Dear Ms. Del Greco,

As the current provider of hardware, software and services related to the Connecticut Department of Motor Vehicles driver license program the Connecticut Department of Motor Vehicles ('CT DMV') has asked MorphoTrust USA to extend pricing for Driver License and Identification Card production associated with Master Agreement B-00-012 beyond the December 31, 2015 expiration date. During this extension the current price of \$2.25 per card and terms and conditions under B-00-012 will apply. It is not expected that a full year will be used.

We respectfully request that you approve this update to the current Product Schedule.

Thank you for your consideration. Please do not hesitate to contact me with any questions you may have.

Sincerely,
