- c) The failure at any time by either party to this Contract to require performance by the other party of any provision hereof shall not affect in any way the full right to require such performance at any time thereafter. 25. WHISTLEBLOWER PROVISION

This Contract may be subject to the provisions of Section 4-61dd of the Connecticut General Statutes. In accordance with this statute, if an officer, employee or appointing authority of the Contractor takes or threatens to take any personnel action against any employee of the Contractor in retaliation for such employee's disclosure of information to any employee of the contracting state or quasi-public agency or the Auditors of Public Accounts or the Attorney General under the provisions of subsection (a) of such statute, the Contractor shall be liable for a civil penalty of not more than five thousand dollars for each offense, up to a maximum of twenty per cent of the value of this Contract. Each violation shall be a separate and distinct offense and in the case of a continuing violation, each calendar day's continuance of the violation shall be deemed to be a separate and distinct offense. The State may request that the Attorney General bring a civil action in the Superior Court for the Judicial District of Hartford to seek imposition and recovery of such civil penalty. In accordance with subsection (f) of such statute, each large state contractor, as defined in the statute, shall post a notice of the provisions of the statute relating to large state contractors in a conspicuous place which is readily available for viewing by the employees of the Contractor.

26. DISCLOSURE OF PUBLIC RECORDS PROVISION

This Contract may be subject to the provisions of Section 1-218 of the Connecticut General Statutes. In accordance with this statute, each contract in excess of two million five hundred thousand dollars between a public agency and a person for the performance of a governmental function shall (a) provide that the public agency is entitled to receive a copy of records and files related to the performance of the governmental function, and (b) indicate that such records and files are subject to FOIA and may be disclosed by the public agency pursuant to FOIA. No request to inspect or copy such records or files shall be valid unless the request is made to the public agency in accordance with FOIA. Any complaint by a person who is denied the right to

inspect or copy such records or files shall be brought to the Freedom of Information Commission in accordance with the provisions of Sections 1-205 and 1-206 of the Connecticut General Statutes.

27. FORUM AND CHOICE OF LAW

The parties deem the Contract to have been made in the City of Hartford, State of Connecticut. Both parties agree that it is fair and reasonable for the validity and construction of the Contract to be, and it shall be, governed by the laws and court decisions of the State of Connecticut, without giving effect to its principles of conflicts of laws. To the extent that any immunities provided by Federal law or the laws of the State of Connecticut do not bar an action against the State, and to the extent that these courts are courts of competent jurisdiction, for the purpose of venue, the complaint shall be made returnable to the Judicial District of Hartford only or shall be brought in the United States District Court for the District of Connecticut only, and shall not be transferred to any other court, provided, however, that nothing here constitutes a waiver or compromise of the sovereign immunity of the State of Connecticut. The Contractor waives any objection which it may now have or will have to the laying of venue of any Claims in any forum and further irrevocably submits to such jurisdiction in any suit, action or proceeding.

28. BREACH

a) If either party breaches the Contract in any respect, the non-breaching party shall provide written notice of the breach to the breaching party by overnight or certified mail, return receipt requested, to the most current address the breaching party has furnished for the purposes of correspondence and afford the breaching party an opportunity to cure within thirty (30) days from the date that the breaching party receives the notice. In the case of a Contractor breach, DAS may set forth any period greater or less than thirty (30) days, so long as such time period is otherwise consistent with the provisions of this Contract (for the purposes of this paragraph, the time period set forth by the non-breaching party shall be referred to as the “right to cure period”). The right to cure period shall be extended if the non-breaching party is satisfied that the breaching party is making a good faith effort to cure, but the nature of the breach is such that it cannot be cured within the right to cure period.

b) In the event of a breach, DAS may require the Contractor to prepare and submit to DAS or the Department a Corrective Action Plan in connection with an identified breach. The Corrective Action Plan shall provide a detailed explanation of the reasons for the cited deficiency(ies), the Contractor’s assessment or diagnosis of the cause, and a specific proposal to cure or resolve the deficiency(ies). The Contractor shall submit the Corrective Action Plan within ten (10) business days following the request for the plan by the State and is subject to approval by the Department or DAS, which approval shall not unreasonably be withheld. Notwithstanding the submission and acceptance of a Corrective Action Plan, Contractor remains responsible for achieving all Performance criteria. The acceptance of a Corrective Action Plan shall not excuse prior substandard Performance, relieve Contractor of its duty to comply with Performance standards, or prohibit the State from pursuing additional remedies or other approaches to correct substandard Performance.

