RFP ADDENDUM #3

DESCRIPTION: **VENDING MACHINE OPERATIONS PARTNERSHIP**

FOR: **Department of Aging and Disability Services**

PROPOSERS NOTE:

This addendum is issued to answer question received after the question due date to clarify pertinent information.

1. We were reviewing the solicitation details and had a question regarding the number of machines.

On excel document "3_Vending_Sites_and_Machines_and_BEP_Manager_Facility_Locations" there is no location #1062 "DP - Hopeville School – Teacher", but when I go to "BESB_2_Beverage_Sales_7-2018_-_6-2019_locations_and_Machine_list" location #1062 is listed.

Answer: The vending locations are categorized by BESB 1 – Federal/State/ Municipal locations, BESB 2 Schools and Recreation Center where the commissions are paid directly to the host location, BESB 3 – BEP Manager Operated Locations.

The list of locations in "3" is just BESB 1 and BESB 3. BESB 2 was not included in that listing. The Hopeville School – Teachers was found on the BESB 2, thus it does not appear in the listing of BESB 1 and 3.

2. This happens to the point where we see 2,995 machines from excel documents BESB 1 Beverage, BESB 1 Snack, BESB 2 Beverage and BESB 2 Snack, but only 1,489 from "3_Vending_Sites_and_Machines_and_BEP_Manager_Facility_Locations" on tab 'Site Locations – Machines'.

Answer: This is the same situation that the listing of locations is not inclusive of the school locations. Proposers should refer to the number of machines listed in the sales reports. During the 2018-2019 there were some transitions from Coca-Cola machines to sub-contractors. If Coca-Cola's and a sub-contractor are both listed as a location, the beverage machine count would be those of the sub-contractor only.
