Dear Mr. Reilly:

Your Standard Form of Agreement Between Owner and Construction Manager-At-Risk (CMR) for Guaranteed Maximum Price (GMP) dated January 25, 2012, for professional services for the subject project, has been fully executed and approved by all concerned parties. We are forwarding herewith one of two originals of this agreement. Do not proceed with the contract work until you receive written notice to proceed from the Department of Construction Services ("DCS") project manager assigned to this project.

As of July 1, 2011, the Department of Public Works is involved in an agency consolidation with the Department of Administrative Services and the newly-created Department of Construction Services. The statutory authority, duties and responsibilities of the Department of Public Works relating to design and construction of public works projects are being consolidated into the Department of Construction Services.

Attached is DPW's government agency exemption certificate. This certificate should be referenced when indicating that the Connecticut Sales and Use Tax does NOT apply to the subject project.

All invoices must be directed to the DCS Project Manager who is assigned to the project. Please submit invoices on your letterhead that include the following information:

- Vendor's name and remittance address, Vendor's FEIN or SSN
- Invoice date, Contract/Project name and number
- Section(s) of the contract to which the bill relates and the amount billed

If you should have any questions in regard to the above, please contact the DCS project manager, Natalina Raimondi, assigned to this project at (860) 713-5827.

Sincerely,

Jo Ann Szela
