RE: Master Agreement A-89-024 and B03-B005 Product Schedule Updates

Dear Ms. Kiefer:

I have received your request to update the Product Schedule Updates associated with the above noted Bureau of Enterprise Technology's Master Agreement. This change incorporates 4 payments of \$417,129.00, due September 30, 2012, \$139,519.00 due December 27, 2012, \$543,709.00 due September 15, 2013 and \$563,709.00 due September 15, 2014.

Given the Terms and conditions of this agreement, the request to update the Product Schedule is approved. A copy of your Product Schedule Update request is attached to the letter. Please consider the services a part of the associates Master Agreements and file this approval with the appropriate agreement for future reference.

A copy of your Product Schedule update request is attached to this letter. Thank you for your interest in doing business with the State of Connecticut.

Very Truly Yours,

✓ Joseph Giliberto

Re: Master Agreements A-89-024 and B03-B005 Product Schedule Updates

Dear Mr. Gilberto,

This letter serves as notice that CA and the State of Connecticut ("Licensee") are updating the fee schedule and term of our MIPS based license agreement dated September 30, 2003. In addition, CA is updating the total MIPS Capacity and adding an additional fee schedule as set forth below.

Pursuant to The State of Connecticut's CPU upgrade on September 30, 2012, please find an adjusted Exhibit B to CA's MIPS Based License Amendment dated September 30, 2003. This third revised Exhibit B contains the proposed change to our contract to bring the contracted MIPS Capacity from 913 MIPS to 1106 MIPS, and also details the fees due for the upgrade.

The Extended Term of the license is hereby extended to expire on September 29, 2015 (the "Third Extended Term"). In consideration of the above, Licensee shall pay to CA a fee inclusive of usage and maintenance of the Section I & II programs, as well as maintenance of the Section II programs, through the expiration of the Third Extended Term, in the amount of \$1,684,066.

<u>Due Date</u>	<u>Amount Due</u>
September 30, 2012	\$417,129
December 27, 2012	\$139,519
September 15, 2013	\$563,709
September 15, 2014	\$563,709

All payments shall be made in accordance with and shall be governed by Connecticut General Statutes §4a-71 et. Seq.

CA RC SECURE FOR DB2 and CA TCPACCESS COMMUNICATIONS SERVER are hereby terminated and Licensee hereby represents that it has deleted from its computer system(s) and has either destroyed or returned same to CA. See attached Sixth Revised Exhibit A for updates.

Notwithstanding anything contained herein or in the License Agreement to the contrary, Licensee understands and acknowledges that CA FILESAVE RCS AUTOMATED RECOVERY and CA ESP WORKLOAD AUTOMATION API ("Stabilized Products") have been stabilized by CA which means that, although CA is currently providing telephone support for such Licensed Program, CA is not providing enhancements, or new releases or modifications of the stabilized Product. Licensee agrees that CA has no obligation to provide any such enhancements, modifications or new releases.

For a period of one (1) year following expiration of the extended term, should the parties be unable to negotiate a Maintenance Fee, then the last annual maintenance fee, as described in this letter, shall prevail as the acceptable annual Maintenance Fee of \$563,709 for such one year renewal term. After said one year, the parties agree to negotiate in good faith any renewal terms.

With your acceptance to these updates to our contract, please send two signed copies of your approval letter to:

Christine Elliott
Customer Portfolio Manager

One CA Plaza
Islandia, NY 11749
T +1 631 342 6000

CA, Inc.
One Computer Associates Plaza
Islandia, NY 11749

CA will countersign and return the approval letter to you for your files, and will retain one for CA records. If there are any questions, please feel free to call Christine Elliott at (631) 342-2516. Thank you for all of your help.
