DeFronzo**, its Commissioner of the Department of Administrative Services, or his/her designee, each duly authorized, pursuant to the provisions of subsection (a) of Section 4b-30 of the General Statutes of Connecticut, as revised, which authority is contingent upon satisfying the conditions of Conn. Gen. Stat. Sections 4b-23, 4b-24 and 4b-32, as revised, concerning entering into leases with the advice and consent of the Secretary of the Office of Policy and Management and the Properties Review Board of the State of Connecticut.

WITNESSETH: In consideration of the mutual promises and covenants contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are acknowledged, the parties agree as follows:

ARTICLE 1: DEMISED PREMISES

1.01 DEMISED PREMISES.

The LESSOR hereby warrants to the LESSEE that the LESSOR is the owner in fee simple, and leases unto the LESSEE, the Demised Premises consisting of **6,249** net usable square feet, as defined in Exhibit B (Affidavit of Net Usable Square Feet of Demised Premises), situated at **11 Commerce Street, Norwalk, Connecticut**, as more particularly described in the property description included in Exhibit A-1 attached hereto, together with all appurtenances thereto and all right to means of ingress into and egress out of the Demised Premises and together with the improvements, fixtures, equipment and facilities of the LESSOR now located or to be located on said premises (the "Demised Premises"). The LESSOR shall execute and deliver to the LESSEE, simultaneously with this lease, the Affidavit of Net Usable Square Feet of Demised Premises, attached hereto as Exhibit B. The LESSOR'S affidavit to the LESSEE attesting to the aforesaid net usable square feet and scaleable floor plan, attached as Exhibit A (Demised Premises Floor Plan) and drawn to a minimum scale of 1/8" = 1'0" on the **first and second** floor(s) of the Total Premises. The Demised Premises includes **a total of sixteen** striped, lighted and maintained **reserved** parking spaces, with security acceptable to LESSEE, located at **11 Commerce Street, Norwalk, Connecticut. Fourteen (14) of the parking spaces shall be available during normal business days, Monday through Friday, between the hours of 8 AM and 5 PM, and LESSOR shall post signs reserving said spaces for the exclusive use of LESSEE during said periods of time. Two (2) parking spaces shall be reserved for the exclusive use of the LESSEE at all times during the**

term of the lease and LESSOR shall post signs reserving said spaces 24/7.

ARTICLE 2: RENT AND ADDITIONAL RENT

2.01 FIXED BASE RENT

During the term of this lease, the LESSEE shall pay the LESSOR the fixed base rental of **Ninety-Nine Thousand Nine Hundred Eighty-Four Dollars (\$99,984.00)** per year, payable in equal monthly installments of **Eight Thousand Three Hundred Thirty-Two Dollars (\$8,332.00)** by the end of each calendar month in arrears. **The fixed base rental amount herein this section includes a LESSOR'S allowance for tenant improvements of Sixty-Five Thousand Dollars (\$65,000.00) ("LESSOR'S Allowance").** The first of such payments shall be made upon acceptance of the Demised Premises as per Article 5 (Demised Premises Preparation – Minimum Requirements). Rental for occupancy of less than a full calendar month at the commencement, termination or any partial interruption of this lease shall be prorated by dividing the monthly rent by thirty (30) and multiplying the resulting quotient by the number of days of occupancy.

2.02 TENANT IMPROVEMENT PAYMENTS

As a condition to this Lease and prior to LESSEE taking possession of the Demised Premises, LESSOR shall perform certain renovations to the Demised Premises ("Tenant Improvements"), as more particularly set forth in Exhibit C attached hereto and made a part hereof. During the initial term of the Lease, the LESSEE shall pay the LESSOR, in addition to the fixed base rent above and additional rent, if any, as may be set forth below, an estimated total of Two Hundred Five Thousand Dollars (\$205,000.00) for Tenant Improvements (LESSEE's Allocable Costs of the Tenant Improvements"). Said amount shall be amortized over a period of 60 months at a rate of interest not to exceed 6% per annum and payable in arrears in equal monthly installments of Three Thousand Nine Hundred Sixty-Three and 22/100 Dollars (\$3,963.22) by the end of each calendar ("TI" payments). Upon completion of the Tenant Improvements, LESSOR shall provide LESSEE with documentation satisfactory to LESSEE documenting actual expenditures for the Tenant Improvements. "TI" payments shall in no event exceed the actual total costs of LESSEE's Allocable Costs of the Tenant Improvements. In the event the costs of the Tenant Improvements are less than the amount set forth herein, the "TI" payments shall be recalculated based on the actual costs of the Tenant Improvements, less the LESSOR'S Allowance, amortized over sixty (60) months at a rate of interest of six percent (6%) per

annum. The first of such “TI” payments shall be made after acceptance of the Demised Premises in accordance with Article 5, (Demised Premises Preparation – Minimum Requirements). These TI payments for occupancy of less than a full calendar month at the commencement, termination or any partial interruption of this lease shall be prorated by dividing the TI payments by thirty (30) and multiplying the resulting quotient by the number of days of occupancy.

2.03 ADDITIONAL RENT

In addition to any other additional rent that may be called for elsewhere in this lease, the LESSEE shall pay as additional rent such items as may be set forth in Exhibits D (Normal Operation Hours; Utilities and Services) and F (Additional Rent), if applicable and attached. The first such payment as additional rent shall be made after acceptance of the Demised Premises in accordance with Article 5, (Demised Premises Preparation – Minimum Requirements).

ARTICLE 3: TERM OF LEASE

3.01 LEASE TERM

The LESSEE is to have and to hold the Demised Premises with their appurtenances for the term of **five (5)** years commencing on the date of acceptance of the Demised Premises as per Article 5 (Demised Premises Preparation – Minimum Requirements) and upon acceptance of any renovations and improvements, as may be set forth in Exhibit C (Renovations and Improvements), if applicable and attached.

3.02 SPACE/PARKING SPACES OPTION

From time to time during the lease term, the LESSEE shall have the continuing option to obtain **any** additional space and parking spaces in the ratio of **3** per 1,000 net usable square feet of extension space, as may become available, at the existing fixed base rent rate as indicated in Article 2 (Rent and Additional Rent). LESSOR shall provide prompt written notification to LESSEE when any such space becomes available. The LESSEE shall have thirty (30) days following the receipt of such notice within which to provide written notice to the LESSOR of its desire to exercise such option. After the LESSEE obtains all approvals necessary in order to exercise the option, including that of the State Properties Review Board, and so notifies the LESSOR in writing, the LESSOR shall have **120** days within which to complete the tasks set forth in Section 5.01 with respect to said additional space. The commencement date of the lease of said additional space shall be the date upon which the LESSEE provides written notification to the LESSOR of the LESSEE’S approval pursuant to Article 10, Notices. In all other aspects, the terms and conditions of the lease of such additional space shall be as set forth herein.