c) The written notice of the breach may include an effective Termination date. If the identified breach is not cured by the stated Termination date, unless otherwise modified by the non-breaching party in writing prior to such date, no further action shall be required of any party to effect the Termination as of the stated date. If the notice does not set forth an effective Termination date, the non-breaching party shall be required

to provide the breaching party no less than twenty four (24) hours written notice prior to terminating the Contract, such notice to be provided in accordance with Section 29(c).

d) If the Department reasonably and in good faith determines the Contractor has not Performed in accordance with the Contract, the State may withhold payment in whole or in part in an amount reasonably related to the non-performance pending resolution of the Performance issue, provided that the State notifies the Contractor in writing prior to the date that the payment would have been due.

e) Notwithstanding any provisions in this Contract, DAS may terminate this Contract with no right to cure period for Contractor's breach or violation of any of the provisions in the section concerning Representations and Warranties and revoke any consent to assignments given as if the assignments had never been requested or consented to, without liability to the Contractor or Contractor Parties or any third party.

f) Termination under this Breach section is subject to the provisions of the Termination section in this Contract.

29. TERMINATION

a) Notwithstanding any provisions in this Contract, the DAS, through a duly authorized employee, may Terminate the Contract whenever DAS makes a written determination that such Termination is in the best interests of the State. DAS shall notify the Contractor in writing of Termination pursuant to this section, which notice shall specify the effective date of Termination and the extent to which the Contractor must complete its Performance under the Contract prior to such date.

b) Notwithstanding any provisions in this Contract, DAS, through a duly authorized employee, may, after making a written determination that the Contractor has breached the Contract, Terminate the Contract in accordance with the provisions in the Breach section of this Contract.

c) DAS shall send the notice of Termination via certified mail, return receipt requested, to the Contractor at the most current address which the Contractor has furnished to DAS for purposes of correspondence, or by hand delivery. Upon receiving the notice from the DAS, the Contractor shall immediately discontinue all services affected in accordance with the notice, undertake commercially reasonable efforts to mitigate any losses or damages and deliver to the Department all Records. The Records are deemed to be the property of the Department and the Contractor shall deliver them to the Department no later than thirty (30) days after the Termination of the Contract or fifteen (15) days after the Contractor receives a written request from the Department for the Records. The Contractor shall deliver those Records that exist in electronic, magnetic or other intangible form in a non-proprietary format, such as, but not limited to, ASCII or .TXT.

d) Upon receipt of a written notice of Termination from DAS, the Contractor shall cease operations as DAS directs in the notice, and take all actions that are necessary or appropriate, or that DAS may reasonably direct, for the protection, and preservation of the Goods and any other property. Except for any work which DAS directs the Contractor to Perform in the notice prior to the effective date of Termination, and except as otherwise provided in the notice, the Contractor shall terminate or conclude all existing subcontracts and purchase orders and shall not enter into any further subcontracts, purchase orders or commitments.

e) The Department shall, within forty-five (45) days of the effective date of Termination, reimburse the Contractor for its Performance rendered and accepted by the Department, in addition to all reasonable costs, incurred after Termination in completing those portions of the Performance which the notice required the

Contractor to complete. However, the Contractor is not entitled to receive and the Department is not obligated to tender to the Contractor any payments for anticipated or lost profits. Upon request by DAS, the Contractor shall assign to DAS or the Department, or any replacement contractor which DAS or the Department designates, all subcontracts, purchase orders, and other information pertaining to its Performance, and remove from State premises, whether leased or owned, all of Contractor's property, equipment, waste material and rubbish related to its Performance, all as DAS may request.

f) For breach or violation of any of the provisions in the section concerning Representations and Warranties, the DAS may Terminate the Contract in accordance with its terms and revoke any consents to assignments given as if the assignments had never been requested or consented to, without liability to the Contractor or Contractor Parties or any third party.

g) Upon Termination of the Contract, all rights and obligations shall be null and void, so that no party shall have any further rights or obligations to any other party, except with respect to the sections which survive Termination. All representations, warranties, agreements and rights of the parties under the Contract shall survive such Termination to the extent not otherwise limited in the Contract and without each one of them having to be specifically mentioned in the Contract.

h) Termination of the Contract pursuant to this section shall not be deemed to be a breach of the Contract by the State.

