Dear Ms. Del Greco,

As the current provider of hardware, software and services related to the Connecticut Department of Motor Vehicles driver license program (Master Agreement Number B-00-012), the CT DMV has asked MorphoTrust USA for pricing to add two additional over the counter printers in the Wethersfield office to support the Drive Only Solution.

**Description of Goods and Services:**

The CT DMV has requested MorphoTrust to provide pricing to procure and install two DataCard SP75+ over the counter Driver License production printers with the following configuration: SP75C2H1NETL2SZ05.

These printers will be installed in the Wethersfield office at the request of the DMV.

**The following assumptions were made when pricing this effort:**

- This quote is dependent on agreement of final specifications with the customer
- Printers will be installed and configured in the Wethersfield office
- Printers will be configured to produce DL/ID's associated with the new Drive Only Process
- The terms and conditions associated with Master Agreement B-00-012 will apply to this delivery.

MorphoTrust has included price quotations in the following pages to include the professional services to perform the task as described above. We respectfully request that you approve this update to the current Product Schedule.

Thank you for your consideration. Please do not hesitate to contact me with any questions you may have.

Sincerely,