3.03 RENEWAL OPTION

This lease may be renewed at the option of the LESSEE for **five (5)** years at the fixed base rental of **One Hundred Seven Thousand Nine Hundred Eighty-Two and**

72/100 Dollars (\$107,982.72) per year, payable in equal monthly installments of **Eight Thousand Nine Hundred Ninety-Eight and 56/100 Dollars (\$8,998.56) by the end of each calendar month in arrears**, provided that written notice is posted to the LESSOR at least **sixty (60)** days before the end of the original lease term. All other terms and conditions of the lease shall remain in effect.

The LESSEE may further renew this lease by exercising a second renewal option for **five (5)** years at the fixed base rental of **One Hundred Sixteen Thousand Six Hundred Twenty-One and 28/100 Dollars (\$116,621.28)** per year, payable in equal monthly installments of **Nine Thousand Seven Hundred Eighteen and 44/100 Dollars (\$9,718.44) by the end of each calendar month in arrears** provided that written notice is posted to the LESSOR at least **sixty (60)** days before the end of the first renewal option. All other terms and conditions of the lease shall remain in effect.

3.04 HOLDOVER

At the expiration or termination of the lease, the LESSEE may holdover on a month-to-month basis at the fixed base rent last in effect during the expired lease term and subject to the terms, conditions and covenants contained in the lease prior to the expiration or termination. Notwithstanding this provision, the LESSOR shall not charge and the LESSEE shall not pay an increase in the fixed base rent unless the LESSOR shall have provided the LESSEE written notice of the increase at least 45 days prior to its effective date and such increase has been previously approved in writing by the State Properties Review Board. The exercise of LESSEE'S rights under this section shall be without prejudice to such rights as the LESSEE has under Section 3.03. The rental shall be prorated during the said holdover period. In no event shall the fixed base rent increase be greater than the fair rental value of the subject property for said space and shall not exceed 1.1 times the fixed base rent in any 12-month period.

3.05 SUBLEASE OR ASSIGNMENT

The LESSEE may utilize the Demised Premises for any **governmental, quasi-governmental or general office** purpose, and sublet all or any part of the Demised Premises or assign this lease at any time for a similar use, subject to the prior written consent of the LESSOR, which consent shall not be unreasonably delayed or withheld. The LESSOR and the LESSEE shall not be relieved from the terms, conditions and obligations under this lease by reason of any such subletting or assignment.

3.06 REMOVAL OF LESSEE'S PROPERTY

The LESSEE shall have the right, but not the obligation, at any time during (a) the lease term, (b) any holdover period and (c) any renewal period, or, at the expiration or other termination of this lease, to sever, remove or otherwise dispose of all alterations, additions, improvements, fixtures, equipment and any other property owned by the LESSEE and placed in, on, around or about the Demised Premises by the LESSEE or at the LESSEE'S direction. Any unreasonable and material damage to the Demised Premises caused by such removal shall be repaired by the

S.L. 2010.1

LESSEE. The LESSEE shall remove all such property within a reasonable time and in accordance with applicable laws. The LESSEE shall continue to be bound by the provisions of Article 2 until all property is removed.

3.07 SURRENDER OF DEMISED PREMISES

At the expiration or other termination of this lease, the LESSEE will surrender the Demised Premises in the same condition as existed at the time of commencement of the lease, excepting therefrom reasonable use and wear, damage by the elements, fire or other unavoidable casualties, and any alterations or additions which may have been made by the LESSOR or by the LESSEE with the written consent of the LESSOR, and which were made with the understanding that they would not be removed by the LESSEE.

ARTICLE 4: LESSOR'S OBLIGATIONS; DEFAULT

4.01 COMPLIANCE WITH APPLICABLE LAWS

The LESSOR, LESSOR Parties (as defined in Article 7 (Indemnification; Duty to Defend)) and LESSOR'S contractors shall comply fully with all applicable Connecticut Statutes, regulations, codes, rules and executive orders. These shall include but are not limited to, the non-discrimination provisions set forth in: (a) Article 18 (Nondiscrimination Provisions) of this lease; (b) Title 4b, Chapter 60a, of the Connecticut General Statutes concerning security for State facilities; (c) State building and life safety codes; and (d) the Americans with Disabilities Act of 1990, as it may be amended from time to time (the "ADA"). Failure to comply with any of the above shall constitute a default by the LESSOR and the LESSEE may take any and all actions as are permitted by law.

4.02 CONDITION OF THE DEMISED PREMISES

The LESSOR covenants that the Demised Premises presently and at all times during the term of this lease, shall comply fully with all applicable Federal, State and local laws, rules, codes, regulations and adopted guidelines, all at no cost to the LESSEE. The LESSOR covenants that the Demised Premises shall continue to be in compliance with same during the term of this lease and during any renewal term or other extension of the lease term. The cost to cure any non-compliance shall be at the sole cost and expense of the LESSOR.

4.03 ENVIRONMENTAL AFFIDAVIT

If the construction of the Total Premises was completed prior to January 1, 1980, then the LESSOR shall, prior to the execution of this lease and as a condition precedent to the commencement date of this lease, procure and deliver to the LESSEE a certification by a professional engineer licensed in Connecticut stating either that the Demised Premises are free of asbestos containing materials ("ACM") or that any existing ACMs are encapsulated in compliance with applicable State and Federal laws and regulations, including, but not limited to, those of the Occupational Safety and Health Act ("OSHA"), the State of Connecticut Department

of Environmental Protection and any relevant Environmental Protection Agency ("EPA") regulations, guidelines and procedures. The professional engineer shall be acceptable to the LESSEE. If the LESSOR fails to deliver this certification on or before seven (7) days after this lease is ready for execution by the LESSOR, then this lease and all discussions and negotiations concerning this lease shall be of no force or effect and shall be treated as if they had never existed or taken place and no liability of any kind or for any purpose shall attach to the LESSEE concerning this lease, the Demised Premises or any negotiations relating thereto.

4.04 INDOOR COMFORT

The LESSOR shall provide and maintain the heat, ventilation and air-conditioning ("HVAC") systems in accordance with all applicable Federal, State and local laws, rules, codes, regulations and adopted guidelines. These systems shall provide air-conditioning of sufficient capacity as required to maintain the Demised Premises and all common areas with an inside temperature of no greater than 78 degrees Fahrenheit. The heating system shall provide heat of sufficient capacity as required to maintain all leased areas with an inside temperature of no less than 68 degrees Fahrenheit. Air handling units ("AHU's") shall run continuously during operating hours with required outside air capacity. LESSEE, in its discretion, may change those hours of operation from time to time.

Subject to the limitations in Section 4.05 below, the LESSOR shall maintain, at its sole cost and expense, all systems, including mechanical, electrical and plumbing, as per applicable codes and guidelines.