Such credit monitoring or protection plans shall be approved by the State in accordance with this section and shall cover a length of time commensurate with the circumstances of the Confidential Information Breach. The Contractors' costs and expenses for the credit monitoring and protection plan shall not be recoverable from DAS, the Department, any State of Connecticut entity or any affected individuals.

d) The Contractor shall incorporate the requirements of this section in all subcontracts requiring each Contractor Party to safeguard Confidential Information in the same manner as provided for in this section.

e) Nothing in this section shall supersede in any manner Contractor's or Contractor Party's obligations pursuant to HIPAA or any provisions of this Contract concerning the obligations of the Contractor as a Business Associate of Covered Entity.

17. DELIVERABLE REPLACEMENTS & UPGRADES

a) At any time after the Effective Date, the Department may order replacement of any Deliverable with any other deliverable then available to the Department (referred to as Replacement Deliverable in this section to distinguish from the Deliverable being replaced). Replacement Deliverables are subject to evaluation and acceptance as set forth in Section 7.

b) Contractor shall provide the Department with a discount or credit according to Contractor's policy then in effect or according to the credit shown below, whichever is greater:

1. If the Replacement Deliverable is replacing a Deliverable that was provided by the Contractor under a lump sum payment perpetual license, the Department shall receive a credit toward the license fee for the Replacement Deliverable equal to a percentage of the license fee that was

paid for the Deliverable to be replaced. The percentage shall be based on the length of time that has passed since the Acceptance Date for the Deliverable being replaced, as follows:

- 1 - 12 months = 75% of the license fee paid for the Deliverable
- 13 - 24 months = 50% of license fee paid for the Deliverable
- 25 - 36 months = 25% of license fee paid for the Deliverable
- 37 months or more = No credit

2. If the Replacement Deliverable is replacing a Deliverable that was provided by the Contractor under a periodic payment license, the Department shall not receive any credit toward the license fee for the Replacement Deliverable. License fee payments for the Deliverable being replaced shall terminate on the Acceptance Date of the Replacement Deliverable.
3. If the Replacement Deliverable is replacing a Deliverable that was provided by the Contractor under a lump-sum payment non-perpetual license, the Department shall receive a credit toward the Replacement Deliverable license fee equal to the prorated license fee for the period commencing the Acceptance Date of the Replacement Deliverable and the expiration date of the license term for the Deliverable being replaced.

c) The Department shall be responsible for the applicable license fee for a Replacement Deliverable as of the Acceptance Date of the Replacement Deliverable.

d) Contractor shall keep current any installed Deliverable or Replacement Deliverable throughout its license term by delivering, at no cost or expense to Department, the most current release of said Deliverable or Replacement Deliverable to the Department, provided that said Department has paid or will pay the most recent applicable annual maintenance charges.

18. RISK OF LOSS & INSURANCE

a) The State shall not be liable to Contractor for any risk of Deliverable loss or damage while Deliverable is in transit, or while in the Department's possession, except when such loss or damage is due directly to the Department's negligence or intentional misconduct. Nothing in this section is intended nor shall it be construed, in any manner, as waiving or compromising the sovereign immunity of the State.

b) Throughout the Term, Contractor shall maintain, at Contractor's sole cost and expense, a policy or policies of commercial general liability insurance, including contractual liability coverage, in an amount not less than \$1,000,000.00 for all damages arising out of bodily injuries to, or death of, all persons and injuries to or destruction of property, in any one accident or occurrence, and, subject to that limit per accident, a total (or aggregate) limit of \$2,000,000.00 per occurrence for all damages arising out of bodily injuries to, or death of, all persons and injuries to or destruction of property per policy period. Such insurance policy or policies shall name the State as additional insured. Contractor shall provide the State a certificate of insurance evidencing the above coverage on an annual basis and shall not begin performance of the Services until such a certificate has been provided to DAS, and, if requested, the Department.

