Re: Master Agreement #05ITZ0005MB

Dear Ms. Kiefer,

I have received your recent request to update the Product Schedule associated with the above noted Master Agreement. **This change adds the upgrade from 1106 MIPS to 1269 MIPS per the attached quotation to the current product schedule.**

Given the terms and conditions of this agreement, the request to update the Product Schedule is approved. A copy of your Product Schedule Update request is attached to this letter. Please consider the services a part of the associated Master Agreement and retain this approval for future reference.

Best regards,

Jean Del Greco

Re: Master Agreements 05ITZ0005MB Product Schedule Updates & B-03-005

Dear Ms. Del Greco,

This letter serves as notice that CA and the State of Connecticut ("Licensee") are updating the fee schedule and term of our MIPS based license agreement dated September 30, 2003. In addition, CA is updating the total MIPS Capacity.

Pursuant to The State of Connecticut's CPU upgrade on April 12, 2015, please find the adjusted Exhibits A and B to CA's MIPS Based License Amendment dated September 30, 2003. This seventh revised Exhibit A and fifth revised Exhibit B contains the proposed change to our contract to bring the contracted MIPS Capacity from 1106 MIPS to 1269 MIPS, and also details the fees due for the upgrade.

The Extended Term of the license is hereby extended to expire on September 29, 2018 (the "Fourth Extended Term"). In consideration of the above, Licensee shall pay to CA a fee inclusive of usage and maintenance of the Sections I & II programs, as well as maintenance of the Section II programs, through the expiration of the Fourth Extended Term, in the amount of \$2,065,571.

<u>Due Date</u>	<u>Amount Due</u>
April 12, 2015	\$38,721 (additional capacity 4/12/15 – 9/29/15)
September 15, 2015	\$646,474
September 15, 2016	\$675,139
September 15, 2017	\$705,237

All payments shall be made in accordance with and shall be governed by Connecticut General Statutes §4a-71 et. Seq.

Notwithstanding anything contained herein or in the License Agreement to the contrary, Licensee understands and acknowledges that CA DADS™ Plus for CICS, CA Panvalet®, and CA Panvalet® Option for ISPF ("Stabilized Products") has been stabilized by CA which means that, although CA is currently providing telephone support for such Licensed Program, CA is not providing enhancements, or new releases or modifications of the stabilized Product. Licensee agrees that CA has no obligation to provide any such enhancements, modifications or new releases.

Notwithstanding anything contained herein or in the License Agreement to the contrary, Licensee understands and acknowledges that CA Filesave™ RCS Automated Recovery, and CA ESP Workload Automation API (the "Unsupported Product(s)") are not currently supported by CA, which means that CA will not provide telephone support, fixes, enhancements, new releases or modifications of the Unsupported Product. Nonetheless, the parties desire to confirm in Licensee the right to continue to use the Unsupported Product(s) as provided herein. Licensee agrees that (a) CA has no obligation to provide any such maintenance, support, fixes, enhancements, new releases or modifications to the Unsupported Product; (b) no charge for same has been included in the fees payable under this agreement; and (c) CA's express warranty respecting the performance or operation of the Licensed Products shall not apply to the Unsupported Product(s).