4.05 DUTY TO MAINTAIN AND REPAIR

The LESSOR shall maintain the Demised Premises and any and all equipment, fixtures, and appurtenances furnished by the LESSOR under this lease in good repair and working condition at no cost to the LESSEE. In case of damage arising from the willful misconduct or gross negligence of the LESSEE, its officers, agents and employees, the LESSEE shall reimburse the LESSOR for that damage. If the damages cost more than \$1,000, the LESSEE shall not reimburse the LESSOR until the LESSOR shall have submitted to the LESSEE itemized competitive bids for the work and the LESSEE shall have approved a reasonable bid cost and a description of the scope of work. Provided, further, that the LESSOR shall submit to the LESSEE the bids and scope of work no more than thirty (30) days following the date that the damage is alleged to have occurred. The LESSEE'S prior written approval of an itemized competitive bid and the description of the scope of work are conditions precedent on the part of the LESSEE to reimburse the LESSOR for any repairs and/or replacements.

For the purpose of so maintaining the Demised Premises, the LESSOR may at reasonable times, and with the approval of the authorized representative of the LESSEE, inspect the same and make any necessary repairs thereto at no cost to the LESSEE.

If the LESSOR fails to make any repairs, replacements and/or work within (a) twenty-four (24) hours after the date of written notice of same from the LESSEE in the case of essential systems,

the failure of which renders the Demised Premises untenable, or (b) seven (7) days after the date of written notice from the LESSEE, then such failure shall constitute a default.

4.06 CARPETING AND REPAINTING

The LESSOR shall replace carpeting every 5 years within ninety (90) days of the anniversary date of the commencement of the lease term, at its sole cost and expense. The LESSOR shall be responsible to move all furniture, fixtures and equipment at its sole expense. The LESSOR shall not be responsible for the moving of the LESSEE'S computer data equipment or the personal effects of LESSEE'S employees. The work shall be accomplished during the LESSEE'S non-operating hours in a good and workmanlike manner and so as not to unreasonably interfere with the conduct of LESSEE'S business. In case a conflict or a difference in interpretation arises between or among any of the terms and conditions of Exhibit C, if applicable and attached, and this Section 4.06, then such conflict or difference shall be resolved in favor of the terms and conditions set forth in Exhibit C.

The carpet shall be commercial quality, wall-to-wall or carpet squares, as the LESSEE may require, 100% nylon, tufted, level loop with permanent anti-static and soil hiding features. Face yarn weight shall be 28 ounce per square yard minimum; total weight 67 ounces per square yard minimum, heavy traffic designated. Color and pattern are to be selected by the LESSEE. The LESSOR shall submit color samples from a minimum of two nationally recognized carpet manufacturers. The carpeting shall have an average critical radiant flux of at least 0.45 watts per square centimeter (NFPA 253) and specific optical density of 450 or less (NFPA 258).

The LESSOR shall paint interior walls every five (5) years, with a high quality national brand latex paint and complete said painting within ninety (90) days of the anniversary date of the commencement of the lease term, and complete thorough touch up within ninety (90) days of the third lease anniversary date following such initial painting, all at its sole cost and expense. The LESSOR shall move all furniture, fixtures and equipment at its sole cost and expense. The LESSOR shall not be responsible for the moving of the LESSEE'S computer data equipment or the personal effects of LESSEE'S employees. The work shall be accomplished during the LESSEE'S non-operating hours in a good and workmanlike manner using commercial-quality paint and undertaken in such manner as not to unreasonably interfere with the conduct of the LESSEE'S business. One or two coats shall be applied as required by the LESSEE. The LESSEE shall select color.

4.07 SECURITY

The LESSEE may, at its own discretion, install, and subsequently remove, security enhancements to the Demised Premises, including, but not limited to secured access, cameras and an intrusion system at the LESSEE'S sole expense. The LESSEE may at any time, without notice to the LESSOR and at the LESSEE'S expense, perform a security audit of the Demised Premises or Total Premises. The LESSOR shall comply with any renovations required to complete security modifications including, but not limited to, adding security personnel, equipment installation, and wiring as required. Any and all costs and expenses associated with adding security personnel shall be borne by the LESSEE. The LESSEE may require that the

LESSOR, and the LESSOR shall, obtain itemized competitive bids to implement the work at the LESSEE'S expense. In so doing, the LESSOR shall follow and observe all of the bidding procedures and safeguards of the Department of Administrative Services. The LESSOR shall fully cooperate with the LESSEE'S consultants, security personnel, and police forces. If there is a dispute concerning security issues, the LESSEE'S security personnel shall have the final determination. The LESSOR shall keep all of the LESSEE'S security arrangements and systems confidential. The LESSOR and the LESSEE shall comply with the provisions of Conn. Gen. Stat. §4b-135, concerning security requirements for new leases. Further, the LESSOR shall comply with any security procedures or "post orders" as may be issued by the LESSEE.

4.08 DEFAULT AND REMEDIES

Failure to prepare, maintain, service, repair or replace equipment as required under this lease shall constitute a default by the LESSOR. If all or part of the Demised Premises becomes unfit for use for the purposes leased, such shall also constitute a default by the LESSOR. The LESSOR shall also be in default under this lease if the LESSOR fails to perform any other obligation it has under this lease. In any case, the LESSOR shall cure any default that does not constitute an emergency within ten (10) days of the date of the default notice from the LESSEE (if another time period is not specifically provided under this lease), provided that if such cure cannot reasonably be completed within said ten (10) day period, the LESSOR does commence a cure within said ten (10) day period and diligently pursue it to completion.

If a default constituting an emergency condition or any interruption in an essential service or utility rendering the Demised Premises untenable occurs, the LESSOR must commence immediately and proceed diligently to cure the default as expeditiously as possible.

If the LESSOR fails to cure a default as provided herein, the LESSEE, in its discretion and without further notice, may (1) fulfill such obligations itself and deduct the cost thereof and expenses connected therewith from rents due or to become due the LESSOR under the terms of this lease; (2) recover all or any portion of such cost and expenses by other appropriate means; (3) withhold any rental payments during the LESSOR's period of failure to perform since the LESSOR acknowledges that it is not entitled to receive any rent or additional rent during such period; or (4) pursue any other remedies allowed by law, including, but not limited to, termination when the Demised Premises are rendered untenable. For any period that the Demised Premises or any part thereof is unfit for the purposes leased, the rent shall be abated in proportion to the area determined by the LESSEE to be unfit for use. Notwithstanding the aforesaid, if the failure to perform any of the repairs, replacements or work constitutes a hazard to any part of the Total Premises or any person, then the LESSEE may immediately cause such hazardous conditions to be corrected, without written notice to the LESSOR and deduct the costs and expenses thereof from rents due or to become due under this lease.

**ARTICLE 5: DEMISED PREMISES PREPARATION –

ARTICLE 6: LESSEE'S DEFAULT

6.01 LESSEE'S DEFAULT

The LESSOR agrees that if any rental installment shall be due and unpaid for fifteen (15) or more days after its due date, such nonpayment shall not constitute a default under the terms of this lease until written notice of said nonpayment has been received by the Commissioner of the Department of Administrative Services and thirty (30) days have passed from the date of such receipt.

