TO: Prospective Bid Proposers:

This Addendum forms part of the "Contract Documents" and modifies or clarifies the original "Contract Documents" for this Project dated April 4, 2012. Prospective Bid Proposers shall acknowledge receipt of the total number the Addenda issued for this Project on the space provided on Section 00 41 00 Bid Proposal Form. Failure to do may subject Bid Proposers to disqualification.

The following clarifications are applicable to drawings and specifications for the project referenced above.

In response to an inquiry regarding information shown on the Invitation to Bid, I have the following clarification.

Section 00 11 16 Invitation to Bid page 1 of 4 shows a block that reads: DAS Contractor Prequalification Classification Name: General Building Construction – Group B (GBC-B)

Section 00 11 16 Invitation to Bid page 2 of 4 shows a block that reads: Major Contractor Registration License C.G.S. §20-341gg: (and is checked) Is Not Required.

These blocks seem to conflict with each other. A Major Contractor Registration may not be required because this particular project does not meet the "Threshold Building Limits of C.G.S. §29-276b." However, due to the complexity of the project, the GBC-B classification will be required.

Additionally, Section 00 21 19 NOTICE TO BIDDERS, page 1 of 10, Article 1.1.1 reads in part:

For projects estimate to exceed Five Hundred Thousand Dollars (\$500,000.00) in total cost, the bidder must be qualified by the Department of Administrative Services (DAS) in the classification specified in the Invitation to Bid.

All questions must be in writing (not phone or e-mail) and must be forwarded to the consulting Architect/Engineer (Lindgren & Sharples/Julia Weatherby 413-731-0786) with copies sent to the CT DCS Project Manager (Wayne Thorpe 860-713-7261).