c) During the Term, and for a period of three (3) years thereafter, the Contractor shall carry Professional Liability Insurance in the amount of \$1,000,000 per Claim and Annual Aggregate. Contractor shall provide the State a certificate of insurance evidencing such Professional Liability Insurance coverage upon written request on an annual basis and shall not begin Performance of the Services until such a certificate has been provided to the Department.

d) Throughout the Term, Contractor shall carry, at Contractor's sole cost and expense, an Information Security Privacy insurance policy with limits not less than \$1,000,000 per occurrence or claim, \$1,000,000 aggregate. Coverage shall be sufficiently broad to respond to the duties and obligations as is undertaken by Contractor in this Contract and shall include, but not be limited to, claims involving infringement of intellectual property, including but not limited to infringement of copyright, trademark, invasion of privacy violations, information theft, damage to or destruction of electronic information, release of private information, release of Confidential Information, alteration of electronic information, extortion and network security. The policy shall provide coverage for breach response costs as well as regulatory fines and penalties as well as credit monitoring expenses with limits sufficient to respond to these obligations.

e) All insurance with the exception of the professional liability insurance required under (c) above must be written on an occurrence basis as opposed to "claims made" basis.

19. DELIVERABLE ALTERATIONS

a) Alterations of any hardware Deliverable may be made only with the prior written consent of Contractor and/or manufacturer. Such consent shall not be unreasonably withheld or delayed and shall be provided without cost to Department.

b) Any and all inventions or improvements to computer programs and/or base software specifically developed by the Contractor and paid for by the Department pursuant to this Contract shall become the property of the State. The State shall retain all ownership rights to any such inventions or improvements.

c) If any Deliverable Alteration interferes with the normal and satisfactory operation or maintenance and support of any Deliverable, or increases substantially the costs of maintenance and support thereof, or creates a safety hazard, the Department shall, upon receipt of written notice from Contractor, promptly restore the Deliverable to its pre-altered condition.

d) The State hereby acknowledges and agrees Contractor may develop and market a new or substantially different product that either uses or performs all or part of the functions performed by an installed Deliverable developed for the State. Nothing contained in this Contract gives the State any rights with respect to such new or different product.

20. FORCE MAJEURE

21. ANTITRUST

Contractor hereby irrevocably assigns to the State of Connecticut all rights, title and interest in and to all Claims associated with this Contract that Contractor now has or may or will have and that arise under the antitrust laws of the United States, 15 USC Section 1, *et seq.* and the antitrust laws of the State of Connecticut, Connecticut General Statute § 35-24, *et seq.*, including but not limited to any and all Claims for overcharges. This assignment shall become valid and effective immediately upon the accrual of a Claim without any further action or acknowledgment by the parties.

22. GENERAL PROVISIONS

- b) If any term or condition of this Contract is decided by a proper authority to be invalid, the remaining provisions of the Contract shall be unimpaired and the invalid provision shall be replaced by a provision which comes closest to the intention underlying the invalid provision. Contractor shall comply with the statutes, regulations, Executive Orders and policies incorporated into this Contract to the extent that such statutes, regulations, Executive Orders and/or policies are applicable to Contractor in connection with its Performance under this Contract.
- c) The failure at any time by either party to this Contract to require performance by the other party of any provision hereof shall not affect in any way the full right to require such performance at any time thereafter. The failure of either party to enforce or pursue a right or remedy shall not constitute a waiver of the right or remedy itself, unless such a waiver is expressed in writing and signed by a duly authorized representative of the waiving party.
- d) In any case where the consent or approval of either party is required to be obtained under this Contract, such consent or approval shall not be unreasonably withheld or delayed. - e) The Department shall not remove or destroy any proprietary markings or proprietary legends placed upon or contained within any Deliverable.
- f) Except as may be otherwise provided for in this Contract, the Department shall not assign, mortgage, alter, relocate or give up possession of any Deliverable to which Contractor retains title without the prior written consent of Contractor.
- g) Contractor represents and warrants that it shall not, without prior written consent from the State, make any reference to the Department or the State in any of Contractor's advertising or news releases. The Contractor may use the State's and/or the Department's name as a specific citation within proposals it submits.
- h) Contractor shall execute any and all documents or to take any actions which may be reasonably

necessary to perfect the rights granted to the State in Section 14.