ARTICLE 7: INDEMNIFICATION; DUTY TO DEFEND

7.01 INDEMNIFICATION

At all times during this lease and during any extension or renewal thereof or holdover period, the LESSOR shall indemnify, defend and hold harmless the LESSEE and its successors and assigns from and against all (a) actions, suits, claims, demands, investigations and legal, administrative or arbitration proceedings pending or threatened, whether mature, unmatured, contingent, known or unknown, at law or in equity, in any forum (collectively, "Claims") arising in connection with this lease out of acts of commission or omission (collectively, the "Acts") by the LESSOR or any of its members, directors, officers, shareholders, representatives, agents, servants, consultants, employees or any other person or entity with whom the LESSOR is in privity of oral or written contract (collectively, "LESSOR Parties"); (b) liabilities arising in connection with this lease, out of the LESSOR'S or LESSOR Parties' Acts concerning its or their duties and obligations as set forth in this lease; and (c) damages, losses, costs and expenses, investigative costs and attorneys' and other professionals' fees, that may arise out of such Claims and/or liabilities for bodily injury, death and/or property damage. The LESSEE shall give to the LESSOR reasonable notice of any such Claim. The LESSOR shall also use counsel acceptable to the LESSEE in carrying out its obligations hereunder. The provisions of this Article shall survive the expiration or early termination of this lease, and shall not be limited by reason of any insurance coverage.

7.02 DUTY TO DEFEND

In case any Claim is brought against the LESSEE, its officers, agents and employees, by reason of any of the LESSOR's or LESSOR Parties' Acts, the LESSOR shall, at the LESSOR'S expense, resist and defend such Claim, or cause the same to be resisted or defended, by retained

competent counsel acceptable to the LESSEE. The LESSOR shall cause such counsel to defend any Claim vigorously and at no cost or expense to the LESSEE, but may not hold itself out as LESSEE'S counsel.

ARTICLE 8: LIMITATION ON LESSEE'S LIABILITY

8.01 FORCE MAJEURE

Neither party shall be liable to the other or to any person for any loss, injury or damage to any person or property occasioned by Force Majeure. Force Majeure means events that materially affect performance under this lease and are outside the control of the party asserting that such an event has occurred, including, but not limited to, labor troubles unrelated to the LESSOR, failure of permanent power, inadequate permanent power, unavoidable casualties, fire not caused by the LESSOR, extraordinary weather conditions, disaster, riots, acts of God, insurrection, war or any other matter beyond the control of the LESSEE.

Subject to that limit per accident, the total (or aggregate) limit in all accidents during the lease term shall be a minimum of \$2,000,000.00. The coverage under such policy shall be limited to claims arising from acts or omissions of the LESSOR. The LESSOR shall additionally provide and maintain standard fire and casualty insurance, including special form coverage. The LESSOR shall apply the proceeds of insurance to reconstruction, if the LESSEE so directs in writing. The LESSOR shall provide certificates of insurance annually to the LESSEE evidencing the coverage that this Article requires. Such certificates of insurance shall also specifically indicate that the policies insuring the LESSEE include, without limitation, said liability and fire and casualty insurance coverage pertaining to any and all risks described under this Article. Such policies of insurance shall also provide notification to the LESSEE of at least thirty (30) days prior to any cancellation or modification of coverage. The insurer shall be licensed by the State of Connecticut and be rated A- or better by A.M. Best Company.

The LESSOR agrees to be fully and solely responsible for any costs or expenses as a result of a coverage deductible. The LESSOR'S insurer shall have no right of recovery or subrogation against the LESSEE. This insurance is primary and not in excess of any other insurance.

The liability of the LESSOR to indemnify, defend and save and hold harmless the LESSEE shall be effectively protected by insurance to the extent insurable. The limits of coverage of such

S.L. 2010.1

insurance purchased by the LESSOR shall not in any way limit, reduce or restrict the LESSOR'S obligation under any indemnification and save and hold harmless provisions stated in this lease.

ARTICLE 10A: CASUALTY

10A.01 DAMAGE OR DESTRUCTION

(a) The LESSEE shall give prompt notice to the LESSOR of any damage by fire or other casualty to the Demised Premises. If the Demised Premises, or any part thereof, or access thereto, shall be damaged or destroyed by fire or other insurable casualty, but the LESSEE shall continue to have reasonably convenient access to the Demised Premises and no portion of the Demised Premises is rendered unfit for use and occupancy by the LESSEE for the purposes set forth in this lease, then the LESSOR shall repair such damage or destruction with reasonable diligence. During the period when such repair work is being conducted, the Fixed Base Rent and the Additional Rent shall not be abated or suspended.

(b) If the Demised Premises, or any part thereof, or access thereto, shall be so damaged or destroyed by fire or other insurable casualty that the LESSEE shall not have reasonably convenient access to them, or if any portion of the Demised Premises shall thereby be otherwise rendered unfit for use and occupancy by the LESSEE for the purposes set forth in this lease, and if in the commercially reasonable judgment of the LESSOR the damage or destruction may be repaired to the point where the Demised Premises will be rendered fit for the purposes set forth in this lease within ninety (90) days after the occurrence of the damage or destruction, time being of the essence, then the LESSOR shall so notify the LESSEE within ten (10) days after the occurrence of the damage or destruction and shall repair such damage or destruction (except damage or destruction to personal property) with reasonable diligence. If the LESSOR shall not complete such repair within ninety (90) days after the occurrence of the damage or destruction, time being of the essence, then the LESSEE shall have the right to terminate this lease by giving written notice of such termination to the LESSOR within twenty (20) days after the end of such ninety (90) day period; provided, however, that if the completion of repairs shall be delayed by reason of force majeure events, as set forth in Article 8 of this lease, the time for completion shall be extended by the period of such delay. If in the commercially reasonable judgment of the LESSOR the Demised Premises, or means of access thereto, cannot be repaired within ninety (90) days after the occurrence of the damage or destruction and the LESSOR does not deliver to the LESSEE notice of its decision to repair such damage within ten (10) days after the occurrence of the damage, time being of the essence, then either party shall have the right to terminate this lease by giving written notice of such termination to the other party within the period of thirty (30) to forty-five (45) days after the occurrence of such damage or destruction. If neither party gives such notice of intention to terminate this lease, then the LESSOR shall repair the damage or destruction with reasonable diligence. All such repairs shall be performed in a workmanlike manner by a contractor's properly trained professionals, selected by the LESSOR, and at no cost or expense to the LESSEE.

10A.02 ABATEMENT OF RENT

If, by reason of such damage or destruction, the LESSEE shall not have reasonably convenient access to the Demised Premises or if any portion of the Demised Premises shall be otherwise rendered unfit for use and occupancy for the purposes set forth in this lease, then the Fixed Base Rent and the Additional Rent shall be equitably suspended or abated as of the date of the damage

S.L. 2010.1

until ten (10) days after the LESSOR has (a) substantially completed the repair of the Demised Premises and the means of access to it, and (b) notified the LESSEE in writing. If such damages or destruction was solely caused by the gross negligence of the LESSEE, then there shall be no abatement of the Fixed Base Rent or the Additional Rent. Neither an election by the LESSOR to carry rental loss insurance nor an election by the LESSEE to carry business interruption insurance shall affect the provisions of this Article.

