Kurtz Bros. Online Ordering Introduction

Welcome to the Kurtz Bros. website. The following guide describes the how to register for an online account. If you have any questions or need assistance with the Kurtz Bros. website you may call 800-252-3811.

Kurtz Bros. Online Ordering Kurtz Bros. Online Account Registration

To register:

- Click on the Register Now link in the navigation bar.
- Fill out the Personal Information, Shipping Address, & Billing Address information.
- Fill out the USERID (5 to 60 characters – you can use your email address) and PASSWORD (5 to 10) that you want to use for your account. Retype Password.
- Next, you need to answer the following questions:

	Yes	No
Manage district users and requisitions:	<input type="radio"/>	<input type="radio"/>
View school order lists and tracking information	<input type="radio"/>	<input type="radio"/>

- For Administrators or Users that will have final approval of the requisitions, choose Yes for Manage district users and requisitions. This will allow the user to add new subordinate users, manage lists of users in the KB system for requisitioning and permit this user to approve requisitions for the school or administrative office. It will also allow the user to view all orders submitted by the account.
 - Choose Yes for View school order lists and tracking information, which will allow the user to view school wide order inquiry lists.
- Review the information you provided. When you have verified that the information is correct, click **Submit**.
 - The account information will then be sent to Kurtz Bros. for account authorization, which will take 1 – 2 days.
 - When the account is approved, the user will be sent an email confirming that the account is now active.

Kurtz Bros. Online Ordering

Registered – Active Account – Adding Users

- Now that you have registered for an account, you can ADD Subordinate users (if you chose Yes for the Manage district users and requisition question on the previous page).

To add a user:

- Log onto the Kurtz Bros. website. (You will know you are logged in if you see, for example: Welcome, Lori Smith at the top right of the screen.)
- Click the Add a User link in the left navigation bar.
- Fill in the user’s name, title, phone #, fax #, and email address.
- Click on the drop-down box to select the appropriate billing and shipping address.
- Next you will need to select a user ID to identify the new user, and again it is 5 to 60 characters – you can also use the users email address as the user ID. A temporary password will be assigned. (If you are a district administrator then you need to assign a password for the user. The password must be at least 6 characters. The user may change this password himself, after logging onto the website).
- Next, you will have to answer questions regarding the subordinate user’s privileges. If you are not a district administrator, meaning you cannot approve requisitions to turn them into Kurtz Bros. orders, you would answer these 2 questions:

	Yes	No
Add other users:	<input type="radio"/>	<input type="radio"/>
View Discount and special pricing:	<input type="radio"/>	<input type="radio"/>

- For a district administrator (can approve requisitions, making them Kurtz Bros. orders) the questions are slightly different:

	Yes	No
Add other users:	<input type="radio"/>	<input type="radio"/>
Create live Kurtz Bros. orders:	<input type="radio"/>	<input type="radio"/>
View Discount and special pricing:	<input type="radio"/>	<input type="radio"/>
Change Account	<input type="radio"/>	<input type="radio"/>

- If you want the user to have the privilege of adding subordinate users, click Yes for the first question (Add other users). This would be appropriate if the user you were adding is a principal of a school and the principal then could have subordinates (teachers) under his/her authority.
- Click Yes for the second question (Create live KB orders) if you want the user's requisitions to come to you for your approval before becoming an order. Clicking No here will allow the user to approve their own orders.
- Click Yes for the third question (View discount and special pricing) if this user should be allowed to view any discounts or special pricing the school or school district will have. By clicking Yes here, the discount (if the school has one) will be displayed while the user is creating their requisition or order.
- Click Yes for the last question (Change Account) if this user should be allowed to change their account. By clicking Yes here, the user can change things in their own account such as name, title, phone number, fax number, email address, and password.
- After you have verified the above information is correct, click Add User.
 - **Next you will be asked to Select the Approver for the New User** (if your account has multiple approvers):
 - **Just click on the approver for the new user and the new user will be added.**
- The user will be sent an email confirming that they now have an active account. (Subordinate users are authorized by the Administrative account, not Kurtz Bros.).

In addition, no holder or principal of a holder of a valid prequalification certificate, shall make a contribution to (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of State senator or State representative, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee.

On and after January 1, 2011, no state contractor, prospective state contractor, principal of a state contractor or principal of a prospective state contractor, with regard to a state contract or state contract solicitation with or from a state agency in the executive branch or a quasi-public agency or a holder, or principal of a holder of a valid prequalification certificate, shall **knowingly solicit** contributions from the state contractor's or prospective state contractor's employees or from a *subcontractor or principals of the subcontractor* on behalf of (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of Governor, Lieutenant Governor, Attorney General, State Comptroller, Secretary of the State or State Treasurer, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee.

PENALTIES FOR VIOLATIONS

Contributions of solicitations of contributions made in violation of the above prohibitions may result in the following civil and criminal penalties:

Civil Penalties – Up to \$2,000 or twice the amount of the prohibited contribution, whichever is greater, against a principal or a contractor. Any state contractor or prospective state contractor which fails to make reasonable efforts to comply with the provisions requiring notice to its principals of these prohibitions and possible consequences of their violations may also be subject to civil penalties of up to \$2,000 or twice the amount of the prohibited contributions made by their principals.

Criminal penalties – Any knowing and willful violation of the prohibition is a Class D felony, which may subject the violator to imprisonment of not more than 5 years, or not more than \$5,000 in fines, or both.

CONTRACT CONSEQUENCES

In the case of a state contractor, contributions made or solicited in violation of the above prohibitions may result in the contract being voided.

In the case of a prospective state contractor, contributions made or solicited in violation of the above prohibitions shall result in the contract described in the state contract solicitation not being awarded to the prospective state contractor, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.

The State shall not award any other state contract to anyone found in violation of the above prohibitions for a period of one year after the election for which such contribution is made or solicited, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.