i) Neither Department nor Contractor's personnel who had substantive contact with personnel of the other in the course of the Performance of the Services hereunder shall directly or indirectly employ, solicit, engage or retain the services of such an employee of the other party to this Contract during its Term and for a period of one year from the Termination of this Contract or such longer period as may be required by State statute. This provision shall not restrict the right of either party to solicit or recruit generally in the media.

j) The Department shall cooperate with Contractor in the Performance by Contractor of the services hereunder, including, (i) providing Contractor with adequate working space, equipment and facilities and timely access to data, information, and personnel of the State; (ii) providing experienced and qualified personnel to perform their assigned tasks and duties in a competent and timely fashion; (iii) providing a stable, fully functional system infrastructure environment which will support the Deliverables and allow Contractor and the Department to work productively; and (iv) promptly notifying Contractor of any issues, concerns or disputes with respect to the services provided by Contractor hereunder. Notwithstanding any language in this Contract that relates to such statute, public act, regulation, code or executive order, and notwithstanding a lack of a formal amendment to this Contract, this Contract shall always be read and interpreted as if it contained the most current and applicable wording and requirements of such statute, public act, regulation, code or executive order as if their most current language had been used in and requirements incorporated into this Contract at the time of its execution.

25. WHISTLEBLOWER PROVISION

This Contract may be subject to the provisions of Section 4-61dd of the Connecticut General Statutes. In accordance with this statute, if an officer, employee or appointing authority of the Contractor takes or threatens to take any personnel action against any employee of the Contractor in retaliation for such employee's disclosure of information to any employee of the contracting state or quasi-public agency or the Auditors of Public Accounts or the Attorney General under the provisions of subsection (a) of such statute, the Contractor shall be liable for a civil penalty of not more than five thousand dollars for each offense, up to a maximum of twenty per cent of the value of this Contract. Each violation shall be a separate and distinct offense and in the case of a continuing violation, each calendar day's continuance of the violation shall be deemed to be a separate and distinct offense. The State may request that the Attorney General bring a civil action in the Superior Court for the Judicial District of Hartford to seek imposition and recovery of such civil penalty. In accordance with subsection (f) of such statute, each large state contractor, as defined in the statute, shall post a notice of the provisions of the statute relating to large state contractors in a conspicuous place which is readily available for viewing by the employees of the Contractor.

26. DISCLOSURE OF PUBLIC RECORDS PROVISION

This Contract may be subject to the provisions of Section 1-218 of the Connecticut General Statutes. In accordance with this statute, each contract in excess of two million five hundred thousand dollars between a public agency and a person for the performance of a governmental function shall (a) provide that the public agency is entitled to receive a copy of records and files related to the performance of the governmental function, and (b) indicate that such records and files are subject to FOIA and may be disclosed by the public agency pursuant to FOIA. No request to inspect or copy such records or files shall be valid unless the request is made to the public agency in accordance with FOIA. Any complaint by a person who is denied the right to

inspect or copy such records or files shall be brought to the Freedom of Information Commission in accordance with the provisions of Sections 1-205 and 1-206 of the Connecticut General Statutes.

27. FORUM AND CHOICE OF LAW

The parties deem the Contract to have been made in the City of Hartford, State of Connecticut. Both parties agree that it is fair and reasonable for the validity and construction of the Contract to be, and it shall be, governed by the laws and court decisions of the State of Connecticut, without giving effect to its principles of conflicts of laws. To the extent that any immunities provided by Federal law or the laws of the State of Connecticut do not bar an action against the State, and to the extent that these courts are courts of competent jurisdiction, for the purpose of venue, the complaint shall be made returnable to the Judicial District of Hartford only or shall be brought in the United States District Court for the District of Connecticut only, and shall not be transferred to any other court, provided, however, that nothing here constitutes a waiver or compromise of the sovereign immunity of the State of Connecticut. The Contractor waives any objection which it may now have or will have to the laying of venue of any Claims in any forum and further irrevocably submits to such jurisdiction in any suit, action or proceeding.