10A.03 EVENTS OF TERMINATION

(a) If more than 25% of the net usable square feet of the Demised Premises shall be wholly or substantially damaged or destroyed by fire or other casualty at any time during the last six (6) months of the lease term, then either the LESSOR or the LESSEE may terminate this lease by delivering a written notice of termination to the other party within (30) days after the damage or destruction.

(b) Notwithstanding the provisions of this Article, if, prior to or during the lease term: (i) the Demised Premises shall be so damaged by fire or other casualty that, in the LESSOR's commercially reasonable opinion, substantial alteration, demolition or restoration of the Demised Premises shall be required, or (ii) the Total Premises shall be so damaged by fire or other casualty that, in the LESSOR's commercially reasonable estimate, the cost to repair the damage will be more than 25% of the replacement value of the Total Premises, as of the time immediately prior to the occurrence of the casualty (whether or not the Demised Premises shall have been damaged or rendered untenable), then, the LESSOR, at LESSOR's option, and with the written consent of LESSOR's Mortgagee, if any, may give to the LESSEE, within ninety (90) days after such fire or other casualty, a thirty (30) days' notice of the termination of this lease. If the LESSOR gives such notice, then this lease shall terminate upon the expiration of such thirty (30) days, with the same effect as if such date were the expiration date. The Fixed Base Rent and the Additional Rent shall be apportioned as of such date and any prepaid portion of the Fixed Base Rent or the Additional Rent for any period after such date shall be refunded by the LESSOR to the LESSEE within thirty (30) days following the expiration date. The LESSEE may thereafter holdover in the Demised Premises, rent free, until the LESSEE, acting with due diligence, is able to locate, lease and relocate to another property.

10A.04 INSURANCE PROCEEDS UPON TERMINATION

If the LESSOR terminates this lease pursuant to this Article, all insurance proceeds payable with respect to the damage giving rise to such right of termination shall be paid to the LESSOR and the LESSEE shall have no claim to it.

10A.05 SCOPE OF LESSOR'S REPAIRS

If the LESSOR elects or shall be obligated to repair or restore any damage or destruction, the scope of work shall be limited to the original basic building and interior work, and the LESSOR shall have no obligation to restore or replace the LESSEE's personal property. Nothing in this lease shall be construed as a waiver or limitation on any cause of action that the LESSEE has or

S.L. 2010.1

may have against the LESSOR for loss of tenant improvements, business interruption and other such cases.

ARTICLE 10B: CONDEMNATION

10B.01 CONDEMNATION OF DEMISED PREMISES

If less than the whole or a substantial part of the Demised Premises shall be condemned, and the Demised Premises can be used for the same purpose as before, the LESSEE's interest in the condemnation assessment and any individual assessment will be limited to the LESSEE's leasehold interest in the condemned premises.

10B.02 TAKING OF TOTAL PREMISES

If (a) more than 25% of the net usable square feet of the Total Premises shall be condemned, or (b) if any adjacent property or street shall be condemned or improved by a public or quasi-public authority in such a manner as to require the use of any part of the Demised Premises, so as to require, in the commercially reasonable opinion of the LESSOR, a substantial alteration or reconstruction of the Total Premises, then the LESSOR may terminate this lease as of the earlier of (i) the date of the vesting of title, or (ii) the sixtieth (60th) day following the LESSEE's receipt of written notice from the LESSOR of the vesting or dispossession date. If so, the Fixed Base Rent and the Additional Rent shall be apportioned as of such termination date, and the LESSEE's interest in the condemnation assessment and any individual reassessment or condemnation award will be limited to the LESSEE's leasehold interest, if any.

10B.03 AWARDS

Except as provided in this Article, the LESSOR shall be entitled to the entire award in any condemnation proceeding or other proceeding for taking for public or quasi-public use, excluding the LESSEE's leasehold interest in the condemned premises, if any, which will belong to the LESSEE. This Article shall not be deemed to give to the LESSOR any interest in or to require the LESSEE to assign to the LESSOR any award made to the LESSEE specifically for its relocation expenses or the taking of personal property and fixtures belonging to the LESSEE.

10B.04 ABATEMENT OF RENT.

If a partial condemnation or other taking does not result in a termination of this lease as to the entire Demised Premises, then the Fixed Base Rent and the Additional Rent shall be adjusted in proportion to that portion of the Demised Premises taken by such condemnation or other taking. The LESSOR shall, at its sole cost and expense, make all necessary repairs or alterations to the Total Premises so as to constitute the remaining Demised Premises a complete architectural unit to the extent that the same may be feasible, provided that the LESSOR shall not be obligated to undertake any such repairs and alterations if the cost thereof exceeds the award resulting from such taking.

S.L. 2010.1

10B.05 IMMUNITY

Nothing in this lease shall be construed as a waiver of or limitation upon the LESSEE's immunity to condemnation by inferior and/or unauthorized condemning authorities.

ARTICLE 11: SUBORDINATION AND ATTORNMENT

11.01 SUBORDINATION

The LESSEE'S interests shall be subordinated under the terms of a certain subordination agreement set forth in Exhibit K, which subordination agreement shall be executed and delivered to the LESSEE no later than within 90 days of any future mortgage.

11.02 ATTORNMENT

In the event of any sale, assignment or foreclosure of any mortgage, lien, deed or other security instrument with reference to any part of the Total Premises, including repairs, replacements, improvements and work, the LESSEE shall execute and deliver to the LESSOR a consent, attached hereto as Exhibit G (Consent to Assignment). No change in ownership shall be binding upon the LESSEE unless and until the LESSOR has furnished the LESSEE either the original instrument evidencing such transfer or a certified copy thereof.

11.03 QUIET ENJOYMENT

Notwithstanding the above, the obligations contained in this lease to be performed by the LESSOR shall be binding on the LESSOR'S successors and assigns during their respective periods of ownership. Upon the LESSEE'S paying the fixed base rent and any additional rent and performing all of the LESSEE'S material obligations under this lease, the LESSEE may peacefully and quietly enjoy the Demised Premises during the lease term, renewal or any extended or holdover term as against all persons, entities and/or mortgages lawfully claiming by or through the LESSOR.

Neither the LESSOR'S nor the LESSEE'S representatives have made any representations or warranties with respect to the Demised Premises or this lease, intending to be bound thereby, except as expressly set forth herein, and no rights, easements or licenses are or shall be acquired by the LESSEE by implication or otherwise unless expressly set forth herein.

ARTICLE 13: STATE APPROVALS

ARTICLE 14: MODIFICATIONS

14.01 MODIFICATIONS

Any modification of this lease, or additional obligation assumed by either of the LESSOR or the LESSEE in connection with this lease, shall be binding only if evidenced in writing and signed by the LESSOR and the LESSEE or an authorized representative of the LESSOR or the LESSEE, and first approved in writing by the State Properties Review Board and the Connecticut Attorney General. The LESSEE shall not have any obligations or duties under this lease except for those expressly set forth herein.

