Re: Master Agreement #B-04-001

Dear Mr. Saleh,

I have received your recent request to update the Product Schedule associated with the above noted Master Agreement. **This change adds to the Product Schedule, capability to purchase Web-based Applicant Processing Livescan devices; quantity 13, Unit price \$13,000.00, Extended Price \$130,000.00 for the Department of Emergency Services and Public Protection. Web-based Livescan device Includes:**

- **CS500e Scanner Block**
- **Desktop Computer**
- **Connectivity to CT-AFIS**
- **Installation and Configuration**

Given the terms and conditions of this agreement, the request to update the Product Schedule is approved. Please consider the services a part of the associated Master Agreement and retain this approval for future reference.

A copy of your Product Schedule Update request is attached to this letter. Thank you for your interest in doing business with the State of Connecticut.

Very Truly Yours,

Joseph Giliberto
Contract Team Leader, Procurement Services

Reference: Product Schedule Update Request to Master Agreement B-04-001

Dear Mr. Giliberto:

Please consider this an official request for the Product Schedule update for the 3M Cogent AFIS Schedule, referencing Master Agreement number B-04-001. 3M Cogent is offering the State of Connecticut the capability to purchase Web-based Applicant Processing Livescan devices to enable approved users (operators) such as State Police Troops to electronically capture and transmit Civilian Applicant fingerprint records to the State Applicant Processing Web-Servers. The offered Web-based Applicant Processing Livescan devices will be designed to electronically capture and transmit fingerprint records to the new Applicant Processing Servers and subsequently transmit records to the CT- AFIS for matching.

The Product Schedule Update is defined as follows:

Product Description	Quantity	Unit Price	Extended Price
Livescan – Applicant Web-Based The new Livescan systems are Web-based and are configured to enable Applicants to enter demographic data on-line via the State Police new Applicant Processing Servers. The new Livescan will also enable authorized Operators to capture Applicant fingerprints and transmit a complete Fingerprint record to the new State Police Web-Servers.	13	\$13,000	\$130,000