28. BREACH

a) If either party breaches the Contract in any respect, the non-breaching party shall provide written notice of the breach to the breaching party by overnight or certified mail, return receipt requested, to the most current address the breaching party has furnished for the purposes of correspondence and afford the breaching party an opportunity to cure within thirty (30) days from the date that the breaching party receives the notice. In the case of a Contractor breach, DAS may set forth any period greater or less than thirty (30) days, so long as such time period is otherwise consistent with the provisions of this Contract (for the purposes of this paragraph, the time period set forth by the non-breaching party shall be referred to as the “right to cure period”). The right to cure period shall be extended if the non-breaching party is satisfied that the breaching party is making a good faith effort to cure, but the nature of the breach is such that it cannot be cured within the right to cure period.

b) In the event of a breach, DAS may require the Contractor to prepare and submit to DAS or the Department a Corrective Action Plan in connection with an identified breach. The Corrective Action Plan shall provide a detailed explanation of the reasons for the cited deficiency(ies), the Contractor’s assessment or diagnosis of the cause, and a specific proposal to cure or resolve the deficiency(ies). The Contractor shall submit the Corrective Action Plan within ten (10) business days following the request for the plan by the State and is subject to approval by the Department or DAS, which approval shall not unreasonably be withheld. Notwithstanding the submission and acceptance of a Corrective Action Plan, Contractor remains responsible for achieving all Performance criteria. The acceptance of a Corrective Action Plan shall not excuse prior substandard Performance, relieve Contractor of its duty to comply with Performance standards, or prohibit the State from pursuing additional remedies or other approaches to correct substandard Performance.

c) The written notice of the breach may include an effective Termination date. If the identified breach is not cured by the stated Termination date, unless otherwise modified by the non-breaching party in writing prior to such date, no further action shall be required of any party to effect the Termination as of the stated date. If the notice does not set forth an effective Termination date, the non-breaching party shall be required

to provide the breaching party no less than twenty four (24) hours written notice prior to terminating the Contract, such notice to be provided in accordance with Section 29(c).

d) If the Department reasonably and in good faith determines the Contractor has not Performed in accordance with the Contract, the State may withhold payment in whole or in part in an amount reasonably related to the non-performance pending resolution of the Performance issue, provided that the State notifies the Contractor in writing prior to the date that the payment would have been due.

e) Notwithstanding any provisions in this Contract, DAS may terminate this Contract with no right to cure period for Contractor's breach or violation of any of the provisions in the section concerning Representations and Warranties and revoke any consent to assignments given as if the assignments had never been requested or consented to, without liability to the Contractor or Contractor Parties or any third party.

f) Termination under this Breach section is subject to the provisions of the Termination section in this Contract.

29. TERMINATION

a) Notwithstanding any provisions in this Contract, the DAS, through a duly authorized employee, may Terminate the Contract whenever DAS makes a written determination that such Termination is in the best interests of the State. DAS shall notify the Contractor in writing of Termination pursuant to this section, which notice shall specify the effective date of Termination and the extent to which the Contractor must complete its Performance under the Contract prior to such date.

b) Notwithstanding any provisions in this Contract, DAS, through a duly authorized employee, may, after making a written determination that the Contractor has breached the Contract, Terminate the Contract in accordance with the provisions in the Breach section of this Contract.

c) DAS shall send the notice of Termination via certified mail, return receipt requested, to the Contractor at the most current address which the Contractor has furnished to DAS for purposes of correspondence, or by hand delivery. Upon receiving the notice from the DAS, the Contractor shall immediately discontinue all services affected in accordance with the notice, undertake commercially reasonable efforts to mitigate any losses or damages and deliver to the Department all Records. The Records are deemed to be the property of the Department and the Contractor shall deliver them to the Department no later than thirty (30) days after the Termination of the Contract or fifteen (15) days after the Contractor receives a written request from the Department for the Records. The Contractor shall deliver those Records that exist in electronic, magnetic or other intangible form in a non-proprietary format, such as, but not limited to, ASCII or .TXT.