ARTICLE 15: TITLE TO TOTAL PREMISES

15.01 TITLE TO TOTAL PREMISES

The LESSOR covenants that it is the owner in fee simple of the entire property described in Exhibit A-1 on which the Demised Premises is located, including common and parking areas, where applicable, and of which the Demised Premises is a part (collectively, the "Total Premises"). The LESSOR also covenants and warrants to having good right to lease the Demised Premises and agrees to defend the title thereto and to reimburse and hold the LESSEE harmless from all damage and expenses which the LESSEE may suffer by reason of any restriction, encumbrance or defect in such marketable title. The LESSOR shall permit the LESSEE to occupy, possess and peacefully enjoy the Demised Premises without hindrance or molestation from the LESSOR or any other party or person claiming by, from or under the LESSOR.

Any false statement contained in said affidavit shall constitute a breach of this lease and shall constitute grounds for the LESSEE to terminate the lease at any time by giving written notice of same to the LESSOR without prejudice to any other remedies the LESSEE may have.

16.02 AUDIT

The State of Connecticut or its authorized agent reserves the right to audit the financial Records (as defined in Article 20 of this lease) of the LESSOR with respect to any documents, invoices, books, records or papers, in any existing form, associated with provisions of this lease at this location prior to the payment of any additional rent to amortize the LESSEE'S share of the cost of repairs, replacements and work completed by the LESSOR on behalf of the LESSEE, if any. The LESSEE also may audit any other documents, invoices, books, records or papers, in any existing form, related directly or indirectly to LESSEE'S payment of other additional rents for up to three (3) years after the final payment. The LESSEE further reserves the right to seek reimbursement from the LESSOR, or take any other remedies available to it under this lease, at law or in equity, if the LESSEE'S audit reveals that the LESSOR has overcharged the LESSEE for the actual cost of the service, work or utility to which the additional rents relate. This paragraph in no way limits or restricts LESSEE's rights or LESSOR's obligations set forth in Article 20 below.

The Contractor shall maintain all such documentation and any and all other of its records (whether stored in electronic or other form) that in any way pertain or relate to this Contract and/or the actual or alleged performance and/or lack of performance by any party hereunder (individually and collectively, "Records") at the Contractor's address provided in Section 10 of this Contract or such other location as is approved in writing in advance by the State.

AFFIDAVIT OF NET USABLE SQUARE FEET OF DEMISED PREMISES

State of Connecticut

County of **Fairfield**

1. I/We **Harold Fischel, President of Trust Realty Corporation**, owner of the Total Premises, known as **11 Commerce Street, Norwalk, Connecticut**, of which the Demised Premises is a part, being duly sworn, depose, say and acknowledge that the net usable square feet for a proposed lease of the Demised Premises to the State of Connecticut is, to my/our own personal knowledge, **6,249** square feet.

2. Further, I/We agree that the above-listed amount was arrived at, pursuant to the following definition of net usable square feet in paragraph 3.

3. For purposes of this affidavit and its corresponding lease, I/we agree that the term "net usable square feet" shall be defined as follows: The interior floor area of the Demised Premises used for office and other purposes. Any space that is either shared in common with other tenants, such as entrance and elevator lobbies, hallways and bathrooms, or that is used by LESSOR for other tenants or used as janitorial or electronic/mechanical closets, is not part of net usable square feet. If any of these areas listed above are for the sole use of a tenant, they shall be counted in that tenant's net usable square feet. The measurement includes structural elements of the building found in the LESSEE'S space, such as columns and projections necessary to the Total Premises or Demised Premises, but excludes vertical space penetrations of the same, such as elevators, stairwells, airshafts and stacks. Measurement of net usable square feet is from the dominant (over 50%) inside face, such as window glass of the exterior wall, to the interior surface of a wall separating a tenant from an adjacent tenant and to the inside face of a common corridor, elevator shaft, stairwell, airshaft and stack.

EXHIBIT C

RENOVATIONS AND IMPROVEMENTS

In addition to the minimum requirements set forth in Article 5 (Demised Premises Preparation – Minimum Requirements), the following improvements shall be provided by the LESSOR.

I. SCOPE OF WORK

The following shall be the scope of work for the renovations and improvements. Any attachments, sketches and/or drawings (collectively, the “Attachments”) that correspond to or have been prepared in connection with the items below are incorporated herein by reference and are made a part of this lease and they shall be treated as if they had been fully set forth herein at the time that this lease was executed. Any such Attachment that has not yet been prepared as of the execution of this lease shall, when completed, be deemed to be incorporated herein by reference and shall then be made a part of this lease and shall be treated as if they had been fully set forth herein at the time that this lease was executed. The LESSOR shall submit a complete implementation schedule that includes all planning, meetings, approvals, design and construction requirements.

(a) As part of the rental consideration, the LESSOR shall provide and pay for all renovations, improvements and work necessary to meet the LESSEE'S programmatic requirements in accordance with drawings entitled, "Proposed Offices for CSSD, 11 Commerce Street, Norwalk, CT" dated October 15, 2010, as may be amended by agreement by the LESSOR and LESSEE, and specifications entitled, "Specifications for Proposed Leased Space Office for CSSD Adult Supervision", dated October 15, 2010 (collectively the "Tenant Improvements"), including but not limited to:

General Requirements: The drawings referenced above denote a work outline and do not indicate all existing work and/or conditions. LESSOR is responsible for verifying all applicable conditions, including codes, ordinances and requirements. Lessor shall notify the Department of Administrative Services Leasing Office of any discrepancies, conflict or any other facts which in the LESSOR'S opinion would make it impossible to produce a code conforming first-class job.

(b) LESSEE shall not, by its negligence or change orders, obligate LESSOR to expend more than \$270,000.00 on Tenant Improvements. However, LESSOR shall be required to exceed said amount in the event any additional costs are not directly attributable to LESSEE.

(c) LESSOR and LESSEE hereby agree LESSOR shall install carpet squares of quality and characteristics acceptable to the LESSEE. Notwithstanding the provisions of Section 4.06, LESSOR shall be obligated to replace carpeting every five years on an only as needed per carpet square basis. This provision is in no way a limitation on LESSOR'S duty to paint under Section 4.06.

(d) LESSEE shall be responsible for the cost of installing all phone and data runs. LESSOR shall, as part of the Tenant Improvements, install outlets and ports as required per the plans and specs identified above.

II. PLANS AND SPECIFICATIONS:

The LESSOR may, at its sole cost and expense, substitute a project manager in lieu of a registered architectural or engineering firm, as may be required in some of the following subsections, provided that prior written approval is obtained from the LESSEE (DAS).

