Previous Addendums: Addendum #2 dated 6/29/2016, Addendum #1 dated 6/27/2016

TO: Prospective Bid Proposers:

This Addendum forms part of the "Contract Documents" and modifies or clarifies the original "Contract Documents" for this Project dated 8/28/1015. Prospective Bid Proposers shall acknowledge receipt of the total number the Addenda issued for this Project on the space provided on Section 00 41 00 Bid Proposal Form. Failure to do may subject Bid Proposers to disqualification.

The following clarifications are applicable to drawings and specifications for the project referenced above.

Item 1

NOTE: Questioner referenced Addendum 2 in his Request For Information, however, the actual information for which clarification is being requested is in the Invitation to Bid.

Question: Addendum 2 makes it mandatory for Subcontractors to be at the pre-bid. Is this really the case? I have never seen Subcontractors presence at the pre-bid as being mandatory.

Response: Yes, it is. Due to the nature of the facility and restricted working conditions, it is important that **all bidders** are aware of the restrictions so that their bids reflect the possible additional labor burden inherent in these type of facilities. No Exceptions!

Item 2

Question: Also in Addendum 2, there is a statement that all Subcontractors with a contract over \$500,000 be prequalified. Do you mean they have to be DAS certified?

Response: Yes, all subcontractors with a contract over \$500,000 must have a DAS Prequalification Certificate.

All questions must be in writing and must be forwarded to the consulting Architect/Engineer - DTC – Steve Gendreau
FAX: 203 234 7376 with copies sent to the DCS Project Manager - Wayne E. Thorpe FAX: 860 713 7261.