d) Upon receipt of a written notice of Termination from DAS, the Contractor shall cease operations as DAS directs in the notice, and take all actions that are necessary or appropriate, or that DAS may reasonably direct, for the protection, and preservation of the Goods and any other property. Except for any work which DAS directs the Contractor to Perform in the notice prior to the effective date of Termination, and except as otherwise provided in the notice, the Contractor shall terminate or conclude all existing subcontracts and purchase orders and shall not enter into any further subcontracts, purchase orders or commitments.

e) The Department shall, within forty-five (45) days of the effective date of Termination, reimburse the Contractor for its Performance rendered and accepted by the Department, in addition to all reasonable costs, incurred after Termination in completing those portions of the Performance which the notice required the

Contractor to complete. However, the Contractor is not entitled to receive and the Department is not obligated to tender to the Contractor any payments for anticipated or lost profits. Upon request by DAS, the Contractor shall assign to DAS or the Department, or any replacement contractor which DAS or the Department designates, all subcontracts, purchase orders, and other information pertaining to its Performance, and remove from State premises, whether leased or owned, all of Contractor's property, equipment, waste material and rubbish related to its Performance, all as DAS may request.

f) For breach or violation of any of the provisions in the section concerning Representations and Warranties, the DAS may Terminate the Contract in accordance with its terms and revoke any consents to assignments given as if the assignments had never been requested or consented to, without liability to the Contractor or Contractor Parties or any third party.

g) Upon Termination of the Contract, all rights and obligations shall be null and void, so that no party shall have any further rights or obligations to any other party, except with respect to the sections which survive Termination. All representations, warranties, agreements and rights of the parties under the Contract shall survive such Termination to the extent not otherwise limited in the Contract and without each one of them having to be specifically mentioned in the Contract.

h) Termination of the Contract pursuant to this section shall not be deemed to be a breach of the Contract by the State.

CAMPAIGN CONTRIBUTION AND SOLICITATION LIMITATIONS

No *state contractor, prospective state contractor, principal of a state contractor or principal of a prospective state contractor*, with regard to a *state contract or state contract solicitation* with or from a state agency in the executive branch or a quasi-public agency or a holder, or principal of a holder of a valid prequalification certificate, shall make a contribution to (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of Governor, Lieutenant Governor, Attorney General, State Comptroller, Secretary of the State or State Treasurer, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee (which includes town committees).

In addition, no holder or principal of a holder of a valid prequalification certificate, shall make a contribution to (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of State senator or State representative, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee.

On and after January 1, 2011, no state contractor, prospective state contractor, principal of a state contractor or principal of a prospective state contractor, with regard to a state contract or state contract solicitation with or from a state agency in the executive branch or a quasi-public agency or a holder, or principal of a holder of a valid prequalification certificate, shall **knowingly solicit** contributions from the state contractor's or prospective state contractor's employees or from a *subcontractor or principals of the subcontractor* on behalf of (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of Governor, Lieutenant Governor, Attorney General, State Comptroller, Secretary of the State or State Treasurer, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee.

DUTY TO INFORM

State contractors and prospective state contractors are required to inform their principals of the above prohibitions, as applicable, and the possible penalties and other consequences of any violation thereof.

PENALTIES FOR VIOLATIONS

Contributions of solicitations of contributions made in violation of the above prohibitions may result in the following civil and criminal penalties:

Civil Penalties – Up to \$2,000 or twice the amount of the prohibited contribution, whichever is greater, against a principal or a contractor. Any state contractor or prospective state contractor which fails to make reasonable efforts to comply with the provisions requiring notice to its principals of these prohibitions and possible consequences of their violations may also be subject to civil penalties of up to \$2,000 or twice the amount of the prohibited contributions made by their principals.

Criminal penalties – Any knowing and willful violation of the prohibition is a Class D felony, which may subject the violator to imprisonment of not more than 5 years, or not more than \$5,000 in fines, or both.

CONTRACT CONSEQUENCES

In the case of a state contractor, contributions made or solicited in violation of the above prohibitions may result in the contract being voided.

In the case of a prospective state contractor, contributions made or solicited in violation of the above prohibitions shall result in the contract described in the state contract solicitation not being awarded to the prospective state contractor, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.

The State shall not award any other state contract to anyone found in violation of the above prohibitions for a period of one year after the election for which such contribution is made or solicited, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.