- (a) The LESSOR shall complete the plans and specifications to the satisfaction of the LESSEE within **sixty (60)** days after the execution of this lease. If the LESSOR fails to do so, then the LESSEE shall have the right to terminate this lease and all duties and obligations which it may have had or would have had, shall no longer attach to the LESSEE as if such duties had never existed.
- (b) All work shall meet or exceed all Federal, State and local laws, rules, codes, regulations and corresponding adopted guidelines. All work shall be consistent with the latest issue of the DAS A/E Procedures Manual.
- (c) Any and all costs associated with design professionals, planners, consultants, permits, legal fees, insurance, etc. associated with design and construction shall be paid for by the LESSOR. All change orders related to scope, time or cost shall be in writing by the LESSOR (or design firm) and must have the prior signed approval of DAS and, if the change order increases the cost, prior written approval of the State Properties Review Board.

- (d) At the LESSEE'S request, the LESSOR shall employ, at its sole cost and expense, a registered architectural or engineering firm to oversee and coordinate the complete architectural and engineering design, construction inspection, testing, commissioning and preparation of all drawings and specifications (Construction Specifications Institute, Divisions 0 through 16), change orders, etc. LESSOR shall provide planning, design and construction scheduling.
- (e) The architectural firm shall employ any consultants (mechanical, electrical, structural, environmental, civil, interior design, etc.) as required or appropriate for a complete set of collated, coordinated construction documents. The LESSOR'S agreement with the architectural firm shall provide that all drawings shall bear the architect's and/or engineer's seal, as appropriate.
- (f) If space-planning drawings and work are generated by the LESSEE or LESSEE'S interior designer, the LESSOR shall require the architectural firm to integrate such drawings into said plans and specs.
- (g) The LESSOR shall require that the architectural firm coordinate all job and design meetings as required to resolve construction issues, questions and concerns with the LESSEE, LESSEE'S agents, and the LESSOR'S general contractor. The LESSOR shall also require that the architectural firm prepare and distribute minutes of such all meetings and resulting change orders to LESSEE as may be required or appropriate.
- (h) TelCom and Data runs are to be installed by LESSEE, unless otherwise noted in Section I of this Exhibit, above. The LESSOR shall require that the architect make provisions for and consider the LESSEE'S needs to accommodate telephone and computer cable runs. This may include installing or constructing spare conduit runs or closet space as required to facilitate TelCom and Data needs. The LESSOR shall require that the architect meet with LESSEE'S representatives, as designated by DAS and as LESSEE may request, to plan the requirements for this work.
- (i) The LESSEE shall have the right to review and approve all said plans, specifications and drawings. The LESSEE shall provide review and comment within thirty (30) days of receipt of said documents. Approval of the said documents shall not relieve the architectural firm of responsibility for error, inconsistency or omission in the design of said documents.

III. CONSTRUCTION

- (a) The renovations and improvements to the Demised Premises shall be accomplished in accordance with the plans and specifications set forth in Section II of this Exhibit, above.
- (b) The LESSOR shall complete the renovations and improvements no later than **one hundred eighty (180)** days after the execution of this lease.

- (c) The Contractor shall obtain all required permits, official inspections, testing and obtain a Certificate of Occupancy, if applicable.
- (d) All work shall meet or exceed all Federal, State and Local laws, rules, codes, regulations and corresponding adopted guidelines.
- (e) All construction change orders shall be in writing by the LESSOR and must have the prior signed approval of DAS and, if the change order increases the cost, the prior written approval of the State Properties Review Board.
- (f) The LESSEE'S inspection at any time before, during and after the construction of the renovations and improvements and the LESSEE'S approval of any plans, specifications and drawings in connection with said construction shall not constitute any warranty by the LESSEE as to the completeness or proper construction of said renovations and improvements and as to the completeness or correctness of said plans, specifications and drawings.
- (g) Time Period for Completion of Renovations and Improvements: Before construction commences, the LESSOR shall submit to the LESSEE a project schedule indicating the following milestones: permits, construction start/end, certificate of occupancy and swing space approvals. This schedule shall be consistent with the terms and conditions of this lease. The LESSOR shall provide an itemized construction cost breakdown as per Section IV ("Cost of Planning, Design and Construction").
- (h) The renovations, improvements and work shall be subject to on-site inspection by the LESSEE or its agents at any time as well as to a final inspection before the LESSEE accepts any such renovations, improvements or work. LESSEE'S State Department of Administrative Services shall make such inspections and issue such acceptance.
- (i) Upon proper completion of the renovations, improvements and work and the issuance of a certificate of occupancy by the appropriate municipal authority, the LESSOR shall immediately notify the Department of Administrative Services Commissioner in writing of such completion and issuance and provide a copy of the Certificate of Occupancy to the DAS.
- (j) At the time that the LESSOR provides to the LESSEE a certificate of occupancy, the LESSOR shall also provide to the LESSEE lien waiver certificates, in form and substance satisfactory to the LESSEE, certifying that all work contemplated by this lease is free and clear of all liens and any other encumbrance. If a subcontractor refuses to furnish a release or waiver, or if the LESSOR is otherwise unable or unwilling to provide any lien waiver, the LESSOR must, unless waived by the LESSEE, furnish a bond satisfactory to the LESSEE to indemnify the LESSEE against such lien. If such lien remains unsatisfied after payments are made, the LESSOR shall pay to the LESSEE, no later than 45 days after the LESSEE so notifies the LESSOR, all such amounts as the LESSEE may have paid or otherwise expended in discharging such lien, including all costs and reasonable

attorneys' and other professionals' fees.

- (k) The LESSOR shall provide meeting minutes for all construction meetings to DAS.
- (l) The LESSOR shall obtain at least two competitive bids for construction of the Renovations, Improvements and Work.
- (m) The LESSOR represents and warrants to the LESSEE that all materials, equipment and work made part of the renovation and improvement project, will be new, designed and constructed in a workmanlike manner, free of any defects, including without limitation, design, architectural, engineering, structural, electrical, mechanical, heating, ventilating, air conditioning, or plumbing, and shall be in accordance with the terms and conditions of this lease.
- (n) Upon LESSEE'S receipt of written notice of completion of all leasehold renovations improvements and work, including a certificate of occupancy from the LESSOR in accordance with Section III (b) and (i) of Exhibit C (Renovations and Improvements), the LESSEE within seven (7) days shall inspect the renovations and improvements. Within thirty (30) days after the inspection, the Department of Administrative Services shall notify the LESSOR in writing of acceptance or non-acceptance of the renovations and improvements. In the event the LESSEE has objections to the renovation and improvements, then the LESSEE'S written notification of non-acceptance of the renovations shall include the LESSEE'S specific written objections regarding the renovations and improvements. The LESSOR shall cure and otherwise remedy the LESSEE'S objections to the renovations and improvements within thirty (30) days of the written notice.

