the University and its officers, agents, servants, and employees harmless from liability of any nature or kind, including cost and expenses for, or on account of any patented or unpatented invention, process, article, or appliance furnished in the performance of any contract resulting from this RFP including its use by the owner, unless otherwise specifically stipulated. ★
- 1.3.17 Copyrights for any item specified shall be the property of the University and inure to its benefit and Proposer shall execute such documents, as University may require, for the perfection thereof. ★
- 1.3.18 The University shall retain all rights, title and interest in all its usage, user and biographical data and Proposer shall only use such data to the extent necessary for complying with its obligations to the University unless it otherwise receives express written approval from the University's designee for any other use. ★

Or, if at any later date the items or services contained herein shall not meet all applicable state and federal requirements after the proposer is awarded the contract hereunder, the proposer must notify the University's Director of Procurement Services immediately by registered mail. ★

**Group 1.4:**

**State of Connecticut Terms and Conditions**

- 1.4.1 Please indicate that your firm agrees to all the State of Connecticut terms and conditions found at this website: <http://contracting.uconn.edu/terms-and-conditions>. If your firm disagrees to any, please choose disagree and provide explanation and/or alternate language in the next line. ★

1.4.2 Please provide your exceptions to the State of CT terms and conditions as well as explanation and/or alternate language (if applicable).

**Group 1.5: Delivery Requirements**

- 1.5.1 Delivery Requirements: The University is in the midst of an ambitious, campus-wide building campaign which has resulted in the closing and/or relocation of roads and driveways through the Storrs campus, often times resulting in traffic congestion and making access to buildings and parking at the University difficult. To facilitate other deliveries, it is imperative delivery trucks have the capability to off load large quantities (pallets) in short periods of time. No trailers are allowed. ★
- 1.5.4 Driving on sidewalks, unless otherwise posted, is forbidden. Violators will be tickets and chronic violators may be barred from doing business with the University. In those areas where sidewalk driving is permitted and required, drivers must employ adequate skills so as to avoid driving on adjacent green spaces. ★
- 1.5.5 Queuing up on sidewalks or in traffic lanes to await load zone access is not permitted as this poses a safety hazard to pedestrians and other vehicular traffic. ★
- 1.5.6 Drivers are required to shut off engines while making deliveries to loading zones. ★
