

Subcontractor Bid Interest Form

Skanska USA Building Inc, the Construction Manager, is currently seeking qualified subcontractors for work to be performed as part of the **Southern CT State University, Buley Library Renovations Project (Sate Project No.: BI-RS-225B)**. This project consists of a complete renovation to the existing four story library totaling approximately 115,000 square feet.

The scope of work includes but is not limited to the following:

Site – New sidewalks, site lighting, landscaping and site finishes

Structural - New structural steel connector, modifications to the existing structure, stairs, new concrete SOG / SOD and modifications to existing slabs.

Exterior Envelope – Complete replacement of building enclosure including roofing, brick, metal panel, curtain-wall, window and entrance systems.

MEP Systems – Complete replacement of all mechanical, electrical, and plumbing systems

Interior Finishes – New millwork, fire proofing, doors/frames/hardware, painting, gypsum wallboard, acoustical/metal ceilings, ceramic tile, linoleum, carpet, terrazzo, elevator replacement, toilet partitions, signage, window treatments, library equipment and other specialty materials.

The anticipated construction schedule for the project is:

- **Bidding Period – October 1, 2012 thru November 15, 2012 (Anticipated)**
- **Construction Start date – January 2013**
- **Construction Finish date – May 2014**

All subcontractors interested in bidding this project for work in excess of \$500,000 must also be prequalified by the State of Connecticut Department of Administrative Services (DAS) for the classification of work that they are bidding at the time of bid.

In addition, in the bidding of most deferred maintenance, major renovation, and new construction projects, contractors are advised they must award (25%) twenty-five percent or more of the value of their awarded contracts to certified SBE's; and, of that amount, twenty-five percent (which amounts to 6.25% of the total award) or more must be awarded to SBE's who are also M/WBE's. The contractors are responsible for ensuring that they and the SBE's they have selected, are eligible contractors and that they meet State requirements.

At the time of bid, Skanska will identify specific bid packages that will be set aside for SBE, MBE and WBE firms only. Subcontractors interested in bidding on these packages must be thus certified by the State of Connecticut DAS Supplier Diversity (Set Aside) Program.

Interested firms should complete and return the attached **Subcontractor Bid Interest** Form to Richard Murphy at richard.murphy@skanska.com or faxed to Richard Murphy @ 1.866.586.5449. All Subcontractor Bid Interest Forms should be received no later than September 21, 2012.