The LESSOR'S failure to complete all leasehold renovations and improvements and any other required improvements set forth in any of the LESSEE'S plans, drawings and specifications, within the time period set forth in this Exhibit C, or the failure of the LESSOR to cure the LESSEE'S written objections within thirty (30) days after having received written notice of the objections, shall constitute a material breach of the lease if such failure is not attributable to Force Majeure. In the event that the LESSOR cannot meet the completion date set forth in Section III (b) due to Force Majeure, the LESSOR and LESSEE shall agree in writing to extend that date. Any increase in cost due to such extension shall be at LESSOR'S sole cost and expense. In the event of any breach or default, not directly attributable to Force Majeure, the LESSEE, at its option, may terminate this lease upon written notice in the manner provided in Section 10.01. In the event that the LESSEE exercises its option to terminate this lease, the LESSOR agrees to the following:

- (1) to reimburse the LESSEE for any amounts that the LESSEE may have expended or incurred in commencing and/or completing any of the aforesaid renovations and improvements and in performing any aforesaid work.

- (2) to reimburse the LESSEE for any amounts that the LESSEE may have expended or incurred in connection with locating and moving to new quarters.
- (o) Nothing herein shall constitute a reduction, restriction or waiver of any other remedies available to the LESSEE under this lease, at law or in equity.
- (p) Warranty of Construction. All construction work that becomes a permanent attached part of the building belonging to the LESSOR, of which the Demised Premises is a part, shall be maintained and repaired at no cost to the LESSEE during the term of the lease and any extensions or renewals.

IV. COST OF PLANNING, DESIGN AND CONSTRUCTION

The LESSOR shall provide a complete, total, specific, line item cost breakdown before commencing any work.

Total cost breakdown shall include both allocated tenant improvements in the base rent (Section 2.01), and tenant improvements that are to be amortized as LESSEE'S tenant improvement payments (Section 2.02).

The cost breakdown shall also include itemization of all "soft" costs such as planning, design, overhead/profit, developer's fees and "hard costs" such as construction, testing and permits as applicable.

The total cost for the tenant improvements in the base rent (Section 2.01) and tenant improvements that are to be amortized (Section 2.02) shall not exceed **Two Hundred Seventy Thousand Dollars (\$270,000.00)**. The LESSOR shall be solely responsible for any costs beyond this amount.

The LESSOR shall provide additional supporting cost information as required by DAS, the State Properties Review Board or the Attorney General's Office.

The LESSEE shall approve cost breakdowns and allocations within thirty (30) days of receipt. LESSEE'S reviews and inspections shall be factored into total project schedule in Section III (b). The LESSOR shall not commence any work until it receives this approval in writing from the LESSEE.

The LESSEE'S share of the total cost shall be amortized in equal monthly payments over the initial lease term of **five (5)** years at an annual interest rate of **six** per cent (**6%**). In no event shall the rate of interest payable by the LESSEE to the LESSOR for the amortization of renovations, improvements and work exceed the annual face rate on the promissory note payable at any time by the LESSOR to the LESSOR'S mortgagee. The LESSOR shall notify the LESSEE, in accordance with Article 10, of any change in such face rate within ten (10) days of the effective date of the change. A copy of the promissory note, or similar instrument evidencing the face rate, to the LESSEE, shall accompany the notice to the LESSEE.

4. Attornment. If the interests of the Lessor in that portion of the Mortgaged Premises that constitutes the Leased Premises shall vest in the Lender by reason of foreclosure or other proceedings brought by it, or in any other manner, the Lessee shall attorn to the Lender, or any purchaser of the Leased Premises in foreclosure, or any grantee under a conveyance in lieu of or subsequent to foreclosure (hereinafter a "Transferee"), and the successors and assigns of any such party, as its new lessor, and the Lease shall continue in full force and effect as a direct lease between the Lessee and the Lender or Transferee upon all the terms, covenants, conditions and agreements set forth in the Lease and any extensions or renewals thereof. Said attornment shall be effective and self-operative without the execution of any further instruments on the part of any of the parties hereto, immediately upon the Lender or Transferee succeeding to the interests of the Lessor under the Lease. The respective rights and obligations of the Lessee and the Lender or Transferee upon such attornment, to the extent of the then remaining balance of the term of the Lease and any extensions or renewals thereof, shall be the same as now set forth therein, it being the intention of the parties hereto for this purpose to incorporate the Lease in this Agreement by reference with the same force and effect as if set forth herein.

5. Lessor Default. The Lessee agrees to give the Lender written notice of any Lessor default simultaneously with the giving of such notice to the Lessor. The Lessee hereby covenants and agrees that in the event of a default by the Lessor under the Lease that the Lessor does not cure within the time period permitted by the Lease, provided such default is not a failure of an essential system rendering the Leased Premises untenable or is otherwise an emergency condition, the Lessee, before exercising any rights it may have under the Lease, or otherwise, shall first notify the Lender of the Lessor's failure to cure and shall give the Lender, commencing as of the date of such notice, the same rights (but not the obligations) as are given to the Lessor under the Lease to cure. In the event the Lender cures such default in accordance with the provisions of the Lease, such default of the Lessor shall be deemed cured.

6. Notice. All notices under this Agreement to either party shall be in writing and shall be transmitted by certified mail, return receipt requested, postage prepaid, by nationally recognized overnight delivery service, or by facsimile (with transmission confirmation) and a follow up by first class mail, postage prepaid, and addressed to the Lender as follows:

7. Miscellaneous.

7.1 The rights and obligations of the parties to this Agreement shall inure to themselves, their successors and assigns including, without limitation, a Transferee; provided, however, that in the event of an assignment or transfer of the Lender's interest, all obligations and liabilities of the Lender shall terminate and such obligations and liabilities shall be the responsibility of said assignee or transferee, except (a) such as may arise from Lender's possession of pre-paid rent or a security deposit, or (b) such as may have arisen from a breach by Lender of any terms, covenants or conditions of the Lease during such period as the Lender was the owner of and in possession of the Mortgaged Premises.

7.2 No modification or amendment to this Agreement shall be binding unless set forth in a writing, duly signed by the parties, and approved in writing by the Attorney General of the State of Connecticut.

7.3 This Agreement shall be governed by the laws of the State of Connecticut, without giving effect to its principles of conflicts of laws.

7.4 If for any reason the terms of this Agreement or any substantive provision thereof, shall be found to be unenforceable, illegal or in violation of public policy, this Agreement, shall automatically be amended to conform to the applicable decision, and the Lessee and the Lender expressly agree to execute any amendments necessary to effectuate the goals and purposes of this Agreement.

7.5 The parties acknowledge and agree that nothing in this Agreement shall be construed as a waiver by the Lessee of any powers, rights or defenses of sovereign immunity, which it may have had, now has, or will have with respect to all matters arising out of this Agreement. To the extent that this provision conflicts with any other provision hereunder, this provision shall govern.

S.L. 2010.1

7.6 Except as expressly provided for herein, no provision of this Agreement shall be deemed to relieve the Lessor of any obligations to the Lessee under the Lease.

7.7 This Agreement may be recorded by any party hereto in the land records of the municipality in which the Leased Premises are located.
